Special Invitation to all Christian Leaders to SERAMPORE CELEBRATION

Dear Sir/Madam:

The Council of Serampore College, as already announced, plans to hold the Concluding Celebration of the epoch-making bicentennial event in the history of the universal Church, viz., the landing of William Carey, the illustrious missionary on the shores of Hooghly river in Calcutta at Serampore College on November 11, 1993. May we appeal to you to send an official representative of your Church/Christian Organization to join at this significant programme? While we shall take care of the hospitality and accommodation of the official representatives of the Church/Christian Organization from November 10th evening to November 11th evening they will have to make their own arrangements for travel. Please let us have the name and address of your representative before October 20.

Programme on November 11, 1993

- 8.30 a.m.- Thanksgiving Service & Commissioning of Carey Library
- 10.30 a.m.- Declaring the Special Exhibition open
- 11.00 a.m.- Celebration Meeting along with all Church Representatives
- 2.00 p.m.- Visit to the first residence of Carey, Marshman and Ward & Carey Cemetery
- 3.30 p.m.- Photograph & Cultural Events

Since Carey's arrival in India has brought special blessings to all Christians of our Country, may we appeal on behalf of the Celebration Committee of the Council of Serampore College, to observe either the first or second Sunday in November, i.e., November 7 or 14 as CAREY SUNDAY at all rural and urban churches and in mission fields? We will be happy to provide you with some printed materials on Carey if you would send us Rs.50.00 by M.O. for their cost and postage.

Serampore College has been the fountain head of theological education for all our churches and the theology students have been living for many generations in the ancient Leechman's block, which needs urgent renovation. It will cost about Rs.10,00,000. Since other buildings on the main campus are renovated during this bicentenary year, may we request all Christian leaders to send a special donation on behalf of their Church/Christian Organization to refurbish the Theology Hostel premises by cheque/bank draft drawn in favour of the COUNCIL OF SERAMPORE COLLEGE as early as possible to the Principal & Secretary?

Looking forward to hearing from you soon,
With all good wishes and Greetings

Yours sincerely in Christ,

Dear Bishop Tudu,

best- Thank you for your letter dated the 16th January 1993 which I received on the 27th January after a returning from the Senate meeting held at Serampore. Well, I tried my best to look for the accommodation of the participants but the month of February seem to be too busy month for all the academic institutions. Therefore I failed to get place for accommodation in our Campus. Our Pramukh Adhyaksh was out of station therefore I had to wait for further consultation to find out any possible way but that also did not help. Finally I tried at Vikas Maitri but only to find that it was already booked for the whole month of February.

As we both are at far away distance from each other communication becomes a practical problem at such Circumstance. We cannot consult immediately. Correspondence takes much longer time. Even if I organise some how there is no time left for me for contacting the participants from different Churches.

Therefore please cancel the programme this time.

Suggestion regretfully accepted.

Sincerely,

(Rev. Dr. R. Dang)

Dear Friends,

Re : Team Visit to Chotnagpur and Santal Paraganas

The Church Relation Committee of the Board of Theological Education of the Senate of Serampore College has decided to send a team of theologians numbering around 5+1 (leader) to acquaint themselves with your churches so that a healthy relationship may have been built up between our theological institutions and the existing churches in our country. This will be the fourth time that the BTESSC is sponsoring a team like this. Participants felt it rather strongly that the programme helped them tremendously in their outlook and ecumenical fellowship within the Christians in our country.

A programme like this can only be successful with your kind co-operation. All that we can do is to bring the team to your place. As to the programme and the hospitality, we have to depend on your generosity. Usually, the entire programme takes about one week only.

I have requested Rev.Dr.R. Dang, Principal of Gossner Theological College, Ranchi, to be our Co-ordinator for this programme.

With best wishes,

Yours sincerely,

SERAMPORE COLLEGE : THEOLOGY DEPARTMENT.

PASTORS' REFRESHER COURSE : 1986.

A REPORT

a) Preliminary :

The pastors' refresher course commenced on September 10, 1986, and lasted till September 14, 1986. Out of 37 pastors enrolled this year, 31 attended the course. It was a pleasure for all of us to welcome in our midst three pastors from Bangladesh and nine from the Methodist church in India. Which sent its nominee for the first time to attend the course. The distinctive feature of the participants. This year was that they all were nominated by the church councils/diocese/ bishops. The churches represented in the course were as follows

1. Church of North India	...	10
2. Methodist church in India	...	9
3. Khasi Jaintia Presbyterian Synod	...	4
4. Church of Bangladesh	...	1
5. Bangladesh Baptist Sangha	...	2
6. Church of South India	...	1
7. Gosner Evangelical Lutheran Church	...	1
8. Nagaland Baptist Church Council	...	1
9. Cachar Hills Tribes Synod	...	1
10. Bengal Baptist Union	...	1

31

It is heartening to note that there were pastor with experience as short as only one year to as long as 29 years, and they were as young as 32 years to as old as 60 years. Looking statistically :

Age	Experience
30-39 : 17	1 - 5 : 6
40-49 : 10	6 - 10 : 9
50-59 : 3	11 - 15 : 6
60 : 1	16 - 20 : 6
31	21 - 35 : 2
	26 - 30 : 1

30 (One did not mention).

b) Resource Persons :

As the committee decided to conduct the pastoral Refresher Course in Pastoral Counselling it invited Rev. Dr. T.J. Thomas, Director of T.M.A. Counselling Centre, Kottayam, as the resource person. He has a long experience of teaching and practicing counselling and had been a pastor of the Mar Thoma Church for a member of year. He together with our colleague here in Serampore, Rev. Prof. M.Devadas, led the course.

Rev. H.M.Ramphap, registrar of Senate of Serampore College, was kind enough to lead the Pastors in Bible Studies.. His long experience as a pastor, teacher and principal of a Theological College was amply utilized by the participating pastors in clarifying certain vital issues raised during the study.

c) The Programme :

The course was inaugurated with the worship service at the college chapel, and the key note address was given by Rev. H.M. Rapthap. In his address, he expressed the concern of the Senate of Serampore College, which highly recognizes the importance of pastoral ministry. He mentioned the member of courses offered by the Senate in this field both at B.D as well as M.Th level, and the newly introduced course in the Master of Ministry. He exhorted pastors to make use of these courses to equip themselves to be the best counsellor to their people. At the same time they should not fail to draw inspiration from the supreme and ideal counsellor, Jesus Christ.

The course this year was divided with two parts - Bible Studies and Session - cum, workshop. The Bible studies based upon Paul's letter to Titus, were conducted by Rev. H.N. Rapthap. He brought out the responsibility of pastors at various levels of his ministry among the different people, men and women, old and young. He also dealt with our duty towards the state, which has a great relevance in our present context.

As there has always been a great demand from the pastors attending these courses for the Bible Studies, it is now becoming quite popular and pastors' participation in discussion and sharing is quite encouraging. The lively discussion that usually followed the Bible Studies, had immensely helped all to relate our main theme to the Biblical understanding. Rev. Rapthap gave us the Biblical insight into the function of the pastors as counsellor and the one engaged in pastoral care.

The session-cum-workshop was jointly conducted by Dr. T. J. Thomas and Rev. M. Devadas, and had six sessions during the course; involving theological as well as practical aspect of pastoral counselling. Dr. T.J. Thomas started with the basic principles of counselling and led to process of counselling, and counselling situation. The process opens a way for effective communication verbal as well as non verbal between the counsellor and counsellee. Basic principles elaborated and explained, Dr. T.J. Thomas selected two situations where it can be applied and practiced in the workshop counselling to the sick and the alcoholics. It was in these workshops that the total involvement of all the pastors present was distinctly marked and these were the sessions which went on beyond the time limit set by the programme and overtiredness of the day's work. The role play were more educative, expressive and demonstrative than the theories learnt.

In the process of learning the technique for counselling Rev. Devadas brought in another dimension of counselling; pastoral care to the pastors, emphasizing the need for the pastors to take care of themselves and their fellow-workers, taking appreciation in good spirit, developing goodness in themselves and not hesitating to take help from neighbouring pastors without thinking of denominational and personal barriers that keep them apart.

In spite of the busy and tight schedule of the course, the participants took part in the cultural night and invited the college community to be present with them. It was a time of light entertainment and relaxation, which every one enjoyed.

The course came to an end with the communion service celebrated by the Principal, Rev. Dr. S. Mukhopadhyay, at the Mission Church in which Rev. Dr. T.J. Thomas preached.

d) Programme Evaluation :

At the plenary, the participants highly commended the college for the organizing a course on pastoral counselling. They had special words of praises for Dr-T.J.Thomas, Rev. Rapphap and Rev. Devadas. On behalf of the participants, Rev. Martin Adhikari went through the evolution sheets, submitted by twenty four participants and presented his reports as follows :

1. All heartily thanked the college authority for arranging this course on pastoral counselling.
2. This was for many a rare opportunity to share with colleagues in the ministry.
3. Sessions of pastoral counselling led by Dr. T.J.Thomas, were very much appreciated. Many opined that this course should last for 3 more years for the benefit of many more pastors.
4. That this counselling should be done in a more detailed intensive as well as extensive ways as far as possible. Everyone should have the opportunity to have practical demonstration in this business.
5. That Bible studies were also of great help.
6. Homiletics and Hermeneutics be kindly be also included as future subjects.
7. That the future Refresher courses be kindly arranged to last for longer duration say, for instance, one week or 10 days or so.
9. That there be small group discussion of topics or issues.
10. That pastors wives be also invited to participate in future courses.

e) STATEMENT OF ACCOUNTS :

<u>INCOME</u>		<u>EXPENDITURE</u>	
1. From College		(1) Travel	Rs. 3,414.10
1. From College	Rs. 7,500.00	(2) Hono. Reco.	
2. Registration fee	Rs. 890.00	Person	Rs. 300.00
3. Guest charges	Rs. 48.00	(3) Mess	Rs. 4,237.85
4. From Hostel Warden	Rs. 300.00	(4) Stationary	Rs. 276.60
		(5) Miscella.	Rs. 340.75
		(6) Establish.	Rs. 440.00
	Rs. 8,738.00		Rs. 8,736.30
		Balance	Rs. 1.70
			8,738.00

f) Recommendation and suggestions :

We agree with the participants that a course on pastoral counselling be made a regular feature of atleast next three refresher courses. It will give ample of chances to atleast 90-120 pastors to equip themselves better in their ministry. We therefore recommend to the theology committee to offer the same course next year too.

We also agree with the participants that the duration of the course be extended from three days to ten days, and a certificate of completion of the course be awarded by the department at the end of the course. We recommend the theology committee to sympathetically consider this suggestion and provide the necessary structure.

As all the participants of this years refresher course were the nominee of their respective churches, whose registration fee was paid by the church, and as more than 75% of the enrolled

pastor attended this years' course on pastoral counselling, we feel that there is a genuine need and awareness for refresher course, such as this, among the churches/church leaders and pastors. It encourages us to seek closer cooperation and association of the participating churches with respect to the organization and financing of this course. This possibility can further be explored through contact with, and appeal to the church councils/bishops/leaders, and through our own advisory board. We recommend that this may be taken up for serious consideration and necessary action.

We may, in this context, present a rough estimate of such a refresher course for 40 pastors :

1. Mess 18 X 45 X 10	...	Rs. 8,100.00
2. Travel 100 X 40	...	Rs. 4,000.00
3. Stationary	...	Rs. 1,200.00
4. Resource Persons	...	Rs. 11,000.00
5. Miscellaneous	...	Rs. 700.00
		Rs. 1,5000.00

If the churches / participants pay Rs 200.00 as registration fee, the organization of such course will not be difficult and will not involve much financial stress to the college. The income in that case will be

1. For college budget or W.C.S.R. Centre	Rs. 7,000.00
2. Registration 40 x 200	Rs. 8,000.00
	Rs. 15,000.00

g) Thanks :

The committee wishes to record its thanks and gratitude to Rev. Dr T.J.Thomas and Rev. H.M.Rapthap, who inspite of their busy schedule and responsibilities could spare some time to lead the course this years. Their active and resourceful participation has been a source of great inspiration to all of us.

The committee also wishes to thank principal, Rev. Dr. S. Mukhopadhyay, who has always been available for help and guidance in the organization of this course. So also the Dean and Finance Secretary.

The committee also thank the students Mr. A.K.Patro, Mr. Thomas Daniel, Mr. Sakira Raj, and Mr. Paul thankal who did a commendable job for us. They left nothing to complain with their hand-work and sense of duty.

The committee is grateful to the William Carey study and research centre for its generous grant to organize this course year after years here in serampore college

Last, but not least, to the office staff Mr. Ajit Kr. Das and Sri Probir Kr. Das we wish to express our deep sense of appreciation for their patience and work on demand. We owe then a word of thanks,

Respectfully submitted

I have received a letter from the Principal of Serampore College requesting me to attend the meeting of the Advisory Board of Serampore College to be held on November 15th and 16th, 1986.

When I met the Principal at Vellore last month I told him that it was not possible for me to attend the meeting on the dates mentioned above, but I suggested that Dr R. May I accordingly request you to depute Dr Dong for the above mentioned meeting on behalf of the G.E.L. Church.

Now I want to give you Sir, one more task. Rev. Samantary will be getting my Academic hood stitched by the tailor. When it is finished He would like to send it to me with you when you come in August.

Please can you let him know your travel arrangements from Ranchi to Calcutta and where you will spend your night in Calcutta on your way

Pastors' Refresher Course, 1986

28.4.86.

To,

All the heads / leaders of the Churches

Special invitees

Sirs,

As in the past, so also this year, the Theology Department of Serampore College is conducting a 'refreshers' course for the pastors to equip them and make them aware of the new insights now available, and to share the problems and achievements in the fellowship of fellow-workers. This course will be held at the College campus from afternoon of 10th September to 14th September, 1986. The topic for the course will be 'Pastoral Counselling'. Apart from the staffs of the College, a specialist in the field will lead the course.

We request you to encourage your pastors to attend this course. Those who applied last year, but could not attend, may also apply and preference will be given to them.

The participants will be eligible for one way secondclass train fair and free boarding and lodging.

The sponsoring churches are requested to meet the other expenses of the participants. We are constrained by our limited financial resources, to the maximum of five participants, representing a diocese church/church council. We, however, will accommodate more, if their expenses both ways, are borne by the church.

The last date for receiving application will be June 15th June, 1986.

Along with the application, registration fee of Rs. 30.00 (Thirty only) should be sent by the money order, not by cheque, to the Co-ordinator.

Your prayers and co-operation are highly solicited.

With kind regards,

Yours, in His service,

Dear Rev. Mohan M.G.,

Greetings to you in the name of our Lord Jesus Christ!

I have recieved your letter telling me that you expect our coming to Ranchi on March 27th by night train from Calcutta.

In these days I have recieved a letter from my former student Hans Hermann Dube, who has been several times in India and also visited with me the GELC that a German couple, Mr. & Mrs Pagel are coming to Serampore and prob^{travelling}able (with us on the 27. 3. ^{an} to Ranchi. They also want to visit Govendpure. Mr. Pagel is officer of the City municipality of Flensburg. It would be nice if they too could stay at Lal Bungalo. Can you please inform Dr. Bage about the visit of theses two Germans?

The last sundays I have visited the GELC congregations at Barackpure and Calcutta. Next weekend I am going to Bandil. I am glad to learn to know these small congregations. As I have found my colleague Rev. Devadas is ^{giving} ~~giving~~ much help to the GoBner-congregations. This time there is only Mr. Ekka from the Northwestern GELC studying at Serampore College. But he did attend the sunday-services of the GELC at Calcutta and he helped me to find the place.

I hope you are in good health in order to carry the heavy burden of ~~ay~~ pramukh adhyaksh. May God be with you and guide and bless you.

With sincere greetings I am

Yours

Hans Hermann

Dear sir,

My warm greetings to you in Jesus' name with many thanks for your help by sending me the amount I needed for my thesis typing, which I received just to-day.

I received the amount exactly in the nick of time, for to-day my thesis typing is over and I am going to submit it for binding within this week after a second proof-reading.

As I have mentioned earlier, I am leaving Bangalore on 1/4/'85, for I have already booked my ticket for that Day. I hope to reach Ranchi on 3/4/'85. The rest is o.k.

With best regards.

Dear Sir:

So far I have not been introduced to you personally. But I hope that you have heard about Serampore College and our friendly relation with you.

A group of students (18) and teachers (3) of Botany honours will make an educational tour in your Ranchi - Hazaribagh area. This group will stay at Ranchi from 11th Dec (morning) to 14th Dec (morning). They will need some simple accommodation. Would it be possible for you to give them shelter for these three days? They will make their own arrangements for food and carry beddings.

It will be very kind of you, if you would kindly let me know of the possibilities.

With all good wishes,

Yours faithfully,

Dear Dr. Marro,

This is just to thank you for your letter of 12.11.84. I have just arrived from Govindpur. As you can ~~im~~agine, I am now busy with my planning for the 'New Life Light' programme to be started at Govindpur. I shall be shifting with my family (I and Mrs Bage) to Govindpur after New Year. I shall be settled there at least for next three years, and may not be away too often.

Thus, I hope to be able to keep my promise to help Serampore during Oct-Dec term every year in case Serampore needs me. I must have information quite in advance.

I hope you will visit Govindpur before you leave Serampore.

With hearty greetings,

Dear Sir,

My warm Vishusahay to you. This is fifth day that I am sick. There is very slow improvement in my health. I would have written you earlier but I was hindered by my sickness. Today I have somehow managed to write. I hope that I will be better soon and will be able to continue my studies smoothly. However, I sometimes find myself disappointed due to such disturbances in the speed of my work.

I would like to express my hearty thanks and gratitude to you that I am able to do my studies ~~here~~ here and hope to complete it in due time. I feel that your fatherly love has encouraged and guided me and paved a way for me to come up for the glory of the Lord and for the ministry of the church. I hope that your further ministry in any place and of any kind will encourage and guide me and many to go forward. I will find myself much cheered and solaced if I could know your further ministry after 31st October 1984.

With the best compliments and regards.

NEWS - LETTER : SEPTEMBER 1984

Dear Friends,

It is a dream come true. Since long, we have been thinking and planning for a channel of communication with our alumni in order to form the same old bond of love and concern which all of you, I am sure, still cherish and hold it to your hearts. The first step, on behalf of the staff of the theology department, was taken by Rev. Devadas, who had taken some personal interest in writing many of you, church bodies and bishops to find out where you are. It was heartening to receive so many replies and anxious queries about the life and the welfare of the College. We find it encouraging to feel that you, like us, are anxious to know about your college, about your friends and the activities here. Communication is two way channel, and we feel great to open that channel through this letter and solemnly pledge that we will try to keep it open with our mutual co-operation and benefit. I hope you too will respond the same way.

CAMPUS NEWS : This year we have 42 students in B. D. Apart from these, there are four more students studying M. Th.—two in Religions and two in New Testament. Many of you are aware that Serampore College and Bishop's College run an institute called the North India Institute for the Post-graduate Theological Studies, which admits students for M. Th. studies. The Art-Science-Commerce department is as full as it used to be in your times. The old timers will be surprised to see more than 2000 students—1000 boys and 1000 girls, moving, chatting, demonstrating and studying in this campus.

STAFF NEWS : Rev. Dr. Sailesh Mukhopadhyay is the principal of the College. We have eleven professors in the department this year. They are :

Dr. C. A. Marro	Dean and professor of Religions	
Dr. V. T. Samuel	Visiting professor, Religions	
Rev. Ravi Tiwari	Religions	
Prof. Mani Chacko	Old Testament	
Dr. R. S. Sugirtharajah	New Testament	
Rev. Dn. N. G. Joy	New Testament	
Rev. D. K. Sahu	Theology	
Rev. P. A. Frederick	Theology	(on study leave)
Rev. M. Devadas	Christian Ministry	(on study leave)
Rev. P. K. Samantroy	Christian Ministry	
Rev. S. D. L. Alagodi	Church History	

Dr. D. Baker is expected to join us in Sept. 1985, and Dr. J. G. Arapura and Dr. M. Bage will be here next term. We are slowly moving to form a strong and stable faculty, so that we may be able to continue to carry task more effectively.

COMMUNICATION LINK : I am sure you are anxious to know more about the activities of the College. Let me, in this letter, suggest and spell out the plans we have to form a long and lasting communication link between us, and, seek your active participation and response. We propose :

- (i) to write letters to each other at regular intervals (we may have two news letter per year printed from the College. This does not mean that we will not respond to your personal letters. We will surely make a point to reply.), and.
- (ii) to print a chronicle once a year, incorporating annual report of the activities in the department, news about the alumni and staff, upto-date directory of the students, and anything which is enough to bring you back in this campus, even if, it is just good old old memories.

In this venture, we are looking forward to hear from you—about yourself, your family, your area of activities and all that your class-mates are dying to know ever since you met them last. So just take up your pen and scribble this much for us ;

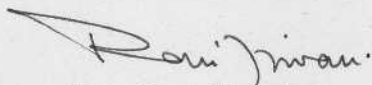

- (i) your name
- (ii) your present address (if possible, your permanent address also)
- (iii) year of sojourn here at Serampore
- (iv) year of graduation
- (v) present occupation

These informations will be incorporated in the chronicle that we are planning to edit and print this year. Do convey this piece of information, and do share this letter, with your friends who have been students of this college and are left from our mailing list.

MEMBERSHIP DRIVE : With this inaugural news-letter, we wish to invite you to associate yourself to your alma mater by registering your name in the Alumni Relation Office. The registration fee is Rs. 20.00 (Twenty only) or £3/- or \$ 5.00 or DM 10.00. This, in any way, should not prevent you for making some extra donation for the activities of this office. The membership fee will, we hope, suffice to bear the expenditure in printing annual chronicle, half-yearly news-letters and personal correspondences with you and the office. I am sure you all will help in this mutual endeavour, coping up with the teething trouble along the way that brings us closer to each other. Please send your queries, information and registration fee to the Alumni Relation Secretary, Theology Department, Serampore College, Serampore, Hooghly. W. B. 712 201. India. The registration fee/donation may kindly be sent by cash/M.O. All the former students and the staff of the theology department are welcome to join. It is not only your privilege, it is your right too. We also welcome everyone who has been associated with Serampore College as honorary member.

FIRST BUT NOT THE LAST : So, here I am, awaiting anxiously for your letter feeding me with lots of informations about yourselves so that I may help you to establish your contacts with your very dear, but lost, friend, through our chronicle whose name is a secret, but will not remain so for long.

With best wishes and God's blessings,

(Rev. Ravi Tiwari)

Hereby is to acknowledge the information that I should go to Serampore immediately to help the students. However, I cannot leave Ranchi before 5th November. As such, when I count the number of days I could use for lecture, I see that I cannot offer 50 hours lecture. Will this have then any fruitful purpose?

I regret very much for my inability to keep my words this time because of some mistakes in my office. Please write what I could do hereafter to help the students.

Dear Dr. Bage,

Thanks you for your letter dated 24.7.84. to the Principal of our College. As I had to resume the duties of the Dean upon my return from Switzerland, I am answering you.

We should be extremely thankful to you if you could kindly teach the B.D. course on Primal religion as well as a 2 credit course at the M.Th level. It can be either:

R 29 : Primal religion under the impact of social change with special emphasis on tribal India.

Or

R 30 : Patterns of syncretism of Primal Religion and popular Hinduism .

There is no syllabus for the two courses and you would therefore have to prepare your own. This year, we have two M.Th. students in Religion. Mr. P.L. Imchen has unfortunately failed in his Senate qualifying papers in Sanskrit.

You may be interested to know that the College has received a Micro - Card reading machine as well as the equivalent of 43000 pages of periodicals in the form of Micro - Cards. All these deal with Primal Religion in Africa, Asia, etc.

I had no time so far to go through all this material, but I feel this is an important asset in our plan of making our Department play an important role in the study of Tribal Religion and culture.

The Department will reopen for the second term on Sunday, the 23rd September and classes will begin on Tuesday the 25th September. Classes will end on the 30th November 1984.

I am personally very eager to have you with us again. In waiting I wish you a good and fruitful journey to Germany. I am sure the Hubers and the Guenthers will be delighted if you can contact them.

Please convey my best regards to Mrs Bage and to your family.

With all best wishes,

Yours sincerely

Dear Sir,

In the General Consultation held on 23rd and 24th January this year, among several aspects of the theological training in this College, the development of the library received a lot of attention.

A paper was presented by Mr. Mani Chacko (Proceedings...Page XXXIV) on behalf of the department to give a picture of the present state of the library and several proposals for its development.

It was pointed out that with the re-starting of teaching at M.Th level the development of the library has become an urgent issue. The major proposal for the development was the addition of new books. Not only for the M.Th students, the bkkos are not adequate for the students at B.D. levels also. It was mentioned that in the last three years, only 382 volumes could only be added to the library due to the paucity of funds. Addition of such low number of new books is not a recent phenomenon, it has been going on for past several years and for the same reason. As a result of this, the collection in the library has come down to a very low standard. Where, according to the University Grants Commission, in India, a standard library of a college should have a collection of at least 50,000 volumes, our library possesses only some-thing around 15,000 volumes.

The College can not imagine to add another 35,000 volumes over night. So a plan has been proposed to add at least another 20,000 volumes over next five years to give some respectability to the library collection and make it up to date. But this proposal needs a big amount of money. So according to our decision we are now approaching the E.M.W, Germany and also the Gossner Mission and N.M.Z, Hamburg. These two missions are our partners through their related churches in India eg: GELC and JELC. These churches send their candidates for training at B.D. and M.Th. levels to this college and the representatives of these two churches-Bishop J. Nag and Dr.M.M. Bage were present in this consultation and very much appreciated the concern of the college.

An estimate is presented for the proposed development:

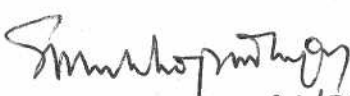

1. To add 20,000 volumes	: Rs.5,00,000/= (125,000-DM)
and 2. Additional library staff for cataloguing/processing of these books (@ 10% of the cost of books)	: Rs.50,000/= (12,5000-DM)
3. Additional provision for stacking (@ 10% of the cost of books)	: Rs.50,000/= (12,500-DM)
4. A corpus fund to keep up the development after these 5 years	: Rs.2,00,000/= (50,000-DM)
Total	:Rs.8,00,000/= (200,000-DM)

The problems of extra space and other equipment for the library, as mentioned in the proposal are decided to be taken care by the college within its limited resources.

We hope this appeal will receive your appropriate attention and help us to upgrade our existing library, which is supposed to be the nerve centre of all our activities.

With all good wishes,

Yours faithfully,

I am quite well by the grace of God and hope the same for you too. I have sent you a letter prior to this one, mentioning the expense of the Intensive German course. But yesterday on 24.3.84 I was informed that this course has been cancelled for this year, because they did not get sufficient number students for the course. The minimum number which was expected for this course was ten, but they could get only seven, and thus they are compelled to cancel the course.

Though the German course is not going to be offered, I shall stay back in UTC, for my thesis work in this summer vacation. I think it is better to begin my thesis otherwise there will be lot of difficulties at the end. The rest is OK.

With best regards.

Dear Sirs,

Hermeneutics Consultation in Central

As you already know, we have been planning to hold the above mentioned consultation at Ranchi for some time. Originally, it was suggested to hold this consultation at the Xavier Institute of Social Services Ranchi. But I understand that this place may not be available during that period. Therefore, I request you to make Gossner Theological College available to hold this consultation from March 1-3, 1984. I hope this will be possible. We had earlier requested Rev. Albert Minz who attended the National Consultation on Hermeneutics at Kottayam in 1980, to help us in organising this consultation in consultation with Bp.M.M. Tudu, Dr.N. Minz and Rev Timothy Hembroni. They have already contacted the speakers and once the venue is finalised the consultation should be held from March 1-3 1984. The total expected number of participants and speakers is 30.

Looking forward to hearing from you and with all good wishes,

K.S.S. Ranichi.

Dear sir,

My greetings in christ to you. I am somehow alright by the grace of God and hope the same for you too.

I have sent a letter with Mr. Duler Lakra one of my B.Th. students in Ranichi, to you. He had come to ^{UTC} ~~Ranichi~~ for his B.D. entrance examination. I am sorry that I could not make mention of other things. The total expenditure for the German course, I have sent you in that letter. Here, I simply want to inform you that no notice with regard to this course has been out. Before, ~~the~~ any notice I have already applied for the course. But I have come to know that by now I am the only person who has applied. I think by March and April many applications will come. Though no reply has been received from the office I think ~~be~~ we can make arrangements from our side. I hope I shall receive positive response from the office.

With best regards.

yours sincerely
Cyril Hembrom.

Dear Sir,

I was recommended to write to you by our Principle when I discussed my plans and my program with him.

I am a 27 year old German woman. I have finished my theological studies in Germany and will start the Vikariat (Assistant minister) when I get back to Germany in March 1984.

I have taken off my work for 5 months, to come to India, where I will be till 1st March 1984.

Besides getting to know something about India, its people, the country, the church and theology I am especially concerned about the situation of women in India, as I am involved in the preparatory work for the World prayer day of women for which Indian women will present the liturgy for 1985. My special aim therefore is, to collect as much material, experiences and information on women in India and of course background material on India and the situation of the Indian Church.

Presently I am studying at Serampore College for this term.

A second part of my stay will consist of more travelling and direct contact with different people.

As part of that more direct, practical experience I would be interested to get to know the work and situation of GIELL among tribal people.

I hereby want to invite myself to you and would kindly ask, if I could get some insight into your work, by being part and joining in your routine for a few days.

There is still some uncertainty about the exact date, as I

had planned to stay with Dr. Horo at Amgaon for some days from the 18th November 83. Although I wrote to them on 28.10.83, I have not yet received any reply. Should I not hear from them, I would come to Ranchi at an earlier time, perhaps ~~22nd~~ 23rd November. In any case I will let you know my exact arrival time by telegram

Thank you very much ahead of time,

Yours Sincerely

Dear Dr. Marro,

This is to respond to your letter of 30.9.83 which I have received already on 10th October, I am sorry for not having been able to write you earlier. I have also received information from the Principal about the January 23-24 programme which too needs my response. Excuse me for the delay.

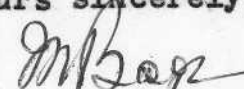

The question about my service after I complete my term as Pramukh Adhyaksh on 31st October 84 is still unanswered. My promise to be at Serampore for one term annually and that is for Oct.-Dec. term seems to be feasible. The other months may have to be given for a Social action (Rural Development Programme) in which our church as well as myself have the interest, but due to certain technical problems, I am not yet definite about it.

I hope to be at Serampore for January programme. We shall have time to have a clearance on this question at that time.

With all good wishes,

Yours sincerely,

Dear Dr. Marro,

I have checked up the possible engagement during the Sept-Dec months of the year. Because of the NCC Assembly to take place in October and series of works in connection with the Luther year (500 years of Luther Birth Anniversary), it may be difficult for me to visit Serampore for regular classes. As such, it will be wise^{not} to expect me during Sept-Dec term this year. I am sorry for this.

In the meanwhile, I hope, the College might have already^{got the} dues of Mr. Susaran Soy paid by our church.

Dear Dr. Bage,

First I hope yourself and your family are fine. I also hope you do not have to solve many problems in your Church.

When we met last, you had told me that you might be available to teach Primal Religions in the second term this year. I have made rapid investigation and have found that a dozen of B.D. II and B.D. III students would be interested in taking this course. So you can make yourself free, we would be most happy to have you with us for the September term, beginning on the Tuesday 27th September. This course is a 50 hours ^{course}. I know you would be happy to teach this course, but at the same time I am aware that your coming does not depend entirely on you. Nevertheless I dare hope for the best.

May I draw your attention to the fact that for the Academic year 1982-1983 no payment has been received from GELC for your student, Susaran Soy. Would you be kind enough to look in to the matter and see whether his fees could be paid?

Please convey my best regards to Mrs. Bage and to your children. Hoping to receive a positive answer and with best wishes,

Yours sincerely,

Amant

Sub :- Admission in UTC, Bangalore for M.Th. Study

Dear Cyril,

A copy of the letter of 9.5.83 written by Rev. Collison Director Post-Graduate Division has been received. From the letter it is clear that the College has not granted any scholarship for you. From discussion I had with Dr. Singh, it was clear that the Senate would not grant scholarship for additional candidate for O.T. branch for G.Th. College, Ranchi because Rev. Royan Dang has already got the Senate scholarship during his M.Th. study.

Under the circumstances, I shall strongly recommend to the KSS to follow the scholarship regulations of the Senate also for our church candidates. Please be assured of the scholarship amounts as mentioned in the letter. This will then be followed even for other candidates who will be sent for M.Th. studies.

I further note that your admission will be subject to your passing the examination you have written in two Hebrew papers. Let us hope that the result will not disappoint us.

I shall appreciate if you inform the KSS office immediately as regards the date on which you are planning to leave for UTC.

With best wishes,

Mr. Cyril Hembrom,

Main Road,
Ranchi : 834 001.

Dear Mr. Hembrom,

I am writing to acknowledge your letter dated 30th April.

I am a little surprised about your question regarding the amount of scholarship. Our letter to you does not state that we have granted you a scholarship. This College does not normally grant scholarships to teachers of theological Colleges since they have other resources at their command. I notice that even if Senate of Serampore College does not grant you a scholarship that you will be supported by the G.E.L.C.

I am giving here below for your information the Senate scholarship rates:

Scholarship amount : Rs. 400/- per month

Room rent and tuition, if charged by the registering institution.

Medical allowance - Rs. 150/- on production of bills and recommended by the registering institution per year.

Travel to and fro from home once in a year at the rate of II Class train fare and one extra one way travel to meet transportation of luggage at the time of joining the College. Travel bills must be sent through the Principal of the concerned college.

Book and contingency allowance for all (married and single) including thesis typing for the entire study period is Rs. 500/-.

It is only just come to my notice that you are writing your Hebrew papers for the Senate of Serampore College. Please note that your admission to this College is conditional to your passing those qualifying examinations. You can of course join the College on the 16th June if you so desire at your own risk. However I suggest that you send some money to the Registrar, Senate of Serampore College and request him to convey to you the results as soon as they are available by telegram. Otherwise it will be the third week of July before you receive the results. In any case please note that you should join the college not later than the morning of Monday, July 4th when the M.Th. Research Orientation course begins.

I also notice from your file that you have not yet submitted the transcript of marks which you obtained for the B.D. course for the Senate papers. Please send this to us by return of post.

Study

Dear Dr. Collison,

A copy of your letter of 11.4.83 addressed to Cand. Cyril Hemrom has been received. I note that the original letter has been addressed to Serampore. As Mr. Hemrom has already left Serampore for his rural stay, I am not sure whether he has already received your letter in time to decide. Whether he is interested in joining the course to start on April 25. I have not heard from him in this connection.

Besides, we have fixed 8th May as the day for his ordination. ^{For} ~~Your~~ Ministry along with six others. In case he would like to be ordained on May 8th he will not be able to join the Remedial Course you are going to offer. This is just for your information.

Dear Mr. Hembrom,

I am happy to inform you that you have been admitted to the College to do M.Th in Old Testament.

We notice, however, from the English tests that it will be advisable for you to improve your English. We, therefore, highly recommend that you attend the Remedial English Course to be held at the College from Monday April 25th to Friday, June 3rd. Please note that this is not a requirement but that we highly recommend it. Please inform us immediately if you are planning to attend the course.

Accommodation for the course in the single students hostel is free. There will be a fees of Rs.100/= for the course. The food charges (Breakfast, lunch, a cup of tea and dinner at the Hostel annexe) will be Rs.450.00 for the six weeks. These fees are payable on arrival. There are no scholarships for this course.

The College reopens on Thursday 16th June. Enclosed please find the admission certificate and some other information.

I notice that you will be supported by G.E.L.C.

I note from the files that you are not planning to bring your family with you.

If you have not already submitted the originals of degree certificates and transcripts of record of your BD studies, please be sure to bring them with you when you join the College. Please note that admission/scholarship granted for this year is valid only for this year. If for some reason you are not able to join the College this year, you will need to reapply to us next year. We will appreciate a line in reply from you acknowledging this letter and indicating your intention to join the College.

Despite the dryness of this official letter let me assure you of a very warm welcome when you arrive. We are looking forward to having you with us in the community and we hope and pray that your stay with us will be a mutually enriching experience.

Dear Prof. Moritzen,

Recently I received a letter from Dr. Mukhopadhyay requesting me to send you the receipts for the amount you sent through the Gossner Mission, Berlin for Serampore College. As the Gossner Mission has been sending various amounts together, we are not sending you receipts directly. The last amount we received was in April 1982. All amounts received so far have been remitted to Serampore.

Dear Dr. Mukhopadhyay,

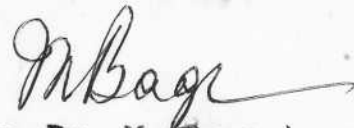

Please refer to your letter of March 8, 1983. I
have enquired about the amounts received by the G.E.L. Church at
different times. We have received four times as follows :-

In Dec' 79 - DM. 3600/-
In Dec 80 - DM 3600/-
In Dec 81 - DM 1800/-
In April 82- DM 3600/-

We have sent to Serampore all amounts received in
three instalments. As per letter of the Gossner Mission dated 12.2.83,
I note that DM 3600/- sent in April '82 includes DM 1800/- for the year
1981 and DM 1800.- as first instalment for 1982. This means that we
have yet to receive DM 1800.- as second instalment for 1982. I am writing
to Gossner Mission about this second instalment.

The certification for receipt of above mentioned
amounts is being sent to Prof. Moritzen.

Subject - Reconsideration in the amount of the Incountry
Scholarship Sanctioned for M.Th. Preparation.

Respected Sir,

Most humbly and respectfully I have
the honour to request you to reconsider in the
amount sanctioned for my M.Th. preparation in
Serampore. In this preparation a considerable amount
is charged as fees in different items and
along with that I have to make some necessary
arrangements for my study.

I therefore request you to kindly
consider this matter favourably.

I will be ever grateful to you for this.

Yours Sincerely
Cyril Hembram.

Dated 13.1.83

My dear Cyril,

Please refer to your letter of 13-1-83
requesting for a reconsideration of the amount
of Incountry Scholarship for M.Th. study.
You simply mention that "considerable
amount is charged as fees in different items"
----- "plus some amounts for your study."

As you are the best person to know the amounts
under the two categories of your requirements
please let this Office know the details for
consideration by the KRS in its meeting scheduled
to be held from 19th to 20th Feb 1982.

Please note that supply of the details
is no guarantee for grant of the ^{enhanced} amount
asked for.

Yours Sincerely
Phyllis

Respected Sir,

My greetings to you. I am quite well by the grace of God and hope the same for you too. I have received letter from U.T.C. Bangalore on 24.1.83. I have been asked to appear in the entrance examination at U.T.C. not at Rajahmundry. So, the expense to appear in this examination will be not three hundred but four hundred or more also. So, I request you to bring me money to meet the expenses with regard to the entrance examination. Moreover may I request you to kindly grant me some more amount (at least 450/-) to meet my expenses here properly and after the K.S.S. decision that money be adjusted. This is the time when I really need money and you are well acquainted with my health too. I really have to labour hard for no time is there. Either some one teaches me or not I have to labour hard. So, my humble request is to consider my case in due time so as to carry on my tasks properly.

With best regards

Yours sincerely,

Cyril Wombroon

Dear sir,

This is to acknowledge the receipt of the letter from the Secretary K.S.S., dated 9.2.83, reference No. 72/83/K.S.S.-20.

I hereby am putting the items of expenses here in Serampore for my M.Th. qualifying preparations and examinations as follows -

Mess fee - - - - -	Rs. 180/-	Per month.
Mess est. fee. - - - - -	Rs. 15/-	" "
Room Rent - - - - -	Rs. 40/-	" "
Library fee - - - - -	Rs. 10/-	" "
Total	245/-	

This is the expense for mess and accomodation and library. Now Rupees one hundred is left to me which ^{is} too less for other expenses. Here I have to take some extra diet. This ~~I think~~ is quite necessary keeping in view my health and need here in this preparation. So, my request is to increase the amount at least ^{Rs.} 100/- more for my the convenience in my work.

Thanks in anticipation.

Yours sincerely

The Heads of the Churches

17th January, 1983

25/1/83

27-1-83

Sir,

As you aware the First and Second Year students you have sponsored will be having their longest holiday during April, 1983 to June, 1983. Since each student spends about 33 weeks with and along 19 weeks with his Church in his period of training, it is obvious that the training ministerial candidate is a joint venture of the College and the Church as well.

On the recommendation of the Advisory Board of the College, the Staff Committee wishes to request you to include your students in the Preaching Schedule and give them a chance to work at least for 4 - 6 weeks during the Summer Vacation.

Our suggestions for the arrangements are that -

- 1 : The First Year students should be put in a village congregation under an able Supervisor. The student may be asked to involve in Sunday School work, U.B.S. and Evangelism. We also suggested that the student may be geared to Social awareness and he may study the social situation of the place.
- 2 : The Second Year students should be sent to work under a Senior Pastor with whom he will involve in Pastoral Calling, Preaching and other forms of Church Work. Our suggestion is that the student may have chances to gain experience in the Pastoral Work.

Enclosed herewith you will find a general plan for the Practical Training of the student and a Report Form. Kindly send the Report Form to the Pastor under whose care you wish to assign the student, and we will be grateful if you inform us also.

Wishing you a very happy, prosperous and fruitful 1983 in the service of the Lord.

Yours in His Service,

(Rev. M. Devadas)

A general plan of the Practical work

I. Aims and Objectives of the Practical Work :

a) General Plan and Objectives :

The Practical work Plan is an attempt to provide the ministerial students with basic insights and skills. As the candidates for the ministry may have to face situations of all walks of life, the plan is evolved accordingly.

(i) First Year : Evangelism.

The objective is to expose the student to social situations. the life of a village or town with their implications for the presenting of the Gospel.

(ii) Second Year : Church and Society.

The objective is to expose the student to Industrial situations. The employer - employee relationship, the Trade Unions, Welfare of the employees, and the problems faced by new employees - the Church's involvement in Industrial problems.

(iii) Third Year : Health and Healing.

The objective is to expose the student to a Hospital situation for a Clinical Pastoral Training. The student will have the opportunity to study the relationship between mental health and physical health. The Socio-Economic factors of illness and the Pastoral care for the sick.

b) Workshops and Seminars :

Along the lines of the above general plan the following workshops and seminars also are planned to be followed :

1. Counselling Training - an orientation to the Community Life
2. Sunday School Workshop
3. Workshop on Christian Home
4. Workshop on Evangelism and Missions
5. Workshop on Communications
6. Work-shop on Family Life and Marital Problems.

The above plans are evolved for the three year B D study programme. We do hope that the plans will be realised in full soon, if adequate finance and resources are available.

II. Practical Work through the Academic Year:

In this section of the report I would like to present the involvement of the students in various works of Practical Training. The students are involved in some form of Practical Work throughout the year. As it is the custom, the students of each year will go in a group to various places during the September break. Secondly, each sending Church of the student is requested and advised to provide opportunity for practical work in their respective places during the summer vacation. Our suggestion is that each student should have at least six weeks of practical work during the summer vacation. The student is expected to bring a report of the work he has done on the re-opening of the College. The student will be instructed, in future, as to what kind of information he should seek to further his experience of the September Practical Work. Thirdly, at present the students are given greater participation in the worship life of the community. The students are not only given the responsibility of stewardship and reading the Scripture in the Chapel but also they lead the Morning Devotion for four days in a week on average. The Third year students do lead the Sunday Worship Services also. Fourthly, manning the mess as Managers and involvement in the students organisations are also considered to be opportunities for training in practice.

The Theology Department also takes the responsibility of running a Refreshers' Course for the North India and North Eastern India. The course is conducted for a week in the month of January every year.

re: Support for an Indian Teacher

Dear and respected Friends!

In Fall 1978 I pledged myself in Ranchi to provide an equivalent of an Indian teacher's salary for three years. When Dr. Bage was visiting me, I extended my pledge. So far, that is four years, I have kept it, and I hope the amount of DM 3600.- p.a. has safely arrived via Gossner-Mission - Gossner Church.

Now I have to reconsider this pledge. I have two reasons, which are linked to each other.

Firstly, other cases of need appear in my surrounding, some of them so special in nature, that it is rather impossible to find a suitable agency and one finds himself challenged to assist personally.

The other reason is: Serampore's challenge is fading away. I find myself unable to persuade others, even members of my family, about the urgency to continue. I can for example hardly answer the question: Has it made any difference, and if so, what is the difference? You see, it is not quite the usual thing to state this question. But for me it is a very real one. And I wish now to challenge ^{you} to reconsider the possible response of Serampore to its friends.

On January 8 a small group of people started to build a group of German friends of Serampore College; Dr. Huber will write about this. When I spoke about the possibility to make my pledge a joint responsibility, we decided to postpone any decision; first I myself should try to articulate my concern to the College. The circular letter is a good thing; but that ~~is~~ ~~(should)~~ not be sufficient to keep a commitment and a friendship alive; and we do not see our group as a fund-raising-body, but primarily as a group of friends interested in a kind of two-way-exchange. Sure we will try to make financial contributions also, but we will never be in a position to compete with the bigger donor agencies.

I am not unwilling to make an attempt to continue my pledge. But as things stand now, for 1983 nothing can be assured. Please try to understand and if possible to answer.

Yours sincerely

Karl-Peter Christen

While I wrote you in hurry on 14th Dec, I mentioned that that I would possibly arrive Serampore on Monday, the 10th January. This is not possible as I did not take note of another important engagement.

Therefore, I shall arrive Serampore on Wednesday, the 12th Jan. On 11th I shall be at Rourkela and the same evening I shall leave for Howrah so as to reach Serampore by 10.00 p.m. I shall have to leave for Madras on 14th or 15th for a meeting to be held on 16-17 Jan. As I see some of my programmes, I would suggest tentatively that you fix me for my classes on Wednesday, Thursday and Friday if possible. We shall discuss further when I am there.

You will talk to the Principal for my accommodation in the mean-while I hope.

Dear Dr. Bage,

Thank you very much for your letter dated 13th November, 1982. I was happy to hear from you. I had begun wondering whether you had decided to stay back in Germany. I am sorry we will not have the pleasure of having fellowship with you at the meeting of the Advisory Board.

In answer to your request, I can give you the following information -

In January 1983, classes will start on the 10th. The Annual Closing Ceremony is fixed for the 10th March. We now have two M.Th students in Religions. Rev. R. Gaekward, Lecturer at Aizawl, and Rev. Nathan, lecturer at Bareilly.

I shall be very grateful if you can come as it has become increasingly difficult, even impossible to cope with too many tasks.

I hope you are fine and your family are well. Please convey my best regard to all of them.

Thanking you for your readiness to help us and with all best wishes,

Dear Dr Bage

First I hope yourself and your family are fine. I also hope you had a good and fruitful journey to Germany.

As you may have suspected it, I am coming to you with a request. Would you be free for the January term to come and teach here? This would be particularly at the M Th level with the course in Methodology you had already taught to Rev Mohoriya. In addition, this would also include a survey of approaches taken by various people towards other Religions (P Devanandan, M M Thomas, K Cragg etc)

I do not know whether any B D III students would be interested in a course in Primal Religions at that time. Usually students are somewhat reluctant to take optional courses in the last term. But this can be investigated. I must tell you frankly the M Th programme in Religion is a real headache as I feel we are offering this course without sufficient staff. Hence my request to you.

I hope you will be allowed by your Church to come here and help us out. I also hope you will find time to do so.

Please convey my best regards to Mrs Bage and to your children.

Sub:- Matter of SALARY & ALLOWANCE of GTC Staff-members.

Dear Sir,

We, the teaching staff members of G.T.C. would like to draw your kind attention towards our previous years' petition which had been submitted when Rev. P.D. Soreng was in the chair of Pramukh Adhyaksh. It should be ~~noted~~ kindly noted that this is the third time that such petition is being submitted for your kind hearing and consideration.

Our petition is comprised of the following reasonable demands:-

- (1) That the Pay-scale of the G.T.C. teaching staff members be made different from the General-Church-workers-Pay-scale.
- (2) That the salary of any teaching staff member be not less than the salary of an Anchal Adhyaksh in an Elective Post.
- (3) That a city-allowance of Rs. 150=00 per month be given to each GTC staff member.
- (4) That a Book-grant of not less than Rs. 500=00 per annum be given to each teaching staff member.

With these above enumerated points, we submit this petition once again for your kind consideration and needful.

We hear that double-increament plan~~x~~ is going to ^{be} brought in to soothe the GTC staff members. In this connection, we would like to say that mere that only would not be sufficient for us in the present situation.

We will be grateful if we are favoured in this regard.

Dear Dr Bage

Perhaps you have received the sad news of my father's death through your son, who visited us for his examination. I was away for a few days with my family and so could not reply your letter of 19th May 1982.

We are happy to note that your Council has agreed to permit you to give some lectures as a Guest teacher in the Theology Department. It is needless to say that the department needs you very much even if you can make it for a short period. Our classes will resume from 28th June and we shall expect you anytime in July. We shall expect you to deliver 50 lectures to cover a full course and I am requesting Dr Marro to arrange the lectures in such a way that they are over by 15th August.

We have redeived the cheques from your office transferring all amounts received from Germany.

We are facing a new problem with the P.F. which may be discussed when you will be here.

Looking forward to meet you in near future and with best wishes,

Yours sincerely,

S. Mukhopadhyay

Dear Dr. Mukhopadhyay,

Hereby I acknowledge the receipt of your letters of 3.3.1982. Through the letter you have enquired into the position of the donation amounting DM 3600,- which was sent to the GELC account through the Gossner Mission Society in Berlin.

The figure you mention surprises me a little as, according to our record, DM 1800,- should have been mentioned before DM 3600,-. The clarification I am giving below :

DM 3600,- (Rs 14328.00) - The transfer was intimated to us through GM letter of 18.12.1980, This amount has already been remitted to you (Serampore College)

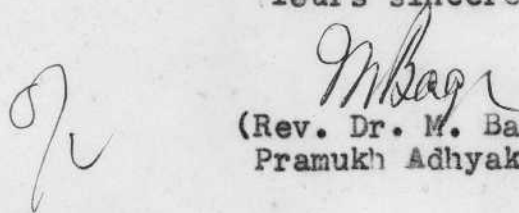

DM 1800,- Its intimation came through GM letter of 7.12.1981. The amount will be remitted as soon as it reaches our Bankers. This is the 1st instalment for the year 1981.

DM 3600,- (DM1800,- as 2nd instalment for 1981 and DM1800,- as 1st instalment for 1982 and ~~DM1800,- as 1st instalment for 1982~~)

Its intimation was received through GM letter of 12.2.1982. This amount will be remitted as soon as it reaches our Bankers here at Ranchi.

Sub : Preparing the staff of the Gossner Theological
College, Ranchi for different fields of study.

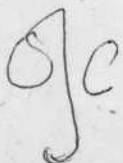

Dear Sir,

In the last meeting of the College Council of the Gossner Theological College, the question of preparing our staff for different fields of study was considered. In this connection the case of Mr. Manmasih Ekka was discussed. He has been planning to write M.Th. qualifying examination for the O.T. field, but we have already the required staff for this field. Rev. Royan Dang has already been sent to ~~back~~ U.S.A. for doctoral study and is expected to be back in 1983. Candidate Cyril Hembrom, who has passed B.D. in IInd Class is another for O.T. field. As such we suggested that Mr. Manmasih Ekka should take up the field of practical theology. We received positive response from him.

We shall, therefore, appreciate if you too could join us and help us in this planning. Accordingly, we want to sponsor Mr. Ekka for the field of Christian Ministry. I hope this would find your approval.

Sir,

May I greet you in the name of Christ.

Now while proceeding towards the matter
to be mentioned I would just like to remind you
of my previous letter which had been posted long
two weeks back. Until now I had been waiting for
the response. Since I did not get I thought better
to remind you thinking that you might have perhaps
forgotten. The matter was regarding my book account.
As it is conditioned that unless one has his own
capital the book account can not be operated. And
this is the reason why I had asked ~~you~~ to you
to send money directly to me and in return
I should produce the ~~to~~ memo before you.

Sir, would you please kindly consider upon
the matter? Because to a poor man like me
the 'book account facilities' seems to be
mere title. And in its support I can say that
by April I will be finishing my B.D course but
not a single book I could have from the book account.

Sincerely yours.

Sub : Report on Practical works of the G.Th.
College students.

Dear Sir,

You know already that, under a special circumstance, that existed in the Gossner Theological College at Ranchi, I was requested to be in-charge of the college for one month in 1981. It was during this period that the students wrote examination on their ^{College} papers. As such I should have sent the report on Practical works myself, but I thought that the Principal would send it. As this was not done, I checked up the report in respect of the students enlisted on the list herewith enclosed and have signed. I have requested Dr. C.K.P. Singh, the Act. Principal to forward the reports to you.

With best regards,

Yours sincerely,

Dear Sir, May I greet you in the name of Christ.

Further, I would like to draw your attention towards my financial matters here through this letter. In the last academic year 80/81 not a single money was sanctioned towards my book account from the office ~~was~~ because huge amount of dues were against me. I wrote at least two times to the pr. pranab and the accountant as well but nothing was considered upon it.

Secondly the amount of Rs. 200/- has not been included in the financial statement (as it has been cancelled) of this academic year 81-82. Thus it is a complete loss towards my book account provision. Thirdly this year also only few amount has been sanctioned but it is still unutilized. As you know the condition that unless one produces the cash memo of the books against the book account from his own expense it is useless. And college also does nothing for it. The problem with me is that I can not afford to buy books from my own.

Therefore I request why don't you please send me the amount Rs. 200/- of the last academic year directly? and if you like I can produce before you the cash memo against the amount. Further, I doubt whether I can utilize the sum of Rs. 200/- of the book account of this year? Would you please kindly feel concerned to this matter and thus towards the educational benefit of your GELC students.

Sincerely yours.
Moorn.

Dear Sir,

I am hreewith enclosing an appeal of the Board of Theological Educa-
tion and the Senate of Serampore College for your kind consideration.

The BTESSC is engaged in the renewal of theological education for
the mission of the church in the present day context in South Asia
through its various programmes, some of which are mentioned in the
appeal. These programmes can become viable and stable only if
sufficient funds are available with the BTESSC. Having known your
sustained interest in the work of the Senate and theological educa-
tion, and the urgency in providing a strong financial base to make
the programmes self-sufficient, we approach you for your help and
support to realise our goals.

You are requested therefore to kindly place the appeal before an
appropriate body of your church for favourable action and recommend
it to the churches under your care to contribute towards the needs
enlisted. It will also be of immense help if you will kindly
recommend the same to your sponsoring mission boards abroad so that
they may take note of our concerns and extend help to strengthen
our role in the sub-continent.

With kind regards and Greetings of the Season,

Yours Sincerely,

Theological Education Programme through the Board of Theological Education of the Senate of Serampore College

An Appeal

The Senate of Serampore College has served for over 75 years as the Theological University for providing higher theological training for the Christian ministry in India and the neighbouring countries. The Board of Theological Education was functioning separately from the Senate of Serampore College for several years as a forum for concerns which were related to the whole Church and Society with a view to bringing about change and renewal. As a result of a series of consultations and discussions the functions of the Senate of Serampore College and the Board of Theological Education were brought together to form One National Structure for Theological Education in India in 1975 under the name, Board of Theological Education of the Senate of Serampore College with a view to

- (a) meet the challenging new patterns and demands of the ministry,
- (b) be an agent of change in the structure of Church and Society to achieve these objectives,
- (c) be an instrument for renewal and self-reliance,
- (d) encourage reflection, articulation and communication of the faith in Christ, related to concrete life situations.

The BTESSC is at present engaged in the above functions through the following three departments:

(1) *The Department of Academic Administration :*

This Department deals with academic matters relating to theological education such as affiliation of colleges, setting up standards of academic excellence, drawing up curricula and syllabi examination and granting of degrees, extending evaluation facilities for accreditation purposes, faculty development and strengthening of libraries and all other functions which contribute to strengthening the theological education programme. The responsibility of administering this department is with the Registrar of the Senate.

(2) *The Department of Consultations and Church Relations :*

This Department deals with fostering continuing theological conversation between theological colleges churches and church-related bodies, organising of consultations, seminars and conferences on relevant theological issues, production of theological literature and fostering ecumenical relations with all churches in the field of theological education.

(3) The Department of Research :

This Department deals with promotion of contextualized and comprehensive theological research both at the degree and non-degree levels and production of basic tools for theological education.

In addition to the Registrar who has responsibility for academic administration, the BTESSC has appointed a full time Director for the programmes of Consultations and Church Relations, and Research.

These programmes can become viable and stable only if sufficient funds are available with the BTESSC. At present the Department of Academic Administration is mainly supported through fees and other funds raised within the country and from a few contributions made by overseas churches and friends of the Senate.

Within the broad framework of these programmes the following areas have been identified as priorities in relation to present needs and continuing concerns for theological education in the sub-continent!

I. Post-Graduate Scholarship Programme :

The Senate has been engaged in awarding Post-graduate scholarships for M.Th. and D.Th. studies for about 20 years with the help of the former Theological Education Fund and the funds from the Programme of Theological Education of the WCC under their faculty development scheme. The situation changed considerably in the seventies when the BTESSC enlarged the scope of higher theological education by emphasizing contextual theological education to provide for specialized ministries in the church, and inaugurated a post-graduate course in Christian Ministry. In addition to these, the scope for upgrading theological colleges from B.Th. to B.D. level particularly in regional languages and the desire on the part of the non-affiliated colleges to have qualified staff to seek affiliation or accreditation status with the BTESSC has resulted in large scale enrolment for post-graduate studies and requests for scholarships.

The BTESSC studied this situation and decided that further development of qualified national teaching staff for all the theological colleges in India and providing the church with competent persons for more effective fulfilment of the pastoral ministry as well as other forms of specialized ministries in India are priorities.

For satisfactory functioning of this programme we need the following funds:

10 M.Th. scholarships for a two year programme including tuition fee, accommodation, books, travel, family allowance, etc. Rs. 10,800 each (10,800 × 20) Rs. 2,16,000.00

Two D.Th. scholarships for a three year programme in India, including tuition fee, accommodation, books, travel, family allowance, etc. Rs. 14,440/- each (Rs. 14,440 × 6) Rs. 86,640.00

Total requirement \$ 37,830 Rs. 3,02,640.00

II. Publication of Theological Literature :

The theological literature work is undertaken in two different ways:

- (i) production of English Theological literature through Christian Students Library (CSL) and Indian Theological Library (ITL) series directly under the BTESSC, and
- (ii) production of regional theological literature through independent regional literature boards in the country.

The production of indigenous theological literature in English rests entirely with the BTESSC. In the past, 52 books have been published under CSL/ITL series. The literature produced under these series is widely used by theological students, laity and pastors both in India and abroad.

In recent years, several manuscripts could not be printed due to lack of finances. It is estimated that we need at least Rs. 50,000.00 (\$ 6,250) per annum as a recurring grant to print a minimum of 4 to 5 books in a year.

The funds needed for the Regional Theological Literature Boards have been considered at their recent meeting. The Regional Theological Literature Boards which function independently of BTESSC have projected their need for Rs. 30,00,000/- for the next 5 years to produce books in the Tamil, Telugu, Malayalam, Kannada, Hindi, Bengali, Marathi and Gujarati languages. It is hoped that, if these funds are available the various boards would be able to run their programmes for the next 5 years and help them to continue this programme in the future.

III. Programme of Theological Education of the Laity and Continuing Theological Education for Pastors :

The Theological Education of the laity and continuing theological education of the pastors are considered vital for the life of the church and its witness in the world.

A recent national consultation on theological education of the laity and pastors emphasized the urgent need for equipping the whole people of God to be effective instruments of change in the life of the church and society.

The Senate has provided scope for the study of theology towards B.D., L.Th., and B.Th. degrees through its non-residential programme for several years. This programme is now run in 10 regional languages and English through the Senate and its affiliated colleges. To develop this programme on the lines suggested by the National consultation, the BTESSC would need help as shown below every year:

(i) Production of study guides and making them available at subsidised rates	Rs. 10,000.00
(ii) Study groups organized by churches and seminaries (on regional basis for laity and pastors separately)	Rs. 20,000.00
(iii) Provision for higher theological education for pastors	Rs. 32,000.00
	\$ 7,750 Rs. 62,000.00

IV. Programme of Writing Fellowships :

- (i) In order to hasten production of theological literature it is considered necessary to organise writing fellowships in 8 fields of study for about 10 days with about 10 writers from among the theological teachers and other scholars in India. The purpose of these fellowships is to write on themes that are provided in a given field for publication. The cost for two such fellowship meetings in a year is Rs. 20,000/- (\$ 2,500).
- (ii) In addition to the above, it is considered most desirable to engage individual scholars to work on a project up to one year helping them with funds for salary (remuneration), travel, housing, stationery, etc. Most of the scholars who wish to engage themselves in writing have very little facilities and incentive for writing. Therefore, it is suggested that an organised plan be drawnup to enlist scholars by giving them basic facilities to engage in full time writing.

The estimated expense for one such scholar including publication will be Rs. 33,000/- (\$ 4,125) per annum.

V. Programme of Consultations, Seminars and Conferences :

One of the major areas of BTESSC's concern is to provide a forum for collective thinking and action on relevant theological issues among churches, para-church institutions and theological institutions through consultations and seminars and fostering of ecumenical relations among the churches in the field of theological education. In the past, the BTESSC has organised about 10 major consultations, seminars and institutes. These consultations were arranged both on national and regional levels. In order to make such consultations etc. an ongoing programme, the BTESSC will need the following funds for a year:

1. National Consultation (40 participants)	Rs. 20,000.00
2. Regional Consultations (20 participants) Rs. 10,000/- each	Rs. 20,000.00
	(\$ 5,000)
	Rs. 40,000.00

VI. Programme of Non-Degree Research :

The BTESSC encourages non-degree oriented research in areas that are directly related to the life of the Church, Society, Culture and History of India, to study their bearing upon theological education and the church at large and to draw inferences to revitalise the church and its role in the country.

Such research could also undertake critical analysis of the work of the Christian agencies that are engaged in various kinds of ministries in India in order to help their efficiency and effectiveness in the community.

The estimates for this project are:

3 major projects	3 × 10,000	Rs. 30,000.00
2 minor projects	2 × 5,000	Rs. 10,000.00
5 minor projects	5 × 2,000	Rs. 10,000.00
		(\$ 6,250) Rs. 50,000.00

VII. Programme to Strengthen the Developing Theological Institutions in India :

In the past few years some of the regional theological colleges have developed themselves and have to a great extent become self-sufficient. But there are a few theological colleges at strategic points which are yet to grow. For some reason or the other these colleges did not take the initiative in a larger way. Considering this fact, the BTESSC has decided to take the initiative to see these colleges developed in the interest of theological education in their regions.

The BTESSC has studied the needs of some such colleges and have decided to help the following two B.Th., colleges in the next three years and endorse their appeals :

- (i) Gujarat United School of Theology, Ahmedabad (Gujarati medium).
- (ii) United Theol. Seminary of Maharashtra, Pune (Marathi medium).

A special appeal from these seminaries will be sent by these colleges after proper scrutiny and approval by the BTESSC.

Hindi Medium College at B.D. Level :

Even though Hindi is the national language and is spoken and understood by a majority of people in India, we have only two B.Th. colleges in Hindi medium in the whole country. The need for developing a Hindi medium college at B.D. level is strongly felt by the churches in North India to train qualified pastors for the Hindi speaking church. The BTESSC has initiated a consultation of church leaders and theological educators in North India in order to suggest concrete proposals to establish such an institution with the co-operation of churches in India and abroad.

VIII. Programme of Library Development :

Development of libraries is crucial for strengthening theological education. The BTESSC helps developing colleges in setting up efficient libraries with well-trained librarians. The BTESSC provides grants both for theological books and periodicals and also for training of library staff. It is estimated that we need at least Rs. 35,000/- (\$ 4,375) for this programme in a year.

Summary of Financial Requirement :

The One National Structure (BTESSC) in 1975 envisaged the setting up of an endowment fund for this whole programme which will be supplemented through contributions during the coming years in order to fulfil its aim and objectives as listed above. The following is a summary of the proposed endowment fund and the grants that will be needed :

Dear Dr Bage

First I hope you are fine and that you have taken up your new assignment and your new quarters without difficulty. I also hope your family are well.

Time has now come for us to make the necessary arrangements for the courses to be offered next term. I should therefore be thankful if you could let me know as soon as possible whether the Church will allow you to come and help us next term. I wish very much they will do so.

Here things are going as usually. We had good meetings of the Advisory Board. Our main problem remains that of Staff, not because we can get none, but because of our usual financial difficulties.

Please convey my best regards to all at home. With all best wishes for a luminous Advent season and hoping for a positive reply,

Dear Sir,

Ref: Your No 436/81/1988-20 dt. 24.8.81

I thank you very much for your letter as quoted above. As per column. (1) an excess of Rs 700/- has been adjusted against the college expenses of Rev A S Hembrom for the year 1981-82 as directed. As per column. (2) Pocket money of Rs 235/- (i.e. Pocket money of Rs 160/- + T A Rs 75/- = Rs 235/-) has also been adjusted against the expenses of Rev A S Hembrom for the 1981-82 as advised.

Lastly you are informed that Rs 1435/- is still outstanding against Rev A S Hembrom B D III for 1981-82.

The full details and clarification is given below :

As per financial statement for 1981-82	<u>Total Dues for the</u>
Year 1981-82	=Rs 2335.00
Outstanding Balance for 1980 - 81	=Rs 907.50
Total Dues	=Rs 3242.50

Receipt as per your challan No 534	Rs 1107.50
In r/o Rev Hembrom	Rs 700.00
Excess amount as per your letter quoted above has been adjusted	
total receipt.	Rs 1807.50

Now the figure comes	total dues	Rs 3242.50
	total receipt	Rs 1807.50
		Rs 1435.00

Therefore Rs 1435/- is still outstanding amount which is due from Rev A S Hembrom. Hope this will clear the position.

Thanking you and with best regards,

Dear Dr. Mukhopadhyay,

Thank you for your letter dated April 11, 1981 regarding money for Serampore College sent from Dr. Moritzen. In one of my circulars dated 7.1.1981, you might have received, wherein I have mentioned that money for Serampore has been transferred from Gossner Mission Berlin.

We have received the money in January 1981. We have not been able to transfer this amount during February and March 1981 as we know there was strike in the Bank and that cheque clearing could not be possible. This problem is still there.

But in spite of this fact today we are issueing this Cheque No. 818769 dated 15.4.81 - you may find difficulty to encash it for some time to come. The Cheque with Challan No. 376- dated 15.4.81 is enclosed herewith.

Kindly inform Dr Moritzen that the amount has been received.

Dear Sir,

May we greet you in Christ.

We do regret much in writing you this second letter. You know that, we are living here like orphans, not getting any financial support from our respective families. You even know that we are fully dependent upon Church. In this matter of trust, we regard you as our father. You know, we are your students, so you should think ourselves with care and kind. Do you know sir, we are badly confronted with our financial problems, which even reacts badly towards our mental meditation with regard to studies.

So, we kindly request you, being a well-wisher, kindly to send us our pocket money along with T.A. as soon as possible.

Dear Bishop:

Your kind and immediate attention is hereby invited to my letter of July 9, 1980, whereby I drew your attention to the nomination of Rev L G Rao as representative of ELC of MP on our Advisory Board. I sought your advice and clarification before I convene the meeting of the Board.

In absence of your any guidance upto yesterday I have this day replied to the memo of the Executive Secretary of ELC of MP and a copy thereof has also been sent to you : the copy will speak for itself.

As the names of two representatives have already been sent earlier, I have regretted the nomination of Rev L G Rao this time. However, I shall be glad if you will kindly clarify the whole confusion with the ELC of MP and also with others involved.

I look forward to meeting you and Rev Soreng in the Board meeting.

Dear Professor:

Your letter of 30/6/1980 reached me in due time. Thank you.

The contents of your letter under reference have eliminated my concern on the confusion regarding your money for a teacher in Serampore. Your money for 1979 has arrived. It is encouraging to note that you have already transferred your money of 1980 to Gessner Mission, and that you extend your pledge by another year "so that it covers also 1982". Serampore is grateful to your kind self for such a concrete help. I also hopefull look forward to seeing "churches and Serampore occasion more to come in contact with each other".

I wrote to Dr Guenther upon his departure but no reply from his end as yet. However, my prayer rests with him for his new assignments and success thereat.

Dear Dr. Mukhopadhyay!

Thank you for your letter of June 19. Only a few days ago on June 26, Dr. Bage visited me. We agreed, that I wait for the news of real transfer to Serampore. So I am happy that this news now have arrived!

After that I extend my pledge by another year, so that it covers also 1982. I have already transferred the amount for 1980 to the Gossner-Mission, and they may be willing to transmit that amount to the GELC in due time. I feel the delay of transfer has been only a difficulty at the beginning. Dr. Bage and I felt, this way of support should continue and give the churches and Serampore ~~an~~ ^{one} occasion more to come in contact with each other. Tomorrow I will attend the introduction of Dr. Günther into his new parish. And then we will have a day together to preapre the four Students for their venture.

With thanks and good wishes,

Yours

Dear Professor :

I am very happy to inform you that I have just received a cheque from the Gessner Evangelical Lutheran Church of Chetenagpur and Assam(GELC) for an amount of Rs 15,984/- (= DM 3600). This is really an encouraging transaction by a partner Church in the country.

According to my understanding this amount reached GELC for 1979 and Serampore may expect another similar amount this year also.

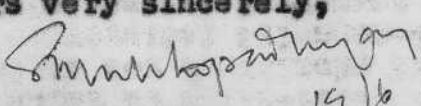

I take the opportunity - on behalf of the Council of Serampore College - to express gratitude to you for such a help in need.

Dr Winkler wrote to me that you had to undergo an operation. I trust, meanwhile you have completely recovered yourself.

I look forward to your letter replying quite a few I have written to you.

This is to acknowledge the receipt of your letter Ref. No. Pr/TH AR/80 dated the 1st April, 1980 requesting us to appoint one more member on the Advisory Board/Department of Theology. I suggest as per your request the following name: Rev. B. D. Soreng, Gossner Evangelical Lutheran Church Compound, Ranchi, Bihar. Since he is to represent the Lutheran Churches in North India I will send a copy of this letter to the Churches in North India concerned for their information and consent. I do hope that you will be happy to accept Rev. Soreng as another Lutheran member on the Board if the Churches concerned agree to my suggestion. I am requesting the Churches concerned in North India through a carbon copy of this letter to give their consent as soon as possible. With regard to the confusion in the transference of Professor Moritzen's money I wish to write the following lines mostly based on several and frequent correspondence in this connection :

(1) We received a letter, dated 30/10/1979, from Professor Moritzen containing :

" I have fulfilled now the first part of my oral pledge in Ranchi and transmitted the amount for one year's salary of an Indian teacher to Gossner Mission headquarters, and they are in contact with the GELC - Head Quarters.....

" Now I have two questions.

The major one is to get some kind of official confirmation from Serampore College, that my scheme of support really came through and reached the College. The amount transferred here was DM 3600. And I did exactly and perhaps naively as Dr Bage said : let it go through the Church."

(2) We received a copy of a letter, dated 6/11/1979, from Pastor Kriebel to Rev P D Soreng containing :

" Professor Moritzen has in fact paid the amount of DM 3600 this year. We were waiting for the news that you had found somebody for Serampore, so that we could send you the money.....

"Now this year is nearly over, and we think it is correct that we do not wait longer, but send you the money now : Please/it on to /
Serampore College, since this money is meant to be Gossner Churches contribution for teachers' salaries at Serampore. "

(3) Lastly, let me quote the relevant portion from a letter, dated 21/11/1979, from Rev P D Soreng :

" I have to inform you that only yesterday I received letter (dated 21/11/1979) from the Gossner Mission informing that DM 3600 have been transferred to your College. This amount when received will be transferred to you immediately. "

The Rev Dr M Bage

-2

You will perhaps now be able to locate the points wherefrom the whole confusion has been arising. And I am afraid to inform you that no amount has upto now reached Serampore from the GELC.

I have recently had another letter, dated 14/4/1980, from Professor Moritzen, saying :

" Regarding my personal share in supporting Serampore financially I am still looking forward for some official note, that the amount (3600 DM, = approximately 14400 Rs) has arrived. It has been sent via Gossner Mission - Gossner Church. "

We wonder if the mechanism of transmission through a Church that is so friendly and close to Serampore, what should be our procedure for future!!

You are aware that we have to appoint a national for Old Testament vice Dr Huber from this July and we badly need financial help for this purpose from Professor Moritzen. Moreover, we wished to divert the amount (for the new staff) earmarked for 1979 to furnish the staff flats needed for the new staff members and our plan in this regard has had the approval of Professor Moritzen.

However, I do hope that you will be able to clear out the confusion and help Serampore in receiving the money being contributed by Professor Moritzen.

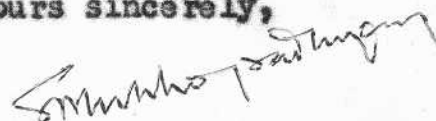

On your proposal for teaching at Serampore during October-December, 1980, term; I shall write to you in consultation with Dr Rhodes : he is now away.

Theology Department has gone in for Summer Vacation, the Arts-Science-Commerce Department has also gone in as such but it is at the moment busy with various public examinations. On the 16th of this month we have had Dr Raymon Laymon Brown from Southern Baptist Convention, USA, to teach Systematic Theology (replacing Dr Guenther). From July Rev Y D Tiwari will also join for six months. Prof P Ghosh (formerly of Secular Department) will teach Sanskrit to Theology students from July this year as a part-timer. My report on the College has at last come out - I shall be glad to send you a copy. Meanwhile we have sent copies to all foreign missions/boards who have relationship with the College in any way.

Hope you are hale and hearty : I wait for your message after you return to the country.

With kind regards and every good wish,

Yours sincerely,

Dear Sir,

Thank you for your letter dated 25th April responding to my proposal about a Hindi medium College at B.D. level in North India.

I welcome the decision of the G.E.L. Church to offer the B.D. course and to seek co-operation from C.N.I., Roman Catholics, Lutheran and others.

You may be interested to know that so far three Colleges (L.T.C., Jabalpur, N.I.T.C., Bareilly and you) have shown readiness to start the B.D. programme in Hindi. Besides these the C.N.I. is also proceeding more or less on the same lines.

While it is good that several have responded positively, I personally feel that it will be in the best interest of the Churches and theological education to pool resources both in terms of qualified personnel and finances and commence a meaningful programme what will have both academic excellence and credibility among Churches in the North.

I am happy that you are open to the possibility of co-operation. I am awaiting a response from the C.N.I. General Secretary and the Executive of M.C.S.A. After hearing from them, we shall arrange for the meeting.

Dear Sir,

I write with reference to a matter which has for sometime been agitating the minds of many church leaders as well as the Council of Serampore College. It is in regard to the need for greater involvement of the churches that sponsor and financially assist students for theological studies in Serampore in the formulation of teaching programmes of the College with a view to make them relevant to local situations and the tasks of the ministry. In the way it is hoped that with closer cooperation the churches would be enabled to share in the curricular exercise of the College, and challenge them to a more active interest in the system of education to which their future pastors and church leaders are being exposed.

After consultations during the greater part of 1979 with representatives of different churches and church-related bodies/missions who responded favourably to the idea, the Council adopted the following resolution at its meeting on December 17, 1979 :

" That an Advisory Board of the Council of Serampore College for the Department of Theology be constituted with immediate effect, and that the following churches be requested to nominate representatives on this Board in the following manner :

Baptist Churches of N-E India	: 2(two) representatives
Presbyterian Churches of N-E India	: 2(two) representatives
Lutheran Churches of North India (GELC, NELC, JELC and MELC)	: 2(two) representatives
C N I	: 1(one) representative
C S I	: 1(one) representative
Mar Thoma/Orthodox	: 1(one) representative
Theology Staff Council(of the Department of Theology)	: 2(two) representatives

and

Ex-Officio

: The Principal.

The Council felt that representatives from other churches might also be included in the Board if relationship between the College and those churches were established in keeping with the recommendation made by the conference at Serampore on March 8, 1979.

PASTORS REFRESHER COURSE, SERAMPORE 7. - II.I, 1980

- REPORT -

Introduction: It was one of the conclusions drawn by the College after its conference with representatives of the Indian churches and of foreign missions on 8. March 1979 to offer regular refresher courses for ministers in India and Bangladesh. The proposed date for the first course was Monday January 7th to Friday January 11th 1980. Dr. H. Guenther was asked to prepare and organise the course in consultation with the churches. The following is a brief report of what actually happened.

Preparation: The first notice about the intended course was given to nearly forty church head-quarters at the end of Oct. 1979. A detailed programme was sent by the beginning of Dec. 1979. From 50% of the churches we did not receive any reply. - 20% regretted, that they would not be able to send pastors this time. But the Bangla Desh Baptist Sangha and others expressed their wholehearted interest in such a course and their hope that they might participate next year. Eleven churches sent a message saying that they would send pastors. Although numbers and even names of delegates were intimated, many never turned up for the course. Based on those positive replies and messages from the respective church secretaries and bishops we were expecting 35 participants and vacated students' rooms in the Hostel accordingly. Only 17 delegates however actually came (from a. Baptist Church of Mizoram; b. Presbyterian Synod Mizoram; c. Baptist Aroga Mungdang, Nagaland; d. Manipur Synod; e. Chin Baptist Association, Manipur; f. Khasi-Jaintia Presbyterian Synod; g. Northern Evgl. Lutheran Church; h. Gossner Evgl. Luth. Church; i. Diocese of Cuttack, CNI).

Finance: We received from LWF one thousand US Dollars and 2.500.- Rupees from the "William Carey Study and Research Centre" (WCSRC). Since we had less participants than expected, a considerable amount is left over to be used next year. New sources however have to be found. - (The churches were requested to meet 50% of travel expenses).

Course: The main theme of the course was "The Church's Ministry to a Non-Christian Environment". Speakers from outside were invited, but most of the lectures were given by our teaching staff. The good cooperation of the staff-members and their willingness to take over special responsibilities (such as organising food, accommodation, services, return-tickets etc.) provided the basis for the success of the course. - The days were started with an extensive Bible-study related to the topics of the following sessions, which focused on the Church's ministry and message in her religious, social, secular, Tribal and Hindu environment. Summaries of all lectures and papers were cyclostyled and sufficient copies given to the participants. Enough time was given for discussion, group-work, private studies in the library, and fellowship.

Feed back: The delegates expressed their appreciation that such a course was organised, hoping that this was the beginning of a regular institution. Gratitude was expressed repeatedly to the College for the service being done to the Indian churches. It was agreed that the January was a good time, but the course should be longer. For next year it was suggested to send intimation to the churches already by Sept. 1980. Some addresses had to be corrected, some further addresses were added and included in the records. Concerning a possible theme for the next course it was suggested that questions of practical ministry be considered such as pastoral care or counselling. Some delegates asked that musical training and a sight-seeing programme be included next time. It was also mentioned that a workshop-style of teaching might be more adequate in serving the needs of the different areas. Finally sufficient publicity should be given to such a course. For all participants felt that this course was effective and closely related to their ministry, so that everyone had a real benefit, both pastors as well as professors.

Records: Records, correspondence, programme, copies of lectures, financial report etc. will be handed over to the office of the Theology Dept., Serampore College.

Respected Sir,

Most humbly and respectfully we have the honour to request you to consider our problem regarding, The Pocket-Money, The Book-grant and The Medical-grant.

The we are getting at present for the items mentioned above is insufficient; eg. The Pocket-Money, Rs. 40.00 monthly, The Book-grant, Rs. 200.00 annually; and The Medical-grant, Rs. 40.00 annually. As the price of the materials is increasing day by day, it is very difficult to manage with the money shown above.

In the case of the pocket-money, the whole necessary expenditure depends upon it; because our economic condition is not good and we do not get financial help from our home.

Regarding the book-grant, Rs. 200.00 is very less in comparison to the price of the books; because for the most standard theological books we have to depend upon the foreign publication. So, hardly we can buy four or five books with this amount.

In regard to the medical-grant Rs. 40.00 also is very less. It is very difficult to spend for the medicine, for the doctor's fee for the check-up and for the extra nourishment.

We, therefore, request you to kindly consider our problem accordingly and increase the amount for the items mentioned above. For this help we will be ever grateful to you.

Yours Sincerely.

Respected Sir,

My warm greetings to you in this new year. This time I am quite well by the grace of God and hope the same for you also.

This is a reminder about my special grant for books. In September 1979 I have applied in the K.S.S. for special book account grant. As I have been assured for this grant my professor Dr. Huber has place an order in my name for those books, mentioned in my application. Those books are from abroad. So it takes time. He has placed the order in October 1979. So most probably books are expected to reach Serampore College very soon now. Actually I wanted to come to Ranchi, but unfortunately I fell sick. At present I am quite well. On 11.1.80 I am going to begin my journey from Dumirta to Serampore. Our classes will begin from 14.1.80.

So, I would like to request you to let me know about my special book grant. Please do not send any letter ~~to~~ here to Dumirta but in the address of Serampore. I am anxiously expecting your

However, as Rev. Hansda is going to write two or three B.D. papers next February or March, he needs time for study. Therefore, he be excused ^{from} non compliance with your order. Instead of Rev. Hansda, Rev. K.D. Kerketta from Nakti, who is ~~also~~ also a Mission Field Worker be sent for the course. I have already informed Rev. K.D. Kerketta of this.
