

3. The third category covers associations having a definite cultural, academic, religious or social programmes. They are required to give within the prescribed time intimation to the Central Government about the amount of foreign contribution received by them, source from which and manner in which such foreign contribution was received and the purpose for which and the manner in which such contribution was utilised by them.

We believe that all our partner organisations belong to the third category described above. This means that you will have to find out from the authorities which is the prescribed time within which you should intimate the Central Government and have all the required information ready for submission.

In case some of you regard themselves as belonging to category two, i.e. having association with political parties, we ask you to follow the regulation and seek permission to receive further funds.

In order for you to give detailed information about "Bread for the World" to the authorities concerned we give you below a brief description of our principles and aims:

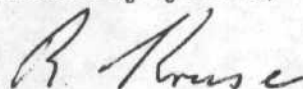

"Bread for the World" is a campaign of all Protestant Churches in Germany receiving its funds through church collections and free will offerings from people all over Germany. Its partners are churches, voluntary agencies, development agencies in all developing countries. Through these partners "Bread for the World" supports projects in the following categories: Social and economic institutions, vocational training, cooperatives, health, education, personnel, study projects and emergency relief. Priority is given to projects with a strong component of peoples participation and target groups belonging to the poorest strata of society regardless of their religion.

For your own interest and for the sake of the projects you are undertaking we ask you to get a copy of the Regulation Bill and to acquaint yourself with it in all detail. It will be necessary for you to have audited statements of accounts available covering the past few years and showing the funds received, from which sources, and for what projects.

We feel confident that if you take the responsibility seriously which this Foreign Contribution Bill places on you our continued good co-operation will not be jeopardized.

With all good wishes,

Sincerely yours,

## RESTRICTIONS ON FOREIGN CONTRIBUTIONS.

NEW DELHI AUGUST-5:-

The Act which regulates foreign contributions and hospitality certain categories are totally barred from receiving them-came into effect to day. A gazette notification framing rules under the Act has been published.

The Act envisages three kinds of restrictions of a prohibitory or regulatory nature. The first bans acceptance of foreign contributions or hospitality; the second requires prior permission of the Centre, and the third makes it obligatory to render accounts to the Government after receipt of contributions.

Recipients of foreign contributions have been grouped into three categories. The first includes organisations and individuals of a sensitive and important category in our national life (like officials, legislators, journalists and politicians) They are "totally prohibited from receiving contributions".

The second covers organizations "deemed to of a political nature", which "shall not accept any foreign contribution except with the prior permission of the Central Government".

The third includes cultural, academic, religious or social associations, which are required to inform the Centre of the amount of foreign contributions received by them, its sources and the use is put to within a stipulated period.

The Act defines foreign contributions to mean "the donation, delivery or transfer made by any foreign source of (1) any article given to a person as a gift for his personal use, if the market value in India of such article on the date of such gift does not exceed Rs. 1000/- (2) of any currency whether Indian or foreign (3) of any foreign security as defined in the Foreign Exchange Regulation Act".

The Act defines the foreign hospitality to mean "any offer, not being a purely casual one, made by a foreign source for providing a person with a cost of travel to any foreign country or territory or with free board, lodging, transport or medical treatment."

The following is the text of a press note issued by the Home Ministry.

The Foreign Contribution (Regulation) Act 1976, has come into force with effect from August 5, 1976. A notification to this effect was ~~from~~ along with the rules framed under the Act has been published in the Gazette of India Extraordinary. The Act, as passed by Parliament on March 29, 1976 was assented to by the President on March 31, 1976.

The Foreign Contribution (Regulation) Act was passed for ensuring that our parliamentary institutions, academic and other voluntary organisations as well as individuals working in important areas of national life function in a manner consistent with a value of a sovereign democratic republic. The Government was aware of the scope for foreign agencies to influence organizations or individuals in the country through financial aid. It also had kept in view the need to regulate the acceptance and utilization of foreign contribution or hospitality.

The Act envisages three kinds of restrictions of a prohibitory or regulatory nature.

-----contd-----

One is of total prohibition of acceptance of foreign contribution or hospitality, the second is the acceptance with prior permission of the Central Government and the third is the legal obligation to send intimation and render accounts to the Central Government after receipt of foreign contribution.

Accordingly, recipients of foreign contribution have been grouped into three categories. The first category covers organisations and individuals who may be deemed as a sensitive and important category in our national life, like candidates for elections, Government servants, members of legislatures, political parties and their office bearers, correspondents, columnists, cartoonists, editors, owners, printers and publishers of registered newspapers. They are totally prohibited from receiving foreign contribution.

The second category includes organisations which not being political parties themselves, may be deemed as organisations of a political nature, having regard to their activities or associations with political parties. The Act lays down this category shall not accept any foreign contribution except with the prior permission of the Central Government.

The third category covers associations having definite cultural, academic, religious or social programmes. They are required under the Act to give within a prescribed time, intimation to the Central Government about the amount of foreign contribution received by them, the source from which and the manner in which special foreign contribution was received and the purpose for which and the manner in which such contribution was utilised by them.

There is also a general clause which empowers the Central Government to impose such prohibitory or regulatory restrictions regarding acceptance of foreign contribution by any person or class of persons or associations not covered by the foregoing categories, if the Central Government is satisfied that acceptance of foreign contribution by such associations or persons or class of persons is likely to be prejudicial to the sovereignty and integrity of India or the public interest etc. or the freedom or fairness of election to any legislature or friendly relations with any foreign State or harmony between religious, racial, linguistic or regional groups caste or communities.

The Act also contains appropriate penal provisions to deal with contraventions of the law.

The rules framed under the Act and gazetted today provide that intimation regarding foreign contribution or scholarships or stipends or any payment of like nature or foreign hospitality by an association shall be made within 80 days of the receipt of such contribution.

In the case of a foreign contribution received by a candidate for election, intimation should be given within 15 days from the day on which he has duly nominated a candidate.

Any scholarship stipend or any payment of like nature from any foreign source in relation to which any intimation is required to be given under the Act should be given within 30 days of receipt of such scholarship stipend or any payment of like nature. The rules also provide that in the case of persons receiving scholarship stipend or any payment of the nature residing outside India the intimation shall be given within 60 days from the date of receipt of such scholarship stipend or other payment of like nature.

The rules also provide that in the case of persons receiving scholarship stipend or any payment of the nature residing outside India the intimation shall be given within 60 days from the date of receipt of such scholarship stipend or other payment of like nature.

In respect of foreign hospitality, on the acceptance of which prior permission of the Central Government is necessary under the Act the intimation has to be given within 30 days from the day of receipt of such hospitality specifying the particulars as to the receipt of such hospitality and the source from which and the manner in which such hospitality was received.

The rules also provide that the case of any citizen of India receiving scholarship, stipend or any payment of like nature from any foreign source which does not exceed Rs.3,600/- during an academic year. It shall not be necessary for him to give any intimation.

In calculating this amount, the assistance he had received for the purchase of books, clothing and equipment and for sightseeing in a foreign country should be taken into account. But the amount spent on travel by air in an economy class from India to a foreign country ~~shall not be taken into account~~ and back to India from such a foreign country shall not be taken into account.

Dear Friends,

with great interest. I received your letter dated April 3rd 1976 regarding the construction of a church building. I want to encourage your actions and we really have great interest to hear whether your congregation succeeded in fulfilling the plans step by step.

As far as Gossner Mission is concerned I unfortunately have to state that we are handicapped to help you by the general policy for relations between GEL Church and Gossner Mission. We are only in the position to subsidize congregations the applications of which passed the proper channels i.e. the KSS has to recommend these applications. As long as the KSS of the GEL Church is not functioning I am not able to act.

With kind regards,

yours sincerely,

Respectfully Sir,

Our heartiest "Yesusahay".

We the humble Christian solemnly beg to state  
that we belong to the G.E.L. Church Village Saporom,  
Hethakota Parish, and Ranchi District.

We are very small in number having 9 houses only.  
We tried our best since long ago to construct a church  
building. For God's sake we have got one land free of cost  
from a christian family. We have done the wall construction  
work by our selves. Regarding the finance we tried to get  
help from the Ilaka and centre also. But every thing seemed  
to be in vain.

We have constructed our work by small collection  
from Sunday School "Mata Samaj" etc. But now the only thing  
is that we can hardly manage the roofing arrangements.  
And therefore Sir, will you please consider our <sup>poverty</sup> ~~property~~  
and humble request & send us at least Rupee 1 or 2 thousand  
so that we may construct it before the rainy season.

We are at the distance of 7 miles from Ranchi.

This can be ~~very~~ verified very easily if you advise the

Hope that our humble prayer may be listened and  
for which we would be ever thankful to you.

Thanking you.

Dear Brother Singh,

I am approaching you in your authority as director of the Board of Evangelism and Literature. Since long the GEL Church and Gossner Mission agreed to envisage a co-operation with the United Mission to Nepal. May I remind you that Gossner Mission officially became member of the United Mission to Nepal in 1969 and accordingly sent since then two missionaries to work with the United Mission to Nepal. The plan to send Indian missionaries to Nepal too was not yet cancelled but could not be realized due to certain difficulties in the GEL Church but several leaders of the GEL Church became acquainted with the work of the United Mission to Nepal during the last years. Now Gossner Mission wants to encourage the GEL Church once more to begin the practical co-operation.

The first step is a formal application to the GEL Church - either by the Acting Pramukh Adhyaksh or the Director of the Board of Evangelism and Literature - addressed to the Executive Committee of the United Mission in Kathmandu to become member of the United Mission to Nepal. As all parties within the GEL Church will agree to this it could be possible to submit this application already to the next meeting of the Board of Directors of the United Mission taking place in early April this year.

The second step, of course, would be to send missionaries from the GEL Church to Nepal. This has to be prepared and the preparation may need more time.

- 2 -

Gossner Mission ensures the GEL Church to give all financial assistance for the time being in case the GEL Church becomes official member of the United Mission to Nepal and sends own missionaries to Nepal,

Sincerely yours,

Dear Brother Pastor Seeberg,

As promised I would like to inform you about the latest development in the Church. The KSS Samiti had its meeting on Aug. 27+28, 75 to decide finally to implement the new constitution after taking advices from a Retired Christian Judge in Madras, who is also the treasurer of UELCI/FELCI. But the judge did not come. So we had to take advice and have discussions with local christian and senior advocates, and decided that due to legal difficulties the implementations of the new constitution is kept pending and elections are to be held according to the existing constitution, thus I have to continue till the new elected Pramukh Adhyaksh takes over charge on the 4th Nov. 75.

At present there are many tensions within ourselves due to many important issues i.e. college building, opening of science classess in theological college, finance etc.

Meanwhile we received the receipt of money transaction from Hamburg referring to your letter to me dt. 19th Aug. 75, But I have not yet received the letter, therefore please send me the copy of the same, so that we can adjust the amount according to your advice.

Last but not least, I would have mentioned earlier, the KSS Samiti notes its deep sorrow upon the premature and sudden death of you daughter and the KSS Samiti on behalf of the Church sends its heartfelt condolence.

From August 75 Rev. C.S. Royan Topno from Theological College has been deputed as assistant in BEL office. He has to learn much about the mode and work of the BEL.

With best of my regards,

Yours sincerely,

Lieber Bruder Singh!

Als ich am 5.d.M. Ihren inhaltsschweren Brief erhielt, habe ich Ihrer herzlich gedacht und schrieb daraufhin die Briefe an die Anchal Adhyakshas sowie an den Lutherischen Weltbund unter dem 6.d.M. Ausserdem wollte ich einige Tage überlegen, welche Massnahmen wir in Berlin treffen sollen.

Inzwischen habe ich den Brief von Dr. Hellberg vom 7.d.M. an Sie zur Kenntnisnahme erhalten. Hellberg kommt also nicht nach Ranchi und sieht für seine Person also keine Möglichkeit, in den Streit in Ranchi einzugreifen. Ob damit der Lutherische Weltbund insgesamt alle Massnahmen ablehnt, wird sich entscheiden, wenn Dr. Rajaratnam Kenntnis von der Angelegenheit erhält und von Madras entweder nach Ranchi kommt oder direkt nach Genf zurückkehrt. Jedenfalls werden Sie, so wie die Dinge im Augenblick liegen, keine besondere Hilfe vom Lutherischen Weltbund erwarten können.

Diese Tatsache erleichtert unsere Situation in Berlin ganz und gar nicht. Im Augenblick sind wir der einzige europäische Partner, der versucht, Ihre Sorgen und Probleme zu bewältigen. Ich hoffe aber, dass die von Ihnen ebenfalls angeschriebene Vereinigte Lutherische Kirche Indiens jemand schicken wird. Diese Brüder haben ja den kürzesten Weg.

Die Mitglieder des Kuratoriums der Gossner Mission haben sich bisher noch nicht geäussert, aber ich erwarte im Laufe dieser Woche ihre Ratschläge. Meine persönliche Meinung, die ich mit meinen Mitarbeitern in Berlin diskutiert habe, sieht im Augenblick wie folgt aus:

Ich bin mir der Verantwortung bewusst und weiss, dass die Zukunft der Gossnerkirche auch durch die Gossner Mission beeinflusst wird. So wie in früheren Jahren wird es auch heute und morgen so sein, dass wir in Berlin durch unsere Korrespondenz und durch unsere finanziellen Beiträge positiv oder negativ wirken. Ich habe Ihnen wiederholt gesagt, dass nach meiner Überzeugung grössere Geldzuwendungen mehr schaden als Nutzen bringen. Diese These ist bei Katastrophenfällen sicher nicht anwendbar. Ist eine solche Katastrophe jetzt eingetreten und soll die Gossner Mission jetzt für die Zentralverwaltung der Kirche Mittel aufbringen? Wir haben dies 1974 und 1975 zu einem gewissen Teil getan, weil die Interimszeit überbrückt werden musste. Wenn es jetzt so aussieht, als würde diese Interimszeit auf unbestimmte Zeit weitergehen, dann habe ich grosse Zweifel, ob wir uns an der Finanzierung der Zentrale beteiligen sollen. Ist es möglich, dass sich die Brüder im KSS nicht geeinigt haben, weil irgendwie die berechtigte Hoffnung bestand, dass schlimmstenfalls die Gossner Mission einspringen und die nötigen Beiträge schicken würde?

Aber vergessen wir einmal das Geld. - Sie haben geschrieben, dass ich Ende November für eine Woche kommen soll. Eine solche Reise nach Indien kostet natürlich auch einiges Geld, das vielleicht an anderer Stelle bessere Verwendung finden könnte. Ausserdem lässt auch meine Terminplanung nicht ohne weiteres zu, eine solche Reise kurzfristig anzutreten. Aber auch hier würde ich sagen, dass in Katastrophenfällen alles möglich gemacht wird. Doch was könnte ich in acht kurzen Tagen in Ranchi tun? Möglicherweise würde es mir gelingen, die Parteien an einen Tisch zu bringen und ein paar kleinere Probleme zu lösen, aber viel mehr ist in so kurzer Zeit wohl kaum zu erreichen, besonders wenn man allein ist. Darüber hinaus habe ich in diesem Zusammenhang noch eine wesentliche Frage: Der Hilferuf an LWF und Gossner Mission ist vom Rest-KSS, der am 30. Oktober zusammenkam, beschlossen worden. Wie aber ist die Meinung der Brüder, die nicht an dieser Sitzung teilgenommen haben? Sehen diese ebenfalls die Notwendigkeit, dass ein guter Freund von aussen die Probleme lösen sollte?

Sie sehen also, dass ich die Frage, ob ich zu Ihnen kommen soll oder nicht, ebenfalls unter dem Gesichtspunkt betrachte, ob ein solcher Besuch mehr schaden als nutzen könnte. Ich lehne den Ruf zu kommen, nicht grundsätzlich ab wie es Dr. Hellberg getan hat, aber bevor ich mich dazu entschliessen kann müsste ich mehr Gewissheit erhalten, dass dieser Besuch von allen gewünscht wird und dass Aussicht besteht, einen Heilungsprozess in Gang zu setzen. Anders ausgedrückt: Die Verantwortlichen der Gossnerkirche müssten deutliche Zeichen geben, dass sie ernsthaft die Befriedung wünschen und sich gegebenenfalls auch einem Schiedsspruch beugen würden. Ich könnte im Falle meines Kommens nicht nur Diskussionsleiter sein, denn es geht jetzt darum, verbindliche Entscheidungen zu fällen, die akzeptiert werden müssen, was im voraus und öffentlich gesagt werden müsste.

Soviel für heute, lieber Bruder Singh. Ich weiss, dass Sie persönlich eine zu grosse Last tragen und dass Sie durch Ihre Krankheit geschwächt sind. Ihretwegen würde ich viel schneller nach Ranchi kommen, aber es geht jetzt um mehr, denn wie schon gesagt, ich frage, kann mein Besuch mehr schaden als nutzen? Ich wäre Ihnen dankbar, wenn Sie sogleich nach Erhalt dieses Briefe antworten würden, damit ich über die Entwicklung der letzten Tage informiert bin und Antworten auf meine Fragen bekomme. Sobald das Kuratorium sich zu der Angelegenheit geäussert hat, werde ich mich wieder melden, also schon vor Eingang Ihrer Antwort.

Mit vielen guten brüderlichen Grüssen bin ich

Erledigt .....

Geneva, 7 November, 1975.

Dear Brother,

It is with deep sorrow and concern that I learn about the continued struggle in the Gossner Church. Your letter of November 1, following your cable, was no surprise to me. When Dr. Minz was in Geneva in October, Dr. Rajaratnam and I had long conversations about the problems in your church.

My views are:

1. The roots of the problems of the Gossner Church are of such a deep, partly personal and partly sociological, nature, that unless they are clearly identified and analysed, any efforts by "outsiders" to serve as reconciliators, who can observe the surface only of your problems, are doomed to failure. This was my experience last time I visited you as a reconciliator - an effort that apparently failed. It was only in the second part of that meeting, that I started to be aware of the deep, personal conflicts involved, as well as some of their connections with sociological factors. Whatever positive results that came out of this my previous visit to Ranchi, was just a scratching of the surface - and in a short time the conflict started all over again. The same would happen again unless all concerned now are ready to come to grips with all the roots of the problems.

2. This also involves a reconsideration of the entire structure of your church. Both the previous and the present constitution appear to presuppose a unified church, consisting of people of many different backgrounds. Is there in your church, so diversified in sociological backgrounds, a real wish to maintain the unity? Are the frustrated minority groups having difficulties in expressing within the present structure their own identity within majority groups? Are the majority groups ready to accept that their

./.

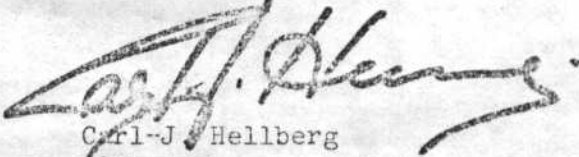

- 2 -

opinions must not necessarily be imposed on others, are they prepared to listen and to understand numerically weaker partners in the church? Have you seriously considered as an alternative a federal structure of the church with greater autonomy to each side?

3. Are all those now being on the KSS really representative of the members of the congregations? If so, are they willing to meet in a spirit of reconciliation and without putting group - or personal prestige in the first place? This "spirit of reconciliation" was not very prevailing during my last visit to Ranchi - there were so many personal interests, so much suspicion between the groups, that the now prevailing regrettable result could be foreseen.

I can see no use in my coming to Ranchi unless these and other questions are first dealt with by all the responsible, duly elected leaders of the Gossner Church. Dr. Rajaratnam is informed of your request and will no doubt contact you from Madras, where he is at present. He will then inform me of his evaluation of your situation on his return to Geneva.

Dear Brother Pastor Seeberg,

Thank you for your kind letters dated June 19, 1975. I am really overwhelmed to find so many enclosures. At present I shall not answer all the points in your letters, this is possible only after the KSS has taken some decisions, we have to wait.

Regarding Mr. H. Here, it will be better to wait for some times, it may depend for which place and for what post?

Thank you for your opinion regarding the Acting Pramukh Adhyaksh for his setting the matter on account of the handicaps, I think I can find out the way in the given situation, you need not push the matter.

As the Andaman Island-Christians are under the jurisdiction of SE Anchal the KSS could only advice the Anchal. The Pastor Rev. Topno is since January 1975 here at Ranchi till these days. He has many ideas for the area, and the work but it seems to me too ambitious, he has also submitted a budget for developing work etc. of an amount of Ca. Rs. 4,00,000/-. The SE Anchal has also not yet satisfied itself with the work of the Pastor. How can he work in the islands if he remains away from the area for half a year? Just yesterday he came back from Calcutta, saying that he could not get a ticket for the ship. The works for the islands are immense, but they have to be planned and accordingly organised.

The other day I wrote a letter to Drs. Here about the contract and for the future of the hospitals and dispensaries. I have requested him to come to Ranchi for July 11th '75 during which we shall have to discuss the said matters.

Preparations for the 10th July are going on so that the new constitution may be adopted for implementation. Some of the Anchals have already sent their opinions and comments, and they are very much conditional and almost negative. Any how we have to discuss all these matters and see how it works. The rest points shall be discussed, decided and communicated to you.

With best of my regards,

Yours sincerely,

Lieber Bruder Pastor Seeborg,

Verzeihen Sie, dass ich diesen Brief an Sie so schreibe, ich hatte einfach keine Zeit. Sie werden von Dr. Minz erfahren über die Lage der Kirche. Letzten Tage waren wir sehr viel beschäftigt mit KSS Samiti Sitzungen und Refresher Course, danach kamen auch verschiedene Komitee Sitzungen; Gossner Theol. College, Gossner College, Gossner High School, Press Committee usw. Meine Gesundheit ist nicht besser geworden, aber auch nicht schlechter geworden. Wegen Augen muß ich noch verschiedene Medikamente nehmen, jeder zweiten Tag muß ich geimpft werden, außer Insulin. So muß ich hin und her.

Wegen meiner Krankheit hatte ich die KSS Samiti gebeten, daß für mich etwas andere Arbeit gegeben wird, ich hatte nicht direkt gesagt, weil Mr. Tivy dabei war. Aber die Samiti hat für mich nur für zusätzliche Hilfe zugesprochen, welche auch nicht realisiert werden kann. Es wird vielleicht gut, wenn Sie auch Dr. Minz etwas darauf hinweisen. Ich hoffe, daß Sie mit ihm die Pläne sehen und auch über Nachfolger von Pastor Hecker sprechen.

Gerade seit gestern regnet es hier sehr viel, und so ist es etwas kühler geworden.

Mit herzlichen Grüßen.

Re.: Relationship GEL Church - Gossner Mission

Dear brother Singh,

Gossner Mission received the minutes of the last KSS meeting in April 1975 and the resolution concerning "Relationship to Gossner Mission" in the future. We are going to distribute this resolution to the members of Gossner Mission's Kuratorium which will deal with the item in the next full Kuratorium Meeting on October 10th 1975. In the mean time the staff discussed a paper about the relationship between Gossner Church and Gossner Mission which is meant as recommendation to the Kuratorium. Of course I do not know whether this draft will be accepted by the Kuratorium but I want it very much to be discussed with the Acting Pramukh Adhyaksh who also is a member of the Kuratorium. Therefore please find enclosed this paper in German as well as a paper titled "Direkt-Beziehungen: Gefährliche Partnerschaft".

Kind regards,

sincerely yours,

Re.: Mr. H.R. Horo, Zadakudar

Dear brother Singh,

Rev. Kraft, Berlin, has been in India during the 60th. He received a letter from Mr. H.R. Horo who now attends the Kolebira College for B.A. graduating. He obviously has trouble in view to his livelihood and asked Rev. Kraft for some help but of course Rev. Kraft wants to know whether this support is necessary and the GEL Church authorities agree to. I would be thankful if you could investigate in this matter.

Sincerely yours,

Dear brother Singh,

Thanks for your letter which I received to-day. Good to know that you arrived safe and sound and that the doctor in Barnabas Hospital is taking care for you. It is understandable that the KSS Samiti did not make a better decision regarding the handicap of the Acting Pramukh Adhyaksh within a few hours. Maybe you can settle this matter in the July Session. For the time being I can not help pushing forward the problems in view to the illness of the Pramukh Adhyaksh, he can only strengthen to deal with the different matters or find a person able to do this. Attached hereto you find several letters concerning several points. By this covering letter I want to inform you about Dr. Minz' visit. He is expected to arrive on June 21st in Germany, in Berlin he is expected for 24 hours. The main item of our discussion will be the proposed co-operation between Gossner Mission and Gossner Church in Nepal. Further I want to inform you that I got a letter already some weeks ago from Hardugan Horo. There was no special request from his side but obviously the desire to come into fresh contact with me. I have not yet answered him and do not know whether I should. Can you advise me?

I want to remind you on two matters we mentioned in our talks in Flensburg:

1. that the KSS may consider the visitors exchange programme for 1976 i.e. whom wants the KSS to come as official visitor to Germany and whom does the KSS expect as official visitor from Germany or do you want to interrupt the programme for one year;
2. competition for Bhajans. We decided about this matter and you agreed that Gossner Mission may encourage young people by a competition for new Bhajans and we expect three winners as a result at the end of the year after having published the competition in the Gharbandhu. I do not remember exactly the prices but you may.

Enclosed please find letters dealing with:

1. Relationship GEL Church - Gossner Mission
2. Dr. Sames GDR
3. Mr. H.R. Horo, Zadakudar
4. Andaman Islands

To

Mission Director  
Pastor M. Seeberg  
1 Berlin 41  
Handjerystr 19/20  
West Germany.

Dear Brother Seeberg,

I arrived here sound and safe, no problem troubled me in New Delhi. I have already started treatment under the supervision of Dr. Mathew in St. Barnabas Hospital (CNI) in Ranchi, he also recommended an eye surgeon for me, the medicines are going on. Since my arrival here I have improved in lowering down the blood sugar. Now I am to get a testing tube by which I can test my urine sugar.

On 4th and 5th June we had the KSS Samiti meeting. I also gave report about the Kuratorium meeting and other talks. Mr. Tiru was also here and attended the meeting. I did not say much about my post due to the sickness, I hope Mr. Tiru had told the same, but the Samiti did not change and simply suggested and arranged some helpers to reduce the burden of my work, but I think it shall not help much.

Now here Refresher Course on some 120 Pastors have come to attend the same. It shall last on 12th June, on 13th June we shall then continue the meeting of KSS Samiti.

With best of my regards.

Yours sincerely,

Dear brother Singh,

you know well enough that Gossner Mission is already pushing the GEL Church (I hope politely) to participate in the Nepal mission work. Enclosed please find a list of workers wanted by UMN for Nepal asking you whether it is possible to publish in the Gharbandu (not the whole list) for instance the UMN request for nurses. Maybe that Gharbandu readers know suitable nurses who are willing and able to go to Nepal.

Dear brother Singh,

yesterday I received your letter dated January 6th. Many thanks for all information. In the meantime you will have received several letters of mine with different items. To-day there are two points I have to inform you about:

1.     Visit of two people from the DDR and
  2.     the next meeting of the Kuratorium.
- 
1. I yesterday visited East-Berlin and was informed that Pastor Schülzgen and Pastor Richter will visit Ranchi from February 5th to 12th. I hope you can welcome them and prepare a short programme. I do know your difficulties regarding accomodation and other things for so many guests from Europe but what can I do? At least everybody is prepared to bear the costs for programme and accomodation. The friends from the DDR, of course, can not change money and so we have to send some DM-West. May I kindly ask you to pay to each of these two friends as soon as they arrive at Ranchi Rps 3.000,--. Transfer of this money to your account was ordered today. As the two visitors will after their visit to Ranchi stay for some more time at other places in India till the midst of March they need as much.
  2. Our next Kuratorium Meeting is scheduled for April 25th. You mentioned in your last letter that you are somewhat prepared to attend this meeting, and I want to encourage you. Do you have any idea how long you can stay with us? Not only I but Bruno as well want to know this for preparing the programme for your stay in Germany.

Greetings to all my Indian and German friends at Ranchi,

sincerely yours,

To  
The Mission Director  
Pastor M. Seeberg  
Gossner Mission  
1 Berlin 41.

Dear Brother Seeberg,

Thank you for your kind letters. I am sorry that I could not write you earlier. To-day we opened our office after the Christmas and New Year holidays. Almost all staff members joined the office here.

We are waiting for the guests from Germany, I have already chalked out programmes for them. As the guests are coming simultaneously we are put in accommodation and conveyance problems. Pastor Hecker is ready to accommodate one couple only, thus we are preparing the Jubilee Bungalow for two couples. As the ~~representatives~~ responsibilities lie on me I have to advance some money to buy some bed sheets, mosquito nets etc. There is almost nothing in the Bungalow. I hope that money will be reimbursed from somewhere. Similarly I hope that we shall get some amount for conveyance, petrol etc. As we have still some time GDR brothers, Schulgen, and Richler may be advised to come in a later date in the area of Gossner Church, because we are heavily programmed. But if they cannot postpone they are welcome in their possible date.

Regarding Surguja matter you have sent the copy of the letter your note to Dr. V. Stieglitz. I am of the opinion that the amount for Surguja be given for the recurring budget, pay scale etc. Meanwhile Dr. Neudecker has remitted Rs. 12500/- for agricultural Development work for the field. If you or any one agrees to give money without much affecting the collection for regular grant of the Gossner Mission. I could not find any reference of my letter as you mentioned. For expenses occurred in the programme for the German guests I have already sent the amount payable to me viz Rs. 3934=50 only. You might have already remitted the amount.

Shri Jaywant Bihari Minz met me and requested me about his project. Since he has no reply from you he requests early reply regarding the subject.

As already intimated we have prepared and accepted a new draft constitution and it is under print. In between I have raised a very practical point for the cooperation of the Adhyakshes financially and administratively, due to which I am put in difficulty. Therefore I have given them ultimatum to cooperate or to arrange otherwise.

As I am busy with my own programme I shall not be able to attend the Kuratorium meeting in Jan. 75. I hope to attend the next one.

With greetings and good wishes,

Yours sincerely

Dear brother Singh,

Dr.von Stieglitz requested me to announce the arrival of one of his Dortmund pastors at Ranchi. His name is Pastor Siebel. He is in charge of the Dortmund Kirchenkreise mission work and he will stay in Ranchi from February 24th to March 5th. As Gossner Mission has in Dortmund a lot of friends especially interested in our Indian and Nepal work his visit is rather important.

Are you fed up with visitors now?

Yours sincerely,

Subject:- Detail estimate of remodelling the Gossner Women's  
College hostel at Chaibassa.

Dear sir,

As per decision taken in the Governing Body  
Committee meeting, I enclose herewith one copy of the detail  
estimate for remodelling the Gossner Women's College hostel  
at Chaibassa amounting to Rs.12746.00 (Rupees Twelve Thousand  
seven hundred forty six ) only. The estimate was prepared in  
the year 1971-72 when the original amount estimated to be  
Rs.10117.00 (Rupees Ten thousand one hundred seventeen) only.  
Over this amount 25% cost has been increased on account of  
increase of cost of materials and labour cost during the year  
1975-76 thus making the amount to be Rs.12746.00 (Rupees Twelve  
thousand seven hundred forty six ) only. This case has already  
been recommended and sent to Curitorium Board in Berlin  
by Rev. B.Minz, the then Pramukh Adhyaksh.

It is therefore requested that that this case may  
again may kindly be recommended and sent again to Curitorium Bo  
Board in Berlin. Necessity have already been explained to the  
German Bretheren who visited Chaibassa.

Re.: Letter Mr. Bhengra

Dear brother Singh,

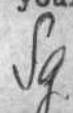

just after our talks at Flensburg I received a letter from Mr. Bhengra, head accountant of KSS, dated May 16th. His request was to consider five items of special expenditures of GEL Church and whether Gossner Mission is able to meet them. The first item amounting to Rps 3.133,01 re jeep Takarma and item no. 2 Rps 850,88 re German guests are quite clear and Gossner Mission of course has to meet these amounts. Regarding items 3 and 4 Adhyaksh Council Meetings and court expenses I feel Gossner Mission should also meet these amounts. You know our budget includes a certain amount for unforeseen expenditures. We therefore will transfer the total amount of

Rps 10.444,04.

Regarding item no. 5 I am not as sure. First the Anchals of the GEL Church can not be totally free from all responsibilities for the KSS meetings and secondly I beg to remind you of my letter dated January 14th in which I dealt with the same matter after your proposal to use the surplus of Chainpur High School. I am awaiting another letter from you regarding this item.

With kind regards,

sincerely yours,

Gossner Mission,1 Berlin 41  
Handjerystr 19/20  
West Germany.

Dear Sir,

I take the privilege at this time to place before you a few items of the GEL Church Expenditure which in my opinion need consideration and reimbursement on your favourable discretion. Dr. CKP Singh the Acting Pramukh Adhyaksh, happens to be now in Germany who may be consulted for information and needful action.

1. At the time of purchasing jeep now owned by Miss Ilse Martin, Pakarma, the church had to pay more money than was received from Gossner Mission. The excess amount of payment was Rs. 3133.01. The increased cost was due to extra body building and other remodelling works. The church should get this money back.
2. The conveyance expenses of German guests, not of 25 guests who came earlier, came up to Rs. 1970.88 only. This could not be recovered by the amount of Rs. 1120.00 only, which has been received as donation from themselves. The church is entitled to get a sum of Rs. 850.88 accordingly.
3. Also there is the expenses of Adhyaksh Council meetings, a total of Rs. 10064.25 out of which Rs. 6500.00 had been donated by G.M. The remaining amount of Rs. 3564.35 is to be obtained from somewhere.
4. Then again there is court expenses which up to date adds up to Rs. 2895.80 only. May be it will grow more. This out of budget expenses may please be considered to be paid by Gossner Mission.
5. Lastly, held in the year 1974 were three full and two KSS executive meetings which put the church with an expenditure of an amount of Rs. 6766.00 only. According to the agreement of Nov. 1973 there should have no KSS meetings as it (KSS) had been dissolved by then. Instead of minimising the church has increased the expenses, no fault of any body. The church has no mouth to request for this amount. It would be very kind of you Gossner Mission if half of this amount is granted from Gossner Mission.

To sum up the items;-

1. Rs. 3133.01	✓
2. Rs. 850.88	✓
3. Rs. 3564.35	✓
4. Rs. 2895.80	✓
5. Rs. 3383.00	✓

10444.04

Total Rs. 13827.04 = DM 4320; -approximately.

The above expenses if there is any possibility may please be given to Gossner Church from Gossner Mission Fund.

Dear Director I know I have <sup>no</sup> authority to comment or to request about the above expenses. But I also know that there is nobody ~~also~~ who could point out and hence I took this liberty to write you direct.

<sup>what</sup> Apart from I have requested, I feel necessary to remind you regarding GEL Church deficit of the period before Nov. 1973. There is no body but you who can be requested rather prayed for it. We had a vision of a newness in the church by implementing a fresh constitution in the church which has not yet been done till to-day, but all will smash if this mere important thing is not rectified.

With Christian greetings,

Gossner  
Mission

Yours sincerely,

Re.: Hostel Chakrahardpur

Dear brother Singh,

due to the good relationship to Pastor Borutta Chakrahardpur constructed with foreign money a hostel. A special amount collected by Pastor Borutta was transferred from Berlin to Ranchi in April of this year. It was an amount of about Rps 50.000,---. The Kuratorium decided that the remaining amount - if not too high - should be met by Gossner Mission out of the item "unforeseen" in the budget.

The originally estimated sum for construction of the hostel amounted to Rps 65.000,---. Can you please cheque whether the construction was finalized and how high the total costs were.

Re.: Highschool Chainpur

Dear brother Singh,

some time ago I got a letter from Mr. C.A. Tirkey, Chainpur, requesting me to advise the GEL Church to pay a sum of Rps 20.000,-- from the surplus on the Chainpur building accounts. I do not know how to answer, after I wrote on January 14th to you in this matter. Mr. Tirkey is also a member of the KSS and so he had probably recommended to use the surplus for GEL Church matters and not for the High School in Chainpur. Can you please clarify this matter?

Yours sincerely,

Dear brother Singh,

brother Seeberg now is on visiting tour in Zambia and I therefore kindly ask you on his behalf to settle the following matter:

On February 3rd brother Seeberg announced the transfer of DM 32.000,-- from which amount Rps 34.000,-- were meant for special purposes. The remaining amount was meant for urgent expenditures. Please be kind enough to pay from this amount Rps 8.000,-- to the account of the work in the Surguja mission field for covering the 1974 deficit.

Ranelin

8.11.74

Dear Mr Stieglitz

Thanks you for your kind letter sent through the lady Pastor of your Parish. The days here passed away so quickly that we had little time left to write to you. Yesterday we wanted to write to you but due to some misfortune we could not and therefore I am writing this letter at Ranelin airport before the friends depart from here. The plane is late and therefore I take this chance to write.

The tourish group enjoyed the stay here. Except for one member all had the chance to visit as many places as they could. In future such a trip should be better organised and more useful programmes can

he arranged for the same. We feel that consultations must be made with the Gossner Church men in these small matters. It is good that interest for mission can be promoted in this way also and so better programmes be chalked out for the groups in future.

You have asked me to inform you about the works in the mission fields. The Udaipur field is progressing day by day. We have promoted Pastor Sunil Tilay as the Superintendent of Udaipur field and Rev. D.D. Toppe is transferred to Surguja field. Surguja has made a tremendous progress, we have a new field supervisor Rev. Obed Toppe, a good missionary Pastor. We have

good results in Surguja after  
Rev. O. Toppo joined the field.  
We have about one thousand  
new converts in a year in  
Surguja field. As you know  
the field is so extensive that  
it needs much care and planning  
to build it up. We have more  
than 65 preachers in the field  
and six Pastors. There are  
about half a dozen honorary  
preachers to lead and  
guide the new converts in  
new places. These are not  
included in the budget for  
1974. But when there is a call  
and people are responding to  
the message of Jesus Christ,  
we must help them as much  
as we can.

There is draught in Chotanagpur  
area and this has affected the  
giving of our people. There is  
a deficit of Rs 11,000. <sup>50</sup> (Rupees  
eleven thousand) in the Surguja  
budget. This amount had to be  
raised in the local Church  
but we are sorry that we can  
not do so. Is there any way out  
to help Surguja at this time.

The Northwest Anchor is raising  
Rs 3,000 <sup>50</sup> (three thousand) out of  
this amount but we don't know  
how we can find the remaining

Rs 8,000. <sup>50</sup> (Eight thousand). Kindly  
see if something can be done for  
Surguja for 1974 - Nov + Dec.

We all do well here and hope  
you all do the same. Yisusahay  
to you and your family and Parishioners.

Sincerely yours  
Rev. Dr. N. Minz

Ranchi Dated 10th Feb. 75.

The Mission Director  
Pastor M. Seeberg  
1 Berlin 41, Germany.

Please excuse me that after a long silence I am writing this letter. I was very much busy with the guests in making programme and complying with programme. Meanwhile almost all guests from Germany arrived here. As they were either before or after scheduled time it was very difficult for me to adjust for them, vehicles, accommodations and also details of programmes. Some of the guests have already left the area of our church. Pastor Borutta with his wife is to stay in our area till 1st of March. Two guests from GDR are also here, they will be here till 13th of Feb. 75. We have given them the sum which has been transferred to our account.

We are expecting some more guests from LWF and other concerned, thus it seems that we shall be fully occupied with the guests till March '75.

Meanwhile the new constitution has been printed and circulated to the concerned. Some copies have been despatched also to the Gossner Mission. Although it is only for this formation, many comments and suggestions are likely to come, we are hearing certain verbal comments, thus it will be a question for the KSS whether it will be in a position to adopt this New Constitution without additions and subtraction. As decided by the KSS, we shall have our meeting by 16th of April and take the necessary action. The matter seems to be still open for its implementation.

Accordingly I am still not quite clear to say whether I shall be coming to attend the Kuratoriums meeting in May. But as I see the conversation with the guests specially with the Kuratorium members, it seems needful that I should attend the meeting. I therefore request you to kindly send an invitation as in last years to get necessary travel documents and also the PTA Ranchi-New Delhi-Berlin and back. You know the form of invitation with regular stamp/seal of the Gossner Mission. The date may be given from 20th April till 20th June '75. I hope that by 20th April ~~till 20th June may be given~~ ~~from~~ I can start from New Delhi and may stay for some weeks though not exactly up to 20th June. Therefore please do the needful. If you propose otherwise please let me know.

As I am very much busy with the guests I am hardly getting time to prepare yearly budget, but I hope by the end of this month I can send some to you.

We are doing well and wish the same for you all.  
Thanking you,

Re.: Different subsidies from Gossner Mission

Dear brother Singh,

together with the subsidy for BEL we transferred further money totally amounting to DM 32.000,--. Therefrom DM 12.000,-- are meant for the following different purposes:

Rps 12.000,--	stipends BD students in 1975,
" 3.000,--	library theological college (to be paid to Rev. Hecker),
" 18.000,--	special help for GEL Church Calcutta, construction of the chapel at Barrackpore,
" 1.000,--	jubilee gift to GEL Church Burju.

The still remaining amount is meant for urgent expenditures of the KSS centre Ranchi.

Dear brother Singh, I am glad of being able to transmit these additional amounts and hope you will agree to the designations. I remember telling you about my visit to the GEL Church congregation last year and about my promise made to the people there. Attached please find a letter to this congregation. If you completely disagree with my proposal of giving Rps 18.000,-- for the church building please don't mail the letter to the addressee. In such case we could discuss the matter on occasion of your visit to us in April. But if you agree to my proposal please mail the letter and transfer the money to them.

Yours sincerely,

Dear friends,

I received your letter dated December 17th 1974 and I was gladly reminded of my visit to your congregation in March 1974. Of course, I remember my promise to help the congregation in constructing a chapel at Barrackpore. As the congregation now fulfilled the condition of raising 25 % of the costs I ordered on behalf of Gossner Mission transfer of Rps 18.000,-- to the GEL Church Ranchi in favor of the GEL Church Calcutta. May God bless the continuation of your work!

For the time being there is only very little hope to help you concerning the project of a pastors quarter.

Looking forward to receive in summer the good news of completion of your chapel, I am,

Sub : Construction of a Chapel at Barrackpore,  
near Calcutta.

Dear Sir,

In connection with the construction of a Chapel at Barrackpore I may kindly be permitted to place before you our grievances and to say ;

1. That during your last visit to Calcutta you were apprised with about the construction of a Chapel at Barrackpore at the cost of Rs. 25,000/- , a plan for which was subsequently handed over to you. During our talk, with a very high hope, we approached you for financial help and you very kindly promised your help (from the friends in Germany) to the tune of 75% of the total cost provided we locally raised a sum equivalent to 25% of the cost. With this hope and belief we have stepped forward and raised a considerable amount of money. We have already started the construction job and the work has been completed upto PLINTH LEVEL of the building. We would have continued the job of construction but owing to financial paucity we have not been able to go ahead any further.
2. That we have no house or flat to accomodate our Pastor and have been so long keeping him in rented house. In this connection we have suffered a ~~loft~~ in the past and we had to move one from one place to another. During your talk with Dr. M. Bage you were also told that we could at best utilise the same plot at Barrackpore for accomodating our Pastor by constructing a flat above the Chapel itself. As such a new plan has been prepared which would be the Church-cum-Pastor's Qr. (Plan enclosed for your perusal). According to the latest estimates the new building would cost Rs.37,000/- (Rupees thirty seven thousand only).
3. That you are quite aware regarding the financial capabilities of the local Church members who on their own can not complete the Chapel. As such I, on behalf of the Parish Committee, request your good offices to help us your might in constructing the Chapel at Barrackpore which would be the worshipping place of G.E.L. Church for all times to come.

May God bless us.

Thanking you,

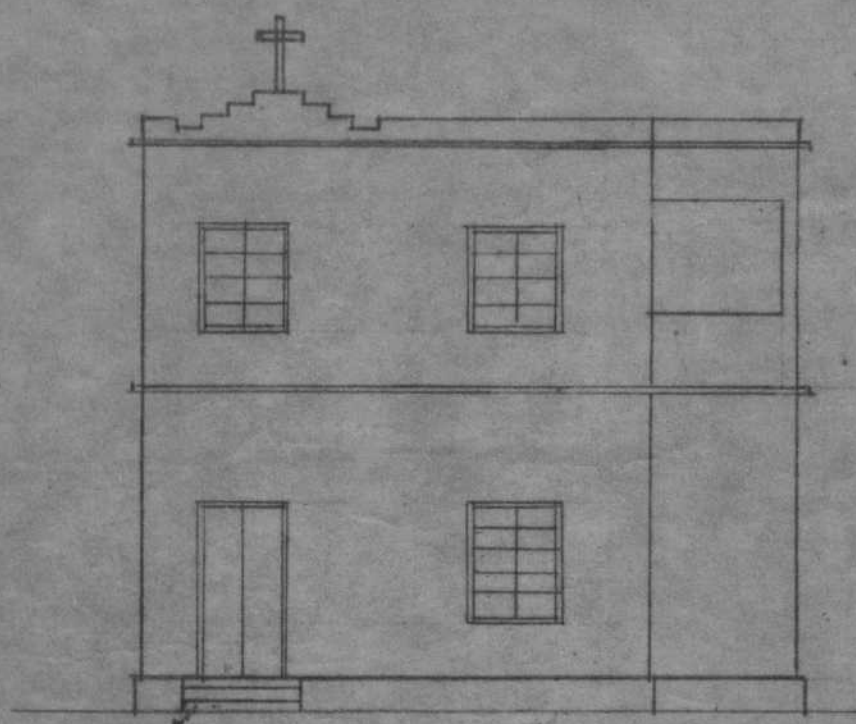

Yours faithfully,

Dear Sir,

On behalf of Burju Ilaka I beg to extend a hearty invitation for the occasion of the Centenary Jubilee in commemoration of Church Building of Burju (St. Peter's Burg), which has been proposed to be observed on the 11th February 1975.

In this connection I beg to mention that Burju Station and its Church Building is one of the first early three Stations, namely Burju, Govindpur and Lohardaga. Burju station has been founded by Rev. Jillinghouse and Rev. Kamphhenkel in 1868-70. Its church building has been constructed by Rev. W. Kroecker in 1872-73 and has been consecrated on 11.10.1874, its Tower has been constructed by Rev. Pussing in 1897. It is worth mentioning that expenses for the foundation of the station, and its church has been borne by one friend of Father Gossner who was staying at St. Peter Burg (Petrograd).

The Ilaka remembers the following missionaries and their relatives who laboured hard here in this area. Namely  
(1) Rev. Jillinghouse, (2) Rev. Kamphhenkel, (3) Rev. W. Kroecker,  
(4) Rev. Didlauckies, (5) Rev. Dr. A. Nottrot, (6) Rev. Brusky,  
(7) Rev. Pussing, (8) Rev. Wagner, (9) Rev. Miller, (10) Rev. Buoy,  
(11) Rev. Busky and (12) Rev. Smidth.

It is our humble request if possible kindly make arrangement to inform ~~xxx~~ members from the family who financed in founding the station and the church here.

With love and best wishes.

Dear Director,

Thank you very much for pointing out mistakes in Budget 1976 of Gossner ELC. We are really sorry to send the Budget without checking it twice. We humbly apologize. Kindly correct mistakes in this manner:-

Part IV A item No. (1) Income shown against Rev. Hecker & Mrs Hecker amounting each at the rate of Rs. 3600.00 both be deleted.

And instead of Rs. 7200.00 shown in the total be written Rs. 9336.00. Deficit should remain the same as Rs. 27000.00

This being rectified there will be no other mistakes except at the end, page 4, Gossner Mission share will be Rs. 49176.00 only.

The request of an amount of Rs. 49176.00 for theological Education from Gossner Mission includes the Jubilee money and stipend for B.D. Students at Serampore College. This is as follows:-

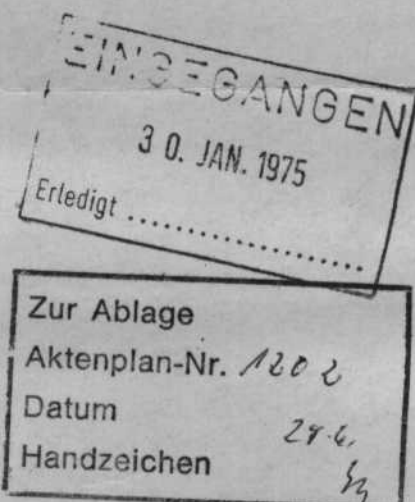

1. Jubilee money	-	Rs. 25000.00

Re.: Budget 1975

Dear brother Singh,

I have the pleasure to announce the transfer of the first instalment of Gossner Mission's contribution for the BEL budget 1975. We already ordered the transfer of DM 25.000,-- i.e. approximately Rps 75.000,-- these days. Though we are also short of funds in the early weeks of the year we had in mind the difficulties of BEL concerning payments without having available the amounts re to the new budget.

T In one of your last letters (December 10th) you mentioned that the KSS required Gossner Mission to kindly allow the total amount of Chainpur of Rps 50.000,-- . I have no objection if I would know what important item was meant by this request. Probably it is meant for the regular expenditures of the GEL Church i.e. for salaries, offices and meeting expenditures in the central Church Government. You may remember that we already have given for these purposes a certain amount in 1974. If the KSS wants to continue this method in 1975 also I want to ask the KSS what timetable there is for normalizing the financial situation of the centre. The KSS knows well enough that LWF stopped the contribution of this part to your annual budget, and it is not wise to expect Gossner Mission to pay the deficit instead of the missing LWF contribution. But again: It is up to the KSS to spend this Chainpur fund for the expenditures of the central office but it is impossible for Gossner Mission to create a separate fund for Chainpur, and as a matter of fact as soon as this fund is spent it is a loss for Chainpur.

Yours sincerely,

Sg

Dear brother Singh,

we transferred in favor of your account Rps 3.934,50 for settlement of the bill regarding hired busses etc.

As the experiences of the 1974 tourists were so wonderful and as there are other friends of Gossner Mission who also want to meet the GEL Church we plan to arrange a new tour from October 25th to November 13th 1975. Enclosed please find a draft programme. Referring to your experiences I beg to look through the draft programme and if there are any, please make corrections. A copy of the said programme too was sent with similar suggestions to sister Ilse Martin.

Yours sincerely,

Enclosure

Dear Sir,

with interest we received your letter dated May 5th concerning your difficulties with the GEL Church Press.

Unfortunately I am not in the position to deal with this matter as the Gossner Evangelical Lutheran Church is an autonomous and independent church since 1919 to which the GEL Church Press belongs and I therefore have to ask you to contact these authorities.

Rev. Pastor M. Seeberg,

We have advanced to your Mission's local press transacting in the name of G.E.L. Church Press by way of Cash Credit advance. One is hypothecation account against the security of Paper, Ink etc. This account to-day shows a debit balance of Rs. 28,638/88. The other is a pledge account against the security of Printed Pamphlets Ink etc. This account shows to-day a debit balance of Rs. 38,365/66. There two accounts are not operated properly and whenever we have called for adjusting both the accounts we are told that arrangements are made for the adjustment of the accounts. Mr. B. Khess, Superintendent, G.E.L. Church Press, Ranchi who has been looking after the affairs of the Press is no longer in the service of the Press. A new committee has taken charge. Mr. Abnezar Lakra, Secretary and Rev. Martin Tete, Financial Adviser are now authorised to operate the Bank accounts. We have met these two office bearers a number of times for adjusting the account, but they have completely ignored our requests and have been showing much in differences. Having been disgusted with the behaviour of your missions Press authorities we have approached personally the Pramukh Adhyaksh, G.E.L. Church, Ranchi and have narrated the story

and the behaviour meted out to us on every occasion, we have written letters to him as well. We have received a letter ~~reply~~ from him in reply and we enclose a copy of the same for your information.

We wish to add in this connection that there is no transaction in both Hypothecation and Pledge accounts since more than a year and we understand that the Press is dealing now with Bank of India, Club Side Branch, Ranchi. It is really deplorable to note that a religious organisation like yours should behave in this manner with a Banker. Having exhausted over patience we are writing this letter to you with the hope that you will take action and see that the accounts are adjusted. We trust you will take personal interest in the matter and see the accounts are adjusted.

Dear Sir,

With due respect and humble submission, I have to say that the boilder of the typograph machine is out of order for quite long time. I tried to get it replaced from printing machine suppliers in Bangalore and Calcutta, but I am disappointed. Day before yesterday Mr. Jarnaes, Secretary, Agriculture Section CDS/LWF visited the Press and asked me to enquire from west Germany. I am hopeful that you would be kind enough to help us in this regard. We also are in need of Rollers for Hydelberg Machines.

I would be sending details of the spare parts we need after hearing form you about the possibility of getting the same.

Dear Mr. Barla,

The total amount allocated by the donor agency has been transferred to the above mentioned project in two instalments in August 1974 and July 1975. We trust that in the meantime the originally planned land reclamation project has been carried through and that it would be possible to report on the work. We would be very appreciative if you could let us have a final descriptive report which should give details like how many farmers could profite from the grant and what they have done. What immediate effect does this project have on the daily live of the people in the villages? What is your personal opinion on the whole program? What experience (positive and/or negative) were made?

At the same time, we should like to have your all covering final accounting. Please find enclosed herewith our printed forms to facilitate the reporting to us.

We would be most grateful to you to receiving word from you. We and the donor agency are looking forward very much to hearing from you in the near future. Many thanks in advance for your cooperation.

Sehr geehrter Seeberg,

24.6.75

Es ist über ein Jahr vorbei, daß ich den Dienst von Augsburg aufgeben mußte. Seit dem habe ich keine Verbindung briefliche oder persönliche mit Ihnen gehabt. Das ist vielleicht nicht die richtige Sache, obwohl ich ~~keine~~ Fehler gemacht. Die Bürde der große Summe ist schwer, und die Ausgaben von meiner Deutschlandaufenthalt mit Aufgaben für die Kirche machen es noch schwerer. Ende letztes Jahres, hätte ich dem Hospital Augsburg über 6.000,00 B. Zürich zahlen müssen, aber Sie wissen es vielleicht schon, daß ich noch nicht tun konnte. Ich hätte doch vielleicht etwas Zürich zahlen können, aber meine längere Krankheit am Anfang des Jahres machte mich zu schwach etwas tun zu können. Das Hospital und Sie haben natürlich keine Interesse daran, was ~~me~~ mich persönlich gericht. Ihre und auch meine Interesse ist, daß die fehlende Summe so schnell wie möglich Zürich kommt. Ich habe alles zu tun, doch ist es nicht leicht, obwohl es damals leichter aussah. Sie können es gut verstehen, daß es ~~nicht~~ <sup>nicht</sup> macht mich und Sie ruhiglos bis es wieder alles <sup>nicht</sup> gut gemacht ist. Eine bitte zurück im Dienst ist vielleicht eine Vertrauensfrage, und die Verwaltung wird es nicht akzeptieren, aber ich glaube es sehr, daß Sie auch unter viel Zorn, die Rat von <sup>ein</sup> Ausweg aus dieser schweren Lage geben können, obwohl meine schriftliche Erklärung macht es alles anders. Vielleicht darf ich Sie um ein kurzes Schrift bitten.

Revered Sir,

I am the Treasurer of the GEL Church, Andaman & Nicobar Islands.

The GEL church here needs your special attention as it consists of poor, uncouth rustics evincing keen interest in GEL church activities.

We are struggling hard to establish a decent home for GEL church so as to enable ourselves to march in the right direction. We are in need of your blessings.

Mr. AbduB Sathar, Advocate, Phoenix Bay, Haddo P.O., Andamans, has been charged with the task of looking after the legal side of the matters concerning GEL Church in Andaman & Nicobar Islands. He has a sewing machine PFAFF Typ 80 of German origin. The electric bulb used therein is Lampe 15W, Masch. Nr.7428994. Unfortunately the said bulb, belt and other accessories being spare parts including tools kit are not available in India.

I would, therefore, on behalf of the GEL Church, Andaman and Nicobar Islands, request you, sir, to send our Advocate a gift parcel consisting of the aforesaid materials as a friendly gesture from our side.

Thanking you,

Yours respectfully,

Dear Brother Minz,

you mentioned in one of your last letters that you are going to attend the meeting in Geneva in June 1976. Maybe, this occasion is a good opportunity to meet and to talk about the situation in the GEL Church, if you want. I am not available on June 11th, 12th, 13th, 18th, 20th and from 26th to the end of this month. I hope to hear from you, good greetings,

Dear M. Seeborg and all at home  
my hearty Jesusahay to you all  
I am well and hope you all are in good health.  
we hope that our German friends and dear  
guests reached Germany safely.

It was our great joy to meet and talk with them.  
but I am very sorry to say that we could not  
get enough time to talk, so much so that I could  
not take a cup of tea with Mrs. Seeborg. In the  
meena bazar I hardly met her once only; you know  
I had to look after the bazar I was very busy  
and tired out. She must excuse me, I could not  
get time to say my room even.  
After such hard work I would like to tell the result  
of our meena bazar the Total income was Rs. 1224.61 <sup>up</sup>  
the sum was handed over to Dr. P. K. Singh.

We are glad and very very thank full to our  
German guests they bought many things from us.  
Mrs. Heaker was helping me and working hard.  
Your Mrs must have told you something about  
Ranchi and the places they visited.  
Before their visit I was ill for more than 6 weeks  
so I was very weak yet had to work hard.

at the same time I must not forget to  
tell you that Mrs. Parakalata Minz was working  
against me but God is with me and He is my  
guide and help.

I am waiting for a letter from Nepal and may  
I wait one from you too.

May God be with us and be our help and guide  
please do pray for us as we do for you daily.

Yours in His Love

Dear brother Tirkey,

threetimes you wrote to me regarding the surplus money for the Chainpur schoolbuilding (April 5th 1975, July 21st 1975 and again now on October 6th 1975).

Before you started this ~~remember~~ I already had correspondence with the Pramukh Adhyaksh, because he wrote to me on December 10th 1974 (No. 545/74/KSS-78) as follows:

"The KSS has required the Gossner Mission to kindly allow the total amount of Chainpur account a/s Rps 50.000,-- and to kindly arrange a seperate amount for Chainpur. The financial position of the Church is still in dilemma ....."

On January 14th 1975 I answered to the Acting Pramukh Adhyaksh as follows:

"In one of your last letters (December 10th) you mentioned that the KSS required Gossner Mission to kindly allow the total amount of Chainpur of Rps 50.000,--. I have no objection if I would know what important item was meant by this request. Probably it is meant for the regular expenditures of the GEL Church i.e. for salaries, offices and meeting expenditures in the central Church Government. You may remember that we already have given for these purposes a certain amount in 1974. If the KSS wants to continue this method in 1975 also I want to ask the KSS what timetable there is for normalizing the financial situation of the centre. The KSS knows well enough that LWF stopped the contribution of this part to your annual budget, and it is not wise to expect Gossner Mission to pay the deficit instead of the missing LWF contribution. But again: It is up to the KSS to spend this Chainpur fund for the expenditures of the central office but it is impossible for Gossner Mission to create a seperate fund for Chainpur, and as a matter of fact as soon as this fund is spent it is a loss for Chainpur".

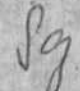

Thereafter I received your first letter and again I wrote in this matter to the Acting Pramukh Adhyaksh on June 19th - you received a copy - asking him to clarify this matter.

This still is the to-day's situation. As I am not the financial dictator of the Church I can not deal with this matter before having received the clarification. May I advise you to investigate in Ranchi whether the KSS decided anything about since December 1974 or not. I myself can not interfere in this internal matter but if I would be in the position to express my opinion I would like to decide like Salomo i.e. to give Rps 20.000,-- out of the surplus to the Chainpur High School and the remaining amount for central expenditures of the KSS.

I hope that everybody concerned is willing to finalize this long pending matter and that you need not to write anymore angry letters to me but only friendly ones.

Yours sincerely,

  
Martin Seeberg

Dear Pastor Seiberg

Mrs. Turkey wrote me that all of them would be in Germany for the Easter holidays. I hope they will be enjoying the trip making new friends personally and for the Church.

I am very grateful that the money for the bell has at least been credited in our account early this year. I have placed order for the bell and hope to get it in two months.

What about Chaipur  
building money?  
Please ask Dr.

Singh to pay me  
the sum of Rs 20,000/-  
as I need ~~the~~ it  
very much. I have  
already spent something  
for correcting the building  
and I have to do much  
more. Price of building

So I want to get

The prices of the materials

Re:- Money Chainpur School Building

Dear brother Seeberg,

I am really very much surprised to see the deplomatic way of reply to my letter to Dr. Singh. I have never made any commitment in the KSS about that Money. I am a Kss Member for the last 15 years and for 10 years I was an officer also and to my knowlwedge the KSS does not decide things as you think. Chainpur school is not outside Gossner church. I already told you in one of my letters that need of Chainpur School must be fulfilled. Mr. Hertel asked me to prepare an estimate to rectify some false constructions and defects that appeared within a year. I got the estimate prepared by the engineer and submitted it and so many times I am writing to you but I didnot get any reply. Now your reply is in such a way that you want to avoid me. In ordinary circumstance also no one will tolerate such things. I am not begging, this is a demand. I think you will not delay in asking Dr. Singh to release the amount asked for.

Thanking you,

Yours sincerely,

As I have already informed you, I have prepared to come to Germany during April-June, 1975. I have also informed my department here about this. And I am now preparing to meet you in Germany.

By the by, you might have received a letter from the Adhyaksh, Assam Anchal, inviting you and Mrs. Seeberg to attend the Diamond Jubilee of the G.E.L. Church, Assam Anchal which we are going to observe from 20th March/75 with two days programmes. It would really be a great opportunity for the brothers and sisters of the Gossner Lutheran Church of Assam Anchal to praise God for His many blessings and the wonderful works in your personal presence and fellowship on this auspicious occasion. Details of the programme have not yet been chalked out but we anxiously desire your participation from the very beginning. We have also invited Rev. Gohlke and Rev. Borutta to the Jubilee. We are quite unaware of the whereabouts of the family of Late Rev. Radsick whose valuable and selfless service which he rendered from 1909 to 1939/40 can never be forgotten by the people of Assam.

Dear Adhyaksh Horo,

I herewith acknowledge receipt of your kind letter dated January 14th. I was glad to learn from this letter that on March 20th and 21st 1975 the Assam Anchal of the GEL Church celebrates its 75th anniversary.

I was informed about this anniversary but not about the exact date of celebration. We will remember our friends of the Assam Anchal when celebrating their jubilee. We are sending our heartiest wishes and prayers to you, the Adhyaksh of this Anchal and to all congregations and all the people who will attend this celebration. May God bless and encourage them all to preach the gospel in your country bringing hope to many people.

I thank you very much for your invitation but to my regret I am not able to attend the celebration as I urgently have to visit our co-workers in Zambia/Africa in March.

I hope Pastor Borutta will convey the greetings and blessings from the Kuratorium (Board of supervisors) of Gossner Mission and of the Gossner Mission directorate.

Mrs. Seeberg too thanks very much for the invitation but she as well as I is not in the position to come to Assam.
