Dear Sir,

Your letter dated 30. 10. 28 is to hand and its contents noted. As regards the final examinations of the Primary Schools I don't think it is too late to arrange for the question paper. The M. E. & E. T. Staff are quite willing to undertake its management provided the printing expenses etc. are given. Today we had a teachers' meeting about that and some resolutions are passed and a copy of which is sent to you for consideration and opinion.

Just today I wrote to several pastors asking the names of boys and their fees. - at

As regards the question papers the Staff Committee think that it is impossible to manage the examination without printed questions papers when there are about 125 boys coming from different Schools. We therefore request you to give complete charge of the examination of this Ilaka Primary Schools in respect of setting and printing questions and collecting of fees.

Sir,

I beg to inform you that I enquired about Samuel Kerketta Bangra who taken into our E.T. School and found was told that he was absent from home in Ranchi to buy some goods as he is busy in trade and possibly, would ^{not} accept this post on temporary terms. Under such circumstances I propose that Pt. P. Kerketta be shown in the E.T. Staff though actually he is working in M.E. School. Now it is only a fortnight when the Training Class will be held and that after 19th inst when the Final examination will begin there will be no class. That Pt. S. Singh ^{alone} is ^{chiefly} teaching specially those subjects which are left unfinished. Now the pupils have to mostly to learn and revise their lessons by themselves as the exam. is fast approaching. Babu A. K. ^{being} ~~has been~~ ill since Saturday last, the M.E. School teachers who during leisure could take some classes, can not help E.T. School. Pt. P. Kerketta can not be spared just at present.

as he has to take some important subjects in the one final class. I don't think there is any harm if we show in the ~~front bill~~ one teacher less in the one staff in the one front bill. Please let me know your opinion on this.

Pl. E. and is not seen in ~~his house~~ ^{the Station} at present. Shall I give him his pay of September?

Panchi, 11.1.1926.

Dear Sir,

The Church Council found that there are some candidates for whom the congregations have been unable to give work. Therefore the Council instructed, at its December meeting, that the Head Supervisor be requested to be good enough to give them work in his schools. I am sending this request direct to you and am supplying a copy of this to the Secretary of the Advisory Board.

These are the candidates :

1. Laurentius Lakra. I cannot say whether he has already been appointed at the Gumla school.
2. Nathaniel Mundu. Once before the Council had desired that he be appointed at the Govindpur School in place of Candidate Johan Bhengra who is quite unable to teach music. If this change is made then please appoint Johan Bhengra in some other school.
3. Suleman Bago.
4. Samuel Tirki.
5. Taraprasann Khalkho.

Thanking you,

Yours sincerely,

My dear Annaday,

That foul fiend Malaria has robbed me of the joy of writing my usual Christmas letters this year, but let me wish Mrs Annaday and yourself a happy new year, full of blithe endeavour and rich achievement. I cannot say how much I prize your friendship and fellowship. In birth and upbringing we have little in common and I suppose on some matters we will differ to the end of time; but in the inner citadel of the spirit - in the sanctities and essential purposes of life - I feel we are not far apart and I bless the kindly Providence that drew us together. I look forward to a continuance of this happy comradeship in 1926. It is imperative now for me to shed some of my outside activities - the danger signals cannot be ignored - but I hope to continue the A. B. work till the new settlement comes into operation. I must however, give up the Secretaryship of the B. & D. C. C. and I am anxiously looking round for a successor. Can you suggest a likely man?

I hope you have survived P^r Prach and the Mahasabha and seen Mr. Stosch safely off the premises. Was the Ganges Pilgrimage a success?

We are having difficulty in fixing the Annual Meeting of the Christian Council. Govt. has not yet replied about the Staff Quarters. Wilkins writes that a meeting in Cuttack is impossible as practically all the missionaries are going on furlough. All I can think of is Ranchi in the last week of February, and we must abandon the idea of a meeting of the Christian Union.

We have arranged the following programme for P^r Stanley Jones:-

Jan 4 - 7 Bhagalpur

8 - 13 Gaya and Monghyr

14 - 17 Patna.

Please remember these meetings in prayer.

My news of W.P.?

With kindest regards

Yours affectionately

Dear Reverend Sir,

Our most venerable and respectable Sir gyotridra
Nath Jagore now is in heaven. Last 22nd Baisak April 1925
he left this world. His established Brahma mandir on
the Morabadi Hills is known to all the people of East and
West. He established this hermitage and mandir according
to the idea of our ancient Rishis.

On account of his sudden death he could not
fulfil some of his most heartily plan. He intended to
establish charitable medical mission to supply diet
and medicine to the hill tribes. Although it was begin
with a small scale but on account funds it is difficult
to maintain it. To give Primary Education to them and
trained them morally; he was very foremost; but he
could not do it formally.

So we intend to make an appeal the Indian
Princes, Rajas and Maharajas and the Charitable Riches
of the British Kingdom.

We especially ask the favour of European,
American and Asiatic religious societies and churches.
We know that American mission societies very liberally
assist on these purpose; so we come to you and ask
your favour.

Now I take the liberty to enclose here with
the short programme of our works viz: -

1. We teach liberally and systematically the
Scriptures of every religious societies. (a) The Holy Bible
of the Christians. (b) The Koran of the Islamians.

(c) The vedas, Vedantas, Upanisads, Bhagabatgita, Lalit Bistar
Tripitakas &c of Hindu and Bauddha Societies; and The philosophies
of East and West. Late J. N. Tagore's stone Tablets which ~~is~~ is
attached, to his Ashram's gate, shows that all the people of all
religious sects have right to pray in accordance their own
method. Every day many men come to see this place and
very much pleased to its high ideal.

2. All the people may have to get medicines & diet.
3. Every men will get free education.
4. To teach prisoners of the jail.
5. To pray (to the Almighty God) without ceasing.

yours sincerely
