Dear Pastor,

I am very sorry to say that the Bank Account in your name could not be opened till to day because of certain information about you the Reserve Bank requires before it gives the permission. You may have known through the letter No 892/71 Dt. 9.11. 71. from the United Commercial Bank Ranchi to you what those information are. The Reserve Bank wants to know :-

" Whether the appointment of Mr. Hecker is approved by Reserve Bank of India or Government of India. If so, the copy of the letter of approval ".
I have asked our Pramukh Adhyaksh about this. But he could not tell me any thing about this query. So, I was helpless to proceed further. I hope you are coming in this month to Ranchi. I think we will see to this problem when you will be here.

All dues in respect of your Tution Fees at Dehradoon has been paid to the Principal of Language School there.

With greetings to your wife and Master Hecker,

Sincerely Yours.

Subject Ref. your No.398 dt. 10-6-69 and
No 608 dt. 13-6-69.

Dear Sir,

With reference to your letter No 398 dated 10-6-69 and
No 608 dated 13-6-69 I have the following to say.

The Board of Properties G.E.L.Church, at present is not
financially in a position to take up the repair works of the Bungalow
at Purulia. It needs a big sum. That is why we proposed two or three
year back to raise the rent from Rs. 100/- to Rs. 300/-; but the
proposal has been turned down because of negative consent from your
side. That Bungalow is not the only Bungalow which has to be taken care
of. There are several Bungalows in the vast area of G.E.L.Church which
are to be given priority. It is up to the Church which it repairs
first.

You have requested the Board of Properties to repair the
Bungalow. It is quite in place. Now it is up to the Board of Properties
when and how your request be fulfilled. But you stress your request by
threatening the Board of to involve the Church in court cases which
we find too much. Instead of the threatening us why don't you vacate
the place and find another suitable Bungalow for your office to run if
the present building of ours in giving so much trouble ? We may tell
