Dear Hans,

Thank you for your letter dt. 3.12.79 requesting to arrange an invitation letter for your group study tour. After discussing with Dr. Bage I have requested the principal of Serampore College to send an invitation letter to you. I hope he will soon do this. Dr. Bage also promised to write a letter to the Principal. The other detail programmes for you shall be made after your suggestion is received.

The situation in the Church is almost in the same way. Now we are paying the workers of all Mission fields including Udaipur and Surguja. But meanwhile mission director P. Kriebel has informed that he is transferring amounts for Udaipur Mission field. This has again created confusion and bitterness in the Church - among the KSS members the Mission field congregations etc. I am trying to pacify the situation, but not quite successful. I shall be writing a letter to the Mission Director with this regard.

In my family we are now almost doing well. We have now fifth members in the family, Regine and Regem got a sister. So Ohmati had some complications and I was also suffering from boils and wounds, but now I am getting well.

As now-a-days we are very busy in KSS meetings and in preparing for the Christmas Holidays. So I am not answering all the points you and Ursel have written. I hope I may do this letter on.

With seasonal Greetings,

Yours Sincerely,

The Principal

Serampore College

Serampore, Hooghly Dist. W.B.

Dear Sir,

You might remember that once Mission Director of Gossner Mission, Berlin visited Serampore College and had a talk with the staff members of the Theology Dept. I was told by Dr. M. Bage that there was a mention of a possible visit of a group of students and teachers a Training college in Germany and this has been principally agreed by the staff members to accept the guest group in the College.

Prof. Dr. H. Grothaus, a friend of the Gossner Mission and also of Dr. Bage and myself has written a letter to me that they would like to visit India including Serampore College and Ranchi on a study tour in Oct. 1980. For this they need an invitation from a College so that they may be able to take some financial assistances. As written in that letter I consulted with Dr. M. Bage and we agreed that such an invitation letter be sent by the Serampore College, i.e. by the principal. There would not be any burden on the part of Serampore College, instead the College would gain friends and wellwishers to strengthen the relationship with the friends in Germany. I therefore request you to kindly send such invitation letter as early as possible- possibly before Christmas, in the name and address of"-Prof. Dr. H. Grothaus, 239 Flensburg 10, Norderluck 28, West Germany.

A draft of invitation in enclosed herewith, you may give a letter form. Dr. M. Bage as he told me also would write a letter to you with this regard.

Thanking you,

Yours Sincerely,

The 8.12.79

Dear Pastor Kriebel,

Thank you for your kind letters, and also the copy of the letter to Rev. N. Ekka.

I was out of the station for 'Refresher Course' for the m/fs workers of SEA, OA and M. Anchal in Tokad beyond Khunti. There were 74 participants from the Ilaka. We had a nice time and serious thoughts about the future of our work in our given situation, - politically, socially, economically and otherwise. For a short period two from Surguja and Udaipur were also present.

From Dec. 10-16 we have 'Refresher-Course' in Ambikapur for Udaipur, Surguja and Khuria m/fs. We are expecting nearly 150 participants, according to the calculation given by Rev. O. Toppo. Since 25th Nov. I am not doing well, I have boils and pimples round-around my mouth, it is giving much trouble. Some how I carried on the 'Refresher-Course' Tokad, but for Ambikapur it seems quite impossible. So I am arranging with my assistant two more pastors to go and help in the Classes if they prefer, they may close the same and we may conduct the same sometimes next year, but this time we have to pay the Travelling expenses.

You have asked me about my trip to Nepal to visit Ampipal and other places. If the membership in UMN about me is settled I may be ready to go for the meeting and the visit.

My Assam trip is almost sure, and I shall try to enquire into the subject, but actually I do not know the main points of enquiry. You please let me know the same. By the last weeks of March I shall be back and be able to meet you. I was at the same time thinking to conduct a 'Refresher-Course' of the field workers at one place, you may have a chance to meet the field workers. I can do so in possession of your detail tour programmes etc.

Now regarding the touchy matter of your transferring of mon. N. Ekka, i.e. for Udaipur m/f. The pramukh Adhyaksh has written with this effect and thus

On 26th Feb. I have to return Ranchi. That is to say I have given time for Orissa Anchal two weeks time and you have to adjust with the Anchal Adhyaksh, O.A., Rev. N. Kullu and the Supervisor Rev. H. thus you know the reaction. I would like to express my feeling, that by transferring money to them the problem is not solved. Now the field would be divided into two groups and there will be fighting and quarreling in the fields also. Rev. S. Tirkey is keeping the P.F. and Pen. F. fund of the m/fs workers, and it will be now difficult for the workers to get their money from him. I would not say that you should not give them any money, only my point is that by this action you have made another knot in the church problem. I accept this action as other actions.-like you are donating money for Zambia or Nepal, where GELC has nothing to say.

In our family by the coming of the new babe we have also new troubles. Mrs. Singh is also still sick, we have not been able to baptise the child, and till that actual names are kept secret.

Ambikapur

Dear Rev.Toppe,

I am very sorry to write this letter due to my sickness which has already started in Tokad I am unable to go to Ambikapur. I am very-very sorry for this. I was even till yesterday that if the trend of sickness is changed I shall go, but it is still in increase. So, in my great disappointment I have to cancel my trip, however my Assistant Mr. J. Kandulna a Pastor from SE Area Rev. H. Hansda along with the Anchal Adhyaksh Rev. S. Toppe are going to conduct the Classes, because it was not possible to cancel. However if you all think good to close the class after a day or two you may do, in that case we can compensate the same sometimes next year. This time all workers have to get registered by paying Rs. 5/- each and they will get T.A. and fooding

So, this is left up to you and the field workers in consultation with our friends from Ranchi-group to do the useful and needful thing for the classes.

Dear Rev.Kriebel,

Just in this week I wrote a letter to you regarding many points, but today I would like to inform you that the matter of Udaipur for payment is solved. Now we will be able to pay them immediately.

We could have paid today itself, but unfortunately Treasurer is in Madras for a meeting. So, workers in Udaipur Madhya Pradesh would be paid in the next week when treasurer would come and Pastor-in-charge of Udaipur would come.

Rev.O.Toppe of Ambikapur has played a great role to negotiate in this matter. Now we have to clear up the funds which are with the field, revolving funds, P.F.and Pen.F. and construction fund. But we shall pay the workers as advance for the rest months as they have been already paid up to June '79.

I hope this news will be appreciated by you, and you can answer Rev. N.Ekka and other that now we are to pay all workers immediately.

With best of my regards.

The 12-11-79

Dear Pastor Kriebel,

Thank you very much for your kind letter (dt.19.10.79). Before this, a letter written by you and sent along with the copies of letters written to Rev.M.Tete, and Mr. B. Topno (Lita Bhai) seemed to be taken out from the envelop cut with a blade, only the copies were inside. I suppose, someone might have taken the letter out. Thank you for the letters.

First of all I would like to tell you something about the big meetings :-

- 1) The General Meeting (Am Sabha) was attended by some 120-130 christians from all Anchals and Ranchi Hd. Qtrs.Cong, from Assam only the Adhyaksh was present. Specially the present crisis of the church was discussed after some detail informations and lectures on church unity. The Meeting was meant specially for informing the people about the actual position of "NW-GELC" and how almost in all Ilakas congregations are coming back after they knew that "NW-GELC" is going to form a new church with Bishop and relationship with America.
- 2) This General Meeting was followed by the Kalisha Sangh - a constitutional meeting in which representatives from all Anchals, Ilakas etc. were present. Reports from KSS officers, Boards Central Institutions and Anchals were received and discussed. Certain recommendations were made to the KSS for actions. But as I have seen many of these recommendations would remain on papers only - as in past times.
- 3) KSS meetings :- As per schedule central Boards had their meetings. As the Madhya Anchal has given negative votes to the elections of the different chairman of the Boards, the Pra. Adhyaksh has to chair all the Boards. In Boards meeting itself started about the representation of NW Anchal - Dr. Tigga and other Rev.Toppo. But after hide and seek situation the Bds meetings were conducted.

Thereafter KSS meeting like two Boards meetings were to be conducted in Bethesada Training College. In the agenda of attendance representation from Madhya Anchal was questioned. Rev.Tete who did not go to Khutitoli when he was elected Anchal Adhyaksh ; he is again elected as "Honorary Anchal Adhyaksh". This was said to be unconstitutional and it soon became a subject of hot discussion. It seems that Rev.M.Tete would be elec

ed every two months as Anchal Adhyaksh, because he would not go to Khuti-toli and automatically after two months election would be invalid,- So, in this will be replaced again and again till the term of Rev. Soreng is finished and goes back to Khutitoli. In this way no KSS meeting was held and the recommendations of the Kalisha Sangh and Boards are still pending. KSS is again Scheduled for 17th Dec, 79.

Last week I was told that information has come about the transfer of the amount for the BEL. But it is not quite clear whether we can pay Udaipur workers also, The decision taken by the KSS officers "that all bills for BEL payment have to go through Anchal Adhyakshes- i.e., Anchal Adhyaksh must countersign on this bills". Seems to me very difficult and also hindrance for payment to all workers. I am still negotiating for the payment to all workers. But the conditions by the KSS officers is rather very difficult.

The Guests, under the leadership of Frau Friederici; were here and I hope they have enjoyed the visit as we also did. We were facing some difficulties as the "NW-GELS" friends had informed the local and the higher police officers warning them of break of peace. But nothing serious happened.

Your intended visit to Nepal and also to India in March/April/May 1980 may be better to finish latest by the 2nd week of April. Lent season may be good to meet people and to talk with other leaders, because in lent season we do not have other programmes. It would be good if you would write to the Pramukh Adhyaksh for such possibilities.

Now regarding DrBage's membership in FTC and UMN. I would like to say that as far as my knowledge goes there is no official arrangement. That was a mutual arrangement on mutual confidence and understanding with the former Mission director of Gossner Mission and myself - coincidentally I happened to be the Mission director as well as the Kurator-to the Kuratorium gave its silence approval. But due to my past experience I think it will be better for me as well as for Dr. Bage, that he would

be made member in FTC and UMN. I am finding difficulty in attending the FTC meetings which is held very regularly, because now-a-days I am more out of station. For general information and to follow the policy etc. of UMN it will be good for Dr. Bage to be guest member in UMN, so that he can understand the whole discussion and reports on UMN.

I have chalked out programmes for my work for next month. In Nov/Dec. I have two Refresher Courses for the m/f workers. In Jan I am to tour Orissa, while in Feb./March I shall be in Assam. In April I am to visit m/f of SE Anchal. In May we have various Retreats, Bible classes etc.

In the last Kalisha Sangh I have been requested to take the responsibility of printing useful and urgently needed books for the church. At present I am busy with Panjika 1980 (The church Calendar). My planned activities in Ranchi are also going on in the initial stage, as we could not had our KSS meetings usual course can not be taken out. As the situation is critical in rural area due to drought I may divert my plan that direction for which also I am still in negotiations.

I am herewith sending a copy of the minutes of the last BEL meeting.

Thank you very much for your kind letter dt. 2.10.79, At the same time I also acknowledge a letter from Mr. Arnold, UELCI Madras regarding your same visit to Ranchi.

We are happy to hear your coming and we shall be ready to share with you some of our concerns which are common to both sister churches. According to my pre-scheduled I shall leave Ranchi in 24th Oct. for my programme, but the president of the church Rev. Soreng who is at present in New Delhi, would take care of you.

We shall make necessary arrangements for your stay and discussions. If you are coming by Bokaro Steel Express on 22nd Oct. you may reach Muri station at 8.30 a.m. on 23rd Oct. and you shall be picked up from there by any of us. For your departure from Ranchi to Calcutta and from there to Madras is not quite clear. If you have the ticket, we should have the number of the tickets specially for Madras. For Ranchi-Cal, we can first ask for reservation. But for Cal-Madras we need a ticket or its number. I hope we may get a definite information from you with regard.

The 10-10-79

Dear Pastor Kriebel,

Thank you very much for your kind letter dt.20.9.79 along with blind copies of other letters.

As you have mentioned in some letters and also in the "Gossner Mission" (BIENE) about my not candidating for membership in the Kuratorium, I would like to clarify my stand and principle, so that you may have note of my position for any membership in any committee or board. I feel myself responsible to be member or officer in any committee, I do not understand it as my privilege or chance, therefore where ever there is a competition or veting afor talking one of the other, I voluntarily withdraw myself. Till now I have been able to keep this principle, and I have accepted only those posts, which have been unanimously decided. In reference to our particular case, I thought it to be fitting not to candidate, when the director himself has proposed another's name with good reasons and also the KSS decided to elect its own representatives perhaps with evil intention !

But I am happy that Dr. Bage has been elected and I do hope, he will accept the membership to serve the purpose on both ends. At this point I would like to say that as 'Kurator' he will automatically get the membership in the FTC Trust and also visitor membership in the UMN, Please inform him and the concerned officers with this regard.

I hope by this time the Pramukh Adhyaksh Rev.Soreng has informed you about the ~~xxxx~~ new Bank a/c No for BEL. In my one letter I have already informed you about the same. I am not quite clear whether I can pay all the workers even with this facility of new Bank a/c .Because the KSS has decided in its meeting that all bills must be signed by the Anchal Adhyaksh for payment by the BEL, i.e, if any field would directly submit its bills - like NW, GELC, such field would not get the payment. By now all workers in Surguja are being paid up to date and it is very likely that workers of Udaipur also shall be paid very soon. The workers of Udaipur field have been paid up to June 79 - ca Rs.50,000/- from the workers' P.F. and Pen.F. account kept by the field itself. This amount

has to be accounted for when the payment from BEL will be made.

It is not true that I have ever forced the superintendents to sign any paper of loyalty to Rev. Soreng before they would get their pay, on the contrary I had always tried that they should get their salaries. With this intention only I wanted to visit the fields, but they denied even my authority. The truth is that the KSS has decided that all bills should come with the signature of Anchal Adhyaksh, and accordingly I am unable to do any procedure. Meanwhile some of the workers of Surguja came to know that they have been kept under "NW - GELC" and therefore they were not getting the salaries, so along with pastors they applied for payments and also expressed their loyalty to KSS, so Rev. Toppe Superintendent, joined with all workers ^{and} gets payments. This all was done when I was in Serampore. Now the workers of Udaipur are also trying to do the same - except Rev. S. Tirkey, Superintendent and some other, Rev. O. Toppe told me last week that workers of Udaipur met him for advice and it seems that they are ready to do the same as the workers of Surguja.

The whole matter is not yet quite clear. But from 15th Oct. we have the Am-Sabha- the general meeting - in which every one can participate of his own and may be allowed to put questions, specially about the "NW - GELC" and GELC matters, thereafter is the Kalisha Sangh (according to the constitution) - where the laymen have the voice. These two ^{meetings} may recommend certain things- also in regard with the "NW - GELC" matters and the KSS is to sit for this ^{first} after these two conferences to take necessary decision and I hope BEL as well KSS has to take specific decisions in regard with payments and future policies, because I have also certain plans for the mode of work of the BEL. One of them bring the use and importance of a Separate Bank a/c for BEL. Certainly this new a/c shall help to guard the BEL money so far very often used also for other purpose. After my teaching time in Serampore I had 14 students with me in Chakradharpur, area Mission field and therefore after in Ranchi also for the

practical Training. In this way I was busy with the students, so I could not discuss many things with the Pramukh Adhyaksh. He is also mostly out of Ranchi since 2nd Oct. he is in New Delhi. Thus I have no idea about the programmes for the German Guests. When I left for Serampore I requested Dr. Bage and Rev. Soreng to make the programme, since then I was unable to talk about the Programmes. I hope by now Frau Friederici has sent the list and names of the guests including the actual date of their stay at Ranchi. I had also written one letter to her, but till now I have not received any letter. We expect that one of the guests would give sermon on the 2nd Nov. 79 during the Mission festival worship.

From this week onward I shall be staying in Ranchi for meetings and its preparation (reports etc.), then for the German guests. In between I have to go for two or three days for Bible class, dedication of new constructed houses. For this I have also fixed two ^{representatives} for the field workers. One in Ambikapur and another in Tokad ca 50 Km away from Ranchi. The preparation is going on for these classes. Thus the programmes are till 17th Dec. 1979.

After our meetings at Ranchi, I hope I can give some reports on the decisions in the meetings.

Dear Sir,

Thank you very much for your letter dt. 24.8.79 ref nil, I am very sorry that my letter has pained you very much. I ask you pardon, but I can not do otherwise than what I see and experience. Your reply point by point is well adjusted but I have to give my own remarks, I hope you have your office copy and also a copy for the Anchal Adhyaksh and the Missionary. If you have not given them copy then this my writing may hurt you more.

Ref.1. I did not think that you have such missionary who would hide some matter and the thing will be field and the BEL. I thought you have a field to Anchal good relationship and every thing is done with good faith and mutual responsibility. If you throw the responsibility on me, you are mistaken.

Ref. 2. On the recommendation of Anchal only the payment is being made directly. It seems among Anchal officers also there is no mutual understanding. I would like to know who this 'We' in your letter indicates, the officers or the Anchal people including the missionary or without ? Though Anchal officers have power and authority - as it is usual or the missionary, but if the Anchal is unable to control the missionary and the field, financially seen, if no good to run the mission field and not the vice versa.

Ref. 3. I can not make allegation against any Anchal, but as Director I can only demand accounts, reports etc. either from the Anchal or from the field, and it is Anchal or the field which has to give me the same on their mutual responsibility. But if they have no such mutual certainty they would feel it as allegation from side. It is no excuse

one has done, I have not done. Many things can be pointed out to be exact for any one.

Ref. 4. That was your suggestion and request not mine. I can just stop for payment when the budget is crossed.

Ref. 5. I have reminded all the Anchals to do more than what they do. You can have more than four children, I shall be thankful if your Anchal will not request for any paise from BEL. That is the real Autonomy. May ^{be} after some years you can do more without BEL or Gossner Mission, that day will be a great day for Assam Anchal Officers and Assam GELC.

Excuse me I have given these comments not to gain favour for any one but first to say what and how it had to be said. I also would like to thank you for your bill of Sep. 79 and the letter dt. 5th Sep. 79 no reference. Actually that letter should have been addressed to the Treasurer or the Ed. Accountant. I am sorry to ^{let} tell you know I am not the paying authority. Any how I am surprised to find bill of this month in the very beginning. generally bills are ~~usually~~ prepared in the 2nd half of the month.

In your letter you again write 'We' who are these we included, all Anchal Officers in Missionary or ? If you Treasurer or Anchal Officer excluding supervisor would claim to be not responsible for payments made to the field directly, then why do you direct us to pay separately. If this will be the case I have to withhold all the payments till you all officers including the Missionary are not ready to take joint responsibility. Therefore I would like to advice to all Anchal officers and the Missionary to sit together and let me have the minute of such meeting and after only I shall pass and recommend your bills. ^{For} Delay of payment your treasurer of the Anchal shall be made responsible.

For the proposed meeting which is advised herewith I would like to discuss the amount plan and projects about the School for which the money has been given long ago. You as treasurer ~~may~~ may say that

Dear Sir,

According to our verbal agreement for two pastors to be appointed for the field carried out. But according to the income centralised it is not quite clear whether you are centralising the income of all 2 Congregations. If the income of these congregations which are ministered by these two pastors are not centralised I fear I have to stop payment for one pastor. Only these pastors are entitled to get salary from the BEL who are really in the Missionfield. Therefore the pastor now in Jharsugda must go to the missionfield or he is not missionfield pastor and his salary cannot be given from BEL. This be settled as early as possible.

Frau D. Friederici,

Thank you very much for your kind letter with copies of letters addressed to Rev. Soreng and Rev. E. Ekka. I am very sorry that it was a mistake on my part that I did not write a letter to you about my safe arrival at home here. I thought, I might have written to you and also to the Director. After coming back I was in quite a fix. I was very busy in preparing my lectures for Serampore College, which I did know only after my return from Germany. Thus I missed to write to you. Now I am back from Serampore College, for a week, on 18th Sep. 79 I shall again go to join the practical work of the students, fortunately it is in our missionfield. The practical work is up to 2nd Oct. 79. As I came back I found your letters. I talked to the Pramukh Adhyaksh. I absence of your proposal supposed to enclosed with letters we are unable to make detail Programmes- actual date and time of arrival and departure is not known to us. So it is requested please inform the Pramukh Adhyaksh about the same.

The ladies of our Ranchi congregation again wrote to Nepal addressed to Rev. Robert Karthak to send two ladies for visit to GELC in Feb. 1980. But till now no information has been received. I am not quite sure how had to proceed with the matter, should it go through NCF or for convenient sake direct to the Congregations in Kathmandu. I also still hope that Gossner mission would pay the travel expenses.

The situation in GELC is almost the same, and there is no sign of any big change in next months. In Oct. we have our general meeting and Conference at Ranchi with a purpose find out a new way to solve the situation.

The Political situation in India is also very uncertain even after the mid term poll there is no hope that we shall have a

Dear Brother Kriebel,

Thank you very much for your kind letters, along with many photos of my visit to Germany. It seems that letters I sent from here is not received by you. In that letter I had informed you about my safe arrival in Ranchi and also concerning the payment to NW Anchal Missionfields in Madhya Pradesh.

Herewith I am sending three reports : (1) A short Report on my visit to FRG (2) A short Report on my visit to GDR and (3) Half Yearly Report (Jan.-June) 1979 of BEL. I am also enclosing letters and Reports for friends in GDR. Please pass them as to those friends. In these reports I have made some remarks and proposals, these are meant for our church members and leaders as well as for the friends in FRG and GDR.

I am very much concerned about the work is done in the missionfields as well as in many Anchals and Ilakas including in the Hd.Qrtrs. Ranchi. I have the fear that the BEL money is used very leisurely by the responsible persons in the Centre. Although it has been decided long ago that a separate Bank a/c be opened and all BEL amount be transferred to that a/c, but till now they have not yet done. Therefore, I would like to request you to withhold the next installment till the end of Sep. 79. So that the present amount, including the balance of 78, by non-payment to Surguja and Udaipur. The next installment be sent by the last week of Sep. and direct to the new bank a/c for BEL.

As informed in my last letter I am to go to Serampore next week for the part time teaching till the middle of Sep. 79.

The problem of payment to the Surguja and Udaipur is not yet solved though an advance has been paid to Surguja. The situation in Hd. Qrtrs Ranchi and in NW Anchal is very much uncertain, Dr.J.J.P.Tiga has filed a case against the new Anchal Adhyaksh and other officers of NW Anchal along with the Pramukh Adhyaksh and Mr. N.E.Horo. There are still more court cases specially in NW Anchal area including the old cases in the Centre.

General political situation in India is also very much uncertain. After the resignation of the former Prime Minister Mr. Desai a new Prime Minister has been installed. Accordingly the Freedom of Religion Bill in the Centre falls out automatically. The new government may be very much friendly for the minorities, so also for the Christians, and accordingly the said Bill may not come. But we are not quite sure whether the present new government would last long. The similar chaotic situation is prevailing with the political situation in Bihar.

The monsoon in this part is not yet quite regular many parts of the country are deluged with floods, so also in Bihar. In our area rain is not sufficient, farmers are finding difficulties in transplanting rice and in other work.

In my last letter I had also informed that I am not willing to contest for the membership to the Kuratorium. This I had already expressed, when you were last time in India. That's why I did not send my short life sketch.

With kind regards and greetings,

Yours Sincerely

Dear Sirs,

I am very sorry to write this letter to you all, but in the interest of the BEL work I am compelled to do so. As you know, the BEL has expressed and requested for a separate Bank a/c for the BEL amount, and all amounts be transferred to this a/c, this was approved by the KSS in its meeting in Feb. 1979. I am very sorry that this has not been done inspite of my written and verbal request. I am afraid that amount of the BEL is being used for other purposes for which KSS has no right to do so. If this is the fact and due to this fact if the BEL work will suffer you will be held responsible for such irregularities and difficulties, of non payment to the workers.

Therefore, it is my humble request to do the needful to avoid such situation in the future.

Dear Brother P. Kriebel,

After a month long stay in Serampore College I am again back in Ranchi but after a week stay I shall go for two-weeks- practical-training with the students, the programme has been agreed for our mission field in Singhbhum district- with a camp in Chakradharpur.

The situation in our church is still almost the same. After long this and that now it seems clear that Surguja and other fields will be paid their salaries. Yesterday Rev. Toppe from Ambikapur came to me and told that he had fulfilled the conditions and shall get the amounts. I hope with same conditions Udaipur can also be paid.

Meanwhile a new Bank Account has been opened. It will be good you would transfer the amount for BEL to this Account, it is in the same United Bank of India, its No and name is : "G.E.L. Church Gospel & Development Fund : CD A/C NO 3589 (United Bank, Ranchi.)

Please transfer the 2nd Installment at your earliest conveniences. In spite of my several letters to treasurer and other officers, the amounts still with Church Bank Account is not yet transferred to the new Bank a/c. I hope that now by Surguja and Udaipur the total amount will be paid.

The political situation in India became very uncertain after the dissolution of the Parliament. Election has been announced but its not quite clear whether any party would come out with absolute majority. In Bihar the present Government seems to continue. We in Southern apt of Bihar - Chotangpur are facing a severe draught, no rain, little rain, paddy is almost destroyed, thus severe famine and scarcity of essential commodities are threatening the area. However the area has not yet been declared as 'famine area' although Central is promising all possible helps for such states.

Dear Sir,

Thank you very much for your kind letter of dt.7.8.79. which was handed over to me by the Pramukh Adhyaksh. At present we are well. Hope you are also the same.

I read your sent letter, and came to know that I have a lot of duties in the office. Just the next day I started my duty untill it finished the specified items as :-

A- 12 Copies of GDR Report.

B- 15/16 Copies of Half Year Report.

C- Surguja m/f Bills - (Udaipur has no bills by now).

Sir, let me say one thing, one day Rev.Sunil Tirkey came to me and gave me the Bills of Nov. and December?'78. But he told me nothing. Then again after two or three days he came and asked me to check his Bills. I replied him that " without the order of either Dr.Singh or the Pramukh Adhyaksh " I cannot do even a minor work. Then he asked me back his Bills and took it his home.

Rev.J.Kullu Simdega, who is the Acting M.A. Adhyaksh according to the letter which we have in the file. But he does not want to countersign on the Bagima Bills, Rev.Kullu told and sent Rev.S.S.DungDung to Rev.M.Tete for the same, telling him that he is the M.A. Adhyaksh for two months. But I am sorry till now I have not received any official written document concerning to this HOTCHPOTCH. What a ridiculous it is !

One day Dr.Bage came our office and, I ~~showed~~ showed that your sent letter. He told me that he is writing a letter to you on this issue.

Let me also say one more sentence, about the Half Yearly Report of the m/fs Rev.Sadrak Ekka has given his report, Bagima and Assam have assured to send soon. The books which we have ordered are on the way demanding of cost Rs. 79.20 paise. But don't worry I'll deliver the parcel. Daud gave the stamps to Mrs. Singh.

Thanking you,

Yours obedient,

Dear Sir,

Thank you very much for your kind letter 1) dt. 12.4.79, 2) 2.6.79 and 3) 20.7.79, regarding payments, extra help etc.

I have to say the following points:

I am bound by the budget and if I can do any thing this will be known only in the last months of the Year. This comes to light when it is that Anchals and fields have strictly maintained their budget. I have given some money for the Hostel improvement and I also requested for estimate. But till now no account or information about these, similarly you have already spent extra amount in various T.A. and other items, even very lavishly. In this way your unforeseen item has already gone.

You have mentioned again for payments through Anchal. I am not certain whether it will be good. But I have bitter experiences while paying through the Anchals. The main point is, that the payments be made regularly and accounts be kept properly. This had totally failed. Therefore to go reverse seems to be harmful for the workers. It is the responsibility of the Anchal not only its right to check the workers, their payments and accounts.

Till now I have not received the half yearly report from the Missionary therefore as decided early in BEL, his allowance will be deducted till he submits his report. From some reliable sources I came to know that the Missionary was in Ranchi sometimes before 1½ months. But I had no information about his such visit or leave.

As you yourselves by your own had promised not to take responsibility of any tip to Karbi Anglong prior to my sanction, but this has been again done. I have sanctioned the expenses, but I am very much annoyed and disappointed how things are done in such trips.

Therefore if you would expect some more extra items to be done by me, it is unfortunately not possible by me. To me it seems that instead of helping we are spoiling other people as well as ourselves.

Dear Brother Kriebel,

As I have already written some letters, also from Nepal, indicating my difficulties for securing 'P' Form Clearance for travelling to Germany. After getting the plane Ticket, I wanted to apply for the 'P' Form Clearance but on this ticket it is not possible and as matter of fact it violates the rules of the Reserve bank of India. So in order to get this Clearance form the Reserve bank of India I need P.T.A. or Money Transaction from your end. But as the time is too ~~short~~ short please arrange for a P.T.A. Ranchi - Delhi - Frankfurt - BerlinRanchi in the name of AIR INDIA, Main Road Ranchi. It will be good if you can also find out and book the flights with AIR INDIA, so that I can easily get P Form Clearance through AIR INDIA even in a very short time.

The ticket which you have sent can be returned when I am in Germany or if you like I can send by Rgd Post.

Please treat this as urgent, or I shall not be able to come to Germany.

It is not possible to fulfill your full request, as my budget is limited and I can provide with some from that limited budget. Moreover I am not quite satisfied with the scale fixation. If the Anchal is ready to give salary for teachers trained as Pracharak Trained I have nothing to say but I shall not be able to give with that scale.

It will be good if all workers would work hard together to raise the income, your expenditures may be covered.

Dear Brother Kriebel,

Thank you very much for your kind letter of 23.2.79.

As Rev. M. Tete is to travel after three years of time he would not require any 'P' form clearance. He can travel and FTS (Foreign Travel Scheme) for which he can travel without any exact indications of date and place.

Thank you very much also for the first installment and the additional grant. In the last BEL meeting itself I had requested the Board to decide that a separate bank account be opened for BEL and it has agreed and thereafter the KSS has also confirmed the same. I hope the treasurer KSS will have necessary steps to have open the bank account. The amount meant and sent for the sets of travelling equipments for the European guests remitted by Rev. Peters can be transferred to our account only when we produce the receipt which is with you, the copy sent to me shows that it is a bank draft and not a money order. So please send the same as soon as possible to collect the money here by producing that bank draft in the bank here. Unless we produce that cheque, money shall not be transferred to our account.

I am very sorry that the matter in regard with "NW-GELC" is not yet clarified. The pramukh would write a letter with this regard

Dear Rev. Baa,

Thank you very much for your letter indicating the bank a/c number. We have instructed the accountant to send the amount meant for the field to that a/c. However it will be good if you would send also the name of the account.

Further I would like to inform you that an account of Rs. 5,000/- has been granted for repairing the quarters for the catechist and to construct kitchen, latrine, bath-rooms etc. for the Hostel, so that it can be acceptable for a KNH Hostel. Accordingly please send plan and estimate also for them so that funds may be obtained from any possible sources.

To help and develop our Karbi Anglong people and area it will be good to start some kind of works for the Christians and organise them in a sort of Co-operatives. Cane work, Bamboos-work and cloth-weaving work can be thought, will you please look in to the matter and prepare a kind of plan and project for the same, it will be good if you can develop the available land also.

Thanking you,

Dear Brother Kriebel,

In the first half of this month I wrote a letter to you regarding my participation in the Kuratorium meetings. Please send the invitation letter and the PTA by the 20th of March 1979.

As you might be already informed, we had the KSS meetings on Feb. 15-20, 1979. I was expecting that some hard liner steps would be taken in regard with the "N.W.-GELC, but nothing of the kind has been taken.

It was decided that in Madhya Pradesh Anchal and NW Anchal new Adhyakshes be elected. As Rev. M. Tete did not go to Khutitoli he automatically ceases to be Adhyaksh and Rev. Dr. Tiga is a retired pastor he can not be the Adhyaksh- hence new elections.

This time I also participated in the KSS meetings as ex co-opted for which I had resigned.

At present Pramukh Adhyaksh is out of station so I am also office in-charge. So I happened to read a letter from your office finance department in which transfer of amount have been informed.

In which DM 13,000 - has been indicated for "Theological College", I think it should have been meant for "Theological Education or are you to send separate amount for Pracharak Training School and Serampore College Students. I think it will be good to explain to the Pramukh Adhyaksh to avoid any misconceptions.

With best of my regards,

Yours Sincerely

Dear Colleagues,

I am writing this letter to you to inform that I would like to visit your areas in the month of April 1979. As I am very busy with my other programmes it may not be possible before April 11 (Wednesday) to arrive at Lureg and then have a talk with the workers (including Pastors and Cate.) then on 12 Thursday proceed to Ambikapur and have a talk on 13th April and back to Ranchi on the 14th April. 79. As this is a Holy Week it may not suit you, but as the matter is urgent I am willing to travel even in this week. But this will be finalised only after your confirmation.

The matter to be discussed is about the payments to the workers of the field. As your letter regarding the fixing of the Resher Course and also many other activities show that you adhere yourself to the so-called N-W GEL Church and thus you would like to have the field supported by this church. I would like to clarify the matter, so that your payments would be handed somewhere in the area. However if you are getting your payments and you would like to remain as it is now I have nothing to say. Therefore I would be very glad if you would express your desire along with the signature of all your workers.

If the above given date is not suitable I shall try to fix some other date in the latter part of June 79. But even then I would like to hear from you.

Thanking you,

Your sincerely

13th Feb. 1979

Liebe Frau Friederici !

In meinem letzten Brief hatte ich geschrieben, daß ich mit meiner Frau nach Nepal kommen möchte. Inzwischen habe ich für uns beide die Flugkarte besorgt und voraussichtlich werden wir am Freitag den 16. April um 12.55 Uhr mit dem Flugzeug (Kalkutta/Patna-Kathmandu IC 207/245) in Kathmandu ankommen. Leider paßt es meiner Frau nicht so leicht und noch wegen anderen Gründen, können wir schon am 13. April nicht in Kathmandu sein. Ich hoffe, daß Sie für uns planen, daß wir Sie und die anderen irgendwo treffen und die 'Besuch-trips' mitmachen. Falls Sie schon außerhalb von Kathmandu sein werden, wenn wir in Kathmandu eintreffen, möchte ich Sie sehr herzlich bitten, daß Sie mir mitteilen möchten wo wir treffen und in Kathmandu wo wir unsere Unterkunft haben werden.

Für die Gäste aus Deutschland bei uns in Nov. ist leider keine Reservation gemacht, und wir haben auf Ihr Schreiben jetzt schriftlich gemacht und wir hoffen daß es alles gut gehen wird. Wir werden uns freuen, wenn Sie so bald wie möglich uns mitteilen möchten, wo und wie Sie die GELC besuchen möchten. Ich hoffe, wenn wir uns in Nepal/Deutschland uns treffen werden, werden wir darüber noch sprechen. Aber es wird gut wenn Sie schon jetzt an den Pramukh Adhyaksh schreiben möchten.

In Ranchi ist es etwas kälter geworden. Letzten Tagen hatten wir sehr viel Regen. Wir hatten in letzten Tage bis Null Grad Celsius. Aber jetzt geht es schon besser. Wie kalt mag es sein in Nepal? Sollen wir auch warme Kleidung und Decke mitbringen?

Für unsere Rückreise habe ich für den 7. April reserviert sodaß wir am Sonntag in Ranchi sein und meine Frau am Montag in die Schule gehen kann. Wie wird Ihre Rückreise möchten Sie nicht ein paar Tage in Ranchi verbringen?

Mit herzlichen Grüßen, auch von meiner Frau und Kindern,

Dear Brother P.Kriebel,

Thank you very much for the reports of your visit to our GELC, at this point I am not making any comment, however, when time comes and if it will be necessary I shall make some observations. As Dr. Bage knows German and as he would my successor in the Kuratorium I have given the report to him that he may read and form his own opinion and guide the KSS and other committee members along with some suggestions acceptable to them. As you might have come to know that for the current KSS term in the pramukhship of Rev. P.D.Soreng I have withdrawn myself from KSS Bds, committee, except the BEL, so I have no time and platform to speak out some of your suggestion, though time and again I have pronounced some unofficial statements and my opinion.

The situation in the church is almost the same, except that the Missionfields in Madhya Pradesh; i.e. Udaipur and Surguja are gone to the NW GELC. I could not conduct the Refresher Course for them, they also have not received their amount due, I did not get Bills, or any letter concerning to their payment, they also did not come. I do not know what to do, however I may visit in the first week of February and try to find out their arrangements if any. I also not know, whether they get any help directly from other sources.

According to BEL account we have still the money with us of these fields. These last days I have asked the Pramukh Adhyaksh, the Treasurer and the Hd. Accountant Mr. S. Bhengra not to use the balance money for other purpose, as in past years Kss has once done. Therefore I would like to have the account and statements of the BEL money with the KSS but till now not done. Therefore I would like to request you if you have not yet transferred the BEL amount of GM grant, you may transfer the first instalment by the end of Feb. or beginning of March with a copy of information to me also. I would also like that the grant of GM for Mission Work be sent directly to a separate account to be opened and operated by the Kss itself so that such grants cannot be channelised for other KSS works and be a loss to the BEL. I shall bring this point in

the next BEL meeting and then to KSS during the next meetings ~~xxxx~~ to be held from 15th - 18th Feb. 1979.

As I have not yet received reports I am unable to send the yearly report, though I have prepared the report for my part. In the beginning of the year I wrote a letter to Fran. Friederici about the exact date of programmes in Nepal, ~~and~~ i.e. when I have to ~~xxxx~~ arrive in Nepal and join the GM-Group etc, but till now I have not yet received any information I would like to have the same in order to adjust with my programmes here.

As informed by the Vice- Chairman Rev. Peters that he is sending Rs. 1000/- for buying traveling back, with its other items, but as I was told by Mr. Bhengra that it has not yet been transferred to GELC account, but as two German guests from GDR were coming -who actually did not come, I bought the travelling bags with the required articles. After waiting some more weeks I shall write to Rev. Peters also so that he may enquire about the matter.

I hope you had a good meeting in Mainz and could make some useful decisions for the future programmes and works of the GM in Germany and out side Germany.

Dear Rev.Surin

As the Govindpur Ilaka could not built the Church in Basia and has accepted the decision of Rev.Dr.M.Bage Anchal Adhyaksh,SEA and of Rev.Dr.Singh Director BEL to construct the same in Basia Pahartoli and is ready to handover the account and amount which is with the Ilaka for the purpose to the local construction committee it will be good and wise to start the work immediately. I was in Basia on 28.1.79 with Mr.P.S. Topno for the demarkation etc. for construction work.Now it is necessary to form a construction committee who would build the church with the help of the local members. The Parish should appoint such committee, however for your help and guide I may propose as follows :-

1. Parish Chairman - The Pastor, Kotbo Parish.
2. Pragarak Pan - Chairman- The catechist.
3. Mr. A. Bhengra - Postmaster
4. Mr. S.Mundu - G.Sewak
5. Mr. P.D. Aind - Retired Ranger

The committee may co-opt some more useful and helpful persons. I hope the Adhyaksh Rev.Dr.M.Bage would agree to these points and react positively and write any suggestion to you with a copy to me and would direct the concerned to recase the money for the committee.

Dear Frau Friederici,

This is my first letter to Germany in 1979, therefore first of all wish you a happy New Year. According to the verbal information and a private letter written by the Rev. Peters I have to attend the meetings and Jubilee celebrations in March /April 1979. I also saw that two other Kuratorium members are to participate in the functions along with you. I understood that the team would visit some of the projects of UMN prior to the meetings and I shall have to join the team. I would like to know what is the exact date that I have to join the group, so that I may prepare and plan accordingly. I shall be thankful to receive these informations from you at your earliest conveniences.

In these days we are hearing about a Severe cold wave in Europe including Germany so that EMERGENCY has been promulgated in some of the European Countries. I hope it is not so bad in Mainz area. What about your programmes in such a bad weather. You might have cancelled some of the programmes.

My family is doing well, children are getting ready for new Admissions in Schools. The weather here is normal, lowest temperature is 8centigrade. But if we get rain in these week it may be colder. Due to various plans and programmes at Ranchi in January I am staying at Ranchi. May be in the last week of Jan. I have to accompany two guests from East Germany.

I have also written to two guests from Mainz who are at present in Bangalore that they are welcomed to visit Ranchi. But may be when they come to Ranchi (10.11th March). I shall be in Nepal, even then we shall make arrangements for them. I have talked to the Pramukh

First of all we have to ascertain the amount which has been collected for the purpose; therefore kindly give instruction to the Building Committee to prepare and ascertain the income and expenditure of the whole amount, so that we may immediately start the construction work. Secondly, according to the finance available instruct the parish Chairman Kotbo and the Building Committee to act accordingly so that the construction may be completed by next palmarum for dedication.

Dear Sir,

In confirmation of my letter 31/78/BEL-2 dt 17th June 1978 addressed to the Secretary RCP, GEL Church Ranchi with copies to the authorities concerned, I would like to present the following for your consideration and necessary actions.

1. Extension Cum Supporting Constructions :- As the wall of the Jubilee Bungalow Southern most is bending towards South with cracks and as the roof of the West Varanda is also bending down there is urgent need of repairs lest it be too late to fall. I therefore request you and the Bd to take necessary steps to construct supporting walls, pillars etc, which may mean an extension also.

2. Repairs of ceiling roof :- As the ceiling is damaged and affecting the walls very much, it would be wise to repair this also to save the ceiling from falling.

3. For special project the BEL has given green light and the KSS has approved this and is ready to set aside the site with GELC Compound Ranchi, i.e. North Khijuria Tank up to Rd, From theological College Campus up to Gossner Middle School (including the play ground, west of North Khijuria Tank up to the site of Jaru Ora . (Please refer the minutes of full KSS meetings in first half of Nov. 1978.).

I therefore request to take needful actions with this effect also. For the first item was ready to do the need with my own expenses, with the condition that I would be given back my money while vacating my allotted portion of the Bungalow.

I therefore request you to kindly look in to the matter and do the needful .

Thanking you,

Dear Sirs,

The church construction for Basia has been very much delayed though money has been granted long ago. At present it seems that there is a tug of war between the Congregation in Basia and the Ilaka specially in regard with the place where the church has to be constructed. I think it to be good to solve this tug of war as early as possible, so that a church can be built as early and Congregation in Basia shall not be any more the object of mocking.

For this purpose I propose the 11th Dec, 78 for a meeting in Basia in the evening. I shall also come to attend the meeting on my way from Manoharpur and request you all three to be present in the meeting to finalise the place for construction of the same church.

Secondly, it is quite surprising for me how the honourable KSS members do not know the implications of the Foreign- Exchange Regulation Act of the Indian Government which has been enforced since 4th Aug. 1978. Dear Colleagues,

As I was expecting some of you to meet during the Refresher Course at Ranchi 6-8, Nov. 1978, I did not write about the Refresher Course (1978). Meanwhile I have fixed the Refresher Course for SEA, MA and OA M/Fs for Dec. 5 (arrival) - 11 (departure), 1978, you are also as supervisors invited for the same, *in Manoharpur*.

Verbally we have agreed with Rev.S.Tirkey to have the Refresher Course for your Co-workers in Ambikapur date being Dec. 14 (arrival)-18 (departure), 1978. I am rather hesitant and would like to enquire whether you would allow me to conduct this Refresher Course. As your groups did not participate in the Ranchi Refresher Course in this Nov. and I was not allowed to visit your areas accompanying the guests from Germany. Therefore it is up to you whether you would accept my service. Unless I get positive information from you, the above date and place of Refresher Course is not final. Therefore I expect your reply.

Herewith I would like to remind of my letters Ref.No. 40/78/BEL-18, dt.4.7.78 and Ref.No.48/78/BEL-18, dt. 8.8.78. Till now I have no reply to these letters. Please do the needful.

Dear Sir, Most humbly and respectfully I would like to request you to very kindly drop me from all sorts of Committee /Bds (including co opted membership in the KSS) of the GELChurch, so that I may be able to carry out my work and duties as the Director of the BEL without much engaging myself in other committees without much use or fruit spending unnecessary times for them..

In the previous terms I had been made as member /officer as under:-

Dear Brother Pastor Kriebel,

I hope that you have fully prepared yourself for the trip to India. We are also planning variously to make your visit of the GELC a good success.

Last week I visited the Mission Field in Assam and we had a four-days Refresher Course with the workers and the Bible class with the Christian congregations. It was a nice experience to have such programmes for the first time in that Mission Field and I hope that the Mission Field has been benefitted with the programme. They are also expecting your visit. I am glad that you would first go to Calcutta and apply for the permit. Dr. Bage may be able to help you if you can inform him by telegramme where you would stay etc. Herewith I would like to advise you to apply for permit as private person to see some interesting places (like Tezpur Usha Hills; Tinsikia, Jorhat, Kaziranga, National Park, etc, and also to visit some of personal friends like Messrs, G.Tiru Tezpur J. Dear Mr. Krisifoe,

Thank you very much for your kind letter dt. 21.9.78, regarding your possible visit to Ranchi.

First of all I would like to mention that you might have met Dr. N. Minz, Gossner College Ranchi who once visited Zambia. I have not yet visited Zambia, so you may not have met me. Any how I know Dr. Grothaus very well and I am also one of the GEL church member, therefore I may be also able to help you to visit Ranchi. But I am rather confused with your dates because you have mentioned in your letter that you will be at Ranchi between 23.9.78 to 27.9.78, the date is already gone! So it is very difficult to ascertain which month you mean. At this point I also would like to say that as Mission Director I am mostly on tour therefore I must be informed very early for the date, otherwise I may not be available at Ranchi. But if you have already settled the date you may come and enquire of Dr. N. Minz, Gossner College Ranchi.

If possible please correct the date and inform me whether you are coming, you are welcome even if I am not at Ranchi.

With kind regards,

It was reported that some payments have been already made after due scrutinization. But there are still some a/cs to be settled. With this point of arears it was raised that Missionary in Karbi Anglong also be taken in to consideration. After due consideration it was resolved that the Director be authorised to ascertain the amount after verifications of pay scale and and a lump sum be given.

Dear Brother Pastor Kriebel,

Though it is rather late I am herewith sending the budget for Evangelistic work 1980 for your consideration and actions. As the budget has been discussed in our Board I am sending the Minutes itself so that you can go through it and can understand the back ground of the recommendation of the total amount. There are also some notes for each item of the budget. Finally we have also mentioned that we would like to hear from you the policy of your work and grant for the GEL Church. Some of the questions are as follows:-

1. How much is the highest amount GM can give as grant or would the GM grant without limit? ie. according to our submitted amount or GM's own budget?
2. Would GM give grants for the fields even for the projects of School Development programmes like agriculture, dispensary etc.
3. What about Palamau? For this we got in past years some special grants from GM and also individuals (P.Barutta etc.). In the past it has been said that the field seems to be a diaspora work there no regular budget was included what would be your policy?

Including myself some of us know the attitude and policy of your predecessor but our Board as well as KSS would like know your also. Therefore I am sending the budget and also some of these remarks so that you may be able to make yourself ready to have discussions with this regard.

Thanking you with many Greetings,

Date 12-9-78.

Pastor S.Kriebel
Mission Director, Gossner Mission
Handjery sstr. 19/20
1000 Berlin - 41

Dear brother Kriebel,

Thank you very much for your kind letters and also copies of some letters written to the church leaders. As I was for the most time in past month in Serampore I could not reply you. On 9.9.78 I came back from Serampore and shall be staying now here attending my duties. So this is the first letter I am writing after coming back. Yesterday I was quite busy to sign some of the bills and talking to various persons with the problems.

I had a nice time in Serampore and it was a quite different experience with some international and interdenominational teachers with students almost from all parts of India. As pastor Kloss, who is now in Berlin is unable to come for Oct. - Dec. term the College wanted to retain me for that term also, but as I have already set programmes for here I shall not be able to stay there. Of course College would be very glad to retain me for more years. This I could not say, as at the present situation of our church I do not like to leave the church. Any how the matter is still open. According to the programme you are also expected to visit Serampore on your way to Assam. The College is contacting different Missions for support. As we have planned for you to visit Assam but it will be necessary that you have to obtain permission to visit Assam. Pastor Seeberg can tell something more about this. I would like to suggest that it will be good if you can first go direct to Calcutta and apply for the permission and from Calcutta come to Ranchi. As per your advice we have agreed to conduct the Pastors Refresher Course from Nov. 5 (arrival) to 7, 1978. We have discussed the matter with the Pramukh Adhyaksh and it has been agreed upon that the invitation would go to all the pastors, including that of the "NWA-GELC". But most probably they may not join us. As you have written to Rev. Ekka that you would like to have the Refresher Course with other pastor also, even separately. Of course they will be glad, and they may interpret it for their recognition by you (and the Gossner Mission) of their separate Church. At this point I am unable to suggest any thing. As you have almost indicated that you would help them in future also even if separated. For us the matter is rather difficult for Court-Case purpose. If they will actually separate themselves from Gossner is,

we may not have any difficulty to correspond, sit and talk together, difficulty for us is that they are still crazy for GELC, they still attach themselves to GELC. They have prepared new constitution for themselves, but still now they do not dare to elect their officers on according to that new constitution, because they fear, with this action they may be totally out of GELC.

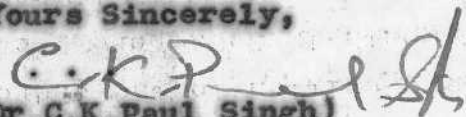

I hope when you will be here, you will get more clear picture.

During Nov. 19-25, 78 I have a programme in Madras, this may require me from Nov. 16-28, 78, and thus I may not be able to accompany you in your tour. Do you prefer that I should accompany you or you can manage with others also? I have a substitute also, who can go to Madras in my place, if you think that I have to accompany you in the tour programme. You may write either way after discussing with pastor Seeberg. According to the programme you are to stay only for few days, what is your opinion do you like to stay in any hotel or in Lal Bungalow? It will be good if would express your wish so that arrangements could be made accordingly.

We are really thankful for your visit and many are expecting that you will be able to settle the problems of our church. Though I have told the friends here that your visit has different purpose.

Herewith I am sending our Half Yearly Report 1978 (Jan. - June) for your information and record. At this point I would like to add if the 3rd instalment of the Grant for Mission work has not yet been sent to our account, please instruct your office to do the same. With many greetings to you all.

Yours Sincerely,

To

The Supervisors
M/Fs G.E.L. Church

Dear Colleagues,

It is high time for me to know about your accounts; income and expenditure of your fields. Earlier I have sent a letter (No 40/78/BEL-18) to you to kindly submit the accounts of grants for constructions given to you previous years; which you have not yet clarified. You have to furnish the same by the end of Oct. 78.

With this letter I would like to draw your attention towards some other items of accounts;

1) PF and PenF; ~~managers~~ some of you are drawing PF and PenF, managers' contributions for your co-workers, Pastors and Catechists, but they are not properly deposited and maintained. If it is so, then it is very bad future of the workers should not be spoiled. You are directed to give the amount as follows about all workers:

Name of worker's P.F. amount PenF. amount where deposited Receipt till when deposited.

1.

2.

If P.F. and PenF. are not deposited you are not entitled to get the managers' contribution. If you do not give the account by end of Oct. 78 your P.F. and PenF. of the Field shall be stopped.

2) Field-Income: It has been brought to my notice that some of your Congregations are not centralising the income. In some case the total income is not centralised, some amounts are kept for the place. This is not good. It is my urgent request that you have to send the whole income of all Congregations. If it will be found that your Catechists or Congregations are not centralising the income they shall forfeit the grant from the centre. Therefore you are directed to give the accounts of income of each Congregation for each month. At present I would like to have the income list of 1978. But at suitable time I would like to see in your register the accounts for previous years also. Please get ready for that and the list for 1978 as follows-

Congregation's name . Jan. Feb. March April May June etc.

1.

2.

You may have some other forms to give accounts of P.F. and PenF. and Income, but main thing is that you have to give in detail and for every co-worker and for every Congregation.

Thanking You,

Yours Sincerely

Dear Sir,

Thank you very much for your letter dated 28th July 78, inviting me to present a paper for In Service Training Ranchi. A letter from Rev. P. Manoharan is also with me here, sorry I could not write to him as I was away in Serampore College where I have taken a Term-Teaching assignments till middle of Sept. 1978.

As I have already my programme fixed for 26th - 29th Sept. '78, it seems to be rather inconvenient to participate in the whole programme. I can stay only for 25th and 30th Sept.

If it suits you in your plans and of service is required even for these limited days, please confirm this and let me know whether I have to prepare the paper in Hindi or English.

Thanking you

Dear Bage,

Thank you very much for your kind letter dt. 30th June 1978. Just today I wanted to write to you a letter informing that I was almost dropping the idea to come to Serampore. I was quite doubtful because I did not get any answer to my letter dt. 7.4.78. I was waiting for directions in regard with Subjects allotted to me in detail so that I could prepare myself. Due to this uncertainties actually I could not prepare myself. In the meantime I have taken some appointments in Ranchi for next days and I shall not be able to concentrate to do the preliminary preparations. Therefore, I would like to inform you that I shall be coming by the end of next week, i.e. arriving Howrah on the 16th July by Ranchi express. I shall be very thankful if you could arrange some one who would come to Howrah to help me.

For my fooding I shall join the mess of the Hostel and see whether it will be helpful enough to continue. If I shall be allotted suitable quarters I can prepare some extra thing in addition to what I shall get in the mess and that will do.

I would like to request you again to send me the detail outline of "Introduction to New Testament" so that I can take some of my books and also prepare at least some outline of my lessons.

Dear Mr. Tirkey,

Thank you very much for the post containing bills, received on 28.6.78.

In regard with the T.A. Bills I would say that the total amount in the budget 1978 is 1500/- only. If all received T.A. bills are paid up the amount would come to Rs1513=32. I hope you can see the difficulty.

I therefore suggest the following two points: firstly, till now field income has not been deducted from the bills, you may adjust the T.A. bills from the amount, if it is centralized, or secondly, there is an amount mentioned in the income side of the budget '78, as Anchal contribution, the T.A. of Anchal officers be adjusted from that amount. We are very much in difficulty due to the cut in budget by G.M..

Dear Dr. Horos,

I am sorry to write to you so late. I came back from Germany after a six weeks stay there. I was in Germany for the Kuratorium meeting and thereafter for various programmes in different congregations and church institutions. In Berlin I was staying with Pastor Seegergs in their own house. I also met Miss Martin in this house. I came to know some of the recent news of Purnapani and also of Takarma. Miss Martin has sent some articles testing material for the Hospital, they are with me at Ranchi, if you are coming to Ranchi next days please see us at ~~xxxx~~ our Residence in Ranchi, because now it is uncertain for me to go to Amgaon.

Many Greetings from Miss Martin and many other friends in Germany. I hope you have been already informed about the short stay of Frln Peters, a medical personnell, completing her doctoral course for medicine.

GELC situation in Ranchi is almost the same, it is still in the direction of getting worse. In Germany also we could not decide for any positive action, due to the uncertain situation in the Church. It has been decided that the new Missiondirector along with the Chairman of the Kuratorium would visit GELC sometimes in next fall, most probably in Nov. & Dec.. You will get detail information from the KSS office later on when the visit is certain and the visit programme is drawn.

With many Greetings to you all.

SHORT REPORT OF MY VISIT TO GERMANY

(Rev. Dr. C.K. Paul Singh).

As per schedule I was to attend the Kuratorium meeting of Goswami Mission to be held on 27th/28th April '78 at Mainz. Accordingly I left Ranchi for Germany on 23th April and reached there forenoon on 26th April, 78.

On the 27th afternoon India-Committee of OM was schedule Besides the Mission Director P. Kriebel and the Prof. Fran Friederici, Chairman Bishop Scharf (I.B.) LSP Peters, Dr. Oethaus, Sup. Kerner, Dr. Bunge, Dr. Hess, Dr. Fugmann and Herr Vogel were present. Minutes and matters from previous meeting in Hannover were reminded of and thereafter Mission Director P. Kriebel and Dr. Bunge reported the later developments after the meeting in Hannover. Later on I was asked to give report on the then contemporary situation in the GELC - specially in regard with the relationship between Goswami Church and Goswami Mission along with the churches in Germany. Discussions were based on and around my verbal report, written report (German) of Mr. J. Lakra, "agreed document", letters of Bernitta Prannkh Adhyaksh Rev. S. Baria, Bishop Kruse, Minutes of KSS, etc. sent by the Prannkh Adhyaksh etc. There were long and thorough discussions for understanding the puzzling contradictory 'Direct Relationship' or 'Relationship through OM'. Due to contradictory situation in GELC and letters the members of the India-Committee were at fix. After very long and thorough discussion it was arrived at and recommended to the Kuratorium that (1) the Direct and Chairman, OM, be sent to visit the GELC in the next fall (2) a letter be sent to Rev. Bernitta and also to GELC for further clarifications and exhortations.

On 28th April Kuratorium had its meeting under the Chairmanship of Bishop Scharf (I.B.) D.D. Many topics were discussed and decided in regard with Zambia, Nepal and In-country works and also accordingly personnel and financial arrangements were made. In regard with India/GELC there was again long and thorough discussions on the recommendations and report of India-Committee. Finally the recommendations of India-committee were approved, and a very awkward situation has arisen before the Kuratorium due to the "agreed document" on the one side and the minutes and letters from KSS/Prannkh Adhyaksh on the other side.

In course of my stay in Germany, Mr. J. Lakra came to Berlin to have discussions with me, specially in regard with the "agreed document", his report, later development of the situation in the Church and the decision taken by G.M.

SHORT REPORT OF MY VISIT TO GERMANY

(Rev. Dr. C. K. Paul Singh).

As per schedule I was to attend the Kuratorium meeting of Gossner Mission to be held on 27th/28th April '78 at Mainz. Accordingly I left Ranchi for Germany on 25th April and reached there forenoon on 26th April, 78.

On the 27th afternoon India-Committee of GM was scheduled. Besides the Missiondirector P. Kriebel and the Ref. Frau Friederici, Chairman Bishop Scharf (i.R.) LSP Peters, Dr. Grothaus, Sup. Wesner, Dr. Runge, Dr. Hess, Dir. Fugmann and Herr Vogeli were present. Minutes and matters from previous meeting in Hanover were reminded of and thereafter Missiondirector P. Kriebel and Dr. Runge reported the later developments after the meeting in Hanover. Later on I was asked to give report on the then contemporary situation in the GELC - specially in regard with the relationship between Gossner Church and Gossner Mission along with the churches in Germany. Discussions were based on and around my verbal report, written report (German) of Mr. J. Lakra, "agreed document", letters of Borutta, Pramukh Adhyaksh Rev. S. Baria, Bishop Kruse, Minutes of KSS, etc. sent by the Pramukh Adhyaksh etc. There were long and thorough discussions for understanding the puzzling contradictory 'Direct Relationship' or 'Relationship through GM'. Due to contradictory situation in GELC and letters the members of the India-Committee were at fix. After very long and thorough discussion it was arrived at and recommended to the Kuratorium that (1) the Director and Chairman, GM, be sent to visit the GELC in the next fall (2) a letter be sent to Rev. On 28th April Kuratorium had its meeting under the Chairmanship of Bishop Scharf (i.R.) D.D. Many topics were discussed and decided in regard with Zambia, Nepal and In-country works and also accordingly personnel and financial arrangements were made. In regard with India/GELC there was again long and thorough discussions on the recommendations and report of India-Committee. Finally the recommendations of India-committee were approved. ~~and~~ A very awkward situation has arisen before the Kuratorium due to the "agreed document" on the one side and the minutes and letters from KSS/Pramukh Adhyaksh on the other side.

In course of my stay in Germany, Mr. J. Lakra came to Berlin to have discussions with me, specially in regard with the "agreed document", his report, later development of the situation in the Church and the decision taken by G.M.

Contd.....2.

During our discussion I tried to explain my standpoint and that of GELC/KSS in regard with the "agreed document" expressing my concern for the developing and peculiar situation in the Church due to the "agreed document" and the way it was prepared, the actions of individuals and groups to worsen the situation.

During my programmes in Germany I had chances to meet Christian groups on different occasions, i.e. family visit, mission-festivals, group functions, church services, official meetings, etc. I could experience time and again the love of our German friends for GELC. Two times I visited also East Berlin to participate in different functions representing India/GELC.

Besides these I happened to be in Berlin while two representatives (LWF/CBS) were on courtesy visit in GM office. It was a good meeting for information and mutual understanding of works and situation in different countries on different levels.

When I look back my visit to Germany personally and collectively I feel my visit was useful and successful.

Thankfully submitted,

Subj.- Repairs, alterations and extension in the Southern Part
of the Jubilee Bungalow, GELC, Ranchi.

Dear Sir,

Most humbly I beg to state that due to certain old damages and new arbitrary damages to the properties and status of Jubilee Bungalow, there are immediate needs of repairs, alterations and extensions in the southern part of Jubilee Bungalow - I have nothing to say for the northern part, because Pramukh Adhyaksh himself is the occupant of that part, Therefore I am requesting you for your kind favour to carry out the above mentioned items at your earliest.

I REPAIRS: The Kitchen (roof) as well as the concrete ceiling in the eastern wing of the said part have been very badly damaged, and if it is not repaired in due time, it will not only cause inconveniences to the occupants, but there is a danger of collapse also causing much loss of property and life. Therefore immediate actions for repairs is needed!

II Alterations: This is very urgent in terms of hygienic and convenience sake. I due to shortage of water the toilet (latrine) and bath room are causing unbearable havoc. Cause? - From reliable sources I have come to know - I don't know whether you and other authorities know or do not like to know the fact that water connection from 'Ranchi Water Supply' connected to the Bungalow has been in two places branched off. This has been done unauthorisedly, ignoring the authorities and the concerned persons and is an act of sabotage and a theft case. Due to this arbitrary action water is not coming up to the Bungalow - nothing to say high up to the latrine flush. Therefore arrangements have to be made accordingly - without alterations of latrine system or without supply of water is a denial of my existence. Here is a matter of my existence!

May I at this point clarify the matter? Since I moved into this part of the Bungalow, I know, that this Bungalow has been treated very special by the RGP and accordingly necessary arrangements and repairs have been carried out including that of water supply. The rent has been also fixed accordingly which I am paying very regularly. I remember that two water pumps (machines) have been fixed one after another in the well for supply of water and also that these machines were given for repair but were never returned. Meanwhile in spite of my objections some water pipes of the connection from Ranchi Water Supply System were taken out - till for unknown reasons and purpose! Later on from this main connection a branch connection was taken out by Miss S. Hemrom (& others?) This was that time objected by the RGP and thereafter plan and estimate were made to complete this main connection to the Bungalow. But the passed plan and estimate were suddenly dropped. I took up the matter in my hand - partly because I was personally interested and partly because that time I was the Acting Pramukh Adhyaksh - and the pipes were complete with my own cost, totaling the amount of Rs. 3657.25 only. Later on I wrote a letter to RGP about this and requested either to refund the amount or adjust it to my house rent, till now nothing has been done. Now ~~5555~~ it has come to my knowledge that Miss S. Hemrom has again branched a pipe connection from this main line arbitrarily. About two weeks ago Mr. S. Bhengra, the Hd Accountant has also taken out another pipe connection from this main line without consulting the authorities or the affected persons, as if they do not exist. This is not only unchristian but totally a foolishness ignoring the existence of others.

and therefore also inhuman. This is on the one side an interference in the pro- of GELC, but on the other side it is an sabotage in the life and existenz of others. If this attitudes prevails in the life, office and property of the Church will be of no where.

My main point with you is to request you to kindly look into the matter very iously and do the very needful. If for some reason or other if you are not able to do the needful I be kindly informed and permitted to do the needful and the expenses incurred either later on refunded or adjusted to my rent

III Extension : The most southern wall of the Jubilee Bungalow is cracking wider and wider southwards and the floors of the rooms are very much damped (watery) There is immediate need of supporting walls, roofing etc. to avoid collapse of wall and of the building. I have already taken advice of a civil Engineer wider this regard. Please do the needful at your earliest.

The items I & II as mentioned above be done very soon preferable within the coming week, before it be too late to mend the things and the situation. If the works are not started in the coming week, I be kindly permitted to do the needful and later on I should not be blamed for unauthorised and arbitrary actions. This may also the case with item III.

This letter be kindly considered first and foremost as my request, then as my test only thereafter as my demand and ultimatum.

Thanking you for your kind co-operations,

Yours sincerely

C. K. Paul Singh

To

The Mission Director,
Pastor S. Kriebel,
Handjerystr. 19/20,
1 Berlin 41,
W. GERMANY.

Dear Brother P. Kriebel,

Herewith I would like to inform you that I reached here without much problems. I had some difficulties at Delhi, due to customs formalities - but not personally involved.

As there was more than 1½ hrs time to catch my plane on the same day for Ranchi the AIR INDIA representative argued that I shall not have Nighthalt facilities on AIR INDIA cost. They also said that they had no information from Berlin, so I had to arrange by myself. I stayed in YMCA International Guest House.

When I arrived at Delhi the climate has already become cooler, because it already started raining. In Ranchi also it is almost raining every day since I arrived here.

I have already given my oral report to the Pramukh Adhyaksh about my visit and talk in Germany. I hope he will write very soon as reply to your letter.

The training of a nurse for services in Nepal under UMN is almost failed. The UMN wrote to me that her husband can not be appointed in Nepal with his present qualification. As such wife (Nurse) also cannot be taken to UMN service. To this effect I also wrote a letter to Frau Friederici, Mainz. Only if she (Nurse) agreed to work in our Church in any of the dispensaries she can be deputed for training with the help of Gossner Mission.

Frau D. Friederici,
Albert Schweitzer Str. 113/115
65 Mainz (a.R)
W. Germany.

Dear Frau Friederici,

It is to inform you that I arrived here without much difficulty. I had some troubles in Delhi, due to delay in customs clearance, though not personally.

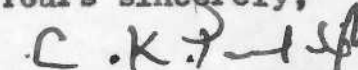

It was very pleasant for me to be back in my country, that is in a very milder climate. In Delhi was much rain, so that temperature has come down to 24°. In Ranchi also it rains daily and the temperature has become very pleasant.

Meanwhile two letters have come to my office are from Delhi Nursing Training Centre informing me that our candidate can be admitted for the Public Health Nursing and the expense is ca. Rs. 300.- the initial expenses are extra - may come to Rs 1000.- we have to reply very soon, whether we would send our candidate for training or we would drop the matter.

Another letter I received is from UMN, in which they write that Nurse is well qualified and she can be taken but her husband is not up to the mark for appointment in Nepal. The UMN can only consider acceptance i.e. of any married worker provided husband and wife ~~wife~~ were equally suitable, were both offered as workers, and were able to be assigned to the same location. According to this letter it seems that the Nurse can not be send for training, because she would be able to go to Nepal. Your opinion to this matter will be highly appreciated. Because it is the Gossner Mission, who will pay her expenses. Please therefore advise me, whether to send her for higher training or not.

We all are doing well and send you hearty Greetings.

Yours sincerely,

(Dr. C. K. Paul Singh)
