Dear Sir,

Herewith I would like to introduce to you a youngman Sewak Anand Singh, of village Karajara in Berahonjer congregation of Takarma Itaka.

He is to be baptized sometimes in next Sundays. He is very likely to face the same trouble and persecution as I had to face when I became Christian. He wants to be admitted in the Theological College Ranchi, but I am advising him to attend the G.B. & B.P.K. Govindpur for one year, and then appear in test for admission in the college.

But he has another problem of stay for the next months. I am therefore requesting you to kindly give him a shelter in your hostel also during the Summers Holidays. I will be glad and thankful if you could arrange any stipend for him through the M/C and the KSS in place of any one who has left the school or if any the number is not completed.

If all these are not possible I shall arrange for his stay in the hostel and also in the training for one year.

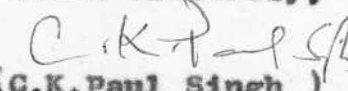

After he has been baptized in Ranchi he shall go to Govindpur. This has to be arranged so, because I am not at Ranchi in next weeks because I am going to Germany.

Therefore I request you to keep him along with you in the hostel and send the bill of the amounts spent in his stay.

I hope this has been made clear from my side. The rest we can solve when I am back from Germany.

Thanking you,

Yours sincerely,

Dear Sir,

Thank you very much for the letter dt. 15.3.78 from your office signed by the Personnel Secretary. As earlier communicated I had a plan to attend the meeting of the Board of Directors in the second half of April 1978, thus I would have ample time to discuss with you regarding the matter - i.e. a couple for working in Nepal under UMN. But since due to various unavoidable reasons, for which I am very sorry, I shall not be able to attend the meeting. Hence some clarifications:-

Since long Gossner Mission, Berlin and GEL Church, Ranchi, India are planning to send workers from our Church - some times teachers and at present nurses to work in Nepal under UMN. For that I have been authorised to find out such persons. Unfortunately till now I have not succeeded. Recently the young lady a Nurse (trained) came and offer herself for the work. As planned and agreed by the Gossner Mission she has to be trained additionally for "Public Health Work" in a training institute in New Delhi. After her training of Ten months she shall be full Board Appointee of the UMN, sponsored by Gossner Mission Berlin. The husband of the lady (Nurse) is a ITI trained man. Thus I thought and also talked with Gossner Mission, it will be good if possible both be the Board's Appointees of UMN, not necessarily in the same place.

Therefore I sent the certificate of that gentleman and requested you to kindly find out whether he will be of any work under UMN as sponsored by Gossner Mission.

The Nurse is due to join that additional training in July, before that she has to produce medical certificates etc. Thus I hope, if she comes through with medical tests, she may be also come through with your medical tests requirements.

By the last week of this month I am going to attend the meeting of Gossner Mission in Germany and shall take up the matter with them again.

After coming back from Germany I shall again write to you and try to clarify the matter better, and then follow the further procedure of the UMN.

Thanking you for your co-operation.

Yours Sincerely,
(Dr. C. K. Paul Singh)

Dear Sir,

In regard with you letter Ref 11/G/1/78 dt 17.2.78 I would like to say that due to the present trend of discussion in the KSS and with the so called NW-GELO I am unable to say any thing. Today Rev. P. Ekka, Daltonganj presented a bill for M/F for the month of Dec. 1977. In the field-Bill he has included the names of two Pastors four Cate. In the bill he excluded the amounts for Cates. S. Topno, N. Topno J. Topno. I did not sanction the bill, because you have mentioned that all Workers have Joined the NWA under your Adhyakship. Rev. Ekka has submitted the bill for Jan 1978 also. Now can you substantiate that the Catechists of the M/F have Joined the NWA under you? Or can the prepare a bill atleast for the month of Dec. 77, so that both group may get atleast their salary of Dec. 1977. I would like to have this clarification by the 2nd March 1978 after that their bill may be cleared. The Pramukh Adhyaksh is requested to clarify the matter from his side to enable the Director for clearing up the said bills.

Thanking you ,

Herrn Missionsdirektor
Pastor S. Kriebel
Goßner Mission, BERLIN

Lieber Bruder Pastor Kriebel!

Letzte Woche ich einen Brief an Sie geschrieben und glaube, daß Sie den Brief mit anderen eingefügten Briefe auch bekommen haben. Hiermit möchte ich heute einigen Informationen und "euigkeiten Ihnen mitteilen. Letzte Woche hatten wir KSS-Sitzungen u. haben wir einigen Beshlüße befaßt. Es waren zwei Freunde von der UELCI, die wir um Vermittlung für die Krise in der Kirche gebeten hatten. Es war möglich für die Freunde daß sie die Gruppe zu einem Tisch um Gespräche bringen konnten. Aber keine Fortschritt is gemacht. Die KSS hat auch eine Komitee gebildet, es ist nur eine Zeitgewinnung für die andere Freunde der "NWA 'GELC", ich, persönlich sehe keine Möglichkeit daß die Brüder zu einer GELC kommen wollen. Es wurde vereinbart, daß die Komitee wieder in April zusammenkommt.

In unserer Sitzung wir hatten viel Zeit genommen um die Punkte zu diskutieren, wie wir mit der Goßner Mission unsere Beziehungen haben werden! Der Brief von dem Kuratorium wurde vorgelegt aber der Dokument, welcher von "Vertreter beider Seite" untergeschrieben wurde, auch vorgelegt. Es wurde vehemently argumentiert, daß die Gossner Mission in ihrer zehn jährigen Programm kein platz für Goßner Kirche, daher diese direkte Beziehung von Kirche zu Kirche ist eingeleitet; in letzten Jahren wurde es gesagt, daß die GELC direkte Beziehungen mit der Kirche haben durfte, aber die Goßner Mission verhinderte diese Möglichkeit und sogar verhinderte, daß die Projekte GELC nicht weiter kommen dürften. Diese und noch andere wurde erwähnt auf Grund der Mitteilung von Herrn R.J. Lakra, der z Zt in Köln arbeit und in Auftrag von D. Lokies und Borutta usw. Mitteilungen mitgebracht hatte. Sie argumentierten auch auf Grund verschiedener Briefe, die entweder von P. Borutta u. anderen an die Freunde geschrieben wurden! Daher wurde es gesagt, daß die Goßner Mission keine große Interesse an die Goßner Kirche hat; GM spricht von neue Beziehungen, aber das ist nur eine Zeitverzögerung. Auf diesem Hintergrund sind die Beschlüsse befaßt so sollte auch der Termin um solches Gespräch verstanden werden.

Ich habe eine Mitteilung von UMN bekommen, daß ich die nächste Sitzung in Kathmandu teilnehmen und hat mir gefragt ob ich an die Informationsreise teilnehmen. Nach einem Schreiben im Protokoll der NEPAL Komm. habe ich ähnlich verstanden, Wollen Sie bitte mir schreiben wann u. wo ich eintreffe die ganze Programm mitmachen zu dürfen.

Wie steht mit der Sonder Sitzung des Kuratoriums, wo die die Programmen der Goßner Mission grundlich diskutiert werden sollte? Ich weiß nicht genau, ob ich an die nächste Sitzung des Kuratoriums teilnehmen soll. Besonders, wenn die Kuratoren selbst nicht so einigt sind, wie die Beziehungen mit der GELC in Zukunft sein soll. Daher möchte ich Sie bitten, um diese Punkte mir zu informieren und Rat zu geben.

Mit herzlichen Grüßen,

bleibe ich in Verbundenheit

Dear Sir,

Thank you very much for your kind letter, which have been received yesterday the 20th Feb. Although your letter came very late, even then I had put up the matter in the meeting of my Board. The Board members have given me a green light to go ahead with the arrangement for a Part time teaching assignment in Serampore college. By part time it has been understood by them either fortnightly or 1½ months basis. When I explained what it may mean, they agreed to discuss the matter in the next meeting, i.e. BEL-Executive to be held sometime in April. Even then I wanted to send the matter as minute of the BEL to the KSS meeting for further discussions and possible actions, but due to other serious matter in the agenda of the meeting reports from Boards could not be taken.

On the basis of our discussion I may say that my teaching for July-Sep 78 may be arranged, but it may be very difficult for the following sessions. I would like to request you to kindly contact the Pramukh Adhya and also the Anchal Adhyaksh, SEA. From my side I have already expressed my personal view and can confirm it finally only after the KSS samiti meeting in April 78.

Thanking you,

Yours sincerely

(C.K. Paul Singh)

PS

The situation in the church has not changed much. The KSS has formed a committee, which would have peace talks with the other group under the chairmanship of the UELCI. Personally I have not much hope on such talks, it is only a time winning for them to consolidate the so called NW-GELC. I am not in that committee, but I have been kept in so many other committees, this is already a sign that my friends in the KSS would not like me to release so easily.

With best of my regards and greetings,

Dear Sir,

Regarding your letter dt. 1st Feb. 1978 I have to say that the amount for the budget 1978 of Evangelistic work has been transferred from Germany, but it is not yet credited to our account, however we are arranging to pay the salaries of fieldworkers for the month of January '78.

The amount sent Rs. 30,000.00 (Rupees thirty thousand) only is meant for the Hostel Construction in the Mikir field, but you may advance an amount as it comes totaling the payment of Jan. 78. The same shall be re-embursed when it shall be sent from our account.

The bill for January 1978 is quite misleading, specially regarding the P.F. & Pen.F. deductions, however we have left it and paying ~~maxixix~~ Rs. 1021.50 (Rupees one thousand twenty one and paise fifty) only. Please correct in the next bill.

I hope this will suffice for the time being.

Thanking you,

Yours sincerely,

With best of my regards and Greetings,
Dear Brother Kriebel,

First of all I would like to congratulate you being installed in the office of Mission Director of the Gossner Mission and wish you God's blessing and guidance in your work, and hope that our co-operation and working together shall be for His glory.

Yours sincerely,

Herewith I am sending my yearly report to you for your information and for further information to the friends, congregations, and various groups.

I am also sending as enclosure a letter addressed to Pastor Wasserman in Georgkirch str. Please pass on the same to the addressee.

Just today we received the information from Hamburg that the amount for Evangelistic work is on the way, but the letter of 25.1.78 has not yet been received. Thank you very much for the first installment of the grant sent to us.

After reading the minutes and decisions of the Kuratorium meeting held in January '78 I shall be able to make my programme whether I shall attend the next Kuratorium meeting in April '78.

Next week we are expecting some friends from other Lutheran Churches who would be coming here to help us for solving the ongoing crisis in the Church. We shall also have our KSS meetings in the same week. I shall let you know if any major decision shall be made and if any good outcome of the talks with friends from other Lutheran Church would be significant.

After the meeting I shall be out to visit three mission fields which shall last till the 21st March, 1978.

It is most probable that a nurse will be ready for a training in Delhi and thereafter to go to Nepal, her husband is Fudi trained youngman he would also like to accompany her. I have asked them to submit me their certificates so that I can send them to UMN and find out whether the youngman will be of any use for UMN. Frau Friederici had advised me

MY EXPERIENCE WITH NON-CHRISTIANS

It was already Summer - about 40°C in shadow and outside temperature was almost 50°C. I had been invited to perform baptism of 15 adult persons from Munda Adibasi families. Almost every year some adults were baptised in this Ilaka. This year I had been invited, ~~because~~ because before the baptism a 'Witness Compagn' had been arranged in which Christians from six congregations were to take part in the programme and people from all different communities - Adibasis, Hindus and Muslims - were invited to hear the message from a man who has become Christian from a Hindu family.

My party arrived in the area timely - at about 11.00 a.m.. After the lunch arranged in a school I proceeded towards the meeting place. There were altogether eight 'Welcome Gates' - six were erected by the six different congregations, one was by the Hindus and the other by the Non-Christian Adibasis joined by the few Muslim families of the area. Each group welcomed us in their own way - Christians with their bhajans and dances; the Hindus welcomed with their typical seasonal war dance along with their traditional dress accompanied by traditional drums and musical instruments. Similarly the Adibasis group had also their traditional seasonal dances and musics accompanied by their own types of instruments.

When I reached the meeting place there were people from all communities, groups and ages occupying the big weekly market place. Welcome addresses were read out with their different traditional dances. Some Government (Block Department) officers along with police constables also joined the programme. All these took almost 1½ hrs. Then I started my speech on the subject chosen by me independently: "Christians and India (Our Motherland)." In course of my speech I mentioned my various good experiences in Germany: Compulsory Education, Different food, self-service shops, dutiful and faith-work and life of the people in general. This told with an aim to show the influence of Christian faith and life in the society. But even then no one is compelled or threatened that he should become Christian. Gospel is for ~~ka~~ all, Christ offered himself once for all - no more offering is necessary to get rid of evil spirit, any kind of disease, from death. Then I also mentioned why and how I became Christian and what sort of difficulties I had to face, but I do not hate my people who once hated me and even tried to do away with me.

After my speech and other programmes - Bhajans, songs and dances of Non-Christians, they had arranged a tea party, in which most of them were non-christians. Block officers and other leaders were requesting me to come in the area as often as possible, so that people may learn more about the importance of Education and different types of food stuffs. They would welcome if even at the cost of their faith - i.e. by becoming Christians ~~they~~ they would be able to grasp and accept the new plan and projects in the area.

In the evening after baptism two friends of our group arranged ~~for~~ for a healing prayer meeting. To this also many non-christians came and were blessed with healing of their diseases.

On the next morning I was to leave the place early in the morning but the richest man in the area - a Hindu came and pleaded to have breakfast in his house. When I, along with others arrived the wife of the man washed my feet and anointed with oil - the sign of utmost honour. I was very much moved, because these people would never allow that even shadow of a Christian would touch them.

Dear Brother Seeberg,

Thank you very much for your letters, regarding (1) Sister Elisabeth and (2) an article for magazine.

I had enquired about the persons responsible for the Dispensary in Purnapani, but it took much time, meanwhile I received a letter from Elisabeth telling me that she had already joined the work in Purnapani. It seems that she has also written a letter to Germany. Sister Ilse Martin was also mentioning about the news. I hope you also have already heard about this.

Herewith I am sending my written article for the magazine in English. For the word Non-christian was rather confusing that's why I have mixed the points, I hope you will be able to use the same in any form.

The German guests have already left Ranchi for Amgaon. It may be possible that you shall be able to hear from them earlier than this letter will tell you. Almost all our programmes were successful. The guests could visit many congregations and also participate in the 125th year Jubilee of Bethesda Schools. Its Total time was very short.

You might have been disappointed that no letter was sent from our end. However today I am sending a letter(s) signed by our children in Ranchi, it should have been sent earlier, but unfortunately we could not send. Although it is too late to send the letter as Christmas Greetings, I hope children of your country specially in and around Berlin will be happy to know about the letter and the message therein.

Recently I got some of the photos of that occasion taken by Frau Friederici, my wife and myself were reminded of that unforgettable event of gathering in that courtyard of Georgkirchstr.

Dear Frau Friederici,

Thank you very much for your letters and Greetings for the Christmas season. We also thank you for your kind gifts, photos etc. As I was very much busy with Christmas festival programmes, many marriage-ceremonies and preparations for my ~~Wankk~~ Hongkong trip, I was not in a position to write to you earlier. But as my trip to Hongkong hangs in air - I should have left for Hongkong on 7th Jan. 78 - so I took time to write this letter to you.

Horos are here at Ranchi, but we had no time for talk except Greeting one another on Christmas Eve. They were at my home, but I was not at home. Meanwhile there is another Indian friend in Germany, Mr. Lakra, who is also here in the region. He is very much active in discussion with Church leaders of different groups of GELC. He thinks himself as special BEAUFRAGTER of German friends having special message from D. Lokies and others. So he is trying to bring the warming groups to one table. Due to my engagements for other programmes I have not been able to attend such "INFORMAL MEETINGS". Personally although I have no hope on such meetings, but I am not against such meetings. In these meetings they have also started to talk about the letter from Kuratorium regarding the summit talk for further relationship between Gossner Mission and Gossner Church.

The friends from Lutheran Churches in India are scheduled to be in Ranchi for talks with GELC groups. For this I have no comments at present. I have been invited to Madras for a Jubilee programme, if I shall be able to go there I may have time to talk with the Lutheran Church leaders and then I may be able to form my opinion whether they will be able to help us solve our fighting in the GELC.

In the last week we had visitors from Flensburg Dr. & Mrs. Johannsen, also my physician, on their way to Jaipore Lutheran Church. I had accompanied them to Amgaon also. They left Ranchi on 3rd Jan. for JELC. We are expecting eagerly for our German guests. I hope they will be in Ranchi on 30th Jan. 78. Last month sister Ursula v. Lingen was here, who told me that she had to spend a night in Patna as there was no direct connection for Ranchi. Please let the guests confirm their flight and arrival for Ranchi and if possible inform us from Nepal.

Dear Dr.Horo,

I am very sorry that I could not see you at Ranchi and your letter also reached me late. However I was told about your coming by my wife. But due to my programmes I had to be in Govindpur. I came back on 28th Nov.forenoon.

Frl.Ursula v.Lingen was here and stayed in Lal Bangalow. One evening she came to see me and we had about one hour time for our informative talks. I hope she also visits Amgaon,before she leaves India for Japan.

In Germany I had a nice time after our meeting. But meeting itself was not so nice. We have elected a new Mission Director. Pastor Siegwart Kriebel is the new Director,who will start functioning from 1st Jan.78. We had also had discussion on the point about the relationship between Gossner Mission and Gossner Church. But we could not decide either way- negative or positive. But it has been postponed till the Summit talk' between both side would discuss the matter. With this regard a letter has been drafted addressing the GELC. But at present situation of church it is hardly possible for such talks,because there are court cases against the church instituted by the NW Anchal. Anyhow the GM is ready to continue its grants for GEL Church as it was in previous years till the matter is settled.

I hope you might have received a letter from Dr.Johansen Flensburg,Germany who intends to visit Jeypore Church including Ranchi and Amgaon. He may come to Amgaon on 31st Dec77 and leave for Ranchi on 2nd Jan.78. May be I shall accompany them in the trip. I have accepted his visit to Ranchi.

On my table is letter from Miss Subardani Ekka S/N.complaining about her discharge from the Hospital. She threatens to go to the court against the decision and the hospital leaving aside the validating of the reasons on which she has been discharged. Will it be good or possible if she will be offered a job in 'Nepal' under UMN. Please let me know. I shall be writing for her,because she has requested for my advice,until which she will not go to court or take any such action. Anyhow I hope this will not disturb your mind and work. I shall try to advise her not to go the way she intends.

Dear Dr. Bage,

Sorry that this time you did not come through Ranchi on your way to Khunti for the Meeting. I brought a message and proposal from Germany, viz. Dr. Johannsen expressed his willing that it will be very good and helpful if you could help the 'Adivasi Mission' of Jaypore Church in Orissa. They had requested me in various way for the same but as I also belong to a "Non-Adivasi" group they may object so I have proposed your name for this work. Your work would be to advise and help the young Adivasi Pastors, who are very much in Adivasi Mission but do not like to be helped and advised by the Pastors and members of Non-Adivasi communities of their own Church. For such advice and help you may need to attend some meetings of the Adivasi Mission Board of the Jeypore Church.

Dr. Johannsen is coming towards the end of Dec. 77 to settle the problems. He would like to see you and talk over the matter. He will be at Ranchi on 30th Dec. and 3rd January 78 forenoon. But in India he shall be up to 20th Jan. 78. Will you please let me know your whereabouts in these mentioned days.

With seasonal Greetings,

Yours Sincerely,

Dear Brother Hans,

I am sorry that I could not write letter earlier. I thought, I had already written to you, but after checking I found I missed to write to you.

I arrived Ranchi without much difficulty. My family was in the AIR PORT to receive me. They were doing well, while I was abroad. As I had much letters to be answered, I was very busy in my office work. After a week I was out for a Refresher Course ~~in~~ for the Missionfield workers. We had our Refresher Course in Govindpur, where there were ca 30 participants altogether. I had also plan to conduct such Refresher Course for the Missionfield workers of North West Anchal. Now if they agree I am planning this for the week 12th - 17th Dec. '77.

Today I received a letter from Dr. Johannsen informing me about his arrival in Ranchi during the last days of the year. We are very glad to hear this and specially because it fits with my plan. During the first half of January (5th onwards) 1978 I shall be out of Ranchi. First I shall fly to Hongkong for a Seminar on Mission, then from there via Calcutta I shall go to Madras for a Jubilee celebration.

The situation in the Church is still deteriorating. The court case is still lingering and it may take some months that any thing will be decided. We are unable to do any work in the Church due to the Court Cases. The NW-GELC is going to prepare a new constitution for themselves, but in the case they argue that they are being driven out from the GELC. Rev. B. Minz who is one of the seniors in the NW-GELC has applied to the Pramukh Adhyaksh that he can ^{not} continue to be in the NW-GELC because that is against his conscience, so he would like to come back and join the KSS. Likewise there are some more who shall leave the company of NWA-GELC and would like to remain in the main GELC.

We all are doing well and remain with seasonal Greetings,

Yours Sincerely,

Dear Dr. Johannsen,

Thank you very much for your kind letter informing me about your coming. It is quite O.K. with your visit to Ranchi. I shall be at Ranchi in those days, so I shall be able to arrange other things also, i.e. your trip to Amgaon, talk with Dr. Bage. I shall inform him about your coming and your possible meeting with him.

It is good that you intend to visit us in the first part of your time in India. In January I am planning to fly to Hongkong for a 'Seminar on Mission' after that I shall have to participate in a Jubilee celebration and I shall be back to Ranchi not before 20th January '78. But as you want to visit us already in Dec. 77 it fits very much with my plan. So I shall be arranging other necessary things here at Ranchi.

Dear Brother Seeberg,

Herewith I would like to inform you that I arrived here at home safe and sound. I had no trouble on the way, only it was tiresome and troublesome to go through the Security, customs, and identifying the luggage. I had also a nice time in Frankfurt, I was invited by the AIR INDIA to have a lunch in the AIR PORT Restaurant. After a 7.05 hrs. flight we arrived in New Delhi in time. But customs clearance took much time, even then I have enough time for next flight to Ranchi.

In Patna we were asked to get down and identify our luggage, because one passenger did embark the plane after reporting in the counter. Thus it was feared that the person might have given his luggage only, and there might be some explosives. But after identifying nothing was left.

At home in Ranchi all are O.K.. My family was in the AIR PORT to receive me. The Pramukh also came on the same day after his tour in the congregations. Nothing is changed in the situation of the Church. The courts were closed for festivals. The next date of cases is on 18th Nov. '77.

In the next week I shall have to conduct the Refresher Course for the Missionworkers. Here the weather is still warm mercury is swinging between 25-20⁰C during the day, but in the night it comes down till 16-15⁰C.

Again thank you very much for all kind arrangements during my stay in

Dear Rev. Manoharan,

On my table is a copy of the response given by 'Self-Study Co-ordinator for India' UELCI/DS/DCC/LWF, the Rev. Dr. N. Minz to your letters and circulars regarding 'Seminar on Mission'. As I was asked by you to organise the Seminar and as it was on my advice the venue of Seminar was changed I must take exception to it.

First of all, perhaps it was a great mistake that instead of more qualified and experienced persons and the co-ordinator like the Rev. Dr. N. Minz, the task which understand as chance, given to me and that I accepted it- though after much hesitation.

How can one face the situation, when another does not even come to create that situation? I had convened the meeting of the organising committee as nominated by you and agreed by us, but no one came - unfortunately here again the neither more qualified and experienced person nor the co-ordinator was made member of that committee. The members were very busy in handling documents for a court case filed by the Rev. Dr. N. Minz in the civil court of Ranchi. One gentleman sent an excuse writing - "please excuse me, I am very busy, do whatever you like." Thus I did what my immature mind and wisdom led me to do.

As organiser I requested the speakers to send their papers to me early enough, but no response was received, perhaps till the last day they were busy with other more important things, these were some of the indications that there was a plan for non-co-operation. So they did not and could not send the papers.

For Seminar at Serampore I was ready to go, I had even reserved Train Tickets but as envisaged, the party, to which also the Rev. Dr. N. Minz belongs, instituted another court case against the whole church as Registered and the President of the church along with the members of the Central Council - including myself. As requested by my colleagues, I could not leave Ranchi at such critical hours. According to my understanding and conscience it would not have been possible or it would have been simply hypocrisy to hold the planned seminar here and talk God's love and Salvation for all mankind and in the very next moment go to the court of 'men of other faith' and give false statements against the 'brother'. Therefore, for me it is not only 'complete immaturity of 'our leadership in the Church' and 'our psychological and

mental defeat', but it is really spiritual bankruptcy in the Church. There are not only differences, but adversities, under such circumstances, I am glad that venue was changed and atleast some people have been benefited.

Therefore, it is my earnest request to you, not to leave out the more qualified and experienced persons in such programmes so that they can arrange any Seminar in the given situation, like the coming Seminar on 'Church and Social Justice! Dear Sir,

On my table is a programme regarding the Seminar on Church and Social Justice to be held at Ranchi Oct. 18-20, 1977. Going through it I am surprised to find my name for the Chairmanship on Oct. 20, 77. During your preliminaries consultations once you had approached me being supposed that I was at Ranchi though told by some that I was out of Ranchi. On the day I was requested by you to go through the papers along with ~~the~~ some other persons. I expressed my inability due to my probable visit (Sept/Oct. 77) to Europe, but when I was told that papers would be available for the purpose in the first week of Sept. 77; But after that I did not hear anything. Now I am surprised to find my name in the programme without any pre-information or my consent. It is rather embarrassing for me and feel myself blackmailed for the whole programme. The other day Rev. Dr. C.A.B. Tirkey came and also told me that he is to go through the papers and he is also to edit the papers.

Whatever may be the case, I am sorry to inform you with this letter that I shall not be available for the Seminar, because I am already preoccupied with other programmes which are more important related to my present work and position.

Dear Sir,

As verbally informed I am to leave Ranchi on 9.10.77 by Ranchi-Calcutta plane for Germany. It is not yet definite how long I shall have to stay in Germany, but I have received a programme up to 9th Nov. '77 for meetings and visits of congregations.

As head of the church and as Chairman of the BEL please look after the work of the BEL as and when it is needed. Most urgent is the programme of the visit of two ladies from ~~Naxal Naxal~~ Nepal. Their AIR TICKET has to be paid by the Gossner Mission through us. I would have bought the ticket on behalf of the GM, but as they have not yet sent their consent to the programme made by the Mahila Samiti I could not do any thing. I therefore request you to kindly arrange them through the Head Accountant/Treasurer ~~KSS with the BEL money.~~ *be made as advance which*

The payment of Oct. 77 for the fields and BEL Central would be later on adjusted with the payment of Nov. 1977.

It is almost one year that I ~~am~~ have requested you for a plan and estimate (detail) of the same, but you have not yet submitted the same. May this be the last chance that you are requested again to submit the same latest by 10th Nov., 1977. The donors are very particular about this, therefore I have to write this letter to you. Please do the needful at your earliest convenience.

I shall appreciate if you would send the plan and estimate for the amount Rs. 30,000/- and make all preparations so that foundation can be laid down during the refresher course of Udaipur and Surguja.

To

All Supervisors
Missionfields, GELC.

Dear Colleagues,

Following are some points which had been discussed and agreed upon in different meetings in last years these were again brought to the notice of the responsible persons and I ~~am~~ have been asked to remind you all to compliance with the same as far as they are related you.

1. That all supervisors should send their Half Yearly and Yearly Reports by 15th day of the following months, (for Yearly Report 10th January and for Half Yearly 15th July). Till now due to non-submission of such reports only the allowances of the supervisors have been deducted, but henceforth it may even affect the whole bills of the following months. Along with these reports financial statements have to be attached.

Due to non-submission of such reports in time inconveniences have been felt to prepare consolidated reports to be submitted to BEL, KSS, GM, LWF etc. Therefore you are very earnestly requested to co-operate in the matter.

2. It has been found that many of the supervisors are very much involved in the administration of the established congregations/parishes etc. of the Anchals thus they have less or no time to plan and work for the missionfield. Henceforth all supervisors and Anchal Adhyakshes are requested that the field workers be not engaged in the administration of such established congregations, however on the other hand they should find ways and means to get help personell and financial for the fields.

3. As the Mission policies, financial policies and politics in general are changing day by day it is hereby again reminded of the need of 'Reserve Fund' in Anchal level for their respective missionfields, so that fields may get direct help in the days of emergencies.

This is also a point that the whole GELC be active in the mission work.

Please consult with your Anchal Officers and let the matters be put up in your respective Anchal Samitis etc. and please do your part as best as you can.

Thanking you,

Yours sincerely,

Dear Brother Pastor Seeberg,

Thank you very much for the Tele and the PTA. Though the fresh invitation is not yet in my hand I have already taken steps for 'P' form clearance etc. and I have been assured by AIR INDIA that everything would be arranged so that I can leave Ranchi for BERLIN as per scheduled planned and sent along with the PTA i.e. I shall be in Berlin on 10th Oct. according to that schedule.

Yesterday ~~was~~ ended the KSS meeting. As it often many decisions have been taken for some further steps, but as the NW Anchal has instituted a new court case on 22.9.77 many decisions have to be deferred. Now NWA does not claim for "NWGELC" which has been claimed before (three weeks since March 1977). Now they accuse that ~~some~~ other four Anchals are illegally trying to throw them out of GELC. I Meantime a parallel NW Anchal has been formed headed by Rev. J. J. P. Tiga, and had the NW Anchal led by Rev. N. Ekka not filed a case restraining the KSS for further actions, perhaps the 'new NW Anchal' might have been recognised and former might have been really overthrown.

Matter about my visit and matter of the Indian Committee of GM was discussed, there is no clear cut decision, which I have to represent. I can only report some of the discussions and incidents happening during these days.

I hope we shall have some time to talk and discuss before the meeting of the Kuratorium.

Dear Frau Friederici,

Thank you very much for your kind letter explaining about the visit of the German Guest to our Church next year during the lent season. I also received the copy of the letter written to the would be student candidate for Theological studies.

As I am planning to attend the next meeting of the Kuratorium we shall have some time to discuss all these matters again. I am tryin to arrange my documents sox as to be able to catch the scheduled flights to reach Berlin as planned in preparing the PTA.

But in the letter I would like to mention that two ladies' names have been sent to us from Nepal who would visit our Church in next month. As our programmes have been sent to them and we have not yet received their consents, I am unable to arrange anything regarding their travel. I have the presumption that GM shall bear their AIR TICKET, so I wanted to buy tickets for them, but now I shall be leaving for Germany I may give instruction to our Office (KSS) so that they will do it. The other expenses shall be borne by the Mahila Samiti. of Ranchi Hd. Qtrs. Congregation.

Dear Dr. Bage,

I am very sorry to inform that due crisis in the Centre I am unable to leave Ranchi. Hence I am not going to attend the Seminar on Mission. Really I am very sorry for this.

The situation is this that Rev. N. Ekka and party has filed a case against the KSS in the Court of Munsif in Ranchi. Thus I am also involved in the same. We have to prepare answer etc. and for this reason as advised and requested by the Pramukh Adhyaksh I have to stay back at Ranchi. However I am trying to arrange some one who shall take my talk as "Ecumenism and Mission", which I have prepared. As the duplicated copies not so good I am also sending the original one. I hope this may help to some extent in your programme. Please arrange some one to read it out.

Once again I thank you that you agreed to hold the Seminar in Serampore and saved the situation which I had envisaged, had been held in Ranchi.

Please convey my greetings to all participants, specially Rev. Manoharan and apprise him of sudden cancellation of my trip.

Thanking you,

Dear Mr. Biswas,

As we had discussion at Ranchi on 20th September I had a talk with the Anchal Adhyaksh, SEA, Rev. Bhuinya and according to my suggestion he has agreed to appoint you in the Missionfield, Midnapure districts. So you have to get ready to join your work with effect from 1st October 1977. You shall get an appointment letter from the Adhyaksh and also the place of your work and how you can go there. I would advise you to send a joining letter to him and also request him or the Supervisor, Rev. I. Guria, GEL Church, Chaibasa to send you an advance to the address of the place where you are going to work.

I hope everything will be alright and you will be happy to work in the missionfield.

Dear Brother Seeberg,

Thank you very much for your kind letter. As I had expressed not to attend the Kuratorium Meeting in October, I have already planned some programmes, Bible class, Refresher Course etc. Now as per desire and request I shall be attending the meeting. But have some requests and points as follows:-

That the invitation letter be rewritten with a date of visit beginning in the second week of October sometimes on 8 or 9, till 8 or 9 Nov. '77 (definite date be given) and mention a clear purpose of journey either to attend the meetings - with a separate programme of meetings, date & place; you may give some thing like pre-consultation meeting on Berlin, Main Meetings in Lippe - follow up Meetings in Flensburg(?) - free days - conclusion Meetings in Hanover/Berlin etc. or to visit congregations in different places with dates. Last time I had trouble to get 'P' form clearance because in the invitation no purpose was mentioned. This can be added just in the first para after the given date....to attend the meetings or to visit the congregations (programme attached in a separate sheet of paper with your signature).

Accordingly I need some time for 'P' form clearance, please book the route from your end and send the 'PTA' to AIR INDIA, MAIN Rd., Ranchi, so that it can be easier to handle the matter.

With many greetings,

Yours sincerely,

Dear Rev. Manoharan,

I am very much thankful to you ~~for~~ that the Seminar on Mission can be conducted in Serampore College. However, I have still some points for clarifications.

When the venue for Seminar was fixed there was an understanding that GELC participants could be 5 + 5; five to be fully subsidized by Gurukul and for another five I was ready to arrange for the T.A. So I nominated five supervisors from five missionfields of GELC. Now my question is - if these five persons would be coming on our T.A. would they be accommodated with food by Gurukul? I would appreciate your answer per Telegramme.

The ecumenical participants have not yet been nominated by R.C. and CNI, in my reminder I have requested to send the names direct to you both with an information to me. I hope they would do the same.

I shall be arriving on Sept. 24th morning with Ranchi Express.

I was to write to Dr. Bage, but fortunately he was ~~just~~ here just I was writing this letter. So we could have details talk regarding the Seminar.

I hope every thing will be alright.

Dear Rev. Manoharan,

In continuation to my letter No. BEL/43/77 dt. 24.8.77 I would like to reconfirm that at present situation in our Church it is not possible to conduct the proposed Seminar on Mission. As already mentioned almost we all are made involved in a court case instituted by Rev. Dr. Minz and I do not think it will be possible to come together for Seminar with good thoughts and proposals. For today I had convened the Organising Committee meeting, but no one came for the same. Thus I am writing this letter to you to kindly cancel the Seminar which was scheduled for 24th-26th Sept., 1977 at Ranchi. If you would not like to cancel, then we have to find out speakers for the Seminar. I would like to suggest that time and venue be shifted for next year in the area of any other Church. Because I do not see any sign of solution of our Church crisis in near future.

Please inform all the concerned with a copy to the undersigned.

Thanking you for your kind co-operation.

Dear Frau Friederici!

Thank you very much for your kind letters and also for the Photos. My wife specially thanks you very much for the Photos which again us back to Germany and reminds us of many nice and eventful times in Germany. Now she could really reflect some of experiences and impressions. In many occasions unconsciously she is overwhelmed with the experiences and begins to tell some of them to our children, relatives and friends.

The letter regarding the guests from Germany has been also received by the Pramukh Adhyaksh, but as these days he is very busy in preparing a document in answer to a case instituted by Rev. Dr. Minz in the local Court. After next Tuesday he might be a little free then we shall have a preliminary discussion. I hope principally he shall agree to the proposal. Only a point of discussion may be that the guests are to visit us during the Lent Season, during which in our Church Bhajan Singing, drumming, dancing and Feasts etc. are not allowed - question may arise how shall we welcome our guests and be able to show our happiness and thankfulness? Shall we give opportunity to our guests to see this type of life in our Church Or shall we be arrange the visit earlier or shall we postponed? Your suggestions shall be highly appreciated!

During my visit to Germany we could not speak about the two Nurses for their Training thus it was too late for this session, however I had advertised for the same, but it could not be materialised. We shall be trying for the next session (78/79).

As the Chairman of NCF, Rev. Karthak was out of the country for longer period I could not contact, now I got a message from UMN Hd. Qrters that he is back and would take the matter. Ladies in Ranchi are very much anxious to have the Ladies from Nepal. But for Fare they are hesitating to take the responsibility, Is there any possibility from your/GM end? Please advice.

Meanwhil I received another letter from P. C. Rai, Kathmandu about his studies (Theology) in Ranchi/India. I have not yet replied. As he is an M.A (Culture), it is not adviceable to study at Ranchi for a B.Th. degree, but perhaps better to study in Serampore for B.D degree. I am not quite sure, who shall be responsible for his scholarship.

With hearty Greetings from us,

Yours sincerely

Ref. Memo No. BEL/44/77

The Missionsdirector

Pastor M. Seeberg
Gossner Mission, BERLIN

The 24th Aug. 1977

Dear Rev. Seeberg,

Thank you very much for your kind letter dt, 8th Aug, '77. I am also very much for your prompt action to the effect that the money has been transferred to our church account. We hope in some few days it will be credited to our a/c. On my repeated suggestions and requests the amount withheld is being paid to the fields concerned. The first qtrs amount has been already paid to Surguja. I hope the next installments also shall be paid without any further complication.

Recently I received a letter and two photos from Mikir Hills that two buildings, for which you had laid down foundation during the visit, are nearing to completion. In the first week of Sep. 77 Dedication Programme has been fixed. I have been also invited for the function, but due to various reasons I shall not be able to go for the same. May be due to the flood situation in Assam all the programmes have to be cancelled.

The Situation in our Church has taken a step worse, the Principal of the Gossner College, Dr. Minz filed an Injunction case against the Pramukh Adhyaksh and other seven of the Governing Body, earlier the GB has terminated Dr. Minz's Principalship. Rev. Dr. Minz holds that Rev. Barla is an illegal Pramukh so he along with others cannot take actions against the Principal, etc.

In the last week some six American guests came in an Exchange Programme for a study tour, as LWF project. All of them were Pastors from LCA (Lutheran Church in America) which specially support the South Andhra Evang. Lutheran Church. But they did not visit that Church, as there are also same kind of troubles as in ours. As I was accompanying they asked various questions about the problems in our church and they were wondering the GM is still giving financial aids, whereas the LCA has stopped all sorts of aids till the situation in the SAELC is come to normal.

The letter sent by Frau Friederici to the Pramukh in regard with Guests had not yet arrived. I have already received it and shall talk over the matter when he is a step ahead in the court case business. Only one point is rather not suitable according to the tradition in GELC: During the lent Season we don't have feasts, dance etc. - so the question may be raised in the congregation how can we welcome our guests? But I hope we may find some way out. Or let the guests experience this part of life in our church. Or can it be changed that they visit us earlier?

With all good wishes and best of our regards

Your sincerely

C.K.P. - P.S.T.

Dear Rev. Manoharan,

Thank you very much for your kind letters requesting me to send the lists of Participants and the Speakers.

Till now I received the only information through you about the confirmation of Dr. Minz that he is willing to present a paper for the Seminar. Other Churches (non-Lutheran) have not sent their lists of participants. As the situation in our Church is going from worse to worst I am wondering what to do. I consulted the Pramukh Adhyaksh (President) and he was inclined to say that Seminar be postponed or the venue be changed to a place outside GELC.

Rev. Dr. N. Minz has filed a court case against the Pramukh Adhyaksh and in this affair Rev. M. Tete is taking active part in the side of Dr. Minz. At such situation I do not know whether the Seminar has much impact on the participant, specially when we the fighting people will be leading the Seminar.

For Saturday next the 27th August I have convened a meeting of our organising committee to discuss this, let you know the final position and shall recommend to you accordingly. It is my personal view that the date and venue be changed.

Thanking you,

Yours sincerely,

Dear Sir,

Thank you very much for your kind letter dt. 9.8.77.

After you left Ranchi I wanted to confirm the programme, but in order to inform the Pramukh Adhyaksh, who also had been invited to the Function through a letter to me addressed by the Anchal Adhyaksh. As you did not mention to me about such invitation I actually did not consider much from that point of view with you.

In our consultation the Pramukh Adhyaksh informed me that you had told him that he (Pramukh Adhyaksh) would be able to go on the expense of the BEL. Thus Pramukh Adhyaksh's going at this occasion is very much dependent on me.

As the present situation of the BEL finances does not permit such arrangement, till now we, including other mission fields, have not been paid our salaries. Thus it is embarrassing to me to go alone without the Pramukh Adhyaksh, and on the other hand I cannot bear the expenses for both. Therefore it seems to me that I have to cancel my visit to Assam. I am very sorry for such reaction on my part. But, however, if the Assam Anchal can pay its due payment to KSS (i.e. Envelope Chanda, income of buildings payable to KSS) I may reconsider the programme if the Pramukh Adhyaksh will be ready to go on the KSS expenses. Please therefore arrange accordingly.

The second point I would like to mention is that Rev. Baa's arrears of new pay-scales be given to him, as all other field workers get their new pay from January 1976. Therefore he is entitled to get this amount. I am very sorry to have come to know that on his way back he was at Ranchi, but did not meet me.

With all good wishes for the function of dedication of the Church and Quarters in Rangagera.

Dear Sir,

Thank you very much for your letter No. 160/77/F-3 dt. 6.8.77 addressed to me with a designation of Chairman, G.B., Gessner College, GELC, Ranchi. May be this is the same letter which you sent to me through your Peen with a peen beek which I refused to receive because I am no longer the chairman of the said Institution, as I have already ceased to be the Head of the GELC, and as per Constitution of the said College the Head of the Church is the Chairman of the G.B. I am quite sure that you as Principal of the College must know the change in the leadership of the GELC and you have in your earlier letters already addressed the right person as G.B. Chairman. Now I wonder how you missed to address to me.

Therefore I am forwarding the said letter to the Pramukh Adhyaksh, Rev. S. Barla, who is the actual Chairman of the G.B. Gessner College, GELC, Ranchi, and he would do the needful.

D e a r Sir,

Earlier I wrote a letter dt. July 7, 1977 to you requesting you to pass on the message to the Chairman, Christian Council, Nepal that the Ladies' Organisation of our Church in Ranchi would like to invite two ladies from Nepal, who would be interested in church life of a bigger Asian Church. I would have communicated this message to him during the meeting of the Board of Directors, UMN in April last. Unfortunately he was not available. So I left the message for him.

Our Ladies would like to bear all the expenses for the guests during their stay of two to three weeks (end October to November 1977) in India. The travel expenses have to be otherwise arranged. As the time is nearing, I would once more request you to kindly pass on this message, so that if the guests would be ready to come we will have to make necessary arrangements. If timely arranged I may be able to tap some sources for their travel expenses.

Dear Paster Seeberg,
Please excuse me that I am writing this letter after a long interval. A letter has been already sent to you giving some of the then current news.

First of all I would like to mention that I could not find trainees for Public Health Training in New Delhi. As the date was too late I had to give very short notice-circulation. However if you wish for next session 78/79 I may circulate the advertisement already in Nov./Dec. '77.

The situation of the church is becoming more complicated and crucial. Till now paper(pamphlet)-War is going on from various sides, you might have already received some of them. The declared "NWGELC" has also included the Dharam Pradesh Group(not all joined). In Ranchi Hd. Qrtrs. Congregation, there are four church services conducted, two are conducted by the NWGELC/Dharampradesh. It seems that all are hesitating to go to the public court against the other because by such actions they fear they would lose the public support.

As there has been no open fight or clash for property the matter seems to be involving the top leaders only. In very few places congregation members are wrongly guided and misguided.

The "NWGELC" has applied in many offices and places for recognition, but till now, it has been not possible to get the same. The UELCI, Madras has also expressed its concern for the GELC, but it has not taken any concrete proposal. They want to come and visit the 'parties', but no date is given. Some have expressed to invite LWF for mediation, while some laymen of Ranchi are trying by themselves for a constructive solution. But to me it seems that the cold war has taken such a turn that GELC of the time before Jan. 13, 1977 is difficult to visualise.

Some of the NW Anchal are trying in their way to form 'a legal' NWA of GELC, as other one has declared itself "NWGELC".

Till now the institutions are being run in their utmost minimum, Financial position is insecure. As the BEL has also not got its 2nd and 3rd Installment, the payments for SEA, MA and OA field workers and central office have been also stopped after reserving the amount of payment to NWA field workers. I would like to know whether the 2nd and 3rd installments of your grants have been withheld in Berlin or is it some where wrong in Bank transaction. I would be glad for the information so that I can inform the concerned correctly.

Dear Sir,

After getting a letter addressed to three pastors of NW Anchal and myself signed by you dt. 19.7.77, Ref. No. 241/77/F-48 with a caption "OFFICE OF THE NORTH WEST GEL CHURCH, RANCHI" of which you seems to be the Secretary, I did not think it to be proper to write to you with that designation, because I still do not recognise that church. I find it also to be improper to be assigned by you to any other party, because I still belong to your party/client of GELC of which you are legal adviser and Advocate by whose grace or favour I have lost the case No 232/73-75. I think it is also against the code of conduct agreed by any Bar-Association or 'Council of Lawyers', that any advocate should join the opposition party of his own party or Client.

Please excuse me for this round about way answer. May be, I have not followed which 'Vishes Suchna' you mean, because these days there are so many 'Suchnas'.

The July 8. '77.

To

The Missiondirector
Pastor M. Seeberg
Gossner Mission
Berlin.

Dear Brother Pastor Seeberg,

Thank you for the letter dt. 21st July '77 dictated by you and signed by Frau Schulz. Accordingly I have announced for the Training of two nurses in Delhi, but as the joining date is 15th July it may be difficult to find out candidates, however we may prepare them for the next batch. I shall let you know about this later on.

The situation in the church is deteriorating day by day, each and each group is trying in his own way to consolidate his own position. The NW Anchal is going to celebrate on 15th July the amalgamation of Dharampradesh with NW Anchal. This means that the NW Anchal is trying its utmost to bring all decident Uraens under its fold, but on the other hand there are others within the NW Anchal who are preparing for a walkout from the NW Anchal because they do not want to go out and join or create other new church. The recognition of NWGEL church by other bodies is still not visible, but even then NW Anchal seems to be determined to get separated.

Besides financial and administrative problem for all the immediate problem have come up in regard with Theological College and Gossner College - who is the Chairman? - or who is the real Proprietor of these institutio. With these questions of finance and recognition from their departments are also in question. I also happened to read the copy of the letter addressed to you by Rev. M. Tete. To this I would say that statements and arguments made to clarify the matters are incorrect and incomplete.

For 30th June Officers' Meeting was to be held, but officers from Khutiteli did not come. Thus many important matters could not be discussed. It seems that the two officers from Khutiteli would also like to go the way of NW Anchal, but the difficulties are that they have no support from the congregations. In that meeting I also wanted to raise the question of my attending the Kuraterium meeting in Oct. '77. I told the Pramukh Adhyaksh that I would go to attend the meeting only when KSS would give a definite line of thought or policy for the discussion in the meeting of the Kuraterium. I am not quite clear when is the Indian Committee meeting. I shall - if I would come - not be able to go to Germany in Sept. '77. Please convey your opinions with this regard.

With best of my regards,

Yours sincerely,

Dear Brother Seeberg,

Herewith I am sending back a letter addressed to you received here after you left Ranchi. I hope this my letter shall find you safe and sound back in Berlin. At this point I would like to state the following points for your kind and favourable actions:

1. Please write two separate formal invitation certificate/letters signed by you as usual - one for my wife: Mrs. Ohmati Singh and another for me, because for my wife it was mentioned only Mrs Singh and for me it was signed by the Acting Director, so let there be two separate letters signed by only one signator with the usual official seal.

2. Please request your Bank to issue two separate cheques in favour of AIR INDIA indicating on the cheque travel cost for Mrs Ohmati Singh and on another cheque my name and please send them at your earliest possibilities at my Ranchi address, so that I can show the AIR INDIA representative at Ranchi for 'P' Form clearance and then give him the cheques while receiving the tickets.

Herewith I also inform you that due to the election etc. I could not get a certificate to travel to NEPAL. I have sent a message for Frau Friederici. I shall be going for the meetings only. I hope by that time I shall get the certificate. I am very sorry to miss the visit of the projects of the UMN before attending the Meeting of the Directors.

गत वर्षाओं की तरह ही अब वह समय आ रहा है, जब आप के यहां मिशन-पर्व भी आने हो वाला है, आप अवश्य ही इस साल भी मिशन पर्व मनाने का स्तान अपने पूरे इलाके में करेंगे। इस पर्व की मानना आनन्दपूर्ण, अच्छा और आवश्यक भी है क्योंकि इसी दिन (२१ नोवे०) मिशनरी हमारे बीच सुसमाचार प्रचार के लिए अपना तम्बू रांची में खड़ा किये और यही दिन हमारी दलीसिया का स्थापन—आस भी माना जाता है—पंजिका देखें। अतः यह दिन हमारे लिये सुभी एवं धन्यवाद का दिन होवे, साथ ही दूसरों तक पाये हुए सुसमाचार को पहुंचाने के लिये प्रार्थना एवं आत्मसम्पर्क का दिन भी होवे।

मो हाव ।

अभी सारे जगत एवं हमारे देश को भी पर स्थिति है कि सुसमाचार-प्रचार के लिये हम दूसरों पर अधिक भारोता न रखें - ओटोमोमल कहाने वालों को लोसिया के लिये तो यह और भी नहीं शोभता है । अतः आप मिला पर्व मना कर अपने होने सुसमाचार प्रचार के लिये प्रार्थना, सहायता एवं सहयोग के लिए सभी को जागरित करें, इसलिए अच्छा होगा कि मिला पर्व के लिये विशेष कार्यक्रम (उपासना-गिर्जा-न्ती, गान-भजन, होड-खेल-कूद-समझौ आदि) बनायें ।

इस लाल के मिलन पर्व का उपदेश ४ वचन २ दुरि० ५:१७-२१ है, नयी सृष्टि की आगि में हम परमेश्वर की संगति में मिलान के पहचानें और इसी निमित्त जीवन दिलावें और काम करें । मिल मिलान का सुमाचार प्रचार को जवाबदेही भी मिला है । आशीर्ष के साथ जवाबदेही है । जवाबदेही को पूरी करते हुए हम परमेश्वर की आशीर्ष में — संगति में दृढ़ हो सकते हैं ।

आप अपने हस्ताक्षरों में मितुन पर्व मानने, सुसमाचार प्रचार करने का रिपोर्टिंग हमारे यहां भेजें। मितुन पर्व के धन्यवाद दान को आप अवश्य ही सुसमाचार प्रचार कार्य के लिये ही दें।

Dear Sir,

Herewith letter and copy from the NWA Office (Ref. Nos. 310-11/76/F-27-A) are acknowledged. I would point out the following points for your information and record:

As it is the Anchal who is really to look after the field and the BEL is to assist the field in the work, instead it seems that it is the BEL which works in the field and the Anchal assists.

"The loans" given to the field may be considered as help to the field, and as the Anchals are not responsive to the centre there is no obligation to be responsive and in this point I utilise my discretion.

There here no deduction shall be made. The arrangements would help the field and not the Anchals. Anchals have deducted at their own wills and they have even used the amounts for their own purposes. There are still amounts lying with the Anchals which ought to be either given to the field-workers or centralised to the KSS treasury. With this regard your letters do not indicate anywhere. Please Clarify this point also.

The 12.7.1976

Herrn Missionsdirektor
Pastor Martin Seeberg
Gossnermission, BERLIN

Lieber Bruder Seeberg!

Vielen Dank für die Briefe von Juni 15. u. 16, wie Sie geschrieben haben, sind zum Urlaub Portugal gefahren und haben Sie dort schönes Wetter und die Ruhe. Einliegend ist noch ein anderer Brief, den ich an Frau Friederici adressiert habe. Hier möchte ich einigen persönliche Meinungen mitteilen.

Zuerst zur Kuratoriumssitzung möchte ich sagen, daß ich zu der Sitzung kommen werde und zwar schon von Sep. 15 abfliegen und bis Okt 22. bleiben und am 23. Okt zurückfliegen kann, d.h. ich brauche eine neue Einladung/ Certificate worin es bestätigt wird, daß ich von Sep. 15. bis Ende Okt. eingeladen bin, diese wird mir schon ausreichen, wenn ich diese bis 10. Aug in Hand haben, es wird besser wenn ich auch den PTA bis dahin bekommen habe.

Meine Bereitschaft zu diesem Besuch ist deswegen eher möglich, weil gerichtshofliche Entscheidung ist gegen mich gegangen, in der zweiten Phase des Verfahrens ist es ex parte zum Gunsten der Gegenpartei entschieden. Nach dieser Entscheidung bin ich nicht mehr der Amtierenden Pra. Adhyaksh, die Kirchenleitung muß jetzt einen neuen Pramukh Adhyaksh wählen. Ich weiß noch nicht wie NWanchal dafür reagiert. Dr Minz hat auch mir nicht berichtet, wie die Diskussionslinien in Deutschland verlaufen ist. Es ist klar, daß mit diesen neuen Entwicklungen die Gossner Kirche in eine neue Situation eintritt.

Zur "Freundschaftsreise der Freunde aus Gossner Mission möchte ich sagen daß bis jetzt keiner gegen solcher Besuch eräußert hat, und ich glaube es wird uns nützlich sein wenn die Freunde uns auf dieser Weise beistehen wollen. Nur eine kleinere Änderung möchte ich vorschlagen, daß eine Gruppe Khutitoli besucht, vielleicht anstatt Gumla, die 2. Gruppe besucht Khutitoli. Bis jetzt habe den Reiseplan keinen gezeigt, kann dies schon geregelt werden.

Gesundheitlich gehtes mir besser, ich war mit meiner Familie in Anagaon gewesen und auf den Rat von Dr Horos nehme ich jetzt Tabeletten anstatt die Spritze. In-zwischen habe ich die Insulin von Dr Johanssen und Dr Grothaus bekommen.

Mit herzlichen Grüßen an Sie allen,

Ihr

The 30.6.1976

Lieber Hans!

Herzlichen Dank für "einen Brief vom 23.5.76", ich danke Dir auch für Deine Meinungen u. Beratungen. Inzwischen habe ich auch das Protokoll von der Indien-Ausschuß-Sitzung von Berlin bekommen. Mir haben beide Schreiben sehr viel bewegt wie Ihr für uns denkt und tun wollt, obwohl wir selbst nicht so wissen oder wollen. Ich versuche noch von meiner Wissens nach mehrerer Weise, die sterbenden Parteien zusammen zu bringen, natürlich nicht so, wie eine oder andere Partei das haben möchte, bis jetzt bin ich leider erfolglos. In Juni 8-10, hatte ich alle Ilaka Chairmen, Anchal Adhyakshes und die Leitern der Theologischen Institutionen nach "anchi zudem Refresher Course eingeladen. Außer Assam waren alle dabei gewesen, und wie Du weiß es schon, auch Dr. Minz war auch nicht dabei, so konnten wir über die traurige Situation der Kirche ernsthaft nicht besprechen, aber doch hatten wir einen ganzen Nachmittag das Problem besprochen sie haben einander vorgeworfen, einer oder anderer ist schuldig für die jetzige Lage. Einigen Jüngere Pastoren haben mir geraten daß ich eine "Executive" formen soll mit den Repräsentanten von der Ilakas und nicht von der Anchals. Außerdem mußte ich den Anwesenden von der verschiedenen neuen Gesetzen informieren, die bes. von d. Regierung verabschiedet worden sind und für die Kirche sehr wichtig sind, zB Land Ceiling Act, Urban Land Ceiling Act, Income Tax Exemption/Charitable Institution Act, Foreign Exchange Regulation Act. Ich habe den Freunden klar machen müssen, welche Schwierigkeiten kommen wollen, wenn wir wegen jetzigen Lage der Kirche den neuen Gesetze nicht nach gehen können. Es liegen die Gefahr, daß unsere Grundstücke beschlagnahmt und unsere Einkommen und Vermögen versteuert werden! Damit wollte ich versuchen welche Dringlichkeit und droht, wenn wir die Streitigkeiten schnell zu Ende nicht bringen.

Inzwischen ist mein Blutzucker besser geworden, in Anfang des Monats hatte ich eine Untersuchung, es war 95 mgm (ohne Frühstück) u. 115mgm nach Frühstück in der Nacht war es null (nach der Benedicts' Solution methoden. JUNI 16-18 waren wir eine ganze Familie in Amgaon zum Besuch gewesen, nach Beratung mit Dr. Horo nehme ich jetzt Tabletten (Rastinon von Firma HOECHST) anstatt Spritzen. Jetzt nehme ich zweimal 1/2 Tablette täglich. Inzwischen habe ich einen Brief von Ranchi/India bekommen daß sie auf Dauer INSULIN nicht besorgen können.

Ich schreibe, so auch Pastor Seeberg, werde ich wahrscheinlich zur Herbstzeit nach Deutschland (zwischen Sep 15 bis Okt 20) kommen. Ich werde an P. schreiben um einen Einladungsbrief für verschiedenen Formalitäten. Ich hoffe Euch besuchen zu können.

Alles geht es gut, hier hat es Monsoonszeit schon angefangen
Mit herzlichen Grüßen an Euch allen,

Dein
Paul Singh

The *19.5.76*

To

The Secretary Orissa Anchal
Rev. M. Kujur, GEL Church
Rajgangpur, P.O. Rajgangpur
Dt. Sundargarh, Orissa.

Dear Sir,

Thank you very much for your letter No. 31-76/OA dt. 10.5.76 regarding the Mission Field. I am surprised to go through the letter. It pains me much that the Orissa Anchal decides to close the mission fields. If the Anchal is unable to continue its foremost task of the Christian church what else could it do? This type of situation had already been pointed out since 1967, that the GELC has to establish its fields to do the mission work by herself, according to the Anchals were also requested to form a reserve fund for this purpose. The Anchal has to continue its mission work along with the responsibilities within its jurisdiction. Non centralisation of incomes is a part of administration, but mission work is a part of Christian spiritual confidence. Hence the Anchal has to carefully consider and mobilise the whole Anchal, each and every Christian of the Anchal for the task.

According to the letter mentioned by you it has been pointed out the administrative side of the problem, which has to be solved through the cooperation of all Anchals, if one Anchal neglects the total administration has failed. This I tried to hold up by giving time to all Anchals. Thus the payments of the mission fields for first quarter have been held up till they pay their promised amount payable to the centre. Now the payments for April 1976 has been released. Therefore the Anchal is requested to send the bills for April '76 according to new pay scale.

Please do the needful. I hope, when the Anchal Adhyaksh Rev. S. Barla and the Supervisor shall attend the meeting/Refresher course in June many things shall be clarified.

Thanking you,

Yours sincerely,

To

Dear Brother Borutta,

I hope you have received my letter including a copy of the agreement in the "Informal Talks". Though there are great hopes to have the ways found out, but I am still confused how the brethren try to interpret, understand and do for their gain deceitfully. Any how I shall be trying to do the best, but shall in no way agree to divide the church in "Communal Synods" as some would like to have.

Herewith I am sending the copy of a letter addressed to Rev. Dr. N. Minz who wrote letter in reply to your letters. The spirit of the letter may be too hard but from my present status I have to explain my position and difficulties which are men made.

I have no objection that any body would write to him or he would reply to any one, but there I tried to show the total picture of the situation which he has misrepresented. Perhaps it would have been better to tell the truth, why I stopped all payments, and that he is not centralising even the promised amounts (incomes, loans), he might have requested you to find money on his behalf. Thus I am enclosing some of my letters addressed to all Anchal Adhyakshes to supplement my arguments. I hope you shall be able to understand my position and difficulties and shall not be annoyed.

With best of my regards,

Ref. Memo. No. BEL/5/26

The 11th March 1976.

To

Rev. Dr. W. Winz
Anchal Adhyaksh NWA
GFL Church Ranchi.

Dear Sir,

Thank you for sending the copy of the long letter addressed to Pastor H. Borutta, West Germany, and also the letter addressed to Pastor Seeberg, Berlin, both letters dated 8.3.76. Herewith I have to say the following points, not on the whole letter I could but only the 1st part of III page of the letter addressed to Pastor Borutta.

As a matter of fact as the Acting Pramukh Adhyaksh, I have already informed all concerned including your goodself, why all payments have to be stopped. This has been done variously, written and verbal, through letter and reports.

Please see my letter No. 890/75/KSS-19 addressed to heads of the theological institutions, Supervisors of Mission Fields with copies to all Anchal Adhyakshes. See also my "Report on the present crisis in our GFLC" given to you also on 19.2.76 during the informal talks. Please read there items of "Board of Properties" and "Finance". The same matter, why all payments have to be stopped is again written on 26th Feb. 76, letter No. 29/76, KSS-145, see also my letter No. 37/76/KSS-134. Thus it is very much surprising and shocking to me to read your above mentioned letter "Such a pressure Hanover."

If you would not have understood the matter even after so many repeated indications, it would have been proper and better to enquire the matter direct from the Director, BEL, or still much better from the Acting Pramukh Adhyaksh who holds the sole authority at present, than to write to Pastor Borutta for enquiry and action. If you are so frank as indicated in others letters addressed to Pastor Seeberg, you should have complained direct to Berlin or to me. I understand this action of yours as a mistrust. Therefore it will be good and proper to pass no-confidence motion against the present sole authority, the Acting Pramukh Adhyaksh, Rev. Dr. CKP Singh and not against any other, on the ground that he stopped all payments-including that of mission fields. But it may be too soon at this time to pass no-confidence motion against the Acting Pramukh Adhyaksh, therefore it will be better to think twice before doing so, and the following points may kindly be considered:-

To use your own words in that letter one important thing has happened during our struggle for new constitution in our church---since Oct. 73, that Anchals have not co-operated in centralising the amount payable to the centre, but used or let use such amounts in the Anchals. As already indicated Berlin has nothing to do with any pressure as accused, it is neither from the central administration, nor one can say that the Acting Pramukh Adhyaksh or Berlin is not interested in proclamation of the Gospel.

But the fact is that the Anchals are not interested to support the centre, which has to maintain the theological institutions and the church offices. Anchals are not centralising the payable amounts even after repeated reminders, requests and appeals; why should these innocent people of theological institutions and central office suffer for no fault of their own?

As I have repeatedly informed being the Acting Pramukh Adhyaksh I am responsible for all employees that they be paid regularly. I cannot allow so long I am the Acting Pramukh Adhyaksh that only some (sons) are paid and others should starve for no fault of their own. Now-a-days it has become a daily feature that employees in the central office are requesting and pressing for payments. They have no source, no way and means, how can they pull on? As Actg. Pr. Adhyaksh I am even tempted to think that I should adjust the amounts payable to the mission fields with the amounts payable to the centre by Anchals, this had been in earlier days, but as director BFL I shall never agree to such adjustments.

Now it is already 10th of March '76. According to my letter dt. 26th Feb. and 5th March '76 all Anchals should have deposited the payable amounts in the centre, what shall I do? shall I close the theological institutions and the central office? or shall we as autonomous church beg for money from our friends in LWF and GM, specially when we are tightly and comfortably sitting on money, landed properties etc, perhaps in the hope to run the three would be Dioceses in the third solution of the new constitution?

I hope that you and friends here and abroad see my points. Please give your contributions to the centre for different payments, as soon as money is there for all, all should be paid immediately. I am not ready to pay only some. Please do your part.

Thanking you,

Yours sincerely,

The 2.3.76

Herrn Missionsdirektor
Pastor M. Seeberg
Goßnersche Mission, Berlin

Lieber Bruder Seeberg,
Höfentlich haben Sie inzwischen meinen Brief mit der Einlage von der Einba-
der Informal Talks schon bekommen. Es war sehr schwierig die drei Meinungen
zusammen zu bringen. NWAnchal verlangte Informal Talks mit der Bedingung, daß
die andere "drei-zewi-Diocese" Theorie annehmen und NWA zur Wahl kommen kann,
d.h. jetzt nicht mehr die Rede von implementation von der "adopted constitution".
Madhya Anchal wollte die se neue Verfassung unbedingt in Kraft setzen, nur dazu
wollte die neue KSS bilden; SEAnchal und die andere sagten, sie können bzw müssen
die neue Verfassung in Kraft setzen aber nur nach dem neue KSS gebildet ist und
darüber einigen Verbesserung eingefügt ist, so muß NWAnchal zuerst die Wahl
vollenden.

Um ~~die~~ Wahl von NWAnchal vollendet zu haben, sind wir bereit eine neue Verfassung
mit "drei Dioceses" zu haben. Damit denkt jede Partei etwas gewonnen zu haben, nur
nur Madhya Anchal fühlt sich verlassen. Ich weiß nicht wie die Anchal reagieren
wollen, wenn sie ihre consent bis 15. März geben müssen. NWAnchal hat schon zur
Wahl den Termin festgelegt, aber genau an 15+16. März '76. Es ist schon verdächtig,
wenn von irgendetwelchem Anchal negative Antwort kommt, können sie (NWA) noch etwas
anders tun. Aber ich glaube, NWAnchal wird die Wahl durchführen. So überlege ich
sehr, wie oder was soll man am 18-19 März verhandeln: soll ich Acting noch weiter
machen oder soll ich aufgeben?

Ich komme zu solcher Überlegungen, weil ich hier sehr viel *handicap* *ped*
bin mit der non-co-operation in der financial matters. Sie haben durch meine
verschiedene Schreiben erfahren, daß wir viel an Finanz leiden. Besonders seit
Nov. 75 zahlt uns niemand ein, außer SEAnchal ca 500/rupees, so können wir ~~den~~
theological Institutionen kein Geld mehr bezahlen als das was wir von Ihnen und
dem LWF bekommen haben, wir können auch den anderen in KSS office nicht mehr be-
zahlen. Da ich zur Zeit für alle die finanzielle Verantwortung habe, kann ich
nicht nur den einigen bezahlen, zB den Mitarbeitern in Missionsgebiet, daher
habe ich die ganze Bezahlung seit Jan. 76 zurückgestellt. Ich habe an allen
Anchal Adhyakshas geschrieben, daß sie das Geld was wir von ihnen bekommen zu
haben, unbedingt nach Ranchi schicken sollen, aber bis jetzt ohne großen Erfolg.
So können wir weiter nicht gehen, wir können aber auch eine neue Verfassung
ohne Geld nicht machen. Ich bin nicht bereit, den LWF oder GM um das Geld bitte
wenn die Freunde hier fest auf das Geld sitzen, vielleicht für die Zukunft mit
Hoffnung daß die Kirche in drei Dioceses geteilt wird! Ich hoffe, daß ~~ich~~
das beste tun werde.

Nun möchte ich etwas von mir selbst schreiben. Ich habe schon angedeutet, daß ich
die Medizin Depot-Insulin Hoecsht Klar noch brauche. Ich habe gehört, daß Frau
Friederici auch nach Ranchi kommt. Wenn das möglich wird und ihr keine Schwierig-
keit macht können Sie mir die oben genannte Medizin mitschicken. Ich habe
an Frau Grothaus auch um die Medizin geschrieben.

Eine weitere Punkt ist noch zu erklären, ob ich zur nächsten Kuratoriumssitzung
nach Deutschland kommen werde. Das ist sehr viel davon abhängig wie es am 18-19.
März entschieden wird. Wegen meiner Krankheit und derer Weitere Untersuchungs
willen möchte ich hinfahren. Wollen Sie bitte je nach der Möglichkeit notwendige
Unterlage zu meiner Reise mitschicken.

Hiermit schicke ich die Jährliche Reports on Works of the BEL. Die gesamte Ausgabe
für 1975 war Rs 507,531.10, *deducting the field incomes.*
mit herzlichen Grüßen

Ihr

Dear Sirs,

Thank you very much for your letter Ref.No. all dated 29.1.73. I am surprised to read and find the tone of your letter. I know the situation of Mikir Hills though not better than you, but also I know the attitude and responsibility of your Anchal showing towards the field and its workers in an irresponsible way since last eight or nine years. When did you pay the salary of the workers (October payment)? You have not replied to my letter yet. It is really the love of the friends for Mikir Hills that inspite of the negligence and irresponsibility of the Anchal they have always special care for the fields, but till now it is the Anchal who is not taking any meaningful steps for the field. For this I am pleading and crying since 1968, but without result.

The sum of Rs. 88175/- has been already transferred to your Bank Account at Tezpur in Nov. 1975, but you are blaming me without reason. But I have letters from responsible persons of your Anchal, that Anchal officers Assam Anchal are and may be misusing the mentioned fund irresponsibly. That is up to you to clarify the matter.

As you have been already informed that for next two years budget of Mikir Hills shall not be included in the GM budget, thus in the submitted budget for 1976 and 1977 no amount has been given for Mikir Hills. Therefore you are very kindly requested to use the money very carefully, diligently and faithfully giving statements and accounts to GM and friends of Westfalia with a copy to the undersigned.

From the total amount of Rs. 88175/- an amount of Rs. 7000/- is meant specially for schools in the Mikir Hills field, only Rs. 81175 is the amount donated by the church in Westfalia. Therefore the amount meant for the schools be used separately and statements and accounts be furnished separately to the undersigned.

As treasurer you have to be responsible to keep the accounts of field incomes also and officers of the Anchal be responsible that half yearly and yearly reports are submitted to the undersigned.

I hope now the whole responsibility has to be taken care of by you--use of money, furtherance in the work of evangelisation and development, keeping of Christians and workers in a responsible way.

Please go and check up your Bank account and report to the undersigned accordingly without further delay.

Yours sincerely,

The 16th Jan 1976

TO.

The Mission Director,
Pastor M. Seeberg
Gossner Mission
1 BERLIN 41
Handjery Str. 19/20

Dear Brother Seeberg,

Herewith I am sending the Budget for 1977, of BEL for your favourable consideration, from the submitted total amount of Rs. 802,832.56 a sum of Rs. 590,174.84 has been worked out taking previous years' accounts. As due to the administrative crisis of the Church the BEL cannot meet to discuss the budget, the final amount is forwarded with following remarks being aware of the financial and political developments in and outside our Country the Gossner Mission may kindly ignore my remarks and comments if and when the said development is ignorable and do the best for the GELC. The budget for 1977 of Evangelistic work of GELC has been prepared according to the new pay scale increments, thus the amounts increased in the part of budget (Salary, PF and Pen. F) are unavoidable. In addition to this general remark there are some particular remarks :

I Central Office :

The increase is only due to the yearly increments in pay. It would have been better (as it was the understanding among BEL members) if for 1977 amount for Refresher Course were Rs. 12,000/- so that a week long Refresher Course of field workers could be held in one place, probably at Ranchi to encourage them, but as the Grand total of the budget increased too high, the amount is kept only Rs. 8,000/-

II SE Area (SEAnchal)

The amount has increased due to the increments in salaries; amounts may be deducted from the items of Land purchasing, Construction and repair works totaling Rs. 3,000/- only. It will not be possible /good to be engaged mostly in these works in so many places in so many ways leaving aside the main task of preaching.

III Bamra Area (Orissa Anchal)

Usual Course of increments has increased the amounts; proportionately seen with workers of other fields an appointment of 4th pastor is not required, therefore a deduction of Rs. 3,570/- only may be done.

IV Udaipur (NWAnchal)

In spite of the increase in the amount due to increments, budget is modest. The Bible Class item (Of Rs. 350/-) and from Land purchasing (Rs. 1000/-) and Miscellaneous (Rs. 1,500/-) totaling Rs. 2,850/- may be deducted. The appointment of a new pastor is necessary.

V Surguja Area (NWAnchal)

In addition to the similar increments many more new workers have to be appointed; provisions may be made for one pastor and three pracharaks, i.e.; a deduction of Rs. 8,943/- only. From item III (1-4, 6, 7, & 18) total of Rs. 98,100/- may be deducted; these amounts of bigger projects of constructions, land purchasing and equipments be submitted to Dr. Neudorfer LCA. As the field income for 1975 was Rs. 21,851.51 the income for 1977 be kept Rs. 25,000/- as well as for 1976 Rs. 23,000/-. Thus a total sum of Rs. 119,043/- may be deducted.

VI Palamau Area (NWAnchal)

The area is mostly covered as diaspora work, they are to be organised. In

Ref. Memo. No. BEL 1/76

The 16th Jan. 1976

In addition to the usual increments new appointments have increased the amount. I think local pracharakas should not be allowed field allowances (this may apply to the workers of other fields also) and so Rs. 1200/- may be deducted for ten local pracharakas' allowances; instead of seven only three new appointments be made - less Rs. 8,574.72. For item II & IX only half of the amount i.e. Rs. 20,620/- may be allowed. Thus a total deduction of Rs. 29,194.72 be made from the given amount.

VII Baghima Area (Madhya Anchal)

An appointment of a pastor is necessary, however, construction amount may be brought down to Rs. 5000/-. The proposal of a dispensary is good and it may help the area, but lack of co-operation may very much hamper or even reverse the situation; hence deduction of Rs. 15,000/- may be made.

VII Mikir Hills Area (Assam Anchal)

No budget has been submitted, may be due to the grant of a lump-sum amount of Rs. 84,000/- and also the opinion of the Gossner Mission and the Church of Westfalia for suspension of recurring budget for two years; Mikir Hills Area has not yet centralised its field income; the total amount of Rs. 40,000/- may be suspended from next years' budget.

In view of the developing changes in financial and political situations in and outside India and also for healthier growth of the congregation towards self-support the workers be taken from local people, specially from those congregations in which Mission's growth has been stopped and only the consolidation of the Christians is required, people residing in the area/village and engaged otherwise be selected for special training; they be then asked to help in the congregation as Catechists voluntarily or with some honorarium. Such special training be launched in 1976 regionally and an extra amount of Rs. 10 - 15 thousand be arranged for the purpose. Such 'Extension Training - Programme' can be arranged even for other 'Volunteers' and Persons/Catechists to work in the Ilakas.

The amount of the budget has been brought nearer to that of 1976 in Consolidating as follows :

I Central Office	Rs. 37,797.52	(Rs. 4,000/- may be added for Refresher Course)
II SE Area	Rs. 129,731.96 after deducting	Rs. 3,000.00
III Bamra Area	Rs. 59,930.00 after deducting	Rs. 3,570.00
IV Udaipur Area	Rs. 97,340.56 " "	Rs. 2,850.00
V Surguja Area	Rs. 203,230.96 " "	Rs. 119,043.00
VI Palamau Area	Rs. 43,617.96 " "	Rs. 29,194.72
VII Baghima Area	Rs. 18,475.88 " "	Rs. 15,000.00
VIII Mikir Hills	Rs. Nil " "	Rs. 40,000.00

	Rs. 590,174.84 " "	Rs. 212,657.72

(For your ready reference I am enclosing the detail budget also).

I have received the communication of information** remittance of the first instalment for 1976, but I have no information as to how much amount has been granted this year, unless this is communicated to me I shall not be able to disburse the amounts. Announcement of the granted amount for 1976 may also be helpful to add or deduct the amount in the budget for 1977.

Dear Sir,

You might have been already informed by Rev. Manoharam about our meetings discussing the possibility of holding a Seminar on Mission for the Northern churches.

We discussed about the time, duration, venue, participants, finance, papers, speakers, etc. For first three points it is clear, but other points you would be giving some clarifications: (a) Participants from different Lutheran churches (i.e. nos. from each) and I hope you will write to the churches; for non-Lutheran I was told to arrange, (b) Finance - Participants have to arrange through their churches - I am not quite sure whether this is practicable. As to my church it is not quite possible and I am have to arrange from some other sources, (c) Papers - Three main papers & four regional papers, we have already settled - (d) Speakers - I understood that you will be writing to them and requesting them to send their papers to us for necessary process.

Please write to me other instructives also which are necessary for further arrangements to make the Seminar a success.

Thanking you.

Dear Sir,

Thank you very much for your kind telegram and the letter. In reply to your telegram I have already sent a telegram, mentioning inconveniences for the programmes, but however now after your trunk-call it has been made clear for the visit of two gentlemen to our church.

As the Monsoon has already started and the time is very short a tour cum visit programme for the guests shall not be possible as we would plan. But the meeting for planning 'Seminar on Mission' we may meet some of our people, but Dr. Minz shall not be available. Any how we shall arrange programmes for the guests as far as possible to give them some informations from our church.

Please excuse me for the delay, this was due to my programme in Europe. I came back on 16th June and I was quite busy in some other urgent things.

Thanking you,

The Mission Director,
Pastor M. Seeberg
Gossner Mission
1 BERLIN 41
Handjery Str. 19/20

Dear Brother Seeberg,

Herewith I am sending the Budget for 1977, of BEL for your favourable consideration, from the submitted total amount of Rs. 802,832.56 a sum of Rs. 590,174.84 has been worked out taking previous years' accounts. As due to the administrative crisis of the Church the BEL cannot meet to discuss the budget, the final amount is forwarded with following remarks being aware of the financial and political developments in and outside our Country, the Gossner Mission may kindly ignore my remarks and comments if and when the said development is ignorable and do the best for the GELC.

The budget for 1977 of Evangelistic work of GELC has been prepared according to the new pay scale increments, thus the amounts increased in the part of budget (Salary, PF and Pen. F) are unavoidable. In addition to this general remark there are some particular remarks :

I Central Office :

The increase is only due to the yearly increments in pay. It would have been better (as it was the understanding among BEL members) if for 1977 amount for Refresher Course were Rs. 12,000/- so that a week long Refresher Course of field workers could be held in one place, probably at Ranchi to encourage them, but as the Grand total of the budget increased too high, the amount is kept only Rs. 8,000/-

II SE Area (SEAnchal)

The amount has increased due to the increments in salaries; amounts may be deducted from the items of Land purchasing, Construction and repair works totaling Rs. 3,000/- only. It will not be possible / good to be engaged mostly in these works in so many places in so many ways leaving aside the main task of preaching.

III Bamra Area (Orissa Anchal)

Usual Course of increments has increased the amounts; proportionately seen with workers of other fields an appointment of 4th pastor is not required, therefore a deduction of Rs. 3,570/- only may be done.

IV Udaipur (NWAnchal)

In spite of the increase in the amount due to increments, budget is modest. The Bible Class item (Of Rs. 350/-) and from Land purchasing (Rs. 1000/-) and Miscellaneous (Rs. 1,500/-) totaling Rs. 2,850/- may be deducted. The appointment of a new pastor is necessary.

V Surguja Area (NWAnchal)

In addition to the similar increments many more new workers have to be appointed; provisions may be made for one pastor and three pracharaks, i.e.; a deduction of Rs. 8,943/- only. From item III (1-4, 6, 7, & 18) total of Rs. 98,100/- may be deducted; these amounts of bigger projects of constructions, land purchasing and equipments be submitted to Dr. Neudorfer LCA. As the field income for 1975 was Rs. 21,851.51 the income for 1977 be kept Rs. 25,000/- as well as for 1976 Rs. 23,000/-. Thus a total sum of Rs. 119,043/- may be deducted.

VI Palamau Area (NWAnchal)

The area is mostly covered as diaspora work, they are to be organised. In

Ref. Memo. No. BEL 1/76

The 16th Jan. 1976

In addition to the usual increments new appointments have increased the amount. I think local pracharaks should not be allowed field allowances (this may apply to the workers of other fields also) and so Rs. 1200/- may be deducted for ten local pracharaks' allowances; instead of seven only three new appointments be made - less Rs. 8,574.72. For item II & IX only half of the amount i.e; Rs. 20,620/- may be allowed. Thus a total deduction of Rs. 29,194.72 be made from the given amount.

VII Baghima Area (Madhya Anchal)

An appointment of a pastor is necessary, however, construction amount may be brought down to Rs. 5000/-. The proposal of a dispensary is good and it may help the area, but lack of co-operation may very much hamper or even reverse the situation; hence deduction of Rs. 15,000/- may be made.

VII Mikir Hills Area (Assam Anchal)

No budget has been submitted, may be due to the grant of a lump-sum amount of Rs. 84,000/- and also the opinion of the Gossner Mission and the Church of Westfalia for suspension of recurring budget for two years; Mikir Hills Area has not yet centralised its field income; the total amount of Rs. 40,000/- may be suspended from next years' budget.

In view of the developing changes in financial and political situations in and outside India and also for healthier growth of the congregation towards self-support the workers be taken from local people, specially from those congregations in which Mission's growth has been stopped and only the consolidation of the Christians is required, people residing in the area/village and engaged otherwise be selected for special training; they be then asked to help in the congregation as Catechists voluntarily or with some honorarium. Such special training be launched in 1976 regionally and an extra amount of Rs. 10 - 15 thousand be arranged for the purpose. Such 'Extension Training - Programme' can be arranged even for other 'Volunteers' and Persons/Catechists to work in the Ilakas.

The amount of the budget has been brought nearer to that of 1976 in Consolidating as follows :

I Central Office	Rs. 37,797.52	(Rs. 4,000/- may be added for Refresher Course)
II SE Area	Rs. 129,781.96 after deducting	Rs. 3,000.00
III Bamra Area	Rs. 59,930.00 after deducting	Rs. 3,570.00
IV Udaipur Area	Rs. 97,340.56 " "	Rs. 2,850.00
V Surguja Area	Rs. 203,230.96 " "	Rs. 119,043.00
VI Palamau Area	Rs. 43,617.96 " "	Rs. 29,194.72
VII Baghima Area	Rs. 18,475.88 " "	Rs. 15,000.00
VIII Mikir Hills	Rs. Nil " "	Rs. 40,000.00

Rs. 590,174.84 " " Rs. 212,657.72

For your ready reference I am enclosing the detail budget also).

I have received the communication of information as remittance of the first instalment for 1976, but I have no information as to how much amount has been granted this year, unless this is communicated to me I shall not be able to disburse the amounts. Announcement of the granted amount for 1976 may also be helpful to add or deduct the amount in the budget for 1977.

Dear Rev. Guria,

Thank you for your letter. I hope, that you must have a copy of the Budget 1976 (Revised) as submitted in the B.E.L. Office. Taking this for granted, I am not sending the copy of the same, instead I am just pointing out the corrections made in your budget. Hope, this will be helpful to you.

Corrections: —

In Pastors' list, No. 4. Rev. K.D. Kerketta in '76 — Pay 275.00
But in in '77 — 275.00 + 10.
= 285

In Catechists' list —

No. 22. B.W. Toṣṣuo — in '76 — Pay 148.00
in '77 — 148.00 + 3.00 = 151.00

No. 25. D.P. Marandi. in '76 Pay 148.00.
in '77. 148.00 + 3.00 = 151.00.

~~Rest of the~~ This correction also affects the P.F. and Pen. Fund. contributions of the mentioned persons; and hence the total amount of the Grand Total is also affected.

~~Rest of the amount~~ as there is no further corrections in the budget.

With all good wishes.

Yours Sincerely.

Herrn Missionsdirector
Pastor Martin Seeberg
G oßner Mission, Berlin

Lieber Bruder Seeberg!

Haben Sie herzlichen Dank für den Brief von 26.11.'75 aus Berlin und auch für den Brief mit 'Three Joint Signatures!'. Die Lage in der Kirche verschlechtert sich Tag für Tag. Ich war in drei Anchals, i.e. Madhya Anchal, OA und SEA, um die Brüdern klarer zu machen, in welcher Lage die Kirche schwebt und welche Schwierigkeiten und Schaden der Kirche kommen mögen. Am 13. Dec. hat NWA zu ihrer Sitzung eingeladen. Ich werde erfahren die offizielle Haltung und die Meinung zu dem Problem. Es wird hier sehr oft gesagt, daß NWA sei sehr weit gegangen um das Federal Structure of the Church will, wie das etwas in dem Brief von Dr. Hellberg angedeutet ist. Sie haben auch einen Brief von NWA bekommen, daraus können Sie sehen in welche Richtung Dr. Minz und NWA gehen möchten. Ich bin mit dieser Meinung gar nicht einverstanden und möchte, daß mindesten während meinem Chairmanship das nicht geschehen soll.

In nächsten Tage werde ich an allen Anchal Adhyakshas schreiben, daß sie sich für den kommenden Sitzung in Jan '76 mit allen Anchal Officers vorbereiten und auch sich um die centralisation of all incomes due to the KSS kümmern. Ich bin immernoch besorgt wie die finanzielle und administrative Schwierigkeiten überwunden werden können. Daher möchte ich auch so bald wie möglich mein jetziges Amt niederlegen.

Hiermit schicken wir auch 'the detail Budget for 1976 of the BEL with their new pay scales'. Wollen Sie einen vorläufiges Antwortschreiben, wie oder wie viel die Gossnermission zum Budget zusagen kann, sodaß ich für Jan. 1976 schon etwas sagen und planen lassen kann. Inzwischen haben wir die Summe von DM 5000.- (Rs. 85322.23) bekommen und auch die information für die Überweisung von Rs. 5000.- aus Hamburg erhalten, wir hoffen, daß auch das Geld bald kommt. Herzlichen Dank für Ihre Unterstützung und die Hilfe in dieser Notlage. Ich um Ihre weitere Rat und Vorschläge.

Lieber Bruder Seeberg!

Haben Sie herzlichen Dank für Ihren Brief von 11.11.75, vor Kurzem hatte ich auch den Brief von Dr. Hellberg bekommen. Ich habe die Meinungen und die Fragen von Ihnen beiden an die Anchal Adhyakshas geschrieben, weil ich allein darauf nicht antworten darf und kann. Ich hoffe, daß die Adhyakshas bald ihre Meinungen und Antworten mir oder direkt Ihnen schreiben werden. Ich weiß nicht, wie sich das Kuratorium für die Massnahme äussert; das wird nicht so leicht sein, weil das Kuratorium ~~ist~~ der einzige Partner von Europa ist, und irgendwie ~~seht~~ die Sache erledigt werden muß. Nachdem Dr. Rajaratnam zu einem Blitz Besuch nach Ranchi eingetreten war und erfolglos in größtm Eile versucht hat die Parteien zusammenzubringen, werden Sie auch von ihm hören und überlegen seine Meinungen und Ratschläge hilfreich sind und ob Sie auch nach seinem Termin, i.e. erste Woche Jan. 1976 einverstanden sind. Nachdem ich die Freunde hier gehört haben, wird jede Partei eigene Sache Recht geben: eine sagt Dr. Minz/NWA muß Wahl durchführen aber die andere/Dr. Minz sagt es muß ~~ganz~~ gesichert werden daß der neue KSS nur für die IMPLEMENTATION berufen wird, aber die erste ~~wird~~ wird genau dies nicht! Wie auch es sei es ist klar daß ohne Vermittlungen kann die Gossner Kirche weiter nicht gehen. Die Finanz und Administration sind durch-einander.

Inzwischen habe ich so etwas überlegt, Anfang Jan '76 werde ich die KSS mit Anchal Adhyakshas zu einer extraordinary Sitzung für höchstens zwei Tage einladen und die ganze Sache übergeben; d.h. aber entweder Dr. Minz/NWA muß die Wahl durchführen oder allein bleiben -wähle bedeutet, die Kirche wird entzweit. Ich kann leider nicht mehr weiter machen, nicht nur wegen meiner Gesundheit willen, sondern auch der Ungewissheit und Unklarheit unter den Brüdern in KSS und in der ganzen Kirche. Da ich die ganze "Vollmacht und Vollverantwortung" habe, werde ich für zwei Tage das Geld irgend wie zusammen bringen und möchte Sie und Br. Rajaratnam zu der Sitzung einladen. Bitte überlegen Sie mit Dr. Rajaratnam and geben Sie mir Rat, ob meine solche Massnahme in rechter Linie sein wird!

Sie haben um die Gewissheit und Erklärungen für manchem Punkten gebeten, bevor Sie entschliessen können für weitere Massnahmen, das ist berechtigt. Ich bin leider in diesem Punkt zu einer Sackgasse geraten, aber so bald ich von den Adhyakshas

hören werde ,werde ich Ihnen mitteilen.

Wir haben die Theological College Sache noch nicht erledigt, jetzt werden die Leute wieder gespannt welche Massnahme ich nehmen werde, wenn nachlangem Schweigen wieder versucht wird the Science Classes von Gossner College in den Räumen von Gossner Theological College gehalten wird!

In diesen Tage haben wirdie erhöhte Summe in der Gehälter von BEL Mitarbeiter bekommen. Ich überlege noch wie die zusätzliche Summe, die Sie uns für diesen Fall gegeben haben, verteilen können. Einigen Adhyakshas haben die neue Pay scale in Ihrem Anchal nicht implementiert daher schäagen sie vor daß die Summe nicht als Gehälter verteilt werden sondern als "Interim Relief "wie wir in vergangene Jahr getan hatten, wenn als gehalt verteilt wird werden die Anchal-Mitarbeiter neidisch und werden keine Kollekte für Missionsarbeit sammeln. Wie auch es sein mag die Summe Rs. 70,000.00 is nicht genug um als Gehälter zu zahlen, daher werde ich als "Interim Relief" verteilen!

Hier mit schicken wir auch das zusätzliche Budget für 1976. Obwohl das schon vom Kuratorium entschieden ist, hatten wir unser Budget nach her geschickt, das war eine Summe von Rs. Nachdem wir die Gehälter erhöht haben, kommt eine erhöhte Summe insgesamt von Rs. d.h. eine Erhöhung von Rs. Da Assam hat eine besondere

Summe bekommen hat und da ke ne zusätzliche Budget geschickt wurde könnte das abstreichen. Wegen die Schwierigkeiten in der Kirche könnte BEL nicht treffen und hat keine Entscheidungen gegeben. Ähnlich is auch von Plamau Budget, kein zusätzliches Budget ist gegeben, daher haben wir dasselbe gelassen. Es liegt vor Ihnen das ganze Budget, wie Sie das entscheiden ist schwierig, ich weiß, daß das Kuratorium auch keine unbegrenzte Summe zur Verfügung hat. Wenn nicht anders möglich wird, werde ich vorschlagen, daß die 'Construction' oder 'New Appointments' oder beide abgestrichen werden oder GM nur eine bestimmte prozent geben wird, bei dem letzteren wird NWA sehr viel betroffen. Es wird mir hilfreich wenn Sie auch diesen Punkt etwas schreiben können.

Gesundheitlich geht es mir und meiner Familie besser. Ich nehme noch sehr regelmäßig die Spritze, ich muß irgendwann nächsten Woche Blut untersuchen lassen wie vorgeschlagen von Dr. Rajaratnam versuche um kurze tour zu machen, um die Sache zu erklären.

Mit herzlichen Grüßen an allen,

Ihr bin ich

Dear Sir,

By going through the bill and letter files for Surguja, it was found that there are still some claims for arrear 1974 (vide letter dt. 23.7.75 of the Supervisor). In addition to this request we had also some deductions so as to avoid the deficit, this was due to the non-centralisation of the share by NWAnchal amounting to Rs. 11,000.00. I tried to allow the field to draw the amount deducting Rs. 3,000.00 only getting the promise from your side that the NWAnchal would give at least Rs. 3,000.00. But this has not yet been done.

For the year 1975 the NWAnchal has to give its share amounting to Rs. 10,000.00 in order to complete the budget of Surguja 1975.

I, therefore request you to centralise this share in order to pay the Surguja bill in the following months, lest we be compelled to deduct the amounts equally divided for next three months. This is very urgent.

Thanking you for your co-operation.

Dear Sirs,

As the request and negotiations are being made to the Gossner Mission for additional amount for paying salaries according to the new pay scale and as there is some hope atleast some lump sum amount to get from the Gossner-Mission I would request you all to furnish a pay fixation according to the new pay scale showing the difference in your bill according to the following manner:

Name	/ new pay scale / old pay scale /now getting/ difference/ pf pn f/remarks
	starting starting (according to old pay scale)
1.	
2.	
etc.	

Please send this fixation atleast by the 15th Oct.75 or atleast along with the bill of Sept. 1975, which you are sending to the old pay scale. As it is expected that we shall get the salaries in 1976 according to our new pay scale, therefore you are requested to furnish a new salary budget 76 and send the same by the end of Nov.75. Similarly we have to submit the budget for 1977 (as we do for the LWF grant) to the Gossner Mission, this year we were late, I therefore request you to kindly prepare that budget (1977) and send the same latest by the end of this year otherwise your budget may be not be included.

Please treat these as urgent and furnish them in time.

A sum of DM 25,000- has been transferred to our church bank account coming to Indian Rs. 81475.00 for the Mission Work in Assam Mikir Hills area. On behalf of my Church and the people of Assam I express my hearty thanks for this kind help.

With this regard I have already written to Mr Tiru and the Anchal Adhyaksh Rev C.S.B. I have also requested them to furnish reports about the expenditures and the progress in the area. Ref. Memo. No. BEL/19/75

The 19th Sep. 1975

The Missionsdirector
Pastor M. Seeberg
Gossner Mission, Berlin

Dear Brother Pastor Seeberg!

Thank you very much for your kind letters regarding finances; as it took much time that the Indian Rupees could be credited to our account, I could not write to you earlier. Thank you very much also for the additional amount for paying the new pay scale. We are still working out the same for payments. I am still to finalise how this can be made: as regular or only as additional! If regular, then we have to pay in Jan 76 also on that basis, i.e. we need then extra amount for 1976 also in addition to our requested budget, which shall be not less than Rs. 150,000.- if we pay this time as additional, we can pay the enhanced amount in 1976 also when and if the amount is available; with this regard I need your advice! May we expect more amount than we have submitted?

Now referring to your letter regarding the total amount in IRs of DM 105,000. transferred to our account is as follows:

DM 25,000.-	* Rs. 83331.33
20,000.-	65021.41
25,000.-	85072.04
35,000.-	117845.00
DM 105,000.-	Rs 351269.78

As the exchange rates do vary from time to time and as different DM amounts were transferred together, we have adjusted the nearest amount for different items and added the remaining amount to one or the other item. I hope you shall transfer the remaining amount for the BEL at your earliest convenient. Meanwhile we also received the information that DM 8,000.- is already on the way. Thank you very much for your prompt reaction.

You might have guessed the prevailing situation within our church. Due to the case in the court we advised not to implement the new adopted constitution, thus we have announced for elections according to the present constitution (1960). There are some who would prefer that the new constitution be implemented as soon as possible, possibly with effect from 1st Nov. when the case is

most probably finalised on the 27th Sep., but there are others who would like to see that the new constitution be implemented by the new KSS - these are in majority! A tense situation is prevailing in the Church: candidatures for Mahayashas, Pramukh Adhyaksh, etc discussed by different groups differently, it is quite uncertain, chaos and confusion?! There are some, who would like that I should also contest, but as you know I am not at all ready for contesting any election, therefore I am hesitant to answer expressively. On the other hand as you have been already informed that possibly there shall be no vacancy in the Theological College, as the present Principal is sticking to his post, at the same time the situation in the college is very sad, the new building did not bring joy and blessing but disappointment and dissatisfaction.

I myself do not know what to do! I have to wait and see the situation taking place in next months.

As regard with excess payment to the GELC Press, we could not trace it out, because all necessary papers are still with Mr Khess. I have requested Mr. A. Lakra to explain the things clear. Rev M. Tete and Mr. A. Lakra are looking after the Press, but it is not better.

Regarding the exchange programme with Gossner Mission and other items the next KSS shall have to decide and you shall be informed. About the summit Meeting also the next KSS shall have to decide finally. In a separate mail copies of budget from different fields shall be despatched, they are still in old pay scale the amount with new pay scale shall be sent later on. I hope you have a copy of new pay scale attached with the last KSS minutes.

According to my last test I am improving better and also feeling better. Dr Horo is advising me to shift to tablets treatment from ~~injection~~ = injection of INSULIN. I have to consult my doctor here at Ranchi. Due to heavy rain people of our state are suffering a lot, but in south Bihar it is not so bad, we are expecting better rice production.

We all are doing well, my family is also doing well.

With best of regards,

Yours sincerely

आदरणीय पाद्री साहब,

आप को तथा मंडलों के भाई बहनों को यीशुसहाय । आप सभी को मालूम ही है कि हमारी क्लोसिया किस प्रकार आर्थिक, संवैधानिक, सामाजिक, राजनैतिक आदि विभिन्न परिस्थितियों के बीच से गुजर रही है और हम एक दूसरे से केवल नहीं, पर अपने से भी प्रश्न पूछते हैं : यह सब क्यों ? किस ओर ? कभी हम अपने से, कभी अपने लोगों से भय साते हैं । धमकी देनेवालों, सताने-वालों और भिन्दा करने वालों से तो हम बराबर ही खतरा रहता है । ऐसी परिस्थितियों के बीच हम सोचते हैं कि कहीं चुपचाप रहकर जीवन बितायें तो अच्छा रहेगा । पर इन सब बातों के होते हुए भी आज हमारी क्लोसिया के अनेक लोग, भाई-बहन, परिवार और मंडलियां हम सभी की ओर से और हम सभी के नाम पर क्लोसिया के द्वारा सुसमाचार प्रचार की जवाबदेही को पूरा कर रहे हैं । अनेक कठिनाइयों, असुविधाओं एवं समस्याओं के होते हुए भी आज विभिन्न क्षेत्रों में ये भाई-बहन तत्परता से काम कर रहे हैं और अनेकों को मसीह येशु के भंडे के नीचे ला रहे हैं । ऐसे सुसमाचार प्रचार में आपका क्या हाथ है ? आप किस प्रकार ऐसी मदद कर रहे हैं ?

इस वर्ष के मिशन-मर्च का उपदेश बहन मर्च १०:२४-३३ है ।

सुसमाचार — जीत की सुशक्ती को ग्रहण करने के कारण हम गुरु या स्वामी अर्थात् प्रभु यीशु मसीह जो जीतने वाला है, उसके द्वारा होने का अधिकार पाते हैं । सुसमाचार में विजय की सुशक्ती है, इस को ग्रहण करने, विश्वास करने से हम भी यीशुमसीह की तरह विजयी हो जाते हैं, जैसे वह विजयी हुआ है ।

इस सुशक्ती को छिपाना नहीं है पर धोखा करना है, हर समय, दिन हो या रात, हर हालत में, सताहट, भुखमरी, सुखा और बाढ़ के बीच भी, सभी के पास: सतानेवालों, धमकी देने वालों और भिन्दा करने वालों के पास भी । यह सब दिखावे या पैसा कमाने या अपने को भला ठहराने के लिये नहीं परन्तु परमेश्वर की महिमा के लिये करना है । सुसमाचार प्रचार का महत्त्व युगान्तकालीन है कि सुसमाचार को धोखा करने वाला — प्रभु यीशु की जीत की सुशक्ती को स्वीकार करने वाला अन्तिम न्याय में प्रभु यीशु की ओर से ग्रहण

जायगा । सुशी की बात है कि हमारी क्लिसिया के और क्लिसिया के द्वारा सुसमाचार प्रचार काम में अनेक भाई हम अपना योगदान, सहयोग, आर्थिक सहायता आदि देते हैं और देने को तैयार हैं पर फिर भी इस वर्ष के हमारे काम में और बजट में कुछ घाटा रह ही गया है । सम्भवतः आप को योगदान देने की जगह दी गई है । अतः आप इस साल भी आप वाले री नोवेंबर १९७५ को अपने पेरिश की मंडलियों में मिशन पर्व धूमधाम से मनावें, विभिन्न कार्यक्रम रखें ताकि सुसमाचार का आनन्द इस सके और अगले दिनों में सुसमाचार प्रचार के काम के लिए तैयार हो सके । इस वर्ष हम क्लिसिया छोड़ कर सुसमाचार प्रचार के बजट के घाटे को भी सम्भालना है अतः अजी है उस दिन के धन्यवाद दान एवं अन्य आमदनी भी हमारे सुसमाचार प्रचार खजाने के लिये भेजें । इस के द्वारा हम दूसरों के साथ गोस्त्नर क्लिसिया के सुसमाचार प्रचार कार्य में एक दूसरे के साथ आगे बढ़ने के आनन्द में शामिल होते हैं ।

मिशन पर्व आनन्दमय एवं आशीषपूर्ण हो ।

सेवा में,

आदरणीय पाद्री एवं धरवन्धु के पाठकों,

.....
.....

महोदय,

आप सभी को धीरुसहाय । आप सभी को सूचित किया जाता है कि धरवन्धु की उपाई जोते जून महीने से बन्द है । इसके कारण सँतोष में निम्नलिखित हैं:-

- १) फिलहाल जो० ई० २२०० वर्ष अन्तरिम काल में अपना समय गुजार रही है । इसका प्रभाव कलीसिया के के० २२०० २२०० से लेकर मंडली स्तर तक पड़ चुका है । फलतः कलीसिया को अनेक समस्याओं का सामना करना पड़ रहा है, जिनमें आर्थिक समस्या प्रमुख है ।
- २) धरवन्धु विभाग भी इससे अछूता नहीं रहा । इसमें भी अनेक रद्दोबदल हुए, जिसके कारण उत्तरदायित्व का भार संभालने में कमी रही । इस प्रकार से सभी काम ठीक समय पर करना कठिन हो गया ।
- ३) इसी बीच जो० ई० २२०० वर्ष प्रेस में भी अनेक रद्दोबदल हुए, उपर से आर्थिक समस्या ने विकट रूप धारण किया ।
- ४) अब आवश्यक था कि के० २२०० २२०० प्रेस को आर्थिक सहायता देकर धरवन्धु उपवाये । पर जैसा उपर कहा जा चुका है कि के० २२०० २२०० में वह सामर्थ्य न रही और न प्रेस में ही इतनी आर्थिक दायता रही कि वह धरवन्धु छाप सके ।

इन्हीं कारणों से धरवन्धु की उपाई बन्द है । यहाँ यह भी यह देना उचित होगा, कि हमें अनेक पाठकों के अनेकों पत्र प्राप्त हो चुके हैं ; ये पत्र, पत्रिका के प्रति उनके प्रेम व लगाव के द्योतक हैं । परन्तु हमने पत्रों के जवाब अब तक नहीं दिये, यह सोचते हुए कि संभवतः शीघ्र ही हम पत्रिका चालू कर सकेंगे ।

हमारी ओर से यह प्रयास है कि धरवन्धु शीघ्रातिशीघ्र चालू हो । आशा है, आप सभी के सहयोग तथा ईश्वर के महानुग्रह से हमें सफलता मिलेगी और पत्रिका फिर से आप सभी को समय पर मिल जाया करेगी ।

निवेदन है कि इस सूचनापत्र को जानकारी आप अपने सरहद के सभी पाठकों को दें ताकि वे सभी इस पत्रिका की वर्तमान परिस्थिति जान सकें ।

सधन्यवाद,

आप सभी का विश्वस्त,

Dear Sir,

According to the information from the Mission Director, Gossner Mission, his letter dt 22-8-75, the Church of Westfalia has granted a special contribution for the mission work in the Assam Mikir Hills after Mr G. Tiru's report on the occasion of his visiting tour in Germany. In next weeks the amount shall be credited to our church account. I would personally prefer that this amount be transferred immediately to an special account opened for the Mikir work in order to secure its proper account etc. I therefore request you as I have already advised you and all Anchals to open a separate account for the evangelistic work with a bank to be operated by the signatories one of the Anchal Officer's and the Missionary Rev. M. Baa (must), i.e. there should be joint operators! As soon as this new account is opened the amount meant for the Mikir Hills shall be immediately transferred. You know what may happen if this does not take place? All money may be spent by the KSS! The Donners 'Evangelische Kirche von Westfalen, Landeskirchenamt, D 48 Bielefeld, Altstadt Kirchenplatz 5' and Gossner mission have agreed that "the Gossner Mission shall not give any budgetary help for the next two years" and "the Assam Anchal give reports about all expenditures and the programmes of works regularly in due time.

Accordingly I would request you to make necessary arrangements so as to keep proper accounts and reports, for the expenditures and works with this amount of money. Please discuss this matter with Mr. Tiru who has also received the copy of the letter from Pastor "Seeberg.

Dear Brother Baa,

I am writing this letter after a long silence. I hope you are doing well with your family and also with your co-workers of the field. I also did not hear for a long time from you and about the works in the Mikir Hills. I heard that some schools have been started in the field with the initiative of the local people and a teacher also has been taken from Bihar. I hope the Anchal is helping you in some respect. Here is good news for the school or schools. An amount of Rs. 7000/- (seven thousand rupees only) has been transferred to our account. Now I would advise you that a new Bank account be opened in the name of the school, e.g.: G.E.L. Church School or G.E.L. Church English School, or like that and there must be at least two operators or signatories one being yourself and any of the local or headmaster person. Then send the name, No. of the account and the bank with which the account has been opened and we shall immediately send the money. Please do this as soon as possible so that with this money schools can be helped.

The 5th Aug. 1975

Dear Brother Hans,

Thank you for kind letters, I also got the news about the death of the mother in Hamburg. I am very sorry that I could not write to you at once I thought you are perhaps already on the way for your summer vacation and on the other hand I was very much busy with meetings and wanted to tell you about the meetings.

In our last meetings after much discussions we have adopted the new constitution, now we have to implement the same with effect from 1st Nov. 1975 with new Officers in the center and elsewhere. Then came the point of a case against me which is instituted in 1975, due to this case we are advised not to implement the new constitution till the case is finished, so we are in type of a 'ackga gasse'. We are to take some more advices from some senior lawyers and a retired district and sessions Judge, who is at the same time the Treasurer of the United Churches of India, he is to come in the last week of August, we have to wait till that time. After his advices we shall take necessary steps for any thing: election according to new or the old constitution. It seems to me that we shall not be able to enforce the new constitution.

In this way any new work for me is also hanging in the air, due to my sickness I have to request for some new work, which in a way I have already done and almost every one knows about my wish, but it is not quite easy. As you know Theological College is a fit place for me, but to create a vacancy for me is another problem. I can only express my wish but cannot force any one to create a place for me, every one is looking for his own or own ones. Dr Minz and Mr Tiru know well about my difficulties and also about your advices, but it seems that they are not quite clear about the matter. Any how I shall do my best to find out the way out, at the present I am trying to help the church to come out from the present chaotic situation. But at any time I have to give up these if all would see their own interest.

At present I am feeling better, the sugar in urine is almost nil in my blood it is swinging between 120-80mg. Due to my different duties and engagements I am sometimes compelled to disobey my diet and time; at present I am not feeling any eye trouble, but I have to consult the doctors regularly.

Our children are doing well. Last week Regem had some fever for two days but now he is doing well. Ohmati has still to take medicines, but she is feeling better.

Please my greetings and thankfulness to all friends in Flensburg, I have not forgotten them, but it is very difficult to write personal letters to all. Special greetings to Dr. Johanssens Family with much gratitude.

To you all our hearty YISHUSAHY?

from your in Him

I am still hoping to get atleast the final promise of Rs3000/- from the Anchal. Unless this amount is ~~not~~ given I am unable to pay you the requested arear of 1974. The Missiondirector
Pastor M. Seeberg
Gossner Mission, Berlin

attn: FRAU FRIEDERICI

Dear Brother Pastor Seeberg,

I received two letters from FRAU FRIEDERICI, but due to many works meetings and receiving people for their problems etc I could not write earlier. The letters are thankfully acknowledged and I be kindly excused for the delay.

Regarding the personal contact with the Pastor and congregation of Kanpur is a good idea, at present Rev. J. Aind is the pastor and in charge of that field. The place is not a town but merely a big village.

Regarding Bhajan competition we could not take necessary action and as the German Tourist Guests are not coming this year it will be also good to postpone for the next year, i.e. we can already begin the competition during the summer season, that in May during which generally Bible classes organised by youth groups are conducted and hundreds / thousands of Christians come together for the function. It will be good if the Bhajan Competition will be held in those days *and final in 2nd No. 75*

On hearing about the postponement about the German Tourist Guest I have a mixed reaction. On the one hand we were waiting eagerly to welcome the next group in our different congregations, but on the other hand it would have been a complicated thing to arrange programme during those days when we are to be very much busy in organising the Church in the centre with the new constitution!

With this last word I come to the subject of the new Constitution. On the 11th July 1975 we have adopted the new constitution to be implemented with effect from 1st Nov. 1975. But we are still doubting due to the case instituted against me in 1975. We are taking advice from many people a Christian district and sessions Judge from Madras, who is also the Treasurer of the UELC (I) is to come here on 25th Aug. 1975, till then we have postponed all the elections, due to be started on 18th Aug. We ourselves are now not clear what to do the next, some are even inclined to have elections according to the old constitution and let the next new KSS implement the new Constitution.

Due to all these uncertainties in spite of my handicaps I have to carry on different responsibilities, talks about my new assignments and about my successor for the Mission work seems to be very much hampered by vested interests of some prominent figures in the centre. For the present also it was promised that I shall get assistants for my different works, but then no one is serious and as the money is becoming less, i.e. we are again heading towards the deficit account. I am also not pressing for the helpers, but rather to quit all these posts.

My sickness has been controlled, in my urine I have almost no sugar in the blood it is between 120 and 80 mg. I am getting injected by self and also taking some tablets as prescribed by the doctors. Dr. Horo was also here for talking I had only personal talks, the KSS has decided to make their post permanent and that service rule for them be framed! *we have to get their consent.*

I am enclosing herewith also a copy of my letter addressed to all etc. As I have already informed you that GELC has implemented according to which the BEL need Rs. 70,000.00 in addition similarly we require Rs 140,000.- for 1976 in addition of Rs. 475,343.68. Please advise me to 1976.

Dear Rev. Topo?

Tyank you very much for your bill for the month of July 1975. While going through the bills I noticed that there are some irregularities in the bills and I compared the same with that of earlier months. You have submitted the bill for house rent without any voucher or explanations. Your bills for items Miscellaneous and Contingencies have already crossed the amount as per budget for 1975. You have also given the item of Jeep expenses, for which there is no budget, as that Jeep was to be sold out.

Therefore I have deducted the three items in the present bill, and so also it shall be deducted in the coming months. Either you have to find out some other ways or you minimise your expenses in the other items. It may be over excess expenditure in other items also, therefore please do the needful.

Dear Sirs,

You might have already received the circulation about the implementation of the New Pay Scale with effect from July 1975. It might have been received as a great relief during these days of hardship for food and clothing. But as I have already told some of you that the BEL has not so much amount, about Rs. 70,000.00 for paying the enhanced salaries of the field works up to December 75, accordingly about Rs 140,000.00 will be needed for 1976 in addition to our proposed budget to the Gossner Mission. I have therefore requested you to kindly prepare your bills according to the existing pay scale as we have been doing till June 1975. I have also already talked with some of you, if the Anchals could give some remedy at this crucial juncture it will be highly appreciated by the BEL, but this can be done by those Anchals only who have already created a reserved fund for this purpose, this has been repeatedly advised requested by me in the past several times.

At present the payments shall be made according to the budget provision and possibility for 1975. I have already informed the Gossner Mission about the enhancement of pay already in 1975 and also in 1976 and have requested them to take necessary steps to help at this time of need. I hope that Gossner Mission shall do its best to help us.

Thanking you all and wishing God's blessings.

Yours in Him

As you all are aware of the fact that Gossner Mission has deducted some amounts from the total budget amount requested by us. Please do the needful, if you intend to carry out the plan. Some of the Supervisors / Missionary / In-charge are not sending their monthly Chalan of income and enträlsation, you all are very kindly requested to do the same very urgently. Almost all of you have requested for a yearly advance, a monthly pay amount, I had advised you all to open an a Bank a/c with joint operation, the supervisors must and one of the Anchal Officers. The Missiondirector
Pastor M. Seeberg
Gossner Mission
Berlin, Germany

Dear Brother Pastor Seeberg,

Thank you very much for the letters signed by Herr Pastor Kriebel. Your advices shall be followed accordingly. In the meantime I was expecting a letter with invitation letters to attend the Kuratorium meeting. It seems that before leaving for Zambia you did not get my letter no. 624/75/KSS-73, in which I had requested for the same. Of course, if you have some other proposals, please feel free to do the same. Your early reply is highly solicited. Our dates for the KSS meetings are from April 16-19, 1975, therefore you may please book my ticket by AIR INDIA, so that I may leave Delhi by April 22nd or 23rd, 1975; I may stay for some weeks, you may write in the invitation till 20th June 1975.

We are still getting comments and suggestions day by day for the new constitution, it will be hard for the KSS to set aside all the comments. The bye-law committee is also working hard to complete the bye-laws and the Indian version of the constitution. I hope you might have already received the copies sent for you.

In our next KSS meeting we shall be taking the subject 'RELATIONSHIP BETWEEN GOSSNER MISSION AND GOSSNER CHURCH' for rethinking and further clarifications. A summit meeting of the representatives from both sides may be proposed. We all are rather "confused" by hearing different kinds of statements by our visitors from abroad.

Meanwhile friends from Dortmund and Frau Christa Springe were here with us. Frau Springe was unable to participate in all our programmes due to a minor accident.

With the best of our regards,

Yours sincerely

Dear Rev. Soy,

Inspite of my verbal requests and reminders, you did not think of ~~ff~~ furnishing the accounts and the amounts of Gharbandhu. This time you left Ranchi for your "important work" leaving an application behind you. In the office of the BEL there are so many things to be done, however till you furnish the accounts and the amounts of Gharbandhu you are given leave. You may join the work of the BEL if and when you complete that work. Payment of your salary shall be determined after the BEL shall take necessary decisions.

Thanking you ,

Yours sincerely

Dear Sir,

Herewith I am forwarding an information with application for assistance during the Silver Jubilee of Surguja Mission work. As we have some other requests for the occasion from the field I was thinking to put the matter before the Bd of Evangelism and Literature and then recommend the application to you. But as the bd is not to meet before April I am forwarding this letter to you for your favourable consideration.

Meanwhile a sum has been transferred to our a/c for a special project for Surguja (Agricultural project). On behalf of the field and the church I extend our hearty thanks for the help. We shall try our best to make best use of the amount.

I should have sent my yearly report by now but as we are facing some administrative difficulties I have not been able to prepare the report, when it is made ready I shall send a copy of the same.

With best of my regards,

Yours sincerely

Ref. Memo. No. 1822/1/75

The Feb 27th 1975

To

The Treasurer Mr. B. Topno, SEA
G/22 Govt. Colony
South Park, Jamshedpur.

Dear Sir,

Thank you very much for your kind letter as bill for the month of Feb. 75. Regular bill is almost alright. The amount for construction and land purchaing is not quite clear.

Before the amount for construction work is to be given I would like to have the financial statement of the amount already given to you. Your explanation does not satisfy, the Supervisor's statement has some other points, which does not tally with others. Therefore I still insist for the same, and request you to prepare through the supervisor, certificate of utilisation of each amount for each place, e.g. Nakti, Sisibaha, Manikdag, etc. in order to show how much money spent, remain balance, and where are the vouchers.

In your letter dated 24th Jan. 75 your statement of "not getting amount for your work" is incorrect. Further I would raise the point whether land has been already acquired for the places where construction work is to be carried out. In some places money has been spent on such construction works which seems to be not nice, e.g. Maljamra where land is already acquired you may receive the money after above compliance. For purchasing land at Belda mission field there is no provision in the present budget. Please therefore refer to the budget. Further I would say if you have bill for repairs please indicate the place.

I hope you will do the needful for releasing the amount.

Thanking you,

dr
