Report of A.T.C. High School Khutitoli, Simdega, Ranchi for
April 1972 to December 1972.

To
The Pramukh Adhyaksh,
G.E.L. Church Ranchi.

Sir,

In compliance to your letter dated 8th Jan. 73 I am submitting here-
with a brief report of the High School at Khutitoli which is as follows:

1. Status of the High School:- The High School got its first recognition in 1962 and full fledged recognition was accorded in 1963. The School has been declared as "Minority School based on religion" by the Secretary Board of Secondary Education, Bihar. The School is handed over to the ATC in 1962 by the then Khutitoli Synod. Till now it is in this position.
2. Buildings:- The School has three separate buildings of 8, 4 & 3 rooms respectively. Recently the Assistant Engineer, Indo-German Project Simdega examined the buildings and declared it unsuitable for class rooms purposes due to lack of ventilation provisions and its low roofs. Walls have also been declared by him not durable. Besides this the School has two hostel buildings, one for boys and the other for girls.
3. Staff:- At present there are twelve teachers in the teaching staff. Besides those there is a clerk, a menial and a theological trained graduate who is also incharge of the hostel. The particulars of the teachers are as follows:-

Sl.No.	Name	Qualification
1.	Shri. A. Lakra, Headmaster	B.Sc., Dip-in-Ed.
2.	Shri. P. S. Minz, Asstt. H/M.	B.A., C.T.
3.	Shri. Ch. Lugun	B.A., C.T.
4.	Mrs. L. Tiga	B.A., Dip-in-Ed.
5.	Shri. J. Kiro	B.A., Dip-in-Ed.
6.	Pandit Jagesh Shastri	Shastri K.V.
7.	Mrs. M. Lakra	I.A. Trained
8.	Shri Thomas Guria	M.A., Dip-in-Ed.
9.	Miss. R. Khess	M.Sc.
10.	Shri. Suresh Tewari	B.Sc., S.T.C.
11.	Shri. A. Kerketta	B.A. Dip-in-Ed.
12.	Shri. K.C. Prasad	B.Sc.
13.	Shri. Gustaf Kullu	Matric
14.	Shri. Jaymasih Bilung	Menial.

4. Strength of the School:- There are sections in class VIII, IX & X classes. Now it is not possible to give the exact number of students in the school as admissions are still going on. One thing it is very clear that number will decrease as Khutitoli and its neighbouring Panchayats are facing famine like situation due to failure of paddy crops for last two years.
5. Curriculum:- The school is imparting Science and Agriculture education besides the Arts subjects. Religion is taught within our normal school hours. Due to lack of funds it has become difficult to equip the laboratory. The KSS has allotted 6.24 acres of paddy land for agriculture education. Besides this the school is reclaiming 10.55 acres of waste gairmajurwa land, which ofcourse belong to the church as Khutitoli mission is the ex-landlord. Construction of a big diameter well has been taken up but it is incomplete. A sum of Rs.4000/- has been received by the Indo-German Project for this purpose. A working capital of Rs.2000/- is required to carry on the work. The school is now facing difficulties to arrange this fund.

P.T.O.

6. Finance:- From June 1962 to 1969 the School got subsidy from Gossner Mission. In 1970 and 71 the school got Rs.20000/-annual aid from Lutherischer Weltbund Deutscher Hamptauschass, 7000 Stuttgart -0 Diemerschaldenstr 45, West Germany. The School is facing acute financial stringency from 1972. The school is not getting any kind of aid from the Government except that of loss of fee grant which is also neither regular nor full Financial statement from April 72 to Dec'72 is appended below for reference.

Dr. K.H.Junghans the then Secretary of the school wrote the Government in 1963 that the school under its trust rules cannot accept any Govt. grant. It is due to this the Govt.is refusing to give grant to the school. All efforts made so far to get the aid resumed has failed. All the education officers up to Commny. level have recommended in our favour..

Report of the Gossner High
School, Ranchi.

--oo0oo--

1. Establishment:- The Gossner High School was established in 1895. It is the oldest school of the GEL Church. It is a Central institution directly under the KSS of the GEL Church.
2. Staff:- At present the number of the staff is 24.

(i) Teachers	...	<u>17</u>
(a) Christian teachers	...	9
(b) Non-Christian Hindus	...	7
(c) Muslim	...	<u>1</u>
	Total...	17
(ii) Clerks	...	2
(iii) Menials	...	5
3. Strength:- The total Roll in the school is 522

Christian	...	224
Non-Christian	...	298

The number of students may increase as Admission is still going on.
4. Classes:- The school is running from classes VI to XI. As in my previous report the roll of classes VI and VII is still very poor. Because the high school has no feeding schools nearby. The Gossner Primary School, which was the actual feeding school for these classes, is raised upto Middle classes. As such our Middle section is badly affected. Generally students come from such poor sections of communities that most of them cannot purchase the books required for them.
5. Religious Instruction:- The religious instruction is given every day except on Saturday.
6. Accommodation:- The school is running in three separate building. Out of these three buildings one building is used for office work. The rest two buildings are used for teaching work. As such the teaching work badly suffers. The greater part of the period is wasted in going and coming from one building to other at the over of the each period.

Secondly the buildings are very old and are in most dilapidated condition. In rainy season we are compelled to close our teaching work on account of uncommon leakage.

The school earnestly requires a new building and it is the pressing demand of the time for upto-date building, well furnished for teaching purposes.
7. Need for compound wall for the school:- The school has no compound wall. The school campus has thus became thoroughfare. Unless the school is separated by compound wall it will be very difficult to keep the school buildings and other materials in good condition. In the school compound unconcerned outsiders are residing. Very often they damage the school properties.

Under the circumstances according to my previous report I would again suggest and put up for consideration and necessary action so that the financial position and administration of the school may be improved.

Suggestion:-

- (i) That the scheme or plan for financial improvement be thought out That there is a open space in the school campus near the Main road. A shopping centre will greatly help the school in finance.
- (ii) A new upto date school building, the plan of which is already submitted, be kindly sponsored so that teaching work may be run in one impact building, purely surrounded in by a compound wall This will help and facilitate the school in all respect.

A Brief Report of Gossner College.

The vision of a degree College in the GELC was in the mind of many leaders for a long time. It became a reality on the 1st of Nov.71 when Gossner College was established with a dozen of students in the premises of Gossner Theological College. This was preceded by a series of general meetings held to discuss and decide the founding of an Arts, Commerce and eventually a Science College. Finally on the 10th of October 1971 it was unanimously decided to start the Arts and Commerce faculties. A free will donation was taken on that day and Rs.53.00 (Rupees fifty three) was collected in the name of Gossner College. With this humble beginning the Gossner College has developed to its present stature.

1. Organising stage:-

An adhoc Governing Body was formed with the following members to administer the College:-

1. Rev.C.B.Minz, Chairman.
2. Rev.Dr.N.Minz, Secretary.
3. Rev.M.Tete, Treasurer.
4. Padma Shri Rev.J.Lakra.
5. Mr. M. Oraon.
6. Dr.D.D. Guru.
7. Mr.S.P.Shah Deo.
8. Dr.S.Mahto.

The number of students in 1971 - 72 was This small number of students was due to our late beginning and it was good that the number was small because we could manage only that many with our limited accommodation facilities at Gossner Theological College, Ranchi. Fees, donations and donation of services helped the College to sustain itself financially.

Before 30th of Nov. we applied for affiliation of Gossner College in Arts and Commerce to Ranchi University. After the inspection fee of Rs.500.00 (Rupees five hundred) was paid a University team consisting of Dr.Ahmed the Dean of Arts, and Fr.W.A.Proost the Dean of Commerce visited our College in March 1972. The committee showed them the Raja Bungalow Compound up to Khajur Talaw and rest camp as the site for the College. Temporarily the College would hold its classes in the New-Bethesda Girl's Middle School in the morning shift. On the favourable recommendation of the inspection committee, the Gossner College was given conditional affiliation to Ranchi University from July 1972 up to Intermediate stand for two years 1972-74.

At the initial stage the College received adequate support from the GELC authorities. As it was informally started under the guidance of some leading members of the Church and community, the KSS regularised the founding of the Gossner College in Arts and Commerce and encouraged the College authorities and the Governing Body to go ahead. The KSS set apart the Raja Bungalow Compound for the permanent site of the College by resolution in its January 72 meeting.

2. Affiliation to Ranchi University and development:-

The Gossner College entered into a new phase with its affiliation to Ranchi University from July 1972-73 sessions. The College began to hold its classes in the new Bethesda Girls' Middle School building with the kind permission of the M/C of the School and ready cooperation of the Headmistress and other teaching staff there.

A new set of teaching staff was appointed and a regular G.B. was formed as per Ranchi University rule for the minority College.

efforts to pay this amount also before the financial year comes to a close in March 1973.

3. Present challenge and future prospect:-

The College has an unwritten policy to appoint Chotanagpuri teaching and office staff. The major problem facing the College in this respect is to find the teaching staff from among the members of the Gossner Church. There are men and women with required qualification to teach at the College and University, but somehow our members are not coming forward. You will note that among the present teaching staff there are only three Lutherans. Sri.E.Lakra, Mr.D.Burh and Mrs. S.Topno. All the rest Christian teaching staff are from the Roman Catholic Church. We must make efforts to bring our members in the teaching staff of the College at this early stage. If they miss this chance they may not be able to head the depths, and this will be a great loss to us as the Church institution.

It is a matter of gratitude that the M/C of Bethesda Girls' Middle School has kindly permitted us to hold the College Classes in their new building. The number of rooms are adequate for the College also. But the size and the furnitures are not suitable for holding Classes. The general English Classes can hardly be accommodated in one room. We cannot supply furnitures in the rooms even if we want to and able to do so, because that will disturb the accommodation facilities of the School Children. This has raised accommodation problem for the College immediately. Therefore, we have to think and plan for accommodate the College in a suitable building before we finally build the new College building.

It is reliably learnt that the M.E.S. is going to vacate the occupied buildings in our compound. It may be necessary to accommodate the College for a few more years before the new building can be built in its permanent site.

The hostel accommodation for the students of Gossner College has to be arranged for more than we have so far been able to do. I suggest that the present Gossner Hostel in Raja Bungalow compound for boys and Hostel No.2 for girls are made primarily for the students of their College. And the administration of the Hostel should go under the Governing Body of Gossner College.

There is a prospect for the new orientation to College education in Gossner College in the future. The friends abroad Lutheran Education in U.S.A. and in Germany, and the L.W.F. staff in Deptt. of Studies are keen on helping us to give this College a vocational Orientation to materialise this future programme a consultation conference of educations from at home and abroad is being planned to be held here at Ranchi in October 1973.

The University is insisting on starting Science in our College and this will be to our advantage in the long run. But this programme hinges on our ability to build up a sound financial basis for the College.

I hope that the education Board and the KSS of the GELC would give priority to the College at this initial stage and help build it up for the development of leadership in the Church for society.

Sincerely yours,

GOSSNER EVANGELICAL LUTHERAN CHURCH RANCHI.

No. 1020/72/KSS-50

Ranchi Dated 28 Nov.72.

To

Miss Christa Held
Secretary C.D.S./LWF.

Rev.M. Seeberg
Director G.M. Berlin

Subject:- Education Policy of the Gossner Church.

Dear Brother/Sister,

Since a long time the Gossner Church was trying to adopt certain policy on education in the G.E.L.Church, but without success. But fortunately the recent visit of Dr. Grothaus enabled the Board of Education to adopt a policy on education. The minutes of the Education Board dated 28.10.72, and the report of the Commission set by the KSS regarding education policy matters dt.5-6 Nov.72 are enclosed herewith for your information and perusal, as Appendix I & II, both approved by the KSS vide item No.37 of the KSS minute of its meeting dated 3-8 Nov.72, which reads:- "Much discussion was made on the priority list of the Education Commission regarding projects and final list was made as follows:-

I (a) Topmost priority for salary to teachers.

For this the KSS decided to create the Central Education Fund for general education. For the Middle and Primary schools the fund of Rs.100000/- and for High schools and Training school Rs.500000/- will be needed.

(b) Salary for two Executive Officers, Office establishment, salary for staff and office equipments etc. One Executive officer will supervise the Middle and Primary schools and the other will supervise High schools. The expenditure on these two officers will be Rs.7000/- per year.

Thus to get such a huge amount we appeal to you to help us in creating the General Education fund, and in managing the schools in a proper way. Please help bear the expense on the above projects so that the Church may be able to serve its people through education.

II. The list of Major projects and Minor projects approved by the KSS are also given below. In this connection I have to say that the plans for two to three years be made so that the construction and repair works on buildings may be completed.

Secondly the priority list for projects was made after a good deal of deliberation. The list of the projects are made in such a way that it covers the entire area of the GEL Church. If the work is not done according to the priority list then there will be misunderstanding among the people, as the GEL Church consists of members from different communities. The KSS does not want that such a situation should arise, and it does not want such work where projects be taken up in one particular area. Therefore I request you that while considering the projects to be sanctioned the priority list approved by the KSS be taken into mind, so that peace and unity of the members of different communities in the GEL Church may not be perturbed.

..... contd

Major Projects:- Construction of High School buildings.

- (a) 1. Govindpur Boys and Girls' High schools.
2. Luth High School-Kinkel
3. Khutitoli High School.
- (b) Hostels:-
1. College Hostels for Girls and boys at Ranchi.
2. College hostel for girls at Khunti
3. College hostel for boys at Simdega
- (c) Money fetching building at Rajgangpur.

Minor Projects:-

1. Renovation of Gossner High School, Ranchi.
2. Renovation Of Loharadaga High School, Lohardaga.
3. Compound wall and pumping set for Koronjo H. School
4. Science building at Takarma H. School
5. Pumping set and compound wall at Marchia H. School
6. Bethesda Girls High School-- completion of school hall and renovation of H. school buildg.
7. Gumla--Fence and Science apparatus.
8. Bethesda Womens Trg. school--development of land.
9. Chainpur- Pumping set and fencing.

Out of the above mentioned priority list the following have already been submitted to CDS/LWF.

1. Project request for Gelel Ras Girls High School, Govindpur
CDS-P-40
2. Kinkel High School-----CDS-234
3. Womens College hostel Khunti---CDS-P-70
4. College Boys hostel Ranchi----CDS-P-36

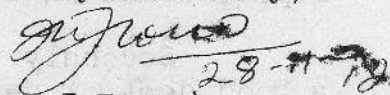

The above priority list are for first phase which the GELC wants to complete in three years with the help from abroad. The Education Commission which produced the list of first phase has also been requested to submit list for the second phase in future.

This is a great step taken by the Gossner Church to maintain its schools and to reform them which it cannot do without the outside help. Your attention towards the Gossner Church undertakings will be a great help. So the step was taken in the right moment with the help of Prof. Dr. Grothaus.

We appeal to the CDS and the Gossner Mission to extend their helping hand, sympathetically so that we may proceed further in the service of the Lord through education.

With kind regards,

Yours very Sincerely,

(Rev. J. Topno)

THE MINUTE OF THE EDUCATION BOARD
HELD AT GUMLA ON 28.10.72.

The following members were present:-

1. Mr. H. Samad, Chairman 2. Mr. A. Lakra, member 3. Mr. Th. Ekka, member 4. Mr. P. S. Barjo, member 5. Mr. J. S. Topno member 6. Rev. N. Ekka Secretary.

The minute of the 2nd Headmasters' conference was put on the table. After going through the contents of the minute the following actions were taken.

(I) Resolved to adopt the findings of the 2nd headmasters conference held at Chainpur and endorse to the KSS for approval and the further needful. The findings read as follows:-

"This conference pronounces that the church educational institutions are by their very existence and nature centre of creative activities and are God's instruments to transform the human society by accepting the challenges of the time. Our society to-day is faced with rapid industrialisation and its allied activities on the one hand and the rapid socio-economic changes on the other. The church has a special role to get itself involved in this situation in order to witness Christ in all activities of the society. We are aware that the country which is being prepared to achieve socialism has also greatly being influenced by radicalism in the socio economic field. The church as an instrument of God must play its role in consonance with the teachings of the Lord. The church must give emphasis on the positive value of Christian stewardship in its various activities in the society. It must teach social education and to this end we feel that Christian educational institutions must be maintained and fully equipped for their positive role.

" This conference, therefore lays down the educational programme of the church namely:- (a) Total formation of the human person. (b) Welfare of the society of which he is a member. (c) Building up of a world that is fully and (basically) human and at the same time open to the demands of the extra human. Stress is laid on the formation of the human person in the context of the society he lives in.

How this is to be done is further clarified:- (a) Training of personal freedom and self discipline. (b) Cultivation of positive quality of mind that can take on the challenges of adult living. (c) Personal skills for earning a living and contributing to the welfare of the society.

Society is never static. It changes continually. Education is the most powerful agent in determining social changes. It is therefore the responsibility of christian education to bring about social transformation so as to bring about a happy welfare society. Christian education therefore endeavours--to promote social justice--to wipe out distinctions of race or class--to proclaim by word and deed equality and brotherhood of all men.--to wage war on attitudes which tend to isolate certain privileged groups from their less fortunate fellow countrymen.

Consistent with its objectives the building up of a happy home christian education seeks to develop in man personal intelligence and skill, making him creative and enabling him to perfect the things around him and harness them to his needs.

(II) Resolved to adopt the recommendations of the conference to the K.S. endorse to the KSS for approval and the needful. The recommendations read as follows:-

That a department for University, Secondary primary education and training be established under the KSS. Lakra, 6. Miss H. Bhengra, 7. Miss S. M. Bodra to work out the details of the entire educational programme aforesaid. For raising funds for the Central Education Fund the conference decided to implement the decision of the last conference and to use the following means on Ilaka level -- 1. Contributions from bigger Ilakas @ Rs. 50/- and from small Ilakas Rs. 25/- per annum. 2. Special offering on one Sunday once a year. 3. The allotment of landed property to schools.

1. As demanded by the College students the KSS has decided to cancel the lease deed executed with Asha Jote entrepreneurs through Jiwanlal for the plot in question, a copy of the decision has already been sent to the theological College Principal. Now it may take time in the implementation of the decision due to some reason or other.

Now the attitude through behaviours of the college student in their approach for their demand have created chaos & apprehension in the mind of the concerned authorities and particularly in the mind of Rev. B. Minz, the Pramukh Adhyaksh.

We have come to you the guides of the Theo. College students with the hope of assurance from you that in the process of the implementation of lease cancellation deed no such Gherao & rough behaviour would repeat by the Theological College students.

- II. From the attitude and behaviour exhibited by the theological College students in the recent past it is observed that there is no discipline in them. It appears that the authorities are entirely neglectful of the importance of the discipline.

The general public is so much disappointed with the indiscipline character of the students that there has been strong move to dispensed with the present batch of college students which is a tremendous loss to the church as a whole. We would like to know what do you think about improving & maintaining the discipline. The improvement fully depend upon you.

After discussion for a considerable length of time the following points were agreed upon by the faculty members.

- (I) We give guarantee that no such incidents of gherao will occur in future.
- II. We feel it our duty to see that discipline is maintained in and among the theological students.

In the end the commission gave thanks to the college faculty members & concluded the meeting with a short prayer led by Rev. P. D. Soreng.

MINUTES OF THE K.S.S.OFFICERS' MEETING HELD ON 23-10-'71

Extract

"Item 4:-LEASE OF LAND TO 'ASHAJOTE ENTREPRENEURS' THROUGH SRI JIWAN LALL : -

It was noted that, in order to have some financial income out of the unused land lying along the Main Road, Ranchi, the Secretary of the G.E.L. Church Property Board has leased out a piece of land measuring 75'x 58' located on the South West ~~corner~~ corner of the Christ Church, Ranchi to 'Ashajote Entrepreneurs' through Sri Jiwan Lall, Ranchi and that this action has been approved by the K.S.S. Officers in its meeting dated 7-1-71 and by the full K.S.S. in its meeting dated 2-6 February 1971.

However, under the changed situation several Church members and leaders felt and expressed that the above mentioned site was required by the Church itself to get its own new and urgent plan executed and therefore it was necessary that the above mentioned lease was to be cancelled. In this connection it was also noted that the students of the Gossner Theological College together with some other college students had met the Pramukh Adhyaksh of the Church and later also met most of the K.S.S. Officers several times to convince them of such an urgent necessity. The Pramukh Adhyaksh had also held two consultations with the local leaders of the G.E.L. Church in this connection.

The K.S.S. Officers, after having considered the changed situation of the Church and having been convinced of the necessity to execute the Church's own plan on the very site mentioned above as it was very near the church and considering that Sri Jiwan Lall had his own land along the Main Road in front of the Raj Hotel which could be used by 'Ashajote Entrepreneurs',

Resolved that steps be taken to get the above mentioned lease made to 'Ashajote Entrepreneurs' cancelled and that to this effect the party be contacted through Sri Jiwan Lall as early as possible. "
