Dear Members and Friends of ELFI,

Vice Chairman :

Mr. S. K. Bose

I greet you in the triumphant name of Jesus Christ who is our Lord !

★

Secretary :

Mr. V. M. Abraham

★

What better basis of Fellowship than a sharing in like faith and in like interests ? It has been these common beliefs and pursuits that has brought ELFI Agencies together. The ministry of Christian literature is a technical science and must be conducted along business lines. There are tried and proven ways that work, and there are methods doomed to failure from the start. Through the fellowship of ELFI the new comer and the untrained have had opportunities of instruction and technical advice from the experienced and well trained on the job, in special sessions and programmes and through the advice of those invited for consultation. This is part of what ELFI can offer you. But you need to co-operate !

Executive Members :

Mr. M. E. Eapen
Mr. Noble Massey
Mr. K. Wilson
Mr. V. D. Khristy

1. Enclosed please find a report of the recent sales workshop we conducted at Hyderabad . This is for you to keep and enjoy.
2. There is a set of questionnaire which we would like you to fill and return to us immediately. Your immediate response to this will help us immensely. This questionnaire may please be answered by you even though you are already a member of ELFI.

Thanking you for your co-operation,

Sincerely yours for Christ,

V.M. Abraham,
Secretary.

EVANGELICAL LITERATURE FELLOWSHIP OF INDIA
SALES WORKSHOP

A WRITE UP OF THE ELFI SALES WORKSHOP, HYDERABAD 18-20th FEBRUARY '80

The Evangelical Literature Fellowship of India is a body which provides fellowship for all the evangelical literature agencies in India affiliated with the ELFI. The ELFI had conducted several seminars and workshops during the past 25 years which were a great blessing to various literature agencies throughout the country. The literature ministry covers various branches of the literature thrust like tracts ministry, Bible Correspondence Course, christian magazines, christian publishing and christian book shops.

While the distribution of tracts, Bible Correspondence Courses find not much of a problem for distribution to the producing agencies, the ministry through the christian magazines and book shops are confronted with the giant of a bottleneck at distribution point.

The ELFI with due consideration to the magnitude of the problems involved in the christian book ministry through the book shop have taken up on priority basis to help christian book sellers in India to some extent by conducting a special workshop for the book sellers. Consequently a christian book sellers workshop has been arranged during February 1980, 18th to the 20th at Hyderabad where 26 men from the Evangelical Christian Book Shops have come together to attend the above workshop. Though ELFI conducted several workshops before covering different areas of literature ministry, this workshop purely for the men engaged in the sales ministry, is the first of its kind in India.

These 3 days have been well planned for a proper and balanced instruction through the experienced instructors that were arranged beforehand.

The Lord has wonderfully selected right persons to bring the right instructions on different subjects pertaining to the book shop ministry. Mr. K.V. Matthew, the manager of the British India Publication for South India, lead the group into practical thinking as to how a christian book shop can be successfully managed.

Miss Margaret Waldin of Word of Life Press, Japan brought a very useful and practical suggestions on the sales technics for a christian book shop. Mr. Frank Arthur from the Living Bible International brought in a lively plan for the book sales outside the book shop- like door to door colportage, book exhibition etc. Mr. Roy German from Bangalore, one of the veteran literature man of ELFI, spoke about the importance of keeping sharp accounts and also on the daily account procedure. The whole programme has been so well co-ordinated by the Holy Spirit to give the group precisely what was needed for such a workshop of such a short duration.

Several of the participants have testified that it had been a tremendous help to locate gaps in their performance as sales personnel. One person even went to the extent of saying, "how much I would have missed if ELFI were not existing". Yet another said, "I was just struggling to learn new ways and means to improve my ministry in the book shop and I realise that during that workshop the Lord was answering my prayers".

It was so encouraging to see some of the ELFI old timers like Bro. Roy German, Bro. Eapen and others at the workshop sparing their precious time to come and share and encourage their younger ELFI generation.

Bro. V.M. Abraham, the Secretary of ELFI has done a clean job of arranging the whole schedule and as the most leading Christian Book Seller in India through ELS has been great asset to the whole project.

The ELFI Executive met on the 18th of February at the workshop venue and agreed with satisfaction the plans for the future. They were happy to notice ELFI is gaining momentum once again to give an effective co-ordination the evangelical christian literature agencies in India.

The last day has been a busy day and the final session in the evening of significance when all the ELFI seniors and the instructors were in a panel discussion was conducted with the group. The questions and answers in the areas of book shop ministry and it has been a very interesting session bringing the workshop to a climax. ~~The closing prayer~~

Dear Sirs,

We are in receipt of your letter of 19th Dec 1980 regarding unpaid bill for Rs 227/- Inv. No. 2986 dated 1.3.79. Of course this is the third letter on the subject and as far as we remember we have been giving the following reply:-

(a) There is no outstanding bill of yours in our record...

(b) There are only two bills in our records for 1977 to 1979:

(i) E-1478 of 265.79 - Paid on 11.5.78

(ii) E-3266 of 1810.79 - Paid on 21.12.79

(c) We had also already requested you to forward to us a copy of the bill along with all orders if available, but this last request has completely been overlooked.

We do not refuse to pay the bill when it is ascertained that it is ^{ours} ~~not~~ ^{right} ~~not~~ so long we are not convinced, we are ^{afraid} ~~not~~ in a position to pay.

We shall not stop our business with you. We are the permanent customers and we do not like to displease you for nothing, but when we say that it is not our bill, this must be proved from all-round. Paying this small amount of Rs 227/- will certainly not impoverish our Church.

Dear Sirs,

We are surprised to go through the contents of your letter of 19-2-80 as the Postal authorities have thrown the entire responsibility on our shoulders for not taking delivery of the consignment. We would like to clear our position in this regard.

We received a notice from the Postal Authorities on 28-12-79 for taking ~~opening~~ delivery of the already damaged consignment. Kindly see the date stamp of the Post office. Notice is attached in original. I authorised my person Mr ALBERT TIRKEY to take open delivery on 29-12-79. Postal authorities flatly refused to deliver the packet and my person brought back the notice for record in our office. So, there is no question of ten days, but only hardly twenty-four hours.

The packet arrived Ranchi in an awful condition - badly damaged enroute, so they did not feel proper to ~~deliver~~ give open delivery also.

We know a Road Transport Corporation whose address is - Jaffer Sarang Street, P.B. No. 1354, Madras 600 001.

P

11

But, whether they will take care of the fragile articles we cannot guarantee. We have also no Road permit in our possession.

Rail Service is more unreliable. They ~~will~~ may break open the consignment to see what is lying inside and we will have to wait two to five months every time for the re-shipment. This is our day to-day experience.

On the authority of the enclosed notice you may prefer a claim against the Postal authorities. They may admit the claim after deduction of certain percentage but it will take time.

In spite of the damage, it is our opinion that sending through Postal Service is more prompt and safe than Railway and Transport. The loss was only accidental.

We suffered one more loss in last quarter of 1979. The enclosed invoice (in original) from Marina Trading Company Tillery will confirm. The Regd letter was lost and we have not received the R/R, nor the consignment. When small businessmen miss chances, they miss a lot.

Yours sincerely
Aditya

NOTE :--Cheques are subject to realization.

Dear Sir.

Reference to your kind order dt 14.1.80
we beg to say a few lines on our previous
consignment despatched on 12/12 Dec 79. The parcel
was returned to us in an awful condition. When
we made enquiry with postal Dept. They have
given a clear answer that the parcel was
"UNCLAIMED" at RANCHI Post office for more
than ten days. That caused a very high loss
to us. The damaged wafers were more than
10000 and the postal charges comes around
Rs 24/-. Hence altogether we are finding a
loss around Rs 94/- although the fault is
not at all on our side.

Hence now we are very much afraid
to send the parcel by post. If you can give
us in detail about the railway station or
if any lorry service is available we can
send the consignment. So please advice by
return post about your opinion. Also we
request you to kindly share us with the loss
but we do not compel you on this regards.
So please drop a letter if we could dispatch
by lorry or by train and the documents
through VP Letter.

Awaiting your reply

Dear friend:

We received your letter recently requesting literature in the Hindi language. I am afraid, my friend, that we have no literature in any foreign language. All our literature is printed in the English language. It would delight us very much to be able to provide literature in other languages, however, this is not possible at this time.

Let us hear from you often, as we are interested in how the messages are being received there. We do pray for you and your work there in India. May the blessings of our Lord rest upon you. Thank You for your interest.

Dear Sirs,

We are sorry for this delay in disposal of your letters dated 30-10-79, 29-11-79 and 14-12-79. Verification of your old Accounts with Varma Bros, in the names of M/s. Book Land, and in your present name, took time.

V.B. Statements of Accounts No. I, II and III, all dated 28-1-80, and VBPD Statement of Account No. 248 dated 4-1-80 are attached herewith as desired.

Two small factual errors in your letter dated 30-10-79 are:

- a. The original VB S of A dated 26-5-79 produced by you shows your credit balance as Rs. 289.30, and not as Rs. 389.30, as stated by you. Details leading upto Rs. 289.30 may be seen in the enclosed S of A No. I.
- b. The value of VBPD Bill No. 2431 dated 25-10-79 is Rs. 206.90, and not Rs. 105.00, as shown by you.

Statements I and II end up with a final ^{Debit} ~~credit~~ balance of Rs. 2.12 with V.B. in the Account of M/s. Book Land. Statement III shows a final credit balance of Rs. 41.12 for M/s. C.C.P. House with M/s. Varma Bros. The three together result in a net credit balance of Rs. 39/-.

VBPD S of A No. 248 shows a final Dr. Bal. of Rs. 148.55.

By adjusting the VB Cr. Bal. of Rs. 39/- against this, you are now having a net Dr. Bal. of Rs. 109.55. This may kindly be remitted for squaring up all the Accounts now.

The VPPs retired by you for Rs. 101.90 on 3-11-79 have been paid to us by the Post Office on 8-1-80.

We enclose our current Price List and request you to ^{order} ~~send~~ your present requirements for early supply by us.

Dear Sirs,

We hope you are in receipt of our printed letter dated 28.11.79, alongwith the enclosures.

Giving the matter a second thought, we have decided that in our mutual interest it would be better not to wait for your indent and send a few copies of the book "ISSUES & PERSONALITIES IN SEVENTH ELECTIONS" immediately, as otherwise, the same would later lose its selling potential.

Accordingly, 2 copies of the book "ISSUES & PERSONALITIES IN SEVENTH ELECTIONS" are being despatched to you by Regd. Post on 'Sale and Return' basis.

We request you to kindly display the book prominently so that you can sell a good number of copies.

The book "ISSUES & PERSONALITIES IN SEVENTH ELECTIONS" is a book which requires special attention as it deals with the forthcoming Lok Sabha elections.

We are counting upon your kind cooperation in the matter and hope that we shall not be disappointed.

Assuring you of o r maximum cooperation, always,

Yours faithfully,

Dear Mr Topno:

I appreciate your letter and the information regarding the nonavailability of the book. Thanks for your anticipation.

I have sent you 36 copies of the book Uddhar ki Yojana (all copies I had available now). The bill for the same is enclosed with this letter. You can send the payment of this and the previous bill together.

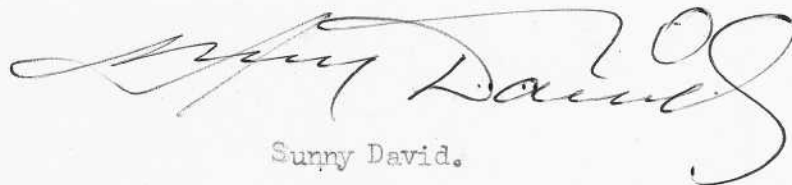

Since the other hindi books are not yet off from the press, I will have to wait to send them. I have a few more books in the press and as they come off one by one I will keep on sending to you 15 copies each. Is it okay?

Also, my 4rth book "KHALI KABR" will soon be out of stock. I have about a hundred copies left with me now. I can again send them to you, any number of copies you might require.

Due to lack of funds I cannot re-print them now. It is therefore I keep on informing you if there are a few coies left in the stock of a book.

Thanking you.

Yours Sincerely,

Sunny David.

Dear Mr Topno:

I trust you have received all the books that were sent by the Registered mail. I also sent you the bill and hope you have gotten that too.

I would like to know if a copy of the Bible printed in Great Britain (India Paper) in Hindi is available with you or can you get one for me from the neighbouring shop. These Bibles with fine white paper were available here in Delhi but they are no longer in stock of the Bible House here now. So if you have one or if you can get one for me, please send it to me and I will send you the cost.

Thank you very much for your kind effort.

Sincerely,

Sunny David.

GOLDEN TEXT CALENDAR 1980 - PRICE INCREASE

We regret to state that the Paper Mills with whom orders had been placed as early as April 1979, as in previous years, failed to supply till 25-9-1979. Therefore we were obliged to request our printers to arrange for the necessary paper from the open market. As a result the printers have now increased the price. Hence we are now obliged to increase the price of 100 calendars by Rs. 15/-, that is, Rs. 170/- per 100 calendars from 25-10-1979. The rates given in our circular dated 21-7-1979 now stand cancelled.

The revised retail selling price of each calendar is now Rs. 2.50.

Kindly bear with us this year for any inconvenience caused. We ourselves feel very much embarrassed over the situation caused by paper shortage, on account of power failures and coming election.

Dear Fellow Worker:

In the name of the God of all grace and mercy, we send you Christian greetings.

All praise and thanks to our Heavenly Father that He continues to use you and us as co-workers in the sharing of His message with other blood bought souls.

We were happy to hear that the materials which we sent have been received and are an aid to you in your work. Let us hear from you as to your literature needs which we will send as they are available.

Keep us informed of your work, sharing with us your successes as well as your problems so this information can be brought to the attention of those who help support your work.

We thank you for your prayers and ask you to daily remember us as you bring your petitions to the throne of God. What a power it is knowing that God hears and answers prayer and that He invites and encourages us to pray.

Our prayer is that the Lord will continue to bless your labors, and to daily open to you new opportunities to witness to His love.

Sincerely,

Please read Matthew 21:22

Dear Friends,

Sub: Our New Publications.

I am glad to inform you that we will be bringing out our following new publications in English by August/September 1979.

I. THE SECRET OF ARUNACHALA BY SWAMI ABHISHIKTANANDA Rs. 20/-

The secret of Arunachala is a book in which Swami Abhishiktananda, in a lucid style, discloses the inner and mysterious depths of that spiritual richness of the soul of India which her saints and mystics have experienced in the inner cave of the heart. Swamiji has rendered these inner experiences in (such) poetical images which strike a deep chord in the reader's soul, and the lucidity of this inward experience is further enriched when Swamiji gives a hermeneutic in terms of his own personal encounter. It is an authentic account of personal experience.

II. RITUALS AND SACRAMENTS IN INDIAN RELIGION,

ED. CLARENCE O. McMULLEN

Rs. 20/-

Religion, whether in its primitive or developed form, always employs symbols to express that inexpressible and ineffable reality whose character is pure numinosity. In this book the representatives of all major religions of India have interpreted the significance of ritual both from sociological and theological dimensions. It is a book which will facilitate the grasp of the reader about the meaning and significance of rituals and sacraments.
