Sehr geehrter Herr Direktor!

Den mir zur Wertschätzung übergebenen Kasé-Kaninmantel schätze ich zu einem Werte von ₩ 2500.- ein. Der Preis ist für eine Käuferin berechnet. Zu einem höheren Wert kann ich den Mantel nicht einschätzen, da derselbe schon tüchtig abgetragen ist, namentlich an den Ärmeln, ~~ist~~ das Futter ^{oft} vollständig vertragen und der Schnitt des Mantels ist für die heutige Mode nicht mehr modern.

Ich hoffe hiermit Ihren Wunsch erfüllt zu haben und zeichne, stets gern zu Ihren Diensten,

hochachtungsvoll !

Zur Abgabe des Mantels
Kaukosten für 1000 M
überlassen,

ONCE UPON A TIME

there was a

little

old woman

who

had

two daughters.

The first daughter was very good and kind, but the second was very bad and wicked. One day the first daughter went to the market to buy some bread, and when she came home, she found that the second daughter had taken all the bread and left nothing for her. The first daughter was very angry and said to her mother, "Mother, I will never speak to you again if you let my sister eat all the bread." The mother said, "My dear child, you must be patient and wait until your sister has finished eating, then you can have some bread." The second daughter heard this and became very angry, so she took all the bread and ran away. The first daughter followed her and found her sitting by the river crying. She asked her why she was crying, and the second daughter said, "I am crying because I have no bread to eat." The first daughter said, "Don't worry, I will give you some bread." So she gave her some bread and they became good friends again.
