Date 14/5 May 1981

Subject:- Accounts of the G.E.L. Church
Press Ranchi.

Dear Mr. Lakra,

The Managing Committee in their meeting held on the 3rd April, 1981 noted with great concern that the Annual and Monthly accounts of the press from 1.1.1978 onwards are pending, in spite of the fact that a full time Accountant has been appointed and has been working in the press w.e.f. 1.7.1979. To expedite matters, the Committee requested Mr. A. Barla one of the members (who very kindly consented) to render all possible assistance in compiling the accounts and drawing up the balance sheets for the concerned years. The Committee also desired that the accounts of the Press must be brought upto date by the end of May, 1981.

I need hardly emphasise that up to date keeping of accounts is the sine-Qua-Non for a business concern like our Press. I, therefore, request you to kindly so arrange as to bring the accounts up to date by May, 1981. Any dereliction on the part of any one in this regard will be viewed seriously.

With all best wishes,

Dear Mr. Khess,

Since you have joined other services outside the G.E.L. Church of Chotanagpur and Assam you should have vacated of the Superintendent's Qrs. in terms of para (V) of the contract agreement signed by you. You also should have surrendered the gun which was purchased by the press money and which stands in your name as Superintendent of the Press.

It is our sincere advice, that in your own interest you should vacate the qrs. and return the gun to the press without any further delay, say within a fortnight from the date of issue of this letter.

Please treat it as most urgent.

Thanking you.

18th. March, 1977.

Dear Mr. Khess,

Please refer to your letter of Feb. 15th '77. I, as a good-friend, had requested you to hand over charge of the Superintendent's Qr. I am surprised to not that instead of giving us reply to the point, you have deliberately tried to side track and avoid, not only this simple issue but also have tried to deny circumstances which compelled you to leave this noble institution. The living Qr. which is now being unauthorisedly and illegally occupied by you is of as much importance as any other issue connected with you and the press.

You have written about settlement of provident fund and the benefit of pension. I would like you to please refer to fundamental principles guiding the rules of pension and provident fund schemes. You can not blame others for non-settlement of these benefits, with which you and you alone as Superintendent of the press were primarily and absolutely responsible for the mismanagement of this institution. If the press owes any thing to you, adjustment of what you owe to the press.

I fully agree with you that one should always try to avoid the circumstances which would lead to wards uncertainty.

If there is any uncertainty and the so called "long outstanding complicated basic issue" of yours have remained unsettled, It is you who is fully and solely responsible. That is why dear Mr. Khess, I would advise you to please put your case to the proper authorities.

With best wishes.

Sub: Inspection Report.

Dear Sir,

A reference is drawn to Sri.S.K.Barla, Asstt.Manager, Board of Property, inspection report of M/s.Printrite Block wherein serious ~~are~~ irregularities were detected. We are not fully aware of the terms and conditions of the lease agreement, but so far item No.1,2,3,4 7 5 are concerned, it directly effects the press, as it is a cause of immense damage to the business of the press.

It is gathered that recently-the above firm has further augumented the installation of printing materials and it is apprehended that this unconstitutional activity of the firm will further damage the business trend of the press. Therefore, in the best interest of the press, suitable action is imperative to curb the irregular activities, which is not within the perview of the terms and conditions of the agreement.

The copy of the inspection report is attached herein for ready reference.

Inspection Report.

As directed by the Secretary, Board of Properties, G.E.L.C. I visited M/s. Printrite Block on 6th September, 1978, accompanied by Mr. L. Dungdung & Mr. B. Lakra, Secretary and Superintendent of the press respectively, to check whether printrite Block was doing printing jobs, besides Block making.

These are our findings:-

1. That they have a Printing Machine. We understand from a reliable source that another printing machine is on order.
2. That they have 36 cases of types of various sizes which can only be used for printing jobs.
3. That they have a separate job register for printing jobs which Mr. Prasad, the Manager of Printrite Block, refused to show to us on the plea that it was their internal matter.
4. That they are printing and giving bills & cash memos to a number of customers and are issuing receipts also. Since they did not show us the job register, we did not ask for copies of bills & cash memos, etc.
5. That they are undertaking even big printing job like House Magazine from M.T.I., Ninos & other such jobs of that nature.
6. That they are defaulter and the arrear rent is Rs. 3,300/- as well as this is a clear violation against our lease agreement. Further if legal action be taken, it is suggested that rent be stopped immediately.

All these go to prove that M/s. Printrite Block are not only engaged in printing jobs at present but are thinking of expanding their printing business further.

This is positively against the interests of our G.E.L.C. Church Press and also in contravention of the lease agreement.

GELP/MAN/3/44

5th Feb. 1979.

Dear Sir,

In the by gone years working result of the press was not too convincing and at this stage it is very difficult to dig out the causes which has attributed to this sad plight. Loans were heaped up beyond returning capacity and it is strange to note that although loans were procured from different agencies, no concrete effort was made to stabilise the capital fund, with the consequence present smooth working has been very badly affected. To spear ahead, achieve the target production and attain self sufficiency, the working system has been streamlined and sense of responsibility has been imibed amongst the workers.

Further 1979 has been declared by the workers and staff as a test year for our future survival.

The anticipated annual turn over target is tentatively aimed at Rs. 3,60,000/- and with this end in view all resources at our command have been geared up. But certain unsurmountable factors will retard our progress.

Mainly paucity of fund is the main factor in causing hinderance in maintaining buffer stock of paper and printing materials, which in turn is dislocating our schedule of turn over.

The data of the press.

1. No. of printing machine.

(a) 2 lg. machine - capacity 5,000 copies per hour.

(b) 2 sm. machine - capacity 3,000 copies per hour.

(c) 2 sm. Tredel.

2. No. of workers - 40.

3. No. of apprentice - 10.

Hope you will appreciate the action taken by us to improve the working of the press and solicit your full hearted co-operation in making our plan a grand success.

Re: Loan for Development.

Dear Sir,

While looking forward for an opportunity to avail the facility of loan from your organisation, I would like to preamble the back ground of the press.

The press was established in the year 1872 with a view to enhance the good will of the Church, at the same time give employment opportunities to local boys and girls. Director, Gossner Mission, Germany, generously took interest in installing quality printing machines from Germany. Unfortunately the Management could not avail the maximum facility so afforded., with the consequence at present we are facing immense hardships in maintaining the press in its true form and spear ahead in business. Augmentation of types, rollers etc. is the immediate need of the press. To regain its old glory and maintain smooth working we need your generous co-operation and fervently hope that you will consider our genuine case in its true perspective and advance us a loan of Rs. 1,00,000/- which will be repaid in 36 equal instalments.

GOSSNER EVANGELICAL LUTHERAN CHURCH IN CHOTANAGPUR
AND ASSAM : RANCHI.

No.91/77/KSS-134

Ranchi Dated 23rd March '77.

To

The Adhyaksh,
North West Anchal
Ranchi.

Dear Sir,

With reference to the letter No.58/77/F-48 dated 15.3.77 from the Head office of the so called "North West Gossner Evangelical Lutheran Church" I would like to state as under:-

1. That the above mentioned letter is misconcepted and misleading as there is no existence of such church with its officers within the jurisdiction of the G.E.L.Church in Chotanagpur and Assam, Ranchi.
2. That Rev.S.Barla is the constitutional and legal head (Pramukh Adhyaksh) of the G.E.L.Church in Chotanagpur and Assam. Rev.S.Barla has been elected Pramukh Adhyaksh constitutionally vide Article XVII in compliance with the Court's decree on Title Suit No.232/85 of 1973, after due notification and is in line with provisions envisaged and made by the Continuation Committee in its meeting dt.Sept.4-8,1960.
3. That the KSS with its officers, Boards and Standing Committees has been constituted under the chairmanship of Pramukh Adhyaksh Rev.S.Barla, therefore, these are legal, constitutional and valid for the whole Gossner Church, and have every right and control whatsoever as provided in the Constitution 1960 of Gossner Church.
4. That the door is kept open for all the members of North West Anchal who are willing to join the KSS of the Gossner Church vide KSS resolution in its meeting dated 13-14th January, 1977 item 16(A)(1) which reads as "The doors of the KSS. is kept open for N.W.Ancchal to join the present KSS." because peace & progress is not in division but in unity.
5. The G.E.L.Church in Chotanagpur and Assam is one. The declaration of the N.W.Ancchal as an independent "North West G.E.L.Church, Ranchi" cannot be recognised as a separate independent church. And hence all actions taken by and involvements as so called "North West G.E.L.Church, Ranchi" are unconstitutional, illegal and invalid. It has no identity of its own. The G.E.L.Church is inseparable.
6. The Ranchi Head Quarters Congregation is directly under control of the Pramukh Adhyaksh vide Constitution -Appendix-I(b). No Anchal has any right to interfere in the administration and management over Head Qrs. Congregation, Ranchi, because of its unique and symbolic feature.

With my best compliments and Christian greetings,

Yours sincerely,

2 At present the GCPH has nine Agencies at various places but the Book Land is not benefitted as initially thought. On the contrary a large sum of money has been blocked up due to which GCPH is not in a position to move ahead advantageously and undertake reprintings of the above publications. Suggested, that a jeep for the GCPH be purchased for easy distribution of books and the agencies which cannot play their part in full be closed down.

PANJIKA 1973

Dear Sir,

This is for your information that in the new year, up to 10 Jan 73, we did not receive a single copy of Panjika from the Press. We have not been able to parcel Panjikas to our Agents in Assam and Orissa and in view of the ensuing KSS meeting despatch of the same has been withheld.

Many customers came to this shop for purchase of Panjikas between 3 Jan and 10 Jan 73 but went away with disappointment and dissatisfaction.

All this happened due presumably to the fact that the Press Supdt made two strong conditions for printing and delivery of Panjikas to the Book-shop. The conditions were -

(a) 50% advance was required by him while placing order

(b) Delivery was to be made to us only after full payment.

Condition at (a) above has been fulfilled. Second condition will be fulfilled on receipt of 20,000 copies of Panjikas. So far we have received 12,940 copies.

Bill for Rs 6,741.55 has been received and part payments made as under:-

(a) Rs 3,000.00 - on 16 Dec 72 - amount received from KSS

(b) Rs 230.00 - on 12 Jan 73 - from CCPH resources.

It is requested that Press Supdt may kindly be directed to supply the balance i.e. 7,060 copies at an early date so that we may meet the pressing demand of the customers.

Thanking you.

Yours faithfully

Subject :- Amalgamation of C.C.P.H. and Press.

Dear Sir,

You are aware that the K.S.S. has taken steps regarding amalgamation of C.C.P.H. with the Press and the K.S.S. has formed a committee which has recommended that the amalgamation should take effect from 1st of January, 1973. But unless the Committee's recommendation is approved and sealed by the K.S.S. & the B.E.L. the amalgamation cannot be given effect to. This matter will be taken up in the B.E.L. and the K.S.S. in this very month. Therefore there should be no misunderstanding in this regard that amalgamation has been done. The work of amalgamation is in progress and you are to wait for it.

I have heard that you have begun selling 'Panjika' from the Press itself and therefore, I have written the above things. Before the amalgamation of C.C.P.H. you cannot make sale of 'Panjika' from the Press. You are requested to hand over the 'Panjika' to C.C.P.H. for sale. If 'Panjika' is being sold direct through you, there may arise some sort of misunderstanding between you and the C.C.P.H. and it may create such atmosphere that we shall be unable to reach up to the lux. Therefore, please hand over the entire printed 'Panjika' to the C.C.P.H.

Thanks.

We advanced a sum of Rs 640.00 on 18 Apr 72 as per request of the Suptd GELC Press to enable him to finalise the printing work and we were given assurance through the Secretary C O P H that the publication would be out from the press for sale in the Book-Shop but the publication is still awaited from the Press.

NEW UNDERTAKINGS

Store House for Manure

Agricultural

- 3 There is a great demand of manure by Agricultural Institutions and also by individual farmers. If we could construct a store House for keeping manure in the GELC campus and sell them out to intending purchasers, it will be a great help for them. New shop may be looked after by the C O P H increased staff.

Jeep for C O P H and Garage

- 4 At present the C O P H has nine Agencies at various places but the book-shop is not benefitted by them as initially thought. On the contrary a large sum of money has been blocked up due to which C O P H is not in a position to move ahead advantageously and undertake reprintings of publications. Suggest that a jeep for the C O P H be purchased and a garage constructed for it and the agencies which cannot play their part in full be closed down gradually.

Dear Rev. Tete,

Printing of some religious books and Panjika are very essential. Today I met the sales manager of CCPH and learnt that the CCPH is not in a position to publish any book due to shortage of fund.

I feel something must be done to solve the problem and therefore M/Cs of the press and publication house should meet jointly to find out the way.

Therefore I request you to issue notice for a joint meeting of two managing committees on Monday the 21st Aug'72 from 3 PM in the Press compound campus.

8 FINANCIAL ARRANGEMENT WITH THE PRESS: The Press Superintendent informs the committee of the difficult situation in which Press finds itself, due to heavy expenditure in 1966 on publications which are now (for the greater part still) in the possession of the Publishing House. By these expenditures the working capital of the Press was seriously reduced yet no recompence was received from the P.H. A grant from the Gossner Mission bridges the gap only in part. In the Superintendent's opinion the P.H. still owes about 18,000 Rs to the Press.

The Chairman voices the views of the committee like this;

- (1) In the separation of the Press and P.H. the financial arrangement was clearly stated to be that the P.H. will owe nothing to the Press for the books published previously;
- (ii) the committee cannot and will not neglect the difficult situation of the Press but it is not able to remedy it.
- (iii) through the chairman, the committee will recommend a request to the Gossner Mission that further grant be made to bridge the gap (this request should come from the Press Managing Committee).

POINTS FOR MANAGING COMMITTEE MEETING - C.C.P.H.
26 NOV 1971

1. Commissions allowed to Book Agents as under appears to be high -

- (a) On CCPH Publications - 25%
- (b) On outside publications - 12%

In view of the present financial position of the House, suggest that this should be reduced to :-

- (a) On CCPH Publications - 15%)
 - (b) On Other publications - 10%)
- from 1 Jan 1972.

2. T.A. and connected allowances to agents (fooding, Rickshaw fare, Rail reservation) should be regulated. Suggested that only one side rail/bus fare be given and all extra allowances discontinued from Jan 1972.

3. CCPH should be allowed to stock some of the stationary items (e.g. Exercise books, pens, pencils, rubbers, chalks and so on) for all High Schools and the schools should give their bulk (estimated) demand for one year so that provision could be made to stock their requirements.
