Published by authority of the Government of India under the Surveyor General.

Direction of Major-General H.L. Thunellier C.S.I. F.R.S., Surveyor General of India, Office, Calcutta, November 1877.

Note: All Longitudes require a correction of -1' 30" to reduce them to the origin of the Great Trigonometrical Survey, viz. the Madras Observatory taken as 80° 12' 21" and a further correction of -3' 15" to reduce them to the latest value 80° 10' 45" of that Observatory.

Engraved under the Superintendence of the Surveyor General. Price Twelve Annas.
