ADDRESS ONLY

To The Principal,

Lulk. Theol. Seminary

Lohardaga. P. O.

AT RANCHI.

I requested help & guidance from our officers & gentlemen but have got none except my Paw. Now I feel great difficulty how to handle the work. R.E. are dead against us. They are now spoiling the public mind by making bad propaganda against us. What they say & do. I had a personal talk with you, though several souls inclination is to word ~~our~~ church are puzzled by them. Our own people are also very careless, they do not hear & obey me by this, my energy & activities decay. Whenever now I go on my tour people say that they have joined the R.E. church because they give them all kinds of facilities they allow them to drink & dance, they grant them to sacrifice hen & goats to their Bhuk & so on. Even then they say many complaints against R.E. church, but all their complaints vanishes by having freedom on their rites & customs. Well shall I do here I see no way what to do & what not to do. Now I see the people of this field are "Kam lia ghasak dia" whenever need be they like to have help from church & when they are released from their burden they forget their promise & turn their faith. So I request if you would or any officer of the church would come and dwell for some time perhaps it would be little help ful to attract their mind. If not let any experienced Pastor come on my place. About G-13 Chanda I have paid up to April, would you be kind enough to inform that may I do not get my G-13 regular, please make it regular. yps fty tht uijnt
