Ref. No. TS/889/66.

Director,
CORASS,

NEW DELHI -14.

Dear Sir,

The "Bihar S.C.M. Work Camp, at Lutheran High School Lehardaga from the 24th - 30th June '66" has been very successful. The school has been growing slowly assisted by various ways and means. The school has been established from the year 1946, but the building's wall is standing and the ~~groundwater~~ roof is needed today.

I on behalf of the Movement of Bihar wanted to hold the work camp and moreover, I asked the CORASS for its economical help. I got reply from the Calcutta-Office on its half way assurance.

However, I asked the Headmaster of the School to get and use the CORASS' stuffs. I do not know what will be the reaction to the department. I have enclosed the report and statement on the CORASS' feeding programme. The account of the work project and actually met expenses have been also enclosed for the needful consideration.

Some of the snaps of the work camp will be sent to CORASS soon and per a separate registered letter. You will find few copies of them along with the other enclosures.

With all your kind regards,

Yours truly,

K. Minj,

Travelling Secretary,
S.C.M. of India for Bihar.

STUDENT CHRISTIAN MOVEMENT OF INDIA

BIHAR PROVINCE

PROVINCIAL LEADERSHIP CON FERNCE , JAMSHEDPUR, 15th -19th Oct. '65.

WORKING PAPER

"OUR RESPONSIBILITY AS A UNIVERSITY MOVEMENT".

We believe that it is inadequate to be a university Movement simply by the accident of our members being drawn from staff and students from the University. From this point of view it is enough to draw from these people, occasionally from the University, for Christian exercises, like Bible study, Worship, Retreats, Revival meetings, etc. This view also ignores one place of the University in the purpose of God. Increasingly we have been led to believe that the SCM ought to be not so much a ministry to the University as a Ministry in the University. That is not something that a groups of Christians from outside to the University, as though they were not part of the University but something that Christians do in the University as part of their Christian discipleship and their responsibility as students of their university. If then ~~we~~ believe belief that men must meet and serve God in the place where they work is a sound Biblical ~~teaching~~ teaching, how does this affect our works as the SCM? Has the Gospel anything to say to the process of ~~the~~ education to the intellectual concerns of the University and the pursuit of the truth? Again, what has the Gospel to say regarding the relationship between the University and Society.

Christians in a college be a real fellowship while being fully a part of the college family:

Should Christians operate as separate group within the University or should they witness through full participation in all the extra-curricular activities of the University? What have we to say to the question of staff-student relationship in general? SCM members share intimately the problems, joys and disciplines of the rest of their fellow students. THEN what should be the relationship between Christian and non-Christian students?

The life of a college, and particularly of the university, is often a little world on its own, partly reflecting and partly shaping the life of the world outside. It is in the life of the SCM that we can share in moulding the personalities of our students. Is SCM successful in this venture? Will mounting academic studies permit us to learn and to know more about Christian faith? Do you find Bible the most essential thing in our studies?

Bearing in mind that the SCM is an Arm of the Church that its special field of Evangelism is the University, please make your suggestions on the following:

- a) Do you think that we have done enough clear thinking on Christian insights into the whole range of problems in the Indian University scene to be ready to take the next step?
- b) Do you think that the thinking that has so far taken place at the National level at the various conferences and consultations has percolated down to the area and the local level? If not can you suggest ways and means by which this could be achieved?
- c) Does the doctrine of the humanities and the new emphasis on Science and technology affect the work of the SCM? Does it indicate a new approach?
- d) In terms of concrete action how can the SCM plan for Christian witness the university life of India?
- e) Discuss the possibilities of a Christian agricultural university in collaboration with theological educationists.
- f) Is the duty of the SCM to help Christian students to express their faith through Indian modes of art and culture? Is the SCM still very much a pale imitation of or an organization imported from the West?

OUR RESPONSIBILITY AS AN ECUMENICAL MOVEMENT

I- Church Memberships:

The S.C.M. at all levels is closely associated with the life of the Church. Jesus Christ was not merely a great teacher but the founder of the Christian Church. Therefore, the Movement holds that Christians must be full practising members of a particular Church. It is through responsible membership in a particular Church we seek the extension, the unity and the renewal of the Church throughout the world.

The S.C.M. is an international movement. It is also interdenominational. The Movement directs ~~the~~^{its} programmes in order to deepen the knowledge of the students of their own Church.

Church membership is a vital condition of S.C.M. membership. The Movement believes that it is an agent of the Church working among students, and therefore, it becomes incumbent on all members to adhere themselves to one of the branches of the Christian Church. The movement encourages its members to take part in life of the local congregation and also to work for the extension and the unity of the Churches.

Church and the SCM:

We have always claimed that the S.C.M. is an arm of the Church and not the Church or a substitute for it.

- a) What is the standing of the SCM in the local Churches? Are the members of the SCM loyal to their Churches and active in it? Is there any tendency to develop a SCM religious anywhere in the Movement?
- b) Would it help to have (special) Student Voluntary Fellowship in the local unions?

The Movement has been a training ground for many as a stepping stone to the higher calling of the ministry.

Are enough men and women going into the Ministry and other kinds of service in the Church? Is SCM helpful in finding their vocation?

II- Ecumenical Movement:

Within the SCM we have recognised a more than human fellowship across confessional boundaries to which we are to bound to witness as a fact, and as a gift of the Holy Spirit. At the same time we know that in the SCM we have received the gift of a common life in the Holy Spirit, which is far more than a pleasant feeling of fellowship with members of other churches and a deep bond of unity holds us together in spite of serious differences. This has been a strong strain in our history and heritage, and one in which perhaps we have seen the Grace of God most of all. However what is the ~~the~~^{the} ecumenical thrust of the Indian SCM today? Have we settled down to a sort of a pious non-denominationalism in preference to the greater demands of responsible inter-denominationalism? Has this been due to a lack of concern, or desire not to offend the Churches? We cannot honestly say that all students are unconcerned about it. The question of Christian unity was Triennial Conference in 1963. This has shown itself in the past one or two years in unions in the Church of South India area as elsewhere also. We must confess that the SCM has failed to give clear guidance and leadership here. Is there a role that we ought to be playing in the growth of the CSI in unity, and in the Church union negotiations going on in North India?

How can our membership in the WSCF and the WCC help to open our students to world trends and advances in ecumenism? Have joint programmes with Roman Catholic students been tried in many of our local unions?

Another aspect to our ecumenical concern is our anxiety for a truly ecumenical Christian ministry in the university. This demands that we examine closely the questions raised by the work among college students by bodies like the Union of Evangelical Students of India, the YWCA, denominational organizations. How do you like to co-operate with them?

Increasingly, a large number of students come from other countries to study in our country. As citizens of the host country and fellow students, we are responsible for their well being. We should be concerned as to how we fulfil our responsibilities.

II. NURTURE AND WITNESS:

Nurture: We have talked about giving special attention to Nurture for at least two years now. What has this meant in practice in the life and work of Unions? Has the programme of the SCM helped you to grow in the Christian Faith? What are the things you found most helpful? What other things would you like to see then?

Is there a strong cause for continuing in the whole Movement the practice of having one theme and scheme of study every year, was the last year's booklet: "Jesus Christ, the Reconciler" and the general programme suggested around this theme by the National SCM helpful?

Are there any other special occasions when student service should be arranged. If so, when and how?

Do you think if all or some of the following might be helpful:

- | | |
|--------------------------|---------------------------|
| Candle Light Service | Cottage Prayer Meeting |
| University Day of Prayer | Week of Witness |
| Retreat | Conferences |
| Covenant Fellowship | Graduated Reception Days |
| Dedication meetings | Terminal Meetings, ETC... |

Witness: What should be the witness of our content in the University Community?

- In the face of the modern Hindustan which is showing strong sign of new life.
- In relation to Communism
- " Indifference among students
- " Science and Technology
- In relation to Materialism.

Are the above, the ones we should take note of. We do make our Christian Witness?

Have you any suggestions in regard to the methods in Evangelism which might be effective among fellow students.

University Mission:

A list of University Mission under Witness for it is essentially that one specialized and effective form. The success of such a mission will depend on:

- right choice of missionaries men competent to deal with diverse students problems, conversant with the counselling teachers, and such as to command the trust and respect of students.
- due preparation - by the local union through prayer and by creating a spirit of expectancy, by the missionaries themselves through study of students problems and dedication of themselves to the task.

How can we help our Christian students to confront non-Christian with message of the Gospel?

Can we plan this year form of direct evangelistic effort aimed at the non-Christian students? If so, what are your suggestions?

Is there any possibility for effective evangelism through the printed word? e.g. leaflets, scripture portions, etc..

Can we plan for a religious or drama a film to be used as a means of evangelism in the University?

What is the place of revival meetings to present the real message of the Gospel to the nominal Christians? Do you have any suggestions for any plans that we should undertake?

Working Paper

"OUR RESPONSIBILITY AS A CHRISTIAN MOVEMENT"

I. SURVEY:

Some survey of the present work:

a) It is not enough merely to gather the facts about the work of our union, for we know that programmes can be whited sepulchres. An honest assessment of where the programmes are taking us is equally necessary. Many yardsticks might be used, e.g. the aims and basis which we have given ourselves in our constitution which are as follows:

1. To lead students to accept Jesus as Christ as their personal Lord and Saviour and to bring them into the membership of the Church.
2. To deepen the spiritual life of members and enable them to accept the Lordship of Christ over the whole of life.
3. To help members to commit themselves to the ministry of reconciliation as applicable to the total life of society.
4. To strive as members of a particular denominational tradition for the extension, unity and renewal of the Church throughout the whole world, placing emphasis on its special recognisability in the College and University.

The basis of the SCM is:

The Word of God as revealed in the Bible, affirmed by the Churches in their worship and creeds, and witnesses to us by the Holy Spirit.

Or else this assessment can be done in terms of the generally accepted Five-Point

Programme of the SCM which consists of:

1. Personal devotion: especially faithfulness in keeping the "Morning Watch".
2. Church Membership: in which must be included not only ~~personal~~ participation in the Church's ministry of world and sacrament, but also involvement in its life as manifested in the local congregation and the implications of the fact of ecumenism for it.
3. Study: which includes not only Bible study and such other things that are aimed at leading students to maturer understanding of the Gospel and its implication, not merely to personal life, but to the total life of the community and the nation, and not least of all, to that of the University.
4. Evangelism: with its many connotations from that of personal testimony and preaching to being in humble dialogue with men of other faiths.
5. Social action: which includes not merely social service projects, but all attempts to understand and respond to the social and political facts of the day from a Christian point of view.

b) Towards an understanding of our role:

Having a programme that has been established in the course of fifty and more years of work can be a good reason for a second look at it. If it is at all true, that the last fifty years have caused more changes in the world than the five hundred or five thousand years before it, then we need to give very deep thought indeed to the new Ministry that the new times are demanding of us. It is only natural that the SCM should have many sides. Four of these are mentioned ~~above~~ below. You will be able to think up others.

In the constitutional aims of the SCM of India the Christian purpose of the SCM perhaps come out most strongly. It is correct to say that these continue to be our chief concern, and these govern everything that we do. This means that the Movement exists to help the members of the University community that we believe God has wrought in Jesus Christ for all men, and to help them to witness to this transformed fact in all their life, whether in the University, or in the Church or in the Nation.

However, certain questions need to be considered:

Is SCM membership at present a cheap thing, something that costs nothing and make no demands on its members? Would it be better to have a definite doctrinal basis which all members should subscribe to? Will this help to ensure for Christian characteristics of the Movement? What else can be asked of students who understand the Movement of the SCM? Can we have any other requirement for membership?

What of our openness to those who profess other faiths? There are those of other faiths that we truly begin to examine and know our faith and what it is to be a Christian. On the other hand, is there the danger that we become so tolerant that we lose the distinctiveness of the faith we profess?

S.C.M. OFFICE,
NAYATOLI, RANCHI .

"OUR RESPONSIBILITY AS A CO-EDUCATIONAL MOVEMENT"

Work among college students was begun in India by the Y.M.C.A. and Y.W.C.A. AND CONTINUED for many years to be organised separately for men and women. In 1912 the Student Christian Association was formed to take over the work among men. However, in 1928, Student Work Advisory Committee composed of the representatives of the SCA, YMCA and YWCA was formed as it was felt that greater co-operation between these was desirable. In the same year, for the first time, men and women had their conferences in Poonamallee and had some joint sessions. In 1932, the General Committee of the SCA of India, Burma and Ceylon, and of the student YMCA passed a recommendation by an overwhelming students majority vote, for a scheme to bring into being a single organization for work among all students. In 1935, at the Women's Christian College, Madras, the Student Association and the Student YMCA decided to merge together, and to be known as the STUDENT CHRISTIAN MOVEMENT of India. Since then, both men and women students have been taking equal share in framing the policy and executing the programme of the Movement.

Though most people believed that it is right to have a single Christian organization for serving men and women in colleges, there have always been some who were unhappy about this. Some felt that this would lead to neglect of work among women students. Others reflecting the traditional pattern of strict segregation of men and women in the social life of the country, have had fears of mischief, misconduct and real harm to both men and women. They have felt that Indian boys and girls, being unused to freer mixing, talking meeting and working together that SCM programme made possible, would be in real difficulties about conducting themselves properly. It is true in many places and in some individual instances in all places, parents and guardians, have been reluctant and positively opposed to their children, whether boys and girls, joining the SCM because of its co-educational nature.

However the SCM has not felt convinced that the case has been strong enough for reversing the decision for a single organisation. It would be true to say that the mind of the SCM on this has been that it is right and proper that, at the University level at least, men and women ought to learn to meet and work together in projects of Christian and co-educational concern common to both. Taking note of the fact that, because of greater educational and rapid social change, men and women are being thrown together in steadily widening areas of life in the country the SCM is more than ever convinced one of the tasks and opportunities to help its members to get grounding in the Christian understanding of sex, marriage and family life and in the matter of the co-education of men and women in social and national life. The SCM is also aware that, owing to the breakdown of traditional family structures and authority, and owing to the impact of certain aspects of Western culture, Hollywood, modern romantic novels, films etc., young people are most bewildered in these whole areas. It is in this context that the SCM would still make a stand for a co-educational Movement in the hope that thereby it could serve young men and women by imparting to them Christian insights and standards educate for these changed times.

Leadership Conference - WORKING PAPER - Jamshedpur, 15th - 19th Oct. '65.
 "S.C.M. WITHIN THE NATION"

While it is beyond controversy that the most vital place where the SCM works is the local union, the implications of our union being part of a national fellowship needs to be examined and made more effective. There at least two points to be considered here:

- I. Is the all India character of the Movement merely geographical? If it is more than that how?
- II. The SCM as a national movement sharing the hopes and expectations of the nation of which we are a part. We realize that Christians and the Church should wholeheartedly co-operate in nation-building activities. This is important impossible without without a continuing concern for the study of and involvement in the socio-political currents in the country. Therefore, the SCM ought to be doing far more than it does at present to help students to take this responsibility seriously. By so doing we believe that the SCM would open the doors to an intelligent appreciation of politics, national as well as international.
 more particularly, we ought to develop a Christian concern for our neighbours. Clear definition of national goals, a passion for greater social and economic justice in under common humanity, transcending the divisive parochialism of every sort, a concern for high standards of public and professional behaviour are all necessary.

In India, where the state is the primary instrument of social revolution, the vast human problems involved in our disputes with countries like Ceylon, Pakistan, Burma, etc., and the demanding of national defence and social solidarity are matters which provide as exacting challenges to Christians as they are likely to be met with anywhere. How can the SCM help students to break their isolation, apathy and confusion?

SOME AREAS OF ACTION:

Please put down your comments and suggestions on the following:

I. Toward a Rural Bias:

- a) Is the original urge to social action maintained? If so, what are the motives and methods of work?
- b) Have we made our national pilot project in Pasmal sufficiently known in our Movement?
- c) What can we do to develop similar projects in other centres?
- d) Can we make R. Sq. a regular feature of our unions. If not, why not?

II. AT THE STATE LEVEL:

- i. To what extent can we join hands with governmental efforts like the community development project, social education, Bharat Seva Samaj, Sarvodaya, etc.. If you accept some and not others, say why? State the ~~difficulties~~ difficulties, if any.
- ii. How can the SCM promote the National and emotional integration of the country?
- iii. What can we do to remove social evils such as caste, dowry, nepotism, etc..?

III. At the Society Level:

- a) What can we do to help the Christian students to be intelligent and alert towards contemporary social and political problems?
- b) What is responsibility of the SCM towards the current problems within the university? What are these problems?

IV. Planning the next steps:

- a) What type of social service should we undertake next year? Is there any scope for a work camp? If so, suggest plans.
- b) What type of recreational activities should we plan next Year? (picnics, socials, excursions, etc.. Plan the Freshers' Social).
- c) Do you think the compulsory R.C.C. training is necessary in this regard? How far is it helpful?

V. Students and Agitations:

- i. Do you approve of student participation in organized agitations, political or otherwise?
- ii. How do we act as responsible Christian students in this matter?

VI. National Outlook:

- a) Has the SCM a well thought out programme of national activities?
- b) Do you observe Independence Day? Do you promote blood donation, feeding the poor, distribution of books to poor students, road and Church repairs, running library, reading room, hospital, prison and orphanage visits, etc..

VII. The Language Issue:

Taking a live current issue - the official language -

- i) How does this problem affect the student body? What are the crucial questions.
- ii) In relation to this issue what can the SCM do as an congregation? And what can the individual students do by themselves?

contd.....

VIII. On Leadership:

a) 1. What is your conception of leadership in general?

ii. How the SCM developed leadership?

iii. The SCM being a national organization, what forms of national leadership are open to it?

b) 1. How does leadership-follower relationship in the country? How

does it work in the SCM? and in the Local SCM unit?

ii. How can their Christian faith inspire the students to develop

leadership and service ideas?

iii. Discuss the various aspects of "Christ-the Leader."

Christian Society.

Then up with our Christ - studies - power, temptation,

It is the Challenge - not to mean to stopping things

To keep Christian we should be to

Looking on To Jesus.

S. Page

In looking up to Jesus, we can do so by praying to him. We lift up our thoughts to him. When Jesus comes in his glory, every eye will be turned towards him. We will be looking up to him waiting to be taken with him. In looking up we can also include our beholding of his creations like the sun, moon, stars etc. and give him praise. God manifests his existence through his creations & when we behold them we are in a way looking up to Jesus.

We can look into Jesus by examining ourselves and by comparing us with Jesus. By doing so we can find our faults & correct our shortcomings. We can better ourselves by looking in to Jesus. Looking in can include meditation & self discipline.

We can look out to Jesus by bearing witness to him. We can spread the Gospel and distribute pamphlets containing verses from the Bible. Looking out to Jesus can be to be waiting for his coming. This includes the spirit of readiness to be received by him. Looking out is an expectation to his coming which is not known. He might come any time. Hence looking out means to be vigilant.

Looking onto Jesus, up, in out.

Cross journey of our Lord Jesus Christ.

The Son of God, our Lord Jesus Christ
Came in the earth to save us. He
sacrifices himself to save our life.

We the followers of Christ should always
be ready to help others who are in trouble.

We should be kind hearted as our
Heavenly father is to us, not only for
the human being but for all the creatures
in the earth. Our Lord Jesus Christ
was the only Son of God, being
God's beloved son he did not
refuse to sacrifice his life for
the men. So all the people should
be as our Lord.

Acts. 1: 8. प्रभु मृतकों में से जी उठा और वह स्वर्ग पर चढ़ा गया कि हमारे लिये स्थान तैयार करें। इस से हमें यह विश्वास और आशा है कि हम भी जो अपने को मसीही कहते हैं एक दिन ऊपर उठाये जायेंगे। इस से हमें यह प्रेरणा मिलती है कि हम हमेशा तैयार रहें कि समय आने पर हम भी उस स्थान को छोड़ देंगे। जैसे प्रभु से ऊपर उठा लिये जाने पर हमारे लिये तैयार किया है।

Report No 4.

How can your S.C.M help its members to know. 1) scripture 2) doctrine through 3) mature in their thinking

Bible study for S.C.M students is essential and we should teach the students the ^{correct} method of teaching. We can make the students learn important passages by heart. Individual study is important. We can also teach students the scripture by showing them film strips, drama,

2) ~~The~~ Doctrine may be taught by easy stories called Parables.

3) We can mature by being regular in our bible study. We can also think & then discuss the point with others. This will make us more mature in our thinking.

SCM Within the nation - we are the citizens of the SCM. Christian students' society is very important. i.e. Oxford - university - John Travers - Program arranged for different colleges - new sense of mission - to discuss the problems of the society, nation and the church.

* Different colleges should form an SCM group asked to be noted by the travelling secretary.

We are different from other community - the Christians have honour, honesty and integrity of character. 1948 - N.C.C. Camp attended by the speaker - as the Captain of the Camp. A sudden strike arose - 150 young men shouting agitatively - very much discontented - i.e. hunger strike for not proper arrangement of the food. - Mayor so and so could control the strike, he should not pray - power of prayer is the life and body - as the leader - Prayer is the powerful weapon to reconciliation.

Christian character is ~~exclusive~~ exclusiveness - lived word of preaching will not prove but through the example and good character. Suffering with great affliction to get self-modification and salvation - the only Lord Jesus is the Saviour.

Rev. deep of Ganges & Jamuna - during winter - self-modification - great religious leader, i.e. Pandita, Paramahansa, Gandhi - Christianity does not consist only in the reading of the sermon of the moment but accepting Him as the Saviour & Lord.

Christian religion is not the philosophical one, it is the gospel of the Saviour of the human being from the sin. He is the historic leader and Saviour. We have to exclude from the manner and life of the other fellow people in nation. Jesus Christ is the above all.

THE CREATIVE WORD

- Lector I. In the beginning God created Heaven and earth.
Antifone Without heaven, without earth, without air and water.
The Moon was not there nor the sun, neither the stars
to light the night.
1. Never morning never day, never dawn, never evening.
2. Neither life nor death. Nothing existed.
1. Nothing was in chaos, chaos was in nothing.
2. Before Nothing was, before anything was - God called man.
Antifone. Without heaven, without earth etc.
(Players face one another)
- Two voices. When nothing was created, when time was not God's
word called light from darkness.
- All. LET THERE BE LIGHT.
- Two light voices. (After a pause) God's word awakened water from the rocks
and the green things on earth and the great seas.
- All. LET THERE BE LIFE
- Lector II Thus came into being heaven and earth with all that is
in it. God completed His work on the seventh day. And
God made man in His image - in God's image He made Him -
Man and women he created. (Eve goes forward, vows at the
alter and faces the congregation).
- Eve. I am the happiest of women, I am the first woman.
I am Eve. I am in the garden of Eden. In the garden of
paradise. There I see the most beautiful flowers. I
enjoy the scent of roses and sweat fragrance of the
earth. The birds of paradise sing and the fishes play
in the books. And the wind whistles in the green trees.
I am full of gladness. I am the happiest woman. I am Eve.
- All.That's a lie. Murder - Homicide - fall - Cruelty
Atrocity - injustice - conceit.
- Eve. I forgot. I forgot that God gave His commandment. That
God gave His law. I am Even. Now I bear that evil in me.
Disobedience was my sin. I am out of paradise. I am
the most unhappy woman. I am Eve.
- All. We are the unhappy children of Eve. We bear that evil
in us. We carry further that disobedience to God. We
are out of paradise. (While the following is said Eve
goes back to her place).
- Lector I We all went astray as we liked. Each one took his own way.
Lector II Now Moses was keeping the flock of Jethro his father-in-
law the priest of Midian. And he led the flock to the
back of the wilderness, and came to the mountain of God,
unto Horeb. (Moses rises from his place and goes up).
And the angel of the Lord appeared unto him in a flame
of fire out of the midst of a bush and he looked, and,
behold, the bush burned with fire, and the bush was not
consumed.
- Moses. I will turn aside now, and see this great sight, why the
bush is not burnt. (Moses takes a few more steps)
- Lector I. And when the Lord saw that Moses turned aside to see,
God called unto him out of the midst of the bush and said.
- All. Moses ! Moses !
- Moses. Here am I. (Moses moves still nearer the altar)
- All. Draw not nigh hither. Put off they shoes from off they
feet, for the place where on tho.u standest is holy
ground. (Moses steps back a bit frightened). I am the
God of they father, the God of Abraham, the God of
Isaac, and the God of Jacob. (Moses false down and
covers his face).
- Lector II And the Lord said, I have surely seen the affliction
of my people and have heard their cry about their
opressors. I know their sorrows. Therefore am I come
down to rescue them. I will send you to Pharo and you
shall bring my people Israel out of Egypst. I will be
with you. (Moses rises up). And this shall be a sign

- to you that I have sent you. When you have brought the children of Israel out of Egypt you shall serve me on this mount.
- Moses. Behold, when I come unto the children of Isreal, and shall say unto them "The God of your fathers has sent me unto you" and if they say to me "What is His name ?" What shall I say to them ?
- All. I AM THAT I AM.
- Two Thou shall say unto the children of Israel.
- light
- All I AM
- T.L.V. hath sent me unto you.
- Moses Lord, Oh Lord, I am not eloquent , neither before, nor since thou hast spoken unto me : for I am slow of speech and of a slow tongue.
- All Who has made man's mouth ? or who maketh a man dumb or deaf, or seeing, or blind ? is it not I the Lord ? Now therefore go, and I will be with they mouth, and teach thee what thou shalt speak.
- Lec.I. And Moses called all the Israel and said.
- Moses (comes down and faces the congregation)
Hear O Israel. What I am putting before you to-day, learn this, and hold it fast and pass it on to others. The Lord our God made a covenant with us on mount Horeb. Not only did our Lord make this covenant with our fathers but with us also to stand here, today with all of us who are alive today. Face to face did the Lord speak to you from fire on the mountain.
- All. I AM THE LORD YOUR GOD WHO BROUGHT YOU OUT OF EGYPT, out of the house of bondage.
- Voices.1. Thou shalt have none other Gods but me.
2. Thou shalt not take the name of the Lord thy God in vain, for the Lord will not hold him guiltless that takes His name in vaine
3. Remember that thou keep holy the Sabbath day.
4. Honour they father and they mother that it may go well with thee and that thou may live long in the land which the Lord thy God gives thee.
5. Thou shalt not commit murder.
6. Thou shalt not commit adultery.
7. Thou shalt not steal.
8. Thou shalt not bear false witness against they neighbour.
9. Thou shalt not covet they neighbours house.
10. Thou shalt not covent they neighbours wife, nor his servant, nor his maid, nor anything that is his.
- Lec.II These are the words which the Lord spoke to you on the mountain out of fire and cloud and mist with a loud voice.
- Moses. (continuing to face the congregation) The Lord your God is a Merciful God. He will not forget the covenant which He made with your father and with an oath confirmed this because the later generations are
- Voice 1. The latest generations ask those who were before you from the time God created men on earth.
- Voice 2. Question from heaven to earth if ever such a great thing has happened, or if any one heard of anything such as this?
- V.3. If any people heard God speak from out of fire and lived?
- V.4. Or if any other God has tried to come down and take a people to be His?
- V.5. You yourself have seen this in order that you may know that the Lord is God and none other is God but Him.
- V.6. From heaven did He let you hear His voice that He may teach you.
- V.7. And upon earth He let you see His great fire,
- V.3. and you have heard HIS WORD from the fire.
- V.9. Therefore, today shall you know and lay to your heart that
- All. THE LORD IS GOD up in the heaven and down on earth. HE and none other. (All the players face one another again

- and a hymn shall be sung).
- Lector 1. In the beginning was the word. And the word was with God. And the word was God. The same was in the beginning with God.
- L.II. When the time was fulfilled God sent His son, born of a woman and set under the law. (All turn towards the altar) In those days Jesus came from Nazareth of Galilee and was baptized by John in the Jordan. And when He came up out of the water, immediately He saw the heavens opened and the spirit descending upon him like a dove, and a voice came from heaven
- All. Thou art my beloved son, with thee I am well pleased.
- L.I. And passing along by the sea of Galilee He saw Simon and Andrew the brother of Simon casting a net in the sea, for they were fishermen. And Jesus said to them.
- L.II. "Follow me and I will make you become fishers of men"!
- L.I. Immediately they left their nets and followed Him. Going on a little further, He saw James the son of Zebedee and John his brother, who were in their boat mending the nets.
- L.II. "Follow me and I will make you become fishers of men" !
- L. I. Immediately they left their nets and followed Him. And they went into Capernaum and immediately on the Sabbath day entered the synagogue and taught.
- L.II. He who believes in me believes not in me but in Him who sent me. And he who sees me sees Him who sent me. As light I came into the world in order that none who believes in me may remain in darkness. If any one hears my word and does not hold it, I do not judge him for I did not come to Judge the world but in order to save the world. He who rejects me and is against my word has a judge over him. The word which I speak shall ultimately judge him at the final day.
- L.I. Some people were amazed at His message for He taught with power and authority and not as the scribes.
- V.1. What is that ?
- V.2. From where did He get it ?
- V.3. What is the wisdom that is given to Him ?
- V.4. And these great miracles He does, how does He do them ?
- V.5. This is a new teaching with power and authority. He commands the evil spirits and they obey Him.
- V.6. Is He not the carpenter, son of Mary, and brother of Jacob, Joseph, Simon and Judas ? Do not His sisters live here ?
- V.7. How can He speak such blasphemous things ?
- V.8. Who can forgive sins except God alone ?
- V.5. How can He eat with sinners and publicans ?
- V.1. Yes, what is this ?
- V.3. What wisdom is this ?
- V.4. These miracles how does He do them,
- V.2. Who is He ?
- V.6. Who is He ?
- V.7. Yes, who is He ?
- L.II. And He was surprised at their unbelief. And in the morning a great while before day, he rose and went out to a lonely place, and there He prayed. And Simon and those who were with him followed Him, and they found Him and said to Him "Every one is searching for you".
- L.I. And He said to them "Let us go on to the next towns, that I may preach there also, for that is why I came out."
- L.II. And He went all through out Galilee, preaching in their Synagogues and casting out demons. And a leper came to Him beseeching Him and kneeling said to him.
- V.10. (Runs before the altar falls on knees) If you will you can make me clean.
- L.II. Moved with pity He stretched out His hand and said to him.
- L.I. I will, be clean !
- L.2. And immediately the leprosy left Him and he was made clean.
- V.9. (kneels before the altar) My little daughter is at the point of death, come and lay your hands on her, so that she may be made well and live !
- V.1. (Kneels before the altar) Master I have brought my son to you who is possessed of an evil spirit. Master I beseech you

- to see my son ! He is my only child.
- V.2. (Kneeling before the altar) If I touch even His garments I shall be made well.
- V.3. (Kneeling before the altar) Jesus son of David, let me receive my sight.
- V.4. (Kneeling before the altar) Good master, what shall I do to inherit eternal life ?
- V.5. Is it lawful to heal the sick on Sabbath day ?
- V.6. Why don't your disciples walk in the traditions of elders ?
- V.7. How can one say that Messiah is David's son ?
- V.3. Rabbi we know that you are from God and that you have come to teach. No one can do such great signs as you do if he is not from God.
- V.5. Are you a prophet?
- V.7. Are you Messiah ?
- V.2. Come see a man who told me all that I ever did. Can this be the Christ?
- V.9. You are the christ, the son of the living God.
- V.10. Lord, to whom shall we go ? You have the words of eternal life
- All Lord, to whom shall we go ? You have the words of eternal Life
- L.II. The disciples of John told him all these things. And John calling to Him two of his disciples sent them to the Lord saying "are you He who is to come, or shall we look for another?". Just then Jesus cured many of diseases and plagues and evil spirits and on many that were blind he bestowed sight. And He answered them.
- L.I. Go and tell John what you have seen and heard the blind receive their sight, the lame walk, lepers are cleansed, and the deaf hear, the dead are raised up, the poor have good news preach to them. (Those who are on their knees before the altar now come back to their places. A Hymn shall be sung here)
- L.II. That which was from the beginning, that which we have heard, that which we have seen withour eyes, that which our hands handled, the words of life we proclaim unto you.
- L.I. God wants all men to be saved and come to the truth. In his love He seeks.
- V.2. (Comes before the altar and faces the congregation) In his love He seeks. He seeks me in the church through baptism. In His love He seeks. He seeks me through the Holy spirit who calls, gathers and teaches me about God the father the Creator, God the son the Redeemer, I believe in the work of the Holy spirit in me, it is He who keeps me in the church in this life. (Each one goes as he gets his turn looking aggressively at V.No.2.)
- V.1. Look at those Christians ! They are no better than the others.
- V.3. They pray and pray as if there really is a God who hears their prayers.
- v.4. How can one believe in such a thing ?
- V.5. That's an illusion.
- V.6. They pray as if God wants to be bothered about all the things they pray about.
- V.7. Their view of the world also is as ridiculous.
- V.8. They believe that God can be love and tolerate so much evil!
- V.9. Wars, hatred and suffering !
- V.10. Refugees and over population !
- V. 1. Millions of starving people !
- V. 3. Racial hatred !
- V. 4. Iron curtain and forced separations !
- V.5. Atomic catastrophy !
- V.6. And they believe in Eternal life !
- V.7. What do they know about that ?
- V.8. Who can believe that the Church and these priests can understand me and my circumstances ?
- V.9. It is so upsurd to believe every word of the Bible ?
- V.10. As if the word of the Bible can help one in troubles and misfortunes ?
- V. 1. As if the water at baptism will save me from death to eternal life !

- V.3. As if the bread and vine of the communion can save one from anguish, pains and perplexity!
- V.5. The can the church really tell me something about life, from where it comes and how it should be lived ?
- V.6. And about death and if there is anything more after death ?
- All. When He comes who is the spirit of truth He will lead you into all truth.
- L.II. Lord thou hast taught me from my childhood and even now reveal to me they wonders.
- L.I. O Lord do not give me up in my old age also. I shall describe thy mighty deeds to all who come after me.
- All. When He comes who is the spirit of truth, He will lead you unto all truth.
- V.1. It is true that we Christians are not in any way better than others. But this is only part of the truth. We stand in the middle - in a battle between Christ and Satan - this is to be in the church.
- V.3. When I fall in temptation, when I am stupid and unbearable, when I loose in the battle against the evil, when I sin against God and men, Jesus loses in me a part of His kingdom. But nevertheless I pray to Him who has already won a victory over Satan. I pray that He should be victorious in my life and win a victory in me. This is to be in the church.
- V.4. When I pray for help in my difficulties, I know that God hears my prayer. When I pray for help for my friends, I am certain that God hears my prayer. This is to wait upon God in the Church.
- V.5. When I behold the wonderful creation of God, when I see all those incomprehensible things which are mine through Christ, then I become humble and happy that all this belongs to me when I live and stay in the church.
- V.2. When I learn and grow deeper in the church I also see much darkness and pain but Jesus Himself went through all this. Sorrows come on me but I learn more to be dependent on Christ. Sometimes I am humiliated and treated with contempt and forced to take the narrow way. But that is the way of Christ and the will of Christ. Those who follow Him bear all these which are sufferings for His sake. This is to grow in the Church.
- V.6. I see gladness in full trust, I feel freedom in full obedience, I long for holiness, All this I get in the church.
- V.7. Through the sacrament of Baptism.
- V.8. Through teaching and upbuilding,
- V.9. Through the clearing of many doubts by the faith,
- V.10. Through confession of sins and absolution.
- V.1. Through prayer and meditation,
- V.3. To the sacrament of Holy communion,
- V.4. In care and responsibility,
- V.5. In worth and rest,
- V.6. In life and death,
- All. That is to be in the Church. (All turn to the altar). I praise thee thou word of God for thou createst from beginning till now. I praise thee word of God for thou redeemest from the fullness of time till now. I praise thee thou word of God for thou are incarnate in the church here and now and untill eternity. Halleluja, Halliluja, Halleluja.
- Antifone. Glory be to the father and to the Son and to the Holy ghost. As it was in the beginning is now and ever shall be.
- Antifone. The Lords word remains eternal and the same word is revealed to you as good News.

(Hymn, Prayer, Lords Prayer, Benediction).

Question - Is the duty of the S.C.M. to help Christian students to express their faith through Indian modes of Art + Culture? Is the S.C.M. still very much a pale imitation of or an organization imported from the West?

Answer - We can express our faith through the language, Art and Culture which is easily understood by them; and if there is a mixed gathering, then a common language like Hindi may be spoken to express our faith. We should also adjust ourselves to that particular environment to express our feelings more fully. The leaders should be capable of knowing and understanding different languages as far as possible. The question raised during the discussion was whether Christianity is a foreign religion. Mr. Wistart helped us in telling us how the missionaries had come from abroad for the spreading of the Gospel and as they could not express themselves ^{excepting} in the language they spoke and, ^{the} culture they possessed, the belief came among the people that it was a foreign religion. ^{For example} there were a lot of Christians in Kerala, ^{from earliest times} but there Christians did not spread the religion in other states. Hence Christianity is no longer foreign today. It is a universal religion. It is necessary to Indianize the S.C.M. in words to make it easy for the students in general to express themselves more freely.

Ans. to PT II. There were two groups who held their own opinions regarding the origin of S.C.M. 1st group held the view that it was completely our own and not imported. 2nd group held the view that it was imported from the West + which was adopted by us. Thus it had the characteristics of both the West + the East.

Dear Mr. Ming,

Great many thanks for your letter inviting me to the S.C.M. Conference. I received the letter only yesterday and hurriedly going through it, I sent in my reply to your Ranchi address instead of the local.

I accept your invitation with great pleasure and would certainly like to give something out of me the service required of me. Unfortunately, the 17th inst. is our Parish Day and shall all be engaged till late in the afternoon at St. George's Church, 'B' Road, Jammehofm, near the TISCO Hotel, to which I cordially invite you to worship at 9-30 am. with your colleagues.

Regrettably, I am not in a position to organise a party of singers. But should you have any, I am always at your service. As per your letter, I was expecting you every moment since yesterday so that we could together put out the favourite ones liked by all.

On Saturday, 16th inst., I shall be available at St. George's Church at 6-15 pm., where I hope to meet you.

With best regards,

Yours sincerely,

Report II

Question - What meaning has Worship for our everyday lives?
How can we improve our "Worship" in our S.C.M.?

Discussing the first question, we discussed firstly the meaning of 'Worship' as the Hindus worship their God by offering things. As for us we do not offer any thing but ourselves by singing praises to God for his many gifts. Prayer is also a worship. In prayer the first thing we give is our thanksgiving.

Discussing the main question the first point is that we are supposed to be near God. Existence of God between us is most essential because without the help of God we can't be successful in our daily work. We worship because he created us. ^{Proverbs} chap 8-35 - This verse shows how we obtain life through his worship. We also worship because he is King of Kings + Lord of Lords. We also worship God out of fear. We should love God + worship him because he loves us. We worship God to get peace and consolation. We can attain spiritual life through our worship. We can become stronger spiritually in our faith and belief. We should say a word of prayer before doing anything as one of our friends told us that whenever she gave medicine to her child, she always said a word of prayer. Physically, mentally + spiritually we inherit the peace of God. We worship because through Bible and according to its letters it brings out the sentence which is 'Behold I bring life & Eternal.'

Subject & Question - Why do we feel shy to stand & witness among the Non-Christians?

Discussing the question the first reason given was that we feel shy because we can't express ourselves to others. Secondly we are not Christians in the real spirit. Thirdly there is the question of inferiority complex and this is a great hindrance. The next point is that we Christians are only a handful of people and so we cannot face others who are decidedly much greater in number than us. We are afraid to tell them about our religion as we might come in for a lot of criticism and might be boycotted by them in the future. There is also an objection by the superiors in the college and so the question of bearing witness to Christ is neglected.

Another drawback is the lack of self-confidence in ourselves. We feel that we might not be able to give a sufficiently good reply if any question on our religion is asked by others. The next reason is that there is no proper education in Bible teaching given to us by our parents to their children. Hence if the foundation is not strong how can we be firm in our later life. We are apt to go on the wrong path. Even the mission schools have stopped to impart religious instruction to the pupils. The next reason is the confinement to our own sphere. We do not like to go among the non-Christians. Another important reason is that we lack in our religious knowledge. We know little and still we do not care to learn more. Another point related to this is that we do not practise the right thing. We only know the thing but do not go according to it. In connection with this point a verse may be quoted. It is from the N. T. It is - "He that doesn't keep my commandments cannot be the inheritor of the Heavenly Kingdom."

The solution to the problem maybe in the two

Dear Mr Minj

Your letter to the Bishop, dated October.2nd, came to my hand just now and I am replying on behalf of the Bishop who is away for this month. I am afraid, being that the Bishop is absent from Headquarters, that Rev Hinton's reply to you about the S.C.M. Camp at Jamshedpur will have to stand. I do hope that it will be possible for you to find someone else to act as chaplain of the Camp. We will be remembering you in our prayers on that occasion.

With good wishes,

Yours sincerely,

C/O Mr. V.H. Devadas,

Delhi -6.

Dear Mr. Karat,

Thank you for the letter of the dated the 2nd. I am very grateful indeed that you could pay your kind visit here in Bihar. I know that if men are so unkind to Him He cannot be so. I wonder when I get such impression from the workers of the churches who are suppose to be loyal and cooperative for His work and that hope is lost unexpectedly. You might have seen that scene which some the students told you that how the SCM is ill-supported. I believe God will show His wonder. His purpose will not be condemned. It is His will the SCM is playing multi roles for His Glory.

I had been Jamshedpur and I have confirmed the Leadership Training Camp from the 15th-19th Oct. '65 at the Jamshedpur City. I have also sent two letters to Bangalore for the aid of the Leadership Training Camp asking the assistance of the S.C.M. of India. At the moment, he is out of the country. I shall refer to your letter of the 8th Mar. '65.

I shall discuss the matter as soon as he come to Ranchi. He has already said so. I know the Padma Shree is the product of the SCM and he will help, as far as possible, the Movement. I shall ask him and Paul Lekhan Lal to get the application for the Student Centre, at Ranchi in the compound of the S.C.L. Church compound. I know that the Ranchi SCM will be the heart of the Bihar SCM. It has the prosperity and bright future. The work is inevitably needed. I am here but in so many respects I am not able to concentrate myself at Ranchi. And this I shall do in the future.

The rain has stopped. The night at Ranchi is cold. I had to be at Jamshedpur from the first week of Oct. but I was there three days only and I have come back to Ranchi on the 3rd. I shall go there three or four days earlier. The rest is O.K. I had, yesterday, a slight fever. I am not feeling so quite well but any way I have to work. Today I am rather fresh and on duty. I have enclosed the Camp Programme.

With all the best and your prayers,

Ht. Rev. Bishop P. Parmar,
Bishop of Bhalpur,
P.O. Champagnagar,
BHAGALPUR -4.

Dear Rev. Bishop Parmar,

I wish your kind co-operation which you have shown in the last SCM Camp at Jamshedpur. I was very much interested that The Rev. Hinton has been so much touched with youths and students that he is every where needed for the better service. Thus I had the belief that he will be able to come to Jamshedpur for the SCM Leadership Training Camp. It will take place from the 15th-19th Oct. '65. But when I heard that he is not able, on account of your ~~own~~ permission, to come to Jamshedpur; I see the camp will miss a great leadership. Due to the intensity of our task and the limitations of personal and resources, the SCM has to depend heavily on voluntary service. These honorary workers include college lecturers, pastors, missionaries and Christians in various other professions in the world. In order to maintain SCM we have to go to the churches again and again with requests for the service of their ablest young pastors whom they could ill-afford to lose. At every stage in the selection, training and service of these men, close contact will be ~~must~~ maintained with the heads of the churches from which they come, so that at the end of their services they may fit naturally and productively into the ministry of their own church. But we understand so little of the greatness of those things which God has for us in Christ in His Church. We look to the Church for fellowship and prayer in this sacred ministry that we may more fruitfully fulfil our share in the life and mission of the Church.

Therefore, I will solemnly request you to grant permission to join the SCM Leadership Training Camp at Jamshedpur from the 15th-19th Oct. '65, for the Rev. Hinton. His participation will be an excellent one. He will be the main Bible study leader.

With your kind co-operation and prayers,

Yours truly,

(K. Minj).

Could I remind you to deal with the matter. I know that you are out of the station. However, I believe that the person in-charge will be doing the necessary works. Leadership Training Camp will take place on its scheduled set of dates.

Dear Mr. Karat,

I have come here at Jamshedpur to set and discuss about the Leadership Training Camp from the 15th-19th Oct. '65. It is possible so. You have also told me during your tour to Bihar that I should hold it the same. You have agreed in your former letter that the National SCM could give an aid towards the Training course of the sum of Rupees three hundred (Rs.300/-). I had doubt to hold the camp at all because of the present war conflict of Pakistan against India. But for the limited small number of the Training course it is manageable. The general conference is being postponed on account of the long programme and continuous ten days. Hence, I will urge your in-charge to send the bank draft as soon as possible on or before 8th with the address of Ranchi. I know that you will not be at Bangalore. You could also write the Rev. Wishart to arrive Jamshedpur for the camp.

was produced. The Managing
committee of the Magazine con-
sisted of Mr. N. K. Chandra as
Managing Editor, Mr. S. K. L.,
as Editor and Mr. N. N. N. as
as the Co Editor. Incidentally,
I was told by Mr. G. Karan
that our new enterprise
was the first of its type in
India (among 500 centres.)

On the 10th of
September our 500 put up a
variety entertainment which
fetched us a net profit of
approximately 250%. Other period
activities of the 500 continued as
usual. In October a delegate was
sent for the provincial camp
for which the local union is paying.
We propose to have an 500 ovella
in November, and the variety entertain-
ment in December. We are also
expecting to send a delegate to the
Triennial Conference to Poona in Dec.
Our funds at present stand at
approx: Rs 650%.

3 The programmes were particularly centered ^{round} ~~round~~ 2 Bible studies, and one social a month. In April

the L.C.O. kept a stall in the I.C.A. Estate area, & ~~received~~ ^{reaped} a rich harvest.

After making payments etc, we were still holding the belt half of Rs 40/-.

We closed for the summer vacations in May with a social. Our sessions reopened in late July with another social and a General body meeting, which passed the proposal of the President for producing a quarterly magazine. On the 15th of August, the new Magazine

Mr. N. K. Chandra, (Soury)
Vice President, Miss Anama Chandi.
Secretary - Mr. George E. H.
Asst Secretary - Miss Sheila Bala.
Treasurer - Rev. R. A. Hunter.
Senior Adviser - Mr. C. K. Rajan.

The new committee
immediately drafted out
an individual constitution
for its local body, put it
before the general body,
passed it, printed it out,
and gave it to its members.

Thereafter, the new
committee drew out the
programme for the next
4 months. These programmes
included Bible Studies,
seminars, group discussions,
work-camps, hospital visiting,
socials, get-togethers, etc.

SCM FIVE-POINT PROGRAMME : Church membership, Worship, Study, Evangelism & Social action.

.....

We are very glad to present the Annual Report of our Union. Our Union was founded in the Year 1959 with seven members only. We can not forget the passed activities of the Union. But unfortunately the union lost its existance after three years due to the weakness of members and lack of proper guidance.

Glory to the Lord our God that the Union has got its sense today. At present, there are many active members and senior friends in our Union. There are two types of members in our Union:--(1) Students of the Local College (2) Trainees of the Local Technical Institute. Some of our senior friends are Govt. Officers and School teachers. We are unfortunate not to have a single staff-senior friends from the College.

Activities of the Union:-

To hold prayer meetings and prayer services in both Churches- Anglican and Lutheran.

On the 18th of August: 66 the general election of the office - bearers took place for the session 1966- 67.

The following office bearers were elected :-

- (1) President --- Mr. Chittaranjan Kumar Pati
- (2) Vice-President --- Miss Seteng Horo
- (3) Secretary --- Mr. Daud Nathaniel Balmuchu
- (4) Asst. Secty. --- Miss Bindu Talan
- (5) Joint Secty. --- Mr. Jaiwant Hansda.
- (6) Treasurer --- Mr. Taffras Kujur (senior friend)

On the 26th Sept:66 The Travelling Secretary Rev C.A.B. Tirkey visited our Union. He was given warm welcome in the general meeting - 1-

in which 19 members and 12 senior friends were present. The meeting was started with a short prayer by Rev C. D. K. Kujur (Anglican Church)

After that Rev C. A. B. Tirkey delivered interesting talk regarding the importance of the S.C.M. After the talk of the Travelling Secretary he was honoured by acultural programme. It was a successful ~~metti~~ meeting. At the end of the function we all joined the tea party. The meeting was closed with a short prayer by Rev J. Soy of G. E. L. Church. We ~~were~~ were very glad to have the Travelling Secty. with us in the general meeting.

On the 2nd Oct 66 our first prayer service was conducted in the G.E.L. Church, Chaibassa by the members. We intended to stage a variety show before the Annual Conference, but we could not do so due to examination and other disturbances.

Financial Condition :--

The financial condition of the Union is not sound. Therefore more members could not participate. At present we have ₹ 31 rupees only in our fund. We have only three sources to add to our fund :-- (1) Monthly ^{sub} subscription (2) Variety Show (3) Special Donation

Lastly we want to report that the office bearers of this session are all new and inexperienced. But we have firm believe on God who will always helps His followers and believers. We are thankful to the authorities of both the Churches-- the G.E.L. & Anglican, are very helpful to the Union. We are also thankful to our youth Organiser Mr P. Agrawal, and the Rev C.D.K. Kujur, who is a student member also and other senior friends.

At the end we would request all of you to remember our Union in your daily prayers.

THANK YOU

Your brother in Christ

~~The very first programme was~~

Universal day of prayer for students was the first programme arranged by the new office of the S.C.M. for session 1966. Rev. S. Surin Principal L.T.S. College Ranchi was the chaplain. About 300 boys & girls & 50 senior friends ~~we had~~ participated in the prayer.

Next Programme was a one day camp at the Bishop's lodge in the holi holi days. About 15 students (boys & girls of course inclusive) contributed their manual labour & gratify the Bishop of Cuttack.

The S.C.M. after ~~the~~ this work camp could meet only after ^{the} summer vacations. The executives met for the first time on the 8th Aug. 1966 and decided not to

have the exhaustive programmes. Once a-
month programme was confirmed keeping
in view the clash ^{bet} ~~of~~ these programmes of
q. E. L. church youth organisation & S. E. Y. M.

The executives, upon the suggestion of
the ex- & active T/S divided the Ranchi
S. C. M. into several sub units with respect
to the different residential hostels. But
unfortunately, no unit, so far for the
dayscholars, had been formed due
to a good many difficulties in practice.
The S. C. M. split up into several sub-~~gr~~
units is functioning pretty well - Though
it is, I suppose, only apparently.

This statement is supported by the
fact that, despite of several meeting
arranged by the S. C. M. executives, very
few have so far become the members
officially. You will ^{be} surprised that the no. of
such officially made members will
hardly exceed the unlucky no 13.
Whereas the ^{no of} Ch. students are exceeding
1300 at Ranchi. So the S. C. M. is
facing a great financial difficulty.

It has been very difficult
to organise a good S. C. M. unit at
Ranchi due to the great reason
~~that~~ - that is - non cooperation.

(i) non-cooperation amongst students
themselves.

(ii) non-cooperation of their guardians

(iii) non-coop " of the church
authorities with S. C. M.

(iv) non-operation the authorities of the christian educational institutes.

Many complain can be reported against the ignorance of students & guardians ~~in~~ with respect to S.C.M.

S.C.M. is very often misinterpreted and ~~mis~~ misunderstood as Social Courtship & marriage :- This very misinterpretation is waged as the privilege for young men & women in good sense. It is always emphasised by the supporters of S.C.M. that there is no harm if a good christian ~~girl~~ boy is contracting marriage with a good christian girl. It is far better than that a christian girl is married to non christian boy — & This is ~~very~~ ^{the} frequent case with christian girls — & this is never marked as serious disgrace to christianity by the opponents of S.C.M. against S.C.M.

→ Many complaints can be filed in the report. I ^{snatched} and confiscated the report of our secretary because you know he is a philosopher ~~and his report of complain against S.C.M. Panchi would have been everlasting & his complain against S.C.M. would have been very drastic~~

→

I am sorry, the rest of the programme
out of mind

On the 21st of Aug. we had a
general gathering at youth centre
Raneri. ~~A-B~~

The next programme was the
freshers' social in the Bethesda school
hall. The chief guest was Col. A. E.
Markham the V.C. of R.U. and
addressed the meeting on the Role
of the Christian students in the
University. This programme was
very successful. The no. of boys
and girls was, of course, exceeding
500 i.e. half a thousand namely
as many hundreds as 5.

But this was the ~~beginning~~ beginning
and the end of the programme
with Raneri S.C.H. for the session
July to Oct. 1966.

I am very much thankful to
our T/S. and Mr K. Muz for their
valuable suggestions & kind guidance & help
which they ^{have been} rendering regularly

This is all about the Raneri
S.C.H.

It is believed that Bihar
S.C.H. will sympathise with us
and will remember in
prayer. Let God be the guide
of Raneri S.C.H.

KHUNTITOLY S.C.M (JUNIOR)

Annual* REPORT "

The Khuntitoly School S.C.M. Union has been established by the former Travelling Secretary Mr. K. Ming on the 13th February 1965. The movement had no such progress in the beginning but a break-down. This pitiful-situation was a great concern by to the members of the union. The reason of stand-still are little interest of students and lack of the co-operation of the senior friends.

However, thanks to God that the union has been revived by the Travelling Secretary time to time. And the programme has been more or less successful.

The meeting is held twice in a month. The students of 8th & 9th ^{classes} are the members of the S.C.M. The Bible-study Booklet "Christ and Freedom" has been accepted as our Text Book.

Last year two important programmes were held by the S.C.M. Firstly, the social camp, within this programme the union helped a helpless farmer, and transplanted his field.

Secondly, there was a film-show here, people gathered from all around in a large number. The film was "Reaching From Heaven".

ti This year there was no any
important work done. Last month
on the 5th September there was held
a cultural programme by the Union.

Yours faithfully -
Khutitoly union.

Annual Report of S.C.M. Kanke (Ranchi).

आदरणीय सभापति महोदय, माननीय Senior friends, एवं मेरे भाइयों तथा बहिनों, जोकि S.C.M. की ओर से आप सभी को विशुद्ध सहाय होवे।

चूँकि हमारे S.C.M. की Annual Report पहली बार दी जा रही है अतः जरूरी है कि कुछ जोकि नगर के बारे में जान लें।

यह नगर राँची शहर से ५ मील उत्तर की ओर स्थित है। पागलखोने के नाररा इसकी महत्व है। भारत में की है। लेकिन आजकल इसकी महत्व में, Agriculture college, Veterinary college, Agriculture Farm तथा Biscan factory चार चींय लग रहे हैं। इन्हीं स्थानों में नौकरी की आशा में हमारे पूर्वज दाबिसा और दाबिसा पश्चिम से आये। ये माल-माले आदिवासी वही काम कर रहे। सरकारी कार्टों में रहेगे लगे। उन्ही की संतान आज हम हैं।

जोकि कि ये अशिक्षित थे यह इन्होंने यीशु मसीह के नेतृत्व को पहचाना, अपने समाज में स्थान दिया और तहेकिल से उठना आदर किया है। जिसपर आज हम सभी को गर्व है।

स्वातंत्र्य से S.C.M. का जीवन बहुत पहले बीया गया पर हम जोकि वालों के लिये यह आजकल की ही बात है। जब हमारे विद्यार्थी जमानों में प्रवेश लेंगे तो इनका संवध Ranchi S.C.M. से लगे।

1964 में जमालपुर में हुए Bihar S.C.M. के Annual Conference में हमारे चार विद्यार्थी भाग लिये और उली का प्रभाव, कि हमारे विद्यार्थियों में चेतना का प्रसफुटन प्रारंभ हुआ। उन्हें नई प्रेरणा मिली। 1965 के नये Session में G.E.L. Church के Youth Director Rev. Smith, Ranchi S.C.M. के President Prof. Mrs. Singh, तथा Ranchi S.C.M. के Members आमतौर लिये गये और Ranchi S.C.M. की एक शाखा की स्थापना की गई। उस सेज Rev. Smith और Prof. Mrs. Singh

ने अपने भाषणों के द्वारा हमें जातान्वित किया।

लेकिन दुःख की बात कि कुछ कठिन समस्याओं के कारण '65 में हमारा S.C.M. कार्य नहीं चल सका।

S.C.M. के नये travelling secretary के होने पर हमने अपना काम इसी जुलाई से शुरू किया।

31 जुलाई को प्रांशिक मीटिंग हुई।

7 अगस्त को Rev. C.A.B. Turkey की अध्यक्षता में हमारी Bible study शुरू हुई।

2 सितंबर को Rev. Turkey ने हमसे मिल चुकाना की।

हमारे office bearer's का election 25 सितंबर को किया।

हमारे President - Mr. Israel Lakra,
Secretary - Mr. Niman Kujur, और
Treasurer - Miss Jublin Toppo हैं।

इस तरह हमारे S.C.M. का काम आगे बढ़ा। हमने अपने आर्थिक स्थिति को सुधारने की दिशा में कई विचार सोच रहे हैं।

इस S.C.M. के सदस्य मुख्यतः सैन्सी में पढ़ने वाले छात्र-छात्राएँ हैं जिनका घर उनके पास पड़ता है। इसके अलावे Agriculture और Veterinary के भी छात्र हैं। हम सभी की संख्या 20 है। हमारी बैठकें हमारी G.E.B. Church या हमारी S.P.G. Church में होती हैं।

अन्त में हमारी यह निवेदन आप सभी से है कि हमारे S.C.M. के लिये पुराना करें ताकि हम भी ईश्वर की महिमा के लिये कुछ करने में सामर्थ्य हो सकें। कुछ सुझाव भी लिख के भेज सकते हैं जिनका हम सदैव स्वागत करेंगे।

मसीह में आप सभी का

आदरणीय सभापति महोदय, सावियों एवं शुभचिन्तकी,
 आप सभी की हजारीबाग इ.स. एम. की ओर से
 मसीही नमस्कार !

जुलाई महीने में हमारा कॉलेज खुला और
 कुछ ही दिनों के बाद हमारी एक आप्रम सभा
 हुई। जिसमें कुछ नए सदस्य इस संघ में
 मिलाए गए। जिससे हमारे संघ के सदस्यों
 की संख्या 75 तक हो गई।

दूसरे महीने के 22वीं अगस्त को
 हमारा वार्षिकोत्सव हुआ जिसमें हमारे मुख्य
 अतिथि Rev. C. A. B. Tirkey थे। उन्हीं की अग्रगुवाई
 से नई कार्यकारिणी समिति के सदस्यों का
 चुनाव हुआ। जिसके अनुसार :—

President —	Mr. Paul Bhengraj
Vice President —	Miss Hibi Barik
Secretary —	Mr. Anpil Barzay
Joint Secretary —	Miss Binodini Demba
Treasurer —	Prof. E. N. Lal
Student Treasurer —	Mr. Junul Bhengraj
Senior Friends —	Rev. D. Corde
	Rev. O. K. Tirkey

कने गए।

जलपान और खेवकूद के पश्चात इस
 दिन का कार्यक्रम समाप्त हुआ।

हमारा Student-Centre बुचा बंगला के
 एक कमरे में है जो एक Reading Room
 भी है तथा वहां meeting भी होती है।

24वीं अगस्त को कार्यकारिणी समिति की
 बैठक में पुरानी कार्यकारिणी समिति के सदस्यों
 ने नए सदस्यों की आप्रम कार्यभार सौंपा।
 उसी दिन हमें बात हुआ कि हमारे कोष में
 करीब 104 रु. 26 पैसे हैं।

3री सितम्बर को माता सपाज का मीना
 बाजार हुआ जिसमें इ.स. एम. के सहयोग से 86
 रु. दिया गया।

इसके बाद हमारी कोई ज़रूरत नहीं हो
सकी लेकिन प्रत्येक सप्ताह बैबल अध्ययन
Student Centre में Rev. D. Corle की प्रशिक्षण
में होती रही। जिसमें काफी संख्या में
सदस्य उपस्थित होते रहे।

Camp हमने दो पहले हमारी अंतिम
कार्यकारिणी समिति की बैठक हुई। जिसमें
हमने Camp में भागी होने वाले सदस्यों
को १० रु. साहाय्यता प्रदान करने का फैसला किया।

हमलोग प्रत्येक सदस्य से २५ पैसे प्रति
माह चंदे के रूप में लेते हैं और जिसकी
इच्छा हो वह रुक ही बार पूरे वर्ष के
बिना २ रु. दे देता है।

हमलोगों ने निश्चय किया है कि Camp
से लौटने के बाद रुक Christmas play
किया जाए।

ईश्वर से हमारी यही प्रार्थना है कि
वह हमारी प्रशिक्षण करे जिससे यह संघ
दिन प्रतिदिन उन्नति के चरण पर अग्रसर
होता रहे।

मसीह में आप सभी का
