Sir,

In accordance with your ltr. dated the 11th
I have the honour to report that the condition of the house
is deplorable, especially the western part. If it would
be reconstructed, it is quite evident that it will collapse.

I am therefore desirous that the western part of
the hostel should be reconstructed with the money available.
As there is no hope of help from you I find it di-
fficult to extend the roof. I am thinking to let the
roof of the eastern part remain as it is, at present
till I shall have sufficient command of money at
my disposal.

On account of the single long roof the western
part has become very weak. The birkens have been
rendered weak for its length. Now I am going to
have two roofs instead of one (or do chajain) on that
side, in that case only it will be suitable and
lasting.

I have the honour to be

Sir

Dear Pastor,

A few days ago you kindly sent to the Agent an estimate or bill of the cost of lime, etc., for the repair of your church. The Agent has checked up this bill and found some errors in it. I have asked him to make a copy of it and point out the errors. He has done so and I enclose his corrected copy. Will you kindly return this to me with your explanations. It seems that you have made a considerable mistake in ordering the lime from Raipura instead of from Ranchi. Why did you not order it from Ranchi? It would have been much cheaper, I think.

Yours sincerely,

Sir,

I received your notice dated the
2nd inst. in which you require my advice
for the repairs of the church at Ghoghor.

In answer I have the following
statements:-

- 1) I have nothing to say against the
fixed amount of grant being paid.
2. I am unable to repair the church
without getting money in advance.

I think that only the roof can be
repaired at the amount of Rs. 50.

So will you be so kind enough
to send the money to Rev. W. Deeller,
who will take up the charge to
repair the church here.

Please excuse me of my delay,
because I am ill.

Many thanks for your letter of the 3rd giving a statement of the repairs which you have excedted ~~ex~~ with the 25/ which I sent you last month.

Your statement is really not a bill at all--there are no details, so it cannot be accepted as a bill. As I have sent you Rs. 75/ for repairs, which you have already spent, kindly send me a detailed bill for that amount showing the following:-

1. Name of each work.
2. Rates of coolies.
3. No of days for each coolie.

Dear Mr Herenz,

I understand that you have now taken charge of the M. E. School. Kindly let me know if this is true.

I write today especially about repairs:-

1. When the old Headmaster(Mr Hassa)left he had given out two advances--Rs. 5/ for rafters and Rs. 9/ for tiles. All my efforts to get an account of these advances, that is, to get a statement that the articles had been delivered, have been in vain. The Pastor or Mr Yunas Bage knows all about this matter. Will you report, please, on the matter without delay and oblige.

2. Rs. 10/ per month is given to the Headmaster for repairs. This began with March 1926. By this time Rs. 140/ have accumulated in the Headmaster's hands(to the end of April 1927). When I recently asked the acting Headmaster to give me an account of this, he replied that he did not know anything about it, that he could not do it, that he hoped the new Headmaster would do it, etc!! This is most surprizing!! Will you kindly report to me without delay on this important matter. No advance for additional repairs can be made until this old matter is cleared up.

Kindest regards.

Yours sincerely,

२, लड़का और लड़कियों को हिदायत किया जाय कि पाछर सुपर त्रैजर के बिना इजाजत भ्रमबाउन के भनडपस्थित में तीनों माछरों के बिना इजाजत कोई बोर्डिंग घर के पास न जावे और बात चीत न करे।

३, लड़की चाहे लड़का किसी के पास चिट्ठी फौ बिना इजाजत न करे, जो पकड़ा जाय सो पछेछ दरड से पावेगा। केवल पाछर सुपर त्रैजर चाहे मछरों के इजाजत से लिख सकता है।

४, १९२६ में जो बोर्डिंग के लड़कियों के लिये नियम बनाया गया है सोही इस साल में जारी किया जाता है और जो कोई इस नियम को न माने सो बोर्डिंग से निकाला जायगा।

५, बड़ा बंगला और लड़के बोर्डिंग के पास कोई बैची

६, लड़का बोर्डिंग के लड़कियों का देख नाल के लिये कीरडदार

इसी लिये इलाका पंच मान्यवर H.B. से नर्जो करती है कि

नई कोठरी बनाने का इजाजत पहिले के Supervisor पाद्री

न मिलने के कारण नर्जो तक नहीं बनाई गई है।

इलाका पंच H.B. को बहुत धन्यवाद करती है ॥

Dear Amma Babu,

Your letter of the 20th.

You ask for more money for repairs. I am very sorry that the repair money is all finished. However, I am willing to advance you Rs. 25/-, pending the sanction of the AB which meets on the 19th July. But, as I have already advanced Rs. 40/- for repairs to the school house and have gotten no account or bill of the work, I cannot advance any more until the complete bill for the work done with the 40/ is sent in and checked up. Please see to this without delay and greatly oblige.

Kindest regards. I hope you fare well.

Yours sincerely,

NOTICE.

Rev. Prabhusahay Horo,
Ghoghor, Rajgangpur.

The Advisory Board at its recent meeting decided that only those repairs which in the opinion of the Secretary are absolutely necessary may be executed. I have decided that the best way to carry out this order is to give help as follows:-

1. To grant a limited fixed amount for each building.
2. The money to be given after the repairs are finished.

I have decided to allot the sum of Rs. 50/- for the church ~~sumax~~ building at Ghoghor. If you can execute the repairs on the above condition, kindly let me know and also proceed with the work without delay.

Rev. Prabhushay Horo,

Dear Pastor,

Many thanks for your letter of the 16th inst, with an endorsement by Mr Diller by whom it was forwarded. In reply I beg to say--

1. When the Agent wrote you on 31-1-27 at my request it was believed that the promises of repairs made by the Board in 1926 could be fulfilled in 1927, but at the April meeting (1927) it was found that it was impossible to do so because of the lack of money.

2. As you had not sent in any estimate which could be approved the small amount of money available for repairs the first half of the year was divided up among the places from which proper estimates had been sent in, each station getting much less than it had asked for.

3. As there is no money left now for repairs, your request will have to wait till the next meeting of the Adv. Board to begin on July 19th. I shall then present your request.

4. However, the Agent asks for a detailed estimate of the repairs to be made, showing names of work, measurements, rates of coolie, prices of materials, etc. If you send in such an estimate the AB is more likely to sanction it.

Kind regards.

Yours sincerely,

महाराज गुप्ता साहेब

आपके कार्ड के जबाब में धो धोर गिरजा के मरम्मत का उपरोक्त लिखित बालू चुना वगैरह का काम भेजते हैं।

पहिला हिसाब में मैंने चार रेजा को नहीं बताया धुरमुख के लिये परकार होगा।

पंच चक्र जोड़ने का और नद हमारे पास कपहिली का जब मंगाया गया था उस समय का बाकी है उम्मेद है कि उससे मरम्मत हो जावेगा।

मुंघाना मानेवा लोहा (तैयार) राजगांगपुर में नहीं मिलता है।

मैं समझता हूँ कि छत के लिये चक्र और परकार नहीं होगा।

उपरोक्त चीजों का काम पूरा पाए के जो यहाँ रेल है जांच करके लिखा है।

बिहात में समझ धूमने के कारणा से हिसाब भेजने में बहुत देर हुई - गुप्ता का काम मान्य जिये - ॥

Dear Pastor,

The enclosed typed letter explains the situation as regards repairs. The Advisory Board simply does not have money for this purpose.

Concerning the Pastor's House at Kuru: I have seen the house recently and I know it needs repairing, but there is no money. Anyhow, Rev. J.C. Tirkey is being transferred to Lali and it is likely, I take it, that he will not need his house at Kuru for sometime. I feel sure that he will be willing to allow Rev. Ch. M. Lakra to live there for sometime--even if a small rental is charged. So, I think it is now not so necessary to repair the old Pastor's house at Kuru. Anyhow, if there is no money, what can we do?

Kindest regards.

Yours sincerely,

Dear Sir,

I beg to inform you that the big bungalow, in which I am living is leaking badly in several places, specially the guest room and the ceiling is getting ruined. I have already engaged the Chonkidas in repairing the leaks. But it would have been better if I could engage 2 coolies also, for it needs retiling in several places. If I engage the coolies for 5 days @ 6as each a day, it will cost Rs 3/12/- and one mason for a day for repairing the pillar it will cost 14as. So the total cost will be Rs 4/10/- only. Please

Let me know at your
earliest whether or not I
should engage them. ~~at once~~
Thanking you.

Yours Sincerely,

Rev. Mansidh Puri,
Tokad.

Dear Pastor,

Many thanks for your letter of the 24th, enclosing an estimate for repairs to the Tokad houses. The Agent has looked at this estimate and he feels (and I agree with him) that it is not necessary to spend Rs. 72/15 in making repairs at Tokad. This year only tappa repairs can be made because of the shortage of money. So I agree that you may spend up to Rs. 31/7/9 for repairs, the money for which will be supplied as follows:-

Rs. 1-7-9	in hand from sale of grass.
10-0-0	to be gotten from sale of grass.
<u>20-0-0</u>	to be given by the Advisory Board.
Total,	31-7-9

By money order I am sending you Rs. 20/-. Kindly acknowledge receipt of same. Please execute the tappa repairs as soon as possible and send a complete detailed bill for the same and greatly oblige.

My kindest regards to you and all.

Yours sincerely,

Note

Rs 20/- Cash may be
given for Tappe Repair.
only. No white-washing seems
to be necessary since the big
School no longer exists.

Parker has got Rs 1/7/9 Cash
in hand and he may be per-
mitted to use Rs 10/- more
which, he says, will be obtained
from the further sale of brass.

He should submit account
of Rs 31/7/9 after the rains.

Dear Pastor,

Many thanks for your letter of the 8th about repairs. It should have been addressed to the Secretary of the Advisory Board--not Trustees. In reply--

1. Certainly some repairs are necessary for Tokad, but unfortunately you have sent in your request very late. Already all the repair money has been given out to other stations. Your request will have to wait till the next meeting of the Board on July 19th.

2. Kindly let me have a detailed estimate, if possible.

3. Kindly let me know about the grass: Has it been cut? How much has been spent on cutting? Have you sold any of it? Can you not sell some of it to reduce expenses?

Kindest regards.

Yours sincerely,

Dear Headmaster,

Many thanks for your letter of the 14th about repairs to the Anlesa bungalow. In reply--

1. I am very sorry that the Padri Babu is sick and I hope he will recover very soon.
2. You ask for Rs. 30/- more. I am afraid that this can not be given. There is no money at all for repairs.
3. You say that the repair work has been stopped because you cannot get coolies, etc., etc. This is very distressing! Surely the repairs can be executed somehow.
4. However, if you cannot get the repairs done, then I request you to return to me the advance of Rs. 40/- which I sent to the Padri. We need money here badly.
5. At first the Padri asked me for Rs. 5/- to put up the beam. Then later he wrote that he would need Rs. 20/-. Then later still he asked for Rs. 40/-. So I sent him Rs. 40/- without delay. Now you report that you cannot carry out the repairs and yet you ask for Rs. 30/ additional! This I cannot understand. This is not businesslike. So kindly return to me the advance unless you can use it at once in making necessary repairs.

Kindest regards to the Padri and all.

महामान्यवर ए० बी० सेक्रेटरी लूथेरान चर्च रॉन्ची ।

महाशय, आप को जनाया जाता है कि अमलेशा बंगला की मरामत आप के इच्छानुसार नहीं किया गया, विशेष करके धरना इन साल भी नहीं चढ़ाया गया। इस का अनेक कारण है जिससे धरना चढ़ाना बन्द किया गया।

१. मान्यवर रेभ० एन० सुरिन विमार में पड़ गये साथ ही मैं भी सूत रोग से प्रकट गया। काम चलाना बाबू पूरणप्रसाद पुत्री मास्टर के हाथ सौंपा गया जो बिल्कुल नया जन भी है।

२. दूसरा कारण कि बड़ी मिस्त्री न मिलने के कारण सब छेतों को उठाना मुश्किल मालूम पड़ा क्योंकि धरना चढ़ा के फिर पहले की नाई सब कुछ वैठना होगा।

३. सब उठाने से सब बांस खोलना होता जिससे बिल्कुल पुराना बांस निकल जाता और नया लगाना होता, नया बांस खोलना और लगाना भी नया जन के लिये बहुत कठिन बात थी। इन्हीं कारणों से धरना चढ़ाना बन्द कर दिया गया। फिर काम करने वाले भी नहीं मिलते हैं सब अपने खेतों के काम में लगे हैं सो खुंटा हो नीचे से लगाया गया है। सो हम लोग दीन्ताई से बिन्ती करते हैं कि कृपा कर हमों को माफ कीजिये।

मैं कुछ आराम हो गया हू पर रेभ० एन० सुरिन का दुख का ठिकाना नहीं न बढ़ता न घटता है। मैं मरामत के काम को देख कर और बकाया हाथ में थोड़ा रुपैया देख कर समझता हूँ कि मरामत का काम अन्त नहीं होगा अर्थात् अधूरा रहेगा सो कृपा करके ३० रु० और भेज दीजिये जिस्ते कोइ प्रकार इन साल मरामत का काम अन्त होने पावे।

Dear Pastor,

This morning Mr Soy and I went to see the District Inspector of Schools about grants, etc. He seems to be favourable to us and we must be favourable towards him--I do not mean favoritism. He said that the Tamar Sub Inspector has no decent house in which to live and begged me to allow him to live in one end of the Tamar bungalow. I consented to this. I now request you to receive the Inspector kindly and make friends with him. The D. I. says that the Sub Inspector (Mr Rai?) is a very good man. If so, kindly receive him in a friendly way.

Kindest regards.

Dear Sir,

Many Thanks for the sum of Rs 40/-.

But sorry to inform you I received the R.C. of the 14th inst on the 20th may and money to-day on the 21st. I had no hope to get money because I was not getting answers of my two applications, and Mr. Joppo the candidate was telling me that the Board Secretary and the manager girls' Schools have gone to Darjelling. On the 14th inst. I wrote one R.C. to the Rev H. John concerning repairs, as to show us way to make the bungalow stand, because the 7th may storm ruined many tiles,

and washed away plaster. I cried before the

Rev A. John. for repairs, please excuse me.

To day I had gone to the mistri to consult, how
to place big beams on the walls. From Monday
work will be begun.

Many thanks for the sum of Rs 40/-

भाष. का. १७. ६. २७ का चिट्ठी पाया। पर मैं चैनपुर से जदो लाया।
इस कारण चिट्ठी मिलने और नैजने में देर हुई।

- १- स्कूल घर के मरमतों का हिसाब बिल फिर से नैजता हूँ।
- २- खपरा ३२०० पूरा खपरा था कुम्हार ६४०० था रु० में ४०० पूरा के दर से
- ३- इधर खपरा बनानेवाले कुम्हार लोग नहीं हैं जो कि खपरा बनाके और पक्काके बिकरी
करके अपना गुजारा करे। पहिले मगध नोजपुर, हाजारीबाध तरफ से कुम्हार लोग
काकर खपरा बनाते थे। पर आज कल इधर के खेती करनेवाले उरांव लोग खपरा
बनाना सीख कर बनाते हैं। जो बड़े कठिनता से मिलते हैं और केवल ५ रु० में
४०० कुम्हार खपरा बनाते हैं और सब कुम्हार खपरा बनवानेवाले को खर्च करना होता है
इसी से शायद रांची से बेसी खर्च मालूम पड़ता है। जो चीज रांची में सस्ता है सो इधर
महंगा हो सक्ता है और हलका से सब समथ नहीं मिल सक्ता है।
४. केवल स्कूल घर मरमत हुआ है।
५. गिरजा घर केवल मुंन्धना (मंगार) चूना और बालू से पलास्तर हुआ है।
पैसा खतम होने और बेसी खर्च होने को पैसा न होने से काम बन्द कर
दिया गया है।

६. जब साहिब आये थे तो केवल गिरजा के मंगार पलास्तर और दिवाल और गच में
जहां उखड़ गया मरमत का बिलू दिया गया था। पर जब पानी बरसा तो देखा
गया कि गिरजा घर के पोरने का काम भी होना चाहिये क्योंकि बहुत चूता है।
इस कारण अबको पोरने का जो बिदेम स्टोमेज दिया गया है।

Aur jab tak girja ka kam jiska estimate ap Rs. 9- 8-0 diya hai khatam nahin hoga tab tak ap ka bill ka baki rupaiya nahin bheja ~~xx~~ ja sakta hai.

महामान्यवर ए० बी० के सेक्रेटरी साहेब को धीरुसहाय ।

पाद्री बाबू ने हमारा सुनि जो मैं आप को (उन ४०) रुपयों के लिये जो बंगला मरामत के लिये आगामी भेजे गये थे आप को बहुत धन्यवाद देते हैं; क्योंकि उन रुपयों से मरामत का काम बंगला के मध्य भाग से पूर्व तरफ बिल्कुल मरामत हो चुका है। मरामत का काम न तो पाद्री बाबू आप से न मैं आपने तरफ से करने सक्ता क्योंकि दोनों जन निमारी में गिर पड़े। ऐसे हालत में पाद्री बाबू ने बाबू पूरा प्रसाद मास्टर को मरामती का काम सौंप दिया जिसे वे सब कामों को देखने को चलावे।

बाबू पूरा प्रसाद हुनुमानुसार बंगला के नीचों नीच भाग से पूर्व भाग को पांच बुलियों और तीन चार रेजों के द्वारा काम सुरू किया। सब खपरो को उतारने के बाद जब धरना चढ़ाने को शुरू किया तो वे एक बड़ी का खोज किया और कई बुलियों को लगाने चाहिए लेकिन न तो बड़ी आगा न तो और बुलिया गांव से आये। पांच बुलियों से केवल धरना चढ़ाना कठिन जान कर खुंटा ही ठीक से खड़ा कर दिया और बाजार में बांस बड़ी महंगा से खरीद कर जिन जगहों में बांस खराब हो गये थे नया बांस लगवाया और कुछ बहुत खपरा भी खरीदा जाकर पूर्व भाग मरामत सम्पन्न कर चुकाया है। अब बंगला के मध्य भाग से पश्चिम की ओर जिधर पाद्री बाबू रहते हैं मरामत करना बाकी है।

१४वीं जून मैं आपने रोग से चंगापन पा के पाद्री बाबू को देखने गया, वहां बाबू पूरा प्रसाद भी थे, उसी समय तीनों मरामत सम्बन्धी बातें भी करने लगे और हिसाब भी करने लगे; उस समय के खर्च और बाकी रुपयों को देख हम सब लोगोंने विचारा कि बाकी भाग के लिये प्रायः ३० रुपयों तक खर्च होगा। वही ३० रु० आप को मैं ने लिखा था भी। अब मुझे मालूम हुआ कि मरामत के लिये आप के हाथ भी रुपयों बिल्कुल घट गये हैं। ऐसे हालतों में पाद्री बाबू आगामी ४० रुपयों को फेरत नहीं भेज सके पर हिसाब दे सके हैं।

सब इसी प्रकार साहब के डेरा बिषयक बातें जो आपने लिखा सो पाद्री बाबू पाये हैं। वही चिट्ठी पाद्री पौलुस मन्की जो इलाका पन्चायत में आये थे २०वीं जून को सब इसी प्रकार को दिनाये और दोनों मिल कर पूर्व तरफ के ३ कोठरियों को चुन लिये हैं। ११वीं जून इसी प्रकार स्कूल मुलाहजा के लिये आये थे उस समय पूछते थे कि मरामत का काम कब अन्त होगा हमोंने कहा दिया १०, १२ दिन में। सो उसके सब कोठरियां तैयार हैं जो चोरा केवल बाकी है वे हल में नहीं आये हैं, हो सक्ता है देहात के स्कूलों के देख भास में होंगे।

Sir,

I have the honour to report that the main beam of the house in which I am living is in a very bad condition. It is so bent that it looks as if it will break and the whole roof will fall down at any moment. The roof is also very leaky. It is very dangerous for the occupants.

I therefore request that immediate steps may kindly be taken to replace the old one and so to save the lives of of your poor servants, for which act of kindness I shall ever remain thankful.

Dear Pastor,

Many thanks for your letter of the 18th, enclosing an estimate for repairs to buildings in your station. The Agent will check this up and correct the errors.

However, I write at once to you to say that owing to a great shortage of funds nothing more can be advanced to you for repairs. You must do the best you can with the Rs. 75/ already advanced to you. No more can be given. Kindly let me have your account of the work done as soon as possible--that is a statement of the expenditure of Rs. 75/, only.

Kindest regards.

Inspection remarks on Chaimpur Luth. U. P. school
by the Dy. Inspector of schools, Gumla.

16th September, 1926.

Accompanied by the local S. I. of schools I visited the Lutheran U. P. School this morning. The staff is the same ~~and~~ and efficient. There were 36 boys present out of 43 on the roll. There is a hostel ~~xxxx~~ attached and there are 17 inmates.

The Hd. master is cautioned against the continuance of such poor work in any class of the school.

I examined the boys in various subjects. I noticed that boys are taught to be careless. They skip over many words while reading and in arithmetic also they do not try to see what they are doing. I showed how difficult words to be explained and corrected many wrong explanation of several passages.

It is hoped that it will be possible to repair the roof before long.

The house is quite as bad. The roof leaks so badly that classes can not be held when it rains. This is very serious. The authorities should repair the house as soon as possible.

Dear Sir,

According to the order of the Board I have divided up the money available for repairs in all the stations and I find that only Rs. 50/- can be given for the repairs to the school house at Takarna. This will be for leak repairs only and for making over the rooms in the bank building into class-rooms. I am very sorry that no more money is available now. Later on in the year, perhaps some more may be given. Kindly let me know when you want the first advance. The work should be executed without delay--that is the class-room work should be.

Dear Juel Babu,

Your letter of the 3rd, with estimate, arrived while I was away from Ranchi for over ten days. The Agent has not yet checked up your estimate to see if it is all right.

However, just yesterday a letter came from Nottrott Padri strongly objecting to your making a doorway and building a verandah which you asked my sanction. When I gave permission to you to do this I thought that the Padri and Headmaster were present and knew about and had no objections. I did not know of the Padri's objection or of any difference of opinion between you two. Now because the Padri has made objection I am referring the matter to the Managing Committee of the M. E. School and I shall take their recommendation in the matter. Until get the Committee's recommendation I cannot sanction it. So please speak to the Headmaster about it and get it brought before the Managing Committee. Also, kindly drop me a pc telling me when the Committee will meet again, so that I can be present if possible.

Many thanks for your letter of the 25th Feby concerning repairs to the Church and Chowkidar's house.

I have had a careful estimate prepared for all the repairs which you mention, and the estimate comes rather high. In view of the fact that our budget has been cut 33-1/3%, we shall have, not only to practise great economy, but also to retrench, so I cannot sanction all the repairs you mention, but have given orders that only the most urgent repairs be executed.

Dear Sir,

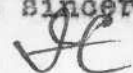

Many thanks for your letter of the 28th April asking for Rs. 250/ for repairs. In reply I beg to say--

1. Your ~~letter~~ letter does not make it clear just what buildings are to be repaired. Some of the "lines" mentioned are possibly those for which the AB is not directly responsible. Kindly give name and place of each bldg.

2. Your "detailed rough estimate" is really not a detailed estimate. In a detailed estimate full measurements and rates are given for all materials, labour, etc. Kindly give such an estimate if possible.

3. It is quite impossible for me to say now how much money can be spared for repairs in your station. As you will see by the AB minutes just sent out, the Board gave special sanction for repairs to certain buildings at its last meeting. Unfortunately your request had not been sent in then. At present there is absolutely no money for anything; the Board is living entirely off of borrowed money. The April salaries cannot be paid till sometime after May 15th, when the next cheque comes from America. I can only make a tentative promise to give you 'something' for Gov. repairs.

Yours sincerely,

To

The Secretary of the Advisory Board,
Luthran Church, Ranchi

Dated Girindpur the 28th April 1926.

Rev. and Dear Sir,

We beg most respectfully to bring to your kind notice that the whole line of houses on the east of the Church is badly in need of repair, and other lines and the Headmistress's lodging also require patch repairs. Beams, rafters and tiles are so bad in some places that it seems dangerous for habitation during the coming rains. We therefore approach you with this humble petition that you would be so good as to sanction Rs 250/- as estimated below for which we shall be very thankful to you.

A detailed ^{rough} Estimate:

Tiles — — —	Rs 40/-
Beams + rafters	Rs 40/-
etc.	
Lime — — —	Rs 30/-
16 coolies @ 15/-	
daily for 15 days	Rs 75/-
nails + screws	Rs 10/-
× Patch repairs — —	55/-
Total	Rs 250/-

Yours Very faithfully.

Dear Mr Bhengra,

Many thanks for your letter of the 10th, concerning repairs. This makes the matter clearer.

I hope to be able to send you some money (advance) next week: there is none now. Every Ilaka is crying out for repairs!! The item for repairs in the 1926 budget is quite small, as you can see from the AB minutes (See page 10--April minutes).

Rev. and Dear Sir,

Many thanks for your letter
dated 1.5.26 regarding repairs.

In reply I wish to state that an accurate
detailed ^{estimate} in the villages is impossible however
I am trying to give you the nearest possible
detailed accounts of expenditure. If there
be any balance at the close of the repairs
it will be returned to you at once.

The buildings that are to be repaired
are (i) Leachers' quarters on the east of the
Church. (ii) Headmaster's Kitchen rooms (iii) the
Ligu's quarters. These are badly in need
of repair at once.

As the rains are threatening now it
seems difficult to undertake thorough
repairs therefore the former plan of repair
is dropped. The above mentioned are
only roof repairs. The estimate is
given below for your kind sanction.

15 Hands @ Rs 1/- each	-----	15/-

Dear Sir,

I beg to state that the school garden here is in a very bad state.

It has no fence. Cows and goats and men freely go into it and go out of it. It has become a thoroughfare. In rainy season even we find it impossible to grow flowers.

When the girls' school was transferred from here to Khutitoli some fencing wires also were taken from here. I understand they are still there unused.

If it is so, would you kindly give those wires back to this school?

I hope that with those wires we can well fence the garden and bring it back to a better state.

Dear Pastor,

I hope that you have entirely recovered from your illness and are now at work again.

Thanks for your pc of the 12th Feby. Because of the long absence of the Agent (he had small pox in Calcutta), I could not act on your request sooner. Now the Agent and I agree to buy the grass from you (or the Ilaka Panch) at Rs. 30/, for the purpose of making roof repairs at Tokad. If any of the grass is not needed for repairing roofs, then kindly sell it and refund the money to me (the AB). Kindly let me know how much of the grass will be needed for repairs this year, before new grass comes.

Also, please understand that the grass belongs, in the first place, to the Ilaka Panch, and therefore the Ilaka Panch should pay for the cutting of it--not the AB. The Board will only buy this year and hereafter what it needs for roof ~~for roof~~ repairs only. The rest the Panch should see to.

Yours sincerely,

Dear Pastor,

Your pc of the 23rd, many thanks.

It appears that you have spent all of the Rs. 70/ I sent you in two advances (Rs. 50 and 20) and have finished the repair work at Rajgangpur.

However, it is necessary for you to send me a complete bill, giving all necessary rates for coolies, materials ~~sent~~ bought, etc., and measurements of all materials used and names of materials used, up to a total of Rs. 70/. Please attend to this without delay and oblige.

Kindest regards.

Yours sincerely,

Rev. Prabhushay Hero,
Ghoghor, Rajgangpur.

Dear Pastor,

Your letter of 15-6-26, addressed to the Church Council concerning repairs at Ghoghor, has been forwarded to me by the CC Secy.

It is true that you made a request for repairs in 1924, and that N. Mali Babu came to your place and prepared an estimate; but as there was no money then for such repairs nothing could be done that year. However, you should have renewed the request the next year and probably the repairs would have been executed. But as you kept silent, your request was entirely forgotten.

As our repair money is now almost all gone for this year, nothing can be given now. However, in December or January, you should write to me about all necessary repairs in your Ulaka. Please do not forget this.

Yours sincerely,

Through

The Head Supervisor,

Lutheran Schools, Ranchi

Lohardaga, Dated the 14th Novr. 1925.

Sir,

As the extension of the present Boys' hostel attached to the Lutheran M.E. School, Lohardaga seems absolutely necessary owing to having insufficient accommodation in it, we the members of the Lohardaga Station Committee, in agreement with the Boarding Managing Committee, beg to submit, as so kindly invited by you, a plan and estimate for two new blocks that may be added to the present hostel-buildings for the accommodation of boys. Each block (new I + II) may be a big hall which may accommodate room for forty to fifty boarders. These halls be used as study rooms and dormitories for boys. No doubt, it will make it easy for the house-master of the boarding to supervise the study work etc. of the boys.

The present old block may be used as quarters for the housemaster, Sick-room and godowns for boys and Kitchen and Store room.

The Expenditure of the projected blocks estimated at Rs 1604/-, has, no doubt, been estimated on the present rates of materials etc., which may be subject to fluctuations, if the work is started late. We feel, therefore, that we should not be bound to abide by the estimated cost, if it so happens. Moreover, we are afraid that our estimate may not be very accurate, since we have very little knowledge on this subject.

Trusting this will meet your kind approval and you will kindly take the matter into early consideration.

Dear Pastor,

Referring again to your bill dated the 7th August 1926, showing an expenditure of Rs. 53/6 on repairs made to the Tapkara church, I write to say that on checking the bill we find that some of the rates are quite high--much too high, we think. Enclosed please find the bill returned for correction or explanation. A note pinned to the bill explains the points we consider wrong. Kindly let me know about this at your earliest convenience and oblige.

By money order I am sending you a second advance of Rs. 20/ only. Kindly acknowledge receipt of this and oblige. I shall pay the balance of Rs. 10/ due when you submit the final bill, if we can approve it.

Your letter of the 26th.

Please send me a detailed estimate of repairs needed for the church, giving measurements, rates, etc.

I am sorry to say that it will be impossible to spend up to Rs. 200/- for repairs on your church this year. The AB does not have the money. Kindly reduce your estimate as much as possible.

Dear Pastor,

Your letter of the 1st April, asking for money for repairs to the bungalow at Karimati, received. I am sorry that there is no money for this purpose. The Advisory Board has been borrowing money for over a month, and April salaries cannot be paid till after May 15th. Also, a good deal of money has already been spent for repairs in your station; now the other stations must be attended to. I shall lay your letter before the next meeting of the AB on July-13th.

I received your letter on the 19th instant and in answer to that I put the following statements for information.

1. At Harimati four buildings were repaired but the big bungalow where Rev. C. All the bamboos of the bungalow old and worn and need new ones. When you will be coming to C. K. pur I will talk about that & verbally at C. K. pur.

2. I went to C. K. pur on the 18th April 26. There I met Mr. Lorrimer, with whom all the measurements have ~~been~~ been made. I do not send any estimate as, through your letter I came to know that you will be coming to C. K. pur. And it will be better if you come on Saturday next. I shall go ^{on} Friday evening and on Saturday morning, after all works being done you will have time to start for Ranchi at 10. A. M. I will give you telegram for your coming.

3. Mistress quarters have been repaired.

4. I have sent two vouchers of Rs 9/- each for white washing and coal-taring the big bungalow. It would be good if you kindly bring the money for the same.

The Secretary,

Dear Mr Tirkey,

Many thanks for your letter No. B6-26, dated the 12th inst, concerning repairs to the Church, etc.

1. It is quite impossible to re-tile the roof of the Church now because of the lack of funds. That would cost several hundred rupees. The tiles are a special make. The best we can ~~do~~ do is what we have been doing for several years, namely to make only patch repairs, but they are not satisfactory.

2. The chaukidar's house roof will be repaired as far as funds permit. It cannot now be entirely re-tiled.

3. Church punkah. I think there is no necessity of repairing this. It is not needed so far as I can see and Mr Werner complained about it a long time, objecting to it.

Yours sincerely,

2. The roof of the house of the Church Chaukidar too needs repair. So will you kindly order that the roof of the Chaukidar be also re-tiled.

3. The cloth piece of the Church Pankhab needs to be repaired now, that is, of course, if you think it necessary to use it.

Dear Mr Mundu,

With reference to our visit to Burju last Saturday I write to say that I presented the matter of a new well to the meeting of the Executive Committee Saturday afternoon and it was decided that Rs. 400/ should set aside from this year's budget for the well on two conditions, namely, (1) that the people of Burju give Rs. 200/ as promised and (2) that a 'deed of surrender' be executed by the ryot concerned and the land for the well be then legally transferred to the Board of Trustees by the zemindar.

Will you therefore kindly talk this matter over with all the parties concerned and let me know about it at your earliest convenience.

Yours sincerely,

P. S.

The Executive also decided that the removal of the Tokad girls to Burju should be postponed as there is no suitable accomodation for them.

Dear Padri,

Many thanks for your ps of the 10th. I am very glad to hear that you have returned to your station. I hope that you are now entirely well and able to work.

About repairs: I am sorry to hear of the damage to the big bungalow. Kindly send me an estimate of the repairs needed and I shall send an advance when the money comes. However, as the money for repairs is very meagre, I cannot send very much.

Last week I wrote to the Headmaster all about repairs. He should show you the letter I wrote to him. I have sanctioned only the repairs to the school house and hostel to cost about Rs. 42/.

Kindest regards.

Dear Pastor,

Many thanks for your letter of the 25th, in which you give the account of repairs to Tokad buildings. Also for your money order of Rs. 13/1, the balance of the unspent money advanced for repairs.

However, I do not find your bill in satisfactory order, and I request you to send a fresh bill--complete in all details--as to rates, kind of work, materials, etc. Especially it should *show* the full advances. The advances are as follows:-

20-3-26, Grass (<u>kher</u>) (Headmaster).....	Rs. 30.

Nett advance	Rs. 106-15

So your nett expenses should be equal to the nett advances, namely, Rs. 106-15 only. Please be good enough to send a complete bill showing expenses according to above total.

Dear Pastor,

Many thanks for your letter of 28-6-26, enclosing an estimate for further repairs at Tokad. In reply--

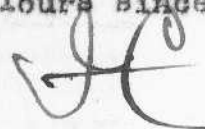

1. You ask for permission to sell the remainder of the kher(grass) on hand, as it is not needed. I gladly give full permission. Kindly send statement later.

2. The Headmaster made over to you only Rs. 22/-. But I had advanced to him Rs. 20/- and he had sold the grass for Rs. 20/-. So he should show Rs. 40/-, minus the expenses. He has not shown any expenses at all. They should be shown in detail.

3. According to the Agreement (Hindi copy, marked, enclosed), between the Trustees and the CC and the AB, the CC itself is responsible for the repairs to your own house. I had forgotten ~~that~~ that. So under the Agreement, I cannot give the Rs. 30/- for the repair of your house. I am sorry! If that be deducted, the balance of your estimate is Rs. 28/14 only. I have no money now, but shall send you some when I can.

Kind regards.

Yours sincerely,

Dear Sir,

Only received your letter together with the estimate of Bhatoo Khisty. I had just a talk with him and he has agreed to execute the work according to revised estimate i.e. Rs 64/8/- for the Pastor's house. I have asked the man to start the work at once. He says there will be difficulty as regards the tiles because the kind of tiles now on roof are not available here & I have asked him to use them in one side and give the ordinary kind available here to give in one

that they should be allowed the use of the bungalow. Thanks in
advance.
Kind regards.
Yours sincerely,

Dear Mr Kongari,

Many thanks for your letter of the 8th enclosing the contractor's receipt for the 50/ rupees sent as an advance. I note with pleasure that you expected the work to be begun on that day. The arrangement you have made about the tiles seem to be the best under the circumstances. I trust that the contractor will now push the work and get it finished soon.

Thanks for word re the "big trial." Hope everybody is satisfied!

Another matter--please: Please see the enclosed letter sent to Mr Minz by error. I have talked this matter over with others here and we are all agreeable to allowing the Singhani bungalow to be used as requested, provided you approve of it. The purpose seems to be very good, but what we would like to be sure of is that this is a bona fide request. None of us here know the gentleman who signs the letter, but no doubt you know him. If so and if you approve, it will be all right. Kindly notify him as you decide and oblige. Boy Scouts are supposed to keep everything nice and clean and never to destroy property or misuse it, so we feel

Dear Sir,

I received your letter and thank you for the same. I called Matthias and the Contractor who came to me yesterday and it was decided to give the whole amount Rs 50/- to the Contractor as an advance. Accordingly we made over the money to him and have taken a stamped receipt from him — which I enclose for your record. The repair work could not be taken up in right earnest owing to the constant rain that we had here during the last week. They however told me that some sand has already been carted and probably the work will start from to-day.

As regards the tiles the Contractor tells me that he wants to give the same kind of tiles in the Pastor's house, by taking some from the Kitchen house and give new local tiles in the latter in their place. This of course will be much better provided he does not impair the other one and he does it without any extra expenditure — which he has agreed to. I have therefore allowed him to do so.

As regards the other days "great trial"

I wish to inform you that the Suit
(defamation) has been dismissed with
costs — which will amount to about
Rs 300/- a to.

With kindest regards

Yours truly,
Ch. Kargan

23-8-26.

Dear Mr Kongari,

Singhani Repairs.

The GC Secy requests me to take the lowest bid for repairing the Pastor's house. That is Rs. 93/. However, the Agent has found errors in the rates, etc., and has corrected them, thus reducing the total to Rs. 64/8 only. I enclose the estimate for your information.

I shall be much obliged if you will kindly call the contractor and ask him whether he is willing to make the repairs necessary (main house, kitchen, etc) to the Pastor's house--the one nearest the Church, in which the School has been held--at the reduced estimate rates. If so, will you kindly give him instructions to go ahead. If he is unwilling to do so, will you kindly ask Matthias Babu to act as Mistry and get the work done by coolies, etc. In which case he should submit weekly a careful statement of his expenses.

As soon as you ask me to, I shall send you an advance.

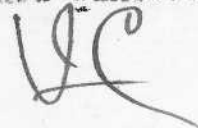

The School may be conducted on the big bungalow verandah for a while until it is settled whether it will be kept up or not.

As for the repairs to the other buildings, we shall have to wait till the next meetings of the two Boards and get special action on the matter.

Kind regards. Many thanks in advance.

Yours sincerely,

C. K. Kongari, Esq.,
Hazaribagh

24-8-26.

Dear Mr Kongari,

Very many thanks for your letters of the 18th and 23rd, the latter enclosing 3 sets of estimates for the repairs to the buildings at Singhani. You have gone to much trouble in this matter and I appreciate it fully.

However, I should have informed you that there is very little money for the purpose. The Trustees voted Rs. 50/- for repairs to the Pastor's house and the balance must be paid by the CC out of the Singhani garden rent. It rests with the CC officers or Executive to say how much it shall be. As for the house for a school and the other buildings there--if they are repaired it must be done by the Trustees or the AB. But the Trustees are unwilling to spend any money for repairs as long as there is no income, and as for the AB, its treasury is absolutely empty!

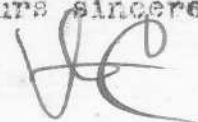

I shall now go into this matter and try to get a decision made soon, so that something can be done. I shall then let you know about it.

As for the fallen tree: If only Rs. 9/ can be gotten, then it should be sold for that price--if you also approve it.

Sorry to learn of the theft of articles in the Church. I shall report to the CC.

Kindest regards.

Yours sincerely,

Hazratbagh.

Dear Sir,

As promised in my last letter I am enclosing 3 different estimates for the repairs of the Singhai houses. Please peruse and inform us which estimate is to be accepted and what works are to be executed.

Jaimank Babu has just now written me that the fallen Mahua tree which was sold on auction fetches only Rs 9/- People are not willing to pay more. You had instructed them, as he writes, to sell it for not less than Rs 15/-

What is to be done? I have asked the Chaudhary to inform some of the local carpenters.

He has also informed me that the Church Dari (carpet) and the altar cloth have been stolen from the Church on Sunday night. Information has been lodged at the Thane.

Dear Sir,

Duly received your letter of the 10th inst. but as I had to go out on tour I could not reply earlier. Even after I returned I could not make time to visit Singhani to look up the house. However I sent for Mathias who saw me this morning. He had already engaged one contractor to make estimates of the expenses for the necessary repairs and the man had brought his estimate to me which I considered to be very high and asked him to reconsider. Mathias ^{he} told this morning that he has managed to make him reduce it. In the mean time, I thought of asking some others also to make estimate with a view to raise a competition, and one Christian contractor who usually takes up all the works of the D.U. Mission has promised me to take up the estimate. I think he will do it in a day or two and then the estimates of both will be forwarded to you. There has been some delay no doubt, but I asked Mathias to have the estimates done properly before sending them to you.

As regards the housing of the School, I can not properly make up my mind. No doubt, the present School house seems to be quite suitable for the Pastor's residence. I made an enquiry and learnt that the rooms in the lane are very small and most of them are occupied. If some of them are vacated it may be possible, in some way, to hold school, but I doubt

if it will be desirable to have the School in the midst of residential quarters . In that case the Westernmost house (former School) may be used for the School.

As regards the incident of the other day, to which you have referred , I was really very sorry for it. The recollection had troubled me for some time latter and I was about to write to you on the subject. I thought that if you had approached the matter with an un-biased mind there would not have been any occasion ^{for} saying the things as you did. I had in fact , no prejudice or any animosity either ^{against} Mr. Gupta or any body else, and when the unpleasant remark was made by you I could not really tolerate it. The incident had almost driven me to decide that it would oblige me to remain aloof from such things and not take interest in them. But now since you have written me , I am glad to know that you have come to the right conclusion after all, and it is now all well. Excuse, me, please, for writing this because I could not but write this much in referring the matter.

The trial of that day is still proceeding.

With regards, .

Yours Sincerely,

A.K. Kungai

Dear Mr Kongari,

Yesterday afternoon, when we returned to the kacheri from Singhani there was not time to see you again. I should like to have your advice. We looked at all the buildings with Matthias Babu and asked him to prepare estimates for the repair of 4 buildings--(1) the present school house(which would do very well for the Pastor), (2) the bungalow, (3) the bungalow kitchen, (4) the large house to the left of the bungalow(west). Where do you think the Pastor should live? If in the house nearest the church, then in which house should the school be placed? It is a very small school--only 7 or 8 children!

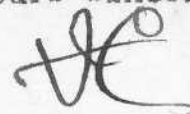

I also gave orders that the tree which fell down should be auctioned off to the highest bidder. I request you to be good enough to advise Matthias in these matters if you can find time.

Wonder how the great trial came out yesterday?

I owe you an apology for becoming irritated yesterday about the lease("7 years," etc). I should not have done so. I ask your pardon. It was unwise of Mr Gupta to write the receipt as he did.

Kindest regards.

Mr Nathaniel Topono,
Headmaster, M. E. School,
Koronjo.

Dear Mr Topono,

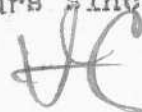

Many thanks for your letter No. 76, dated the
21st September, 1926, enclosing your receipt for Rs. 17-1-9, the
balance due you on your repair bill.

I note that you have more repair work to be done and that
you think it would be best to pay for it from the school repair-
ing fund. So do I, and the Head Supervisor also agrees. Only you
you must now communicate with him about this matter. It is entire-
ly in his hands--not mine.

About the Rs. 250/ "estimate." I did not make any esti-
mate. You made the estimate. Later on I asked for your final com-
plete bill and you submitted a total of Rs. 157-1-9. That has
been paid. I only promised "up to 250/, if necessary." You should
now deal with the Head Supervisor concerning any further repairs.

Kindest regards.

Yours sincerely,

Dated the 21st September 1926

Dear Sir,

In accordance with your letter dated 7th September 1926 I beg to send herewith the receipt for Rs. 17/1/9.

Further I beg to state that in my bill of the 18th August 1926 I have reported that the work is almost done though it leaks here and there and that the white washing is remaining. After submitting the bill under the conception that Rs. 250/- has been sanctioned for repairs I employed a cooly for 11 days @ 3 as. per day to stop the leaks and I bought 11 kerosine oil empty tins for Rs. 4/- to roof the two corners of the boarding house. Then very soon after the rains I want to have the buildings white washed. Now I beg to enquire whether you are going to pay for all these because all these fall under your estimate.

In my opinion it would be better if the cost be paid up from the school repairing fund instead of depositing it in the savings bank

Mr. Nathaniel Topono,
Koronjo.

Dear Mr Topono,

Many thanks for your letter of the 31st August (No. 66), in which you submit explanations of your bill for repairs. The explanations are on the whole satisfactory and the necessary corrections have been made. The grand total of the two bills is now (as corrected) Rs. 157-1-9. I have had advanced you Rs. 140. This leaves a debit of Rs. 17-1-9. By money order I am sending you Rs. 17/1 only and enclose herein 9 pils in stamps. Kindly send me a receipt for this amount and oblige. You say that you can pay this balance out of the new monthly allowance in your bill to the Heda Supervisor, but the Head Supervisor tells me that the Headmasters are to put this money in the bank and keep it until estimates are sent in and approved for all "petty repairs." So, since these repairs were sanctioned by me it is better for me to pay for them entirely. Therefore I am sending the balance. Do not charge the balance due in your monthly petty repair account--until you hear from the Head Supervisor.

Yours sincerely,

Dated the 31st August 1926.

Dear Sir,

With reference to your letter dated
24th August 1926 I beg to state that

1. Special monthly grant is a new thing as has been laid down in the new Education Code of 1925. I have begun to draw it since May last when the Deputy Inspector of Schools Lunglei insisted upon the opening of the account. The grant is Rs. 10/- p.m.
2. Special grant of Rs. 30/- —

On my request the Head Supervisor sanctioned the grant of Rs. 30/- per his letter No $\frac{40}{2-2}$ dated 8th January 1926, which is as follows:— 2nd paragraph
"for the necessary accommodation, you may spend out of your fee income up to Rupees thirty only on the repair of the house in front of your quarters. Please show the details in your pay bill."

3. (a) Rate of battas — 6 pies per batta.
 (b) yes, rates of coolies are ~~three~~ ^{vs.} four ^{used} different kinds. (4as., 3as., 2as. 6p., and 2as. daily).
 (c) Kindly the account to be corrected as follows: —

24.5.26 1 cooly for 5 days @ 3as. daily ^{Rs. as. p.} 0-15-0

28.6.26 4 coolies for 3 days @ 3as. daily 2-4-0

Hence the difference of Rs. 1/11/- to be added to the total expenditure already shown.

^{used} (d) Annas 3 is a lump sum given to the blacksmith.

The Headmaster,
M. E. School,
Koronjo.

Dear Mr Topono,

Many thanks for your letter of the 18th inst (No. 56), submitting account of repairs to the School buildings. In reply I wish to inquire about a few points:-

1. "Special Monthly Grant." Will you kindly explain what this is. No other M. E. Headmaster has so reported. How much is this "monthly grant" for repairs, please? Is it something new since last May only?

2. "Special Grant of Rs. 30." This item is taken from your letter of May 15th. You say that this special grant of Rs. 30/ was made by the Head Supervisor. You spent it in making repairs to the shed near the cook house. I have asked the Head Supervisor about this and he does not recollect giving you anything for repairs. Will you kindly explain and oblige.

3. "Errors in Bill." I have had the Agent check up your account and he has noted points as follows:-

- (1) Rates for battas are not given.
- (2) Rates for coolies are three different kinds.
- (3) There are some mistakes in calculation (See items dated 28-6-26 (4 coolies, etc) and XX dated 24-5-26 (1 cooly for 1 day).
- (4) Annas 3 paid to blacksmith. See item dated 17-5-26. Is it a lump sum or wages?

I am very glad that you have succeeded in executing the repairs so well and that, from now on, you can manage the repairs with your monthly allowance. I wish all the M. E. Headmasters would do the same!

With kind regards and best wishes, I remain,
