Dear Mr. Seeberg,

I hope this finds you in the best of health.

I understand that you are planning a trip to India early next year. It will be a great pleasure to meet you again.

Although we started production w.e.f. 1st July, 1967, our formal inauguration ceremony was performed on 30th October by Shri A.C.Bhatla, Acting Chairman of Heavy Engineering Corporation Ltd., Ranchi. We had planned the inauguration in August but could not do so owing to death of Mr. Dayal's father.

Please convey my best regards to Dr. Berg.

I look forward to meeting you in India again.

With kindest regards,

Yours sincerely,

Dear Mr. Schwerk,

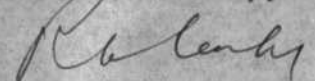

Mr. Luther conveyed to me your message last evening that the final plan would be ready in two or three days' time. It is quite o.k. I shall now expect to see this plan by Friday the 17th instant. My only regret is that the final plan would not be seen by Rev. Martin Seeberg. I am sure, however, that I am starting this venture with his blessings.

Please also have an agreement drafted about the lease of the premises. If you want me to prepare a draft, I would do so and then we can discuss and finalise the same.

Taking that the work will start by end of this month at the latest, I am expecting that the premises will be ready for occupation by 15th May, 1967. And I am planning accordingly.

With kindest regards,

Yours sincerely,

(R.K. GUPTA)

Dear Sir,

We are planning to set up a Block-making Unit in Ranchi and for this we are looking for some space on the Main Road. We shall be thankful if you could kindly allot us about 2500 sq.ft. (including open space) by the side of the new TTC/Fudi Show-room which is being constructed. Out of this total area about 1500 to 2000 sq.ft. could be covered by sheds and the rest may be left as open space. We can discuss this matter in detail after this idea is approved by you.

We shall be prepared to pay for this accommodation any reasonable rent that may be fixed after mutual discussions.

We shall be obliged if you kindly communicate to me your decision early so that I may meet Mr. Schwerke and give my detailed requirements to him as I understand he is looking after the development of this particular plot of land.

Thanking you,

Yours faithfully,

THE RANCHI COMMITTEE ON PROPERTIES.
G.E.L.CHURCH,RANCHI.

BPR/34/33/RC-67.

Dated the 7th,January,1967.

To,
The Superintendent,
G.E.L.Church,Press.,Ranchi.

Ref:-Your Reminder No.10,dated 24.1.67 on the subject of
vacation of Quarters of discharged Press Employees.

Dear Sir,

In acknowledging your letter referred to above I have to
state as follows:-

The Ranchi Committee on Properties has taken all possible
action to take a vacant possession of the quarters,occupied by your
discharged employees.

In absence of the Power of Attorney,which has not been
granted to the Officials of the Ranchi Committee on Properties,the
Ranchi Committee on Properties,is handicapped and unable to take legal
action in the Court of Law to evict the unauthorised dismissed
employees of the G.E.L.Church Press.,Ranchi.

We have tried to secure Power of Attorney from the Property
Board and the K.S.S.,but our prayer on this behalf seems to have been
rejected.

The court case against the discharged employees of the Press
was disposed off on 12.12.66.The copy of the findings of the Court was
made available to us in the last week of December,1966.On receipt of
this order of the Court,we personally contacted Shri.Bilarius Toppo
and another who represented that the matter decided by the Labour
Court at Ranchi ,has been put in Appeal before the Labour Commissioner,
Patna.It is advisable that the Secretary,Property Board and the
Manager,Property Board,who have General Power of Attorney and Special
Power of Attorney respectively according to the Constitution of the
G.E.L.Church,may file eviction case against the discharged employees.
We are referring this case to them for immediate action as the
Officials empowered with Power of Attorney can only take legal action
in the Court of Law for the eviction of the discharged press employees.

The Ranchi Committee on Properties has no power to deal in
this matter any further.

This disposes off your Memo referred to above.

Yours faithfully,

M. Soy
(M.S.OY) Chairman,

The Ranchi Committee on Properties,

GOSSNER EVANGELICAL LUTHERAN CHURCH

PUBLICATION COMMITTEE

OF THE BOARD OF EVANGELISM AND LITERATURE

Minutes of Meeting held at GELC Press on December 14, 1966

1. OPENING. The Meeting was opened with prayer by Rev. Tete.
2. ATTENDANCE. Present were: Revs. J.J.P. Tigga, S. Surin, M. Tete, Dr. T.C. Dell, Mr. N.E. Horo, Mr. J. Luther and Mr. P. Kerketta. Invitees were Pastor M. Seeberg and Mr. C. McMullen. Apologies from Mr. N. Toppo and former Secretary Rev. C.G. Schmidt.
3. WELCOME. Rev. Tigga welcomed the new Secretary, Rev. Dr. Dell, who had recently arrived from Germany.
4. ADOPTION OF MINUTES. The Minutes of the Meeting held on November 22 were read and adopted without alteration.
5. CHANGE OF SECRETARYSHIP. Dr. Dell having expressed his acceptance, the resolution passed by the Committee on Nov. 22 is to be reported to the Board of Evangelism and Literature on Dec. 20.
6. SEPARATION OF PRESS AND PUBLISHING HOUSE

a) The sub-committee appointed on Nov. 22 submitted the following recommendations:

- (i) That of a total sum of Rs. 7.246,60 about one half, namely Rs. 3.500 be apportioned to the Publishing House, the remaining sum of Rs. 3.746,60 to the Press. (Savings Bank Account.) The Current Account of Rs. 7.019,40 be apportioned to the Press. The remaining stock as on Dec. 31, to the Publishing House.

The Committee accepted this recommendation and charged the Secretary to draw up a statement of stock, together with the Superintendent of the Press, as on Dec. 23 (closing day), and to take over the charge of stock from the superintendent as from Dec. 31.

- (ii) That the Publication Committee act also as Managing Committee of the Publishing House, and that the Chairman, after having consulted other Publishing Houses, within one month draft a constitution (bye-laws, rules) for the Publishing House.

This recommendation was accepted.

- (iii) That the Publishing House be staffed with three full-time employees: manager, salesman and helper.

This recommendation having been accepted the Committee discussed and defined the functions of the Publications Manager and the Sales Manager. Whereas the latter is to deal with sales, stocks, and entries in the books, the former is to bear the overall responsibility. In that sense the accounts are to be kept in cooperation of both Managers. Similarly, the Sales Manager is to deal with the Bookselling Agencies under the overall responsibility of the Publications Manager. Special functions of the Publications Manager shall be these: to recommend items for Publication to the Publication Committee; to push up sales, also in the Agencies; to act as Business Manager of the Gharbandhu (see below no.7)

The Saving Account of the Publishing House is to be operated jointly by the Publications Manager and the Secretary of the Committee, whereas the former is to operate the Current Account singly. Considering the three applications received, the Committee decided unanimously to appoint Mr. J. Tigga of Ranchi as Publications Manager from Jan. 1, 1967. His starting salary was fixed to be Rs. 200, the probation period one year. He is to give a surety of Rs. 200, and to name two sureties.

Mr. A. N. Kongari as Sales Manager is to draw Rs. 140. Mr. G. Dundung is to be Sales Assistant.

The Committee charged the Secretary with discussing details of appointment with Mr. J. Tigga. Mr. Luther was requested to recommend pay scales for all three employees at the next meeting, and to adjust the scales to those of the Press.

(iv) That the new Publishing House be built on Main Road. The Committee accepted, and it welcomed the information that construction work could be completed early in 1967, and that ~~until then~~ the Press would furnish both rooms and furniture required. *financial arrangements continued*

- b) Budget for 1967. The Superintendent informed the Committee that sales in 1966 will amount to almost Rs. 40.000. On that basis, the expenditures were calculated as follows:

Salaries	Rs. 6.000
Office expenses	2.000
electricity	360
rent	600
Publicity, advertisements	960
travel	500
publications (printing &c.)	750
purchase of outside books	26.000
miscellaneous	2.000
	1.790

total expenditures Rs.40.000

As the Publishing House will be short of working Capital, a grant from the Gossner Mission of Rs. 18.200, announced by Pastor Seeberg, was most gratefully welcomed.

7. GHARBANDHU. It was unanimously resolved that two recommendations be submitted to the Board of Evangelism and Literature at its meeting on 20 December:
- a) That the Editorial Board be dissolved and that the Publication Committee be also the Editorial Board for the Gharbandhu with full responsibility for finances, printing, dispatch, &c.
 - b) That the Publications Manager act also as Business Manager of the Gharbandhu.
8. REVISIONS FOR PUBLICATION
- a) "The Christian Church in Chotanagpur"; the manuscript which is ready for printing was accepted, decision about date of publication deferred.
 - b) "Hriday Darpan"; *Dr. H. J. D. H. H. H.* manuscript ready for printing accepted, decision on publication still pending.
 - c) Bible History; discussion deferred.
 - d) "Drihikaran Shiksha"; in process of revision.
 - e) "Agya 1-10"; ~~form~~ *form*, method, and contents to be retained, style and formulation to be corrected. (Miss Diller is willing to pay the costs of re-writing.) Mr. McMullen is asked to re-write the book. The Chairman expresses the very hearty thanks of the Committee to Mr. McMullen for the work he has done so far, and for his cooperation.
- "Shaksi Bani" (with notation) is recommended for re-printing. Suggestions for new translations: "I loved a girl", "The Cross and the Switch blade".
9. NEXT MEETING: Friday, 13 January 1967, 3.00 p.m., at GELC Press.
10. CLOSE. The Meeting was closed with prayer by P. Seeberg and the Benediction pronounced by Chairman.
