'Today's traditions are yesterday's inventions'

From Our Delhi Office

JAN. 23.—From newspaper editors to Prime Ministers, all talk unblushingly of Indian culture and tradition. In recent years, a variety of beliefs about our past—the spirit of non-violence and the religious tolerance of the Hindus, for example—have been unquestionably accepted as part of our "tradition", but few have concerned themselves with the historical basis, if any, of these beliefs.

What is often regarded as tradition having long pedigrees, turns out to be an invention of yesterday, rooted in contemporary requirements. Delivering the third Qureshi Memorial Lecture at St Stephen's College, Delhi University, yesterday, Professor Romila Thapar, well-known historian, said traditions were not self-created, but consciously chosen.

Speaking on cultural transaction in early India: tradition and patronage, Professor Thapar said a fresh look was needed into what had been quietly accepted as "tradition". She said that in order to understand the role of religion in Indian society, it was necessary to move away from the paradigm of Hinduism as projected during the colonial period.

She said that for such a diverse country to create a uniform cultural tradition for itself could become an exercise in juggling with history. In ancient India there was no consciousness of a Hindu community, of a religious identity which cut across other segmental differences. The term Hindu was used first in Arabic sources to denote the inhabitants of the sub-continent across which the river Indus flowed. The Hindu label was also adopted later by Oriental scholars for bunching all those with religious beliefs other than Islam and Christianity.

She said that in this context it was worth examining the possibility of an inter-relation between religion and society in India, for it was a caste and sect based system. She said that even Muslims were not referred to as followers of Islam, but the reference was ethnic or geographical. The Muslims were described as Turks or West Asians (Yavanas).

Giving specific examples, Professor Thapar went on to demolish some of the pet notions about Hindu culture and tradition. She pointed out that the Dharma Shastras told of the rule of Varna (the caste system). And yet, from earliest times, there were discrepancies. Ved Vyas, author of the Mahabharata, was born of a fisherwoman whom his father, Rishi Parasara, had fallen in love with. The ambiguous origin of the mother was, of course, explained away by saying that perhaps she was the daughter of an "apsara" and left to be brought up by fisher-

men. Vedic texts refer often to many rishis as "dasiputra".

In a similar way, the royal families of the post-Gupta period often had obscure origins but fabricated genealogies linking them to "suryavanshi" or "chandravanshi".

Giving yet another example of how myths, legends and "tradition" could be moulded to suit contemporary needs, she said that the poet Kalidas changed the original version of the story of Shakuntala as told in the Mahabharata. While the Shakuntala of the epic is a spirited woman, confident and capable of fighting for her rights, the heroine as depicted by Kalidas is shy and submissive, and to justify the contemporary subservience of women, it is Shakuntala as depicted by Kalidas which is held up as an example of Hindu tradition of what a woman should be.

The Jains, she said, had their own version of the Ramayana, the Paumacaryan, written by Jain poet, Vimalsuri. This important text represents the alternate system which has been eroded from tradition. In the Jain text, which they emphasize is the true version of Ramayana, Ravana is not a 10-headed fiend, but a protector of Jain shrines. Rakshas does not denote a demon, but a protector for the word is from the root word "raks" to protect.

Unknown group behind Kuwait fires

BEIRUT, Jan. 23.—A previously unknown organization has claimed responsibility for the fires at Kuwait's offshore and desert oil fields this week, reports Reuter.

"We declare our responsibility for blowing up the three oil fields in Kuwait," said a statement from the revolutionary organization—"the Forces of the Prophet Mohammed in Kuwait"—published yesterday in Beirut's independent An-Nahar newspaper.

Fires broke out simultaneously at three Kuwaiti oil installations up to 16 km apart on January 19. There were no casualties and damage was reported to be minor.

While officials said they did not suspect sabotage, the incidents came shortly before Kuwait is due to host an Islamic summit from January 26-28. They also followed warnings from militants of reprisals if the meeting went ahead.

The warnings were issued in Beirut last week in the name of the pro-Iranian Islamic Jihad (holy war) and the Revolutionary Justice Organization.

Bangalore dethrone Madras

By a Staff Reporter

IN an exciting cricket at the Mohun Bagan ground on Friday, Bangalore dethroned Madras to win the Robinson Baria Trophy for All India Inter-University cricket tournament. Bangalore won by two wickets, but fortunes fluctuated and the spectators kept their fingers crossed almost till the end of the match.

Three second innings wickets down on Thursday afternoon, Bangalore lost their fourth wicket in the early part of the game on Friday. Sree Hari Dev was sent back by Robin Singh at 46. Sri Hari played a courageous knock in Bangalore's first innings when he and Somaiya took the score from 152 to 233 in the ninth wicket.

The new batsman Suresh along with overnight batsman Nagraj thwarted the pace and guile of Robin Singh and Rajagopal and the pair added 63 valuable runs. But Nagraj was out at 114, bowled by Dhananjay Das. The fifth wicket fell at 114 and Bangalore still needed 146 runs. Much was needed from two Madras experience bowlers Robin Singh and A. Rajagopal. Bat

beginning and the sixth wicket partnership between Suresh and Dhandapani added 106 runs. Suresh hit all round the wickets and played a memorable innings of 87 runs.

It was a pity that Suresh could not hit a century in Bangalore's first ever triumph of the university cricket title and also missed to make the winning hit. Dhandapani was stumped by U. S. Kumar off A. Rajagopal after hitting 63 runs. Suresh stayed at the wicket for 207 minutes and was the chief architect of Bangalore's victory. Rajagopal was the most successful bowler for Madras in their second innings, capturing four for 87. Robin Singh finished with 3 for 110. Dhananjay Das took one for 49.

The prize distribution ceremony will take place today (Saturday) at 3 p.m. at the SAE indoor coaching centre. Mr. Nurul Hasan, Governor of West Bengal, will distribute the prizes.

Scores: Madras—232 and 264; Bangalore—297 and 262 for 8 (B. P. Suresh 87, Dhandapani 63, B. P. Nagraj 43, Robin Singh 3 for 110, A. Rajagopal 4 for

India hold lacklustre

KOZHIKODE, Jan. 23.—Hosts runners-up China 1-1 in a lacklustre of the sixth Nehru Cup International here today, report UNI and PTI.

Down by a first-half goal scored by mid-fielder Yang Weijian, India they struck late in the second half to draw level through Pem Dorji. India and China share two points.

India's only point last year in this tournament was from a draw with China whom they held goalless. From what one saw of the performance of the present Chinese team their squad last year was certainly much better equipped in all departments of the game. The performance of China all these years had been very good and this is apparent from the fact that they had made the final four times in the five years of the tournament so far.

But the coach of the present Chinese team had been frank enough to admit that their present contingent is only a provincial side. The Indian team also is claimed to be an experimental side. But this could not simply justify the way they treated the crowd today at least for the first 45 minutes.

Caution was the watchword as India and China commenced the proceedings today. For quite a long time, the ball was confined to midfield. Among the Chinese forwards, Wang Don Hing and Liu Leyang and midfielder, Qu Gang managed to make inroads into the Indian territory, but they were relieved of the ball in time by the India defenders, led by skipper Majid.

The Indians also made a couple of forays into the Chinese half, but they appeared more intent on backpassing than going forward, thus making the task of their rival

Foo surprises Sugiarto

OSAKA, Jan. 23.—India's Prakash Padukone lost to Foo Kok Keong of Malaysia 2-15, 11-15 in the men's singles third round of the Japan Open Grand Prix Badminton Tournament here today, reports Reuter.

Later unseeded Foo produced a major upset when he beat World Cup champion Leuk Sugiarto of Indonesia 15-12, 18-13 in the quarter-finals. It was Foo's second surprise win of the tournament. The previously unheralded Indonesian beat fourth-seeded Michael Kjeldsen of Denmark in the second round yesterday.

The other leading men's seeds, Morten Frost of Denmark and Zhao Jianhua of China, however, clinched their places in the semi-finals.

Mani also once had a crack at the r in Chinese goal, but his feeble shot draw was easily collected by the China goal- custodian, tall and slim, Wang the- Weiman.

nese China earned a free-kick just cer- near the 25-yard line a little before a all half-time and the shot taken by The Yang Weijian, curved into the net these past a surprised goalkeeper Chan- this drakant Naik and the defenders they who had swarmed near the goal.

Cash upsets Lendl

MELBOURNE, Jan. 23.—Australia's Pat Cash scored the second major upset of the Australian Open at Kooyong today, beating world number one Ivan Lendl to secure a place in Sunday's final, reports Reuter.

Cash, the eleventh seed, scored a 7-6, 5-7, 7-6, 6-4 win in a marathon four-hour Centre Court struggle. It was Cash's first win over top seeded Lendl in five encounters. Lendl's loss means the tournament's two top seeds have fallen by the way- side.

Cash, who spearheaded Australia's win in the Davis Cup final on the same court last month, turned quickly to the crowd with his first raised in salute.

Australian Wally Masur was beaten by titleholder Stefan Edberg 6-2, 6-4, 7-6 in the first semi-final today. Edberg, who beat fellow-Swede Mats Wilander at the last Open in 1985 to win his first Grand Slam singles crown, needed just under two hours to score his second victory over Masur in as many clashes.

cash, whose ranking has risen from a low of 418 going into last year's Wimbledon to 13 following today's win, said he was confident of winning. "Ivan made a few mistakes that he normally doesn't and I hit the right shots at the right time." Cash said winning the third

set had proved crucial.

Cash and Edberg, two of the young tyros of the circuit, clash for the third time on Sunday. Edberg beat Cash in Stockholm last year and Cash beat Edberg in the Davis Cup final.

Sadanand shines as opener

From RAGHUNATH RAU

FARIDABAD, Jan. 23.—Sadana and Vishwanath made good use of an unexpected opportunity to open the innings by hammering an authoritative 80 against the Pakistanis in their opening first-class fixture of the tour at the Mayur Stadium here today. Mohammed Azharuddin chipped in with an unbeaten half-century and by the close, the Board President's XI were a comfortable 215 for 5.

Srikkanth having cried off from the match for domestic reasons, Ravi Shastri put Vishwanath at the top of the batting order. The Karnataka wicket-keeper-batsman, who was dropped from the India team after the tour of Sri Lanka in 1985, seized the opportunity with a mix of skill and bravado.

The Pakistanis had to make do without Imran Khan for most of the day. Imran bowled an uninterrupted spell of nine overs, during which he claimed the wicket of Sidhu, but thereafter left the field reportedly because of a stomach complaint. The attack as well as the crowd missed him. The burden was shared by as many as six others, of whom Abdul Qadir posed the most problems for the batsmen in the afternoon.

Vishwanath showed his grit right from the start against Imran and Salim Jaffer. But Sidhu, after weathering the first hour, was trapped lbw as he moved back to an Imran delivery, which swung in.

Arum Lal, who had started the season with two double hundreds in the Duleep Trophy, which brought him back to the selectors' vision, made only 19 today before being taken at first slip in the third over after lunch. That took him a full hour and 45 deliveries.

Another disappointment was Amarjeet Kaypee. The normally free-stroking Kaypee spent 81 minutes and took up 52 deliveries for just 9 runs.

Qadir, who had been introduced

the pace and guile of Robin Singh and Rajagopal and the pair added 63 valuable runs. But Nagraj was out at 114, bowled by Dhananjay Das. The fifth wicket fell at 114 and Bangalore still needed 146 runs. Much was needed from two Madras experience bowlers Robin Singh and A. Rajagopal. But they could not unsettle them at the

tre. Mr. Nural Hasan, Governor of West Bengal, will distribute the prizes.

Scores: Madras—292 and 264; Bangalore—287 and 262 for 3 (B. P. Suresh 87, Dhananjay 63, B. P. Nagraj 43, Robin Singh 3 for 110, A. Rajagopal 4 for 87, Dhananjay Das 1 for 43).

into the attack in the last over before lunch, was eluded for 18 runs in his fifth over by Vishwanath with two 6s.

Sadanand had, however, a 'life'. When on 73 in a score of 199 for 2, he sent an uppish drive back to Qadir, who dived to his right on his follow-through, but failed to latch on to the ball. Qadir, had, however, his revenge soon after when shaping defensively, Vishwanath was bowled through the gap.

Kaypee fell in the next over, tamely hooking Jaffer down fine-leg's throat. That brought Shastri to join Azharuddin, and also a touch of class to the batting.

The Pakistanis got a taste in the last session of what they are in for from Azhar on the tour. Cutting out his favourite on-side strike, Azhar was still able to get runs at will by opening the face of the bat for forceful pushes and nods through the slips and square of the wicket.

Azhar and Shastri put 74 for the fifth wicket. Shastri made 38, with a 6 off Mujtaba and three 4s before being bowled when he jumped out to Qadir. Another wicket fell before the close, W. V. Ramana being taken in the slips. Azhar was on 55, with seven 4s, while Ghai was yet to open his account when play ended.

4th Test at Ahmedabad

SURAT, Jan. 23.—The fourth cricket Test match between India and Pakistan will be held in Ahmedabad in the first half of March following a decision taken by the Gujarat Government to this effect, reports PTL.

The State Chief Minister, Mr. Amarsinh Chaudhary told newsmen here today that the organizers had been granted permission to hold the match.

for the tour stipulate that 82 overs should be bowled in a day, the Pakistanis sent down only 77 today. The Pakistani manager made a request for the reduction in the morning, and with the Cricket Board secretary, Mr. Ranbir Singh present, it was acceded to. That may also be the pattern for the rest of the tour. Also, because of heavy dew on the ground the umpires decided to start play at 10:30 a.m. instead of 10 a.m.

Ardiles avenges defeat

By a Racing Correspondent

THIS year's Queen Elizabeth II Cup won by a four-year-old at the Calcutta racecourse on Friday. It was not the odds-on favourite, Azhar, but Ardiles, who avenged the defeat suffered at the hands of the former in the Derby recently. In the process, Ardiles emulated the feats of the other three four-year-old Indian-breds—Midnight Cowboy, Sunbird and Chianti.

Following his smashing victory in the Derby a fortnight ago, Azhar was the public choice. But this day he failed to give a semblance of that performance and had to struggle to retain the runner-up berth from Sunbird by half a length.

Azhar was tackling 400 metres extra, so did Ardiles. The only difference was that, as per the terms of the race, Ardiles was, this time, enjoying a pull of 3 kg. Still, Azhar was expected to do it again in this prestige plum, as with a quickfire acceleration he had overtaken Ardiles in a trice opposite the stands in the Derby. This day, that sparkle was missing.

upsets

CALCUTTA, Jan. 23.—Despite a snook defeat at the hands of R. Radha or Tamil Nadu, Bhagyashree Sathya of Maharashtra continues to lead with six points after the completion of the seventh round of the 13th National Women's Chess Championship at the Gorky Sadan, Calcutta, on Friday, reports PTL.

Bhagyashree, who blundered in her opening, could not recover despite trying her best and had to resign after only 13 moves in about two hours. This victory puts Radha at second spot with five and half points.

In the other upset of the day, 14-year-old, sub-junior champion N. Saritha of Tamil Nadu defeated reigning Asian champion Arupama Abhankar after a marathon battle which lasted for 72 moves and about six hours. Saritha is also in second place with six points.
