Sehr geehrter Herr Baron!

Infolge einer geradezu unerhörten Überlastung komme ich erst jetzt dazu, Ihr freundliches Schreiben vom 15. Februar zu beantworten. Dass von Ihnen ins Leben gerufene Unternehmen eines deutsch-englischen Klubs interessiert mich sehr. Auch bin ich bereit, dem vorbereitenden Ausschuss anzugehören, vorausgesetzt, dass ich mit meiner Zusage nicht zu spät komme. Ob ich mich aktiv oder mit Geldmitteln beteiligen kann, ist mir unter den herrschenden bedrängten Verhältnissen allerdings sehr fraglich.

Mit dem Ausdruck vorzüglichster Hochachtung

Ihr sehr ergebener

Herrn

Self-reliance in the future

It is a fact that the world is changing rapidly. The old order is passing away and a new order is being born. We must be prepared to meet the challenges of the future. We must have self-reliance and the ability to adapt to change. We must have the courage to face the unknown and the strength to overcome our fears. We must have the wisdom to make the right decisions and the power to put them into action. We must have the faith to believe in our future and the hope to see it through. We must have the love to care for one another and the respect to value each other. We must have the patience to wait for the right time and the persistence to keep going when the going gets tough. We must have the humility to know our limitations and the confidence to know our strengths. We must have the integrity to do what is right and the honesty to admit our mistakes. We must have the compassion to understand the pain of others and the kindness to offer them help. We must have the courage to stand up for our beliefs and the strength to defend our values. We must have the wisdom to see the big picture and the power to make a difference. We must have the faith to believe in our future and the hope to see it through.
