Minutes
Committee on Territorial Demarcations
between the
Baptist Church and Mission in Sambalpur and the Orissa States
and the
Gossner Evangelical Lutheran Church of Chotanagpur and Assam
Sambalpur, 31st March, 1925

.....

The Committee met at Sambalpur on the 31st March, 1925. Two sessions were held, at 9:30 A.M. and at 1:00 P.M., both in the home of the Rev. P. Horsburgh.

Members present:- Baptist: Rev. H. Anderson, Calcutta; Rev. F.W. Jarry, Balangir; Rev. J. Johnson, Sambalpur; Rev. P. Horsburgh, Sambalpur; Mr. P.K. Das, Sambalpur (for the morning session only). - Lutheran: Rev. I. Cannaday, Ranchi; Rev. Luther Jojewar, Jharsuguda; Rev. J. Topono, Takarma; Rev. Marcus Topono, Jarakudar; Rev. O.V. Werner, Ranchi (co-opted).

Upon nomination by Mr. Cannaday, Mr. Anderson was elected as Chairman of the Committee; and the chair appointed Mr. Werner as Secretary.

The morning session was opened with prayer by Mr. Cannaday; Mr. J. Topono led in the opening prayer of the afternoon session.

Comprehensive statements made in turn by members of each division of the Committee described the past development

of the work of the two Christian bodies in the area where overlapping is taking place; and, with respect to future constructive work, outlined plans and anticipations. After full and free discussion of the whole situation, the Committee unanimously adopted for recommendation to the Baptist Church and Mission and to the Lutheran Church the following resolutions:-

It is agreed,

1. That by reason of the conditions in Bihar and Orissa of the Lutheran Church, - past, present, and anticipated, - there shall be no delimitation of territory between itself and the Baptist Church and Mission in Sambalpur and the Orissa States; thus conserving to Lutheran and Baptist Christians the right to the ministration of their own Communion and the right to engage in evangelistic work on a voluntary basis wherever they may go.
2. That as the Baptist Church and Mission have established themselves in Sambalpur and several of the Orissa States and regard Sambalpur, Raikhol, Atmallik, and Banra as part of their present field for evangelistic effort, they shall have a free hand to evangelise in these areas.

Note. In the discussion of Resolution 2 it was understood that in the northern section of the Banra State, where there is already a considerable number of Lutheran Christians, evangelistic activities shall not be carried on by the Baptist Mission.

3. That, as it is the object of both the Lutheran Church

and the Baptist Church to make Christ known to all the people and to gather disciples for Him, Lutheran and Baptist Church members should seek opportunities of joining in common worship, especially in isolated places where their numbers are few, and of co-operating in any way that will further Christ's cause, while not compromising their own principles. To this end, Church members from one area visiting another area temporarily, should be granted spiritual hospitality. There should be no proselytising. Churches should mutually respect each other's discipline, and they should co-operate in educational or other institutional work wherever possible.

The meeting was adjourned with prayer by Mr. Anderson.

Rev. J. Stosch and Rev. A.W. John, of the Gossner Missionary Society, Berlin, Germany; Rev. Gnanabaranam and Dr. Hallathambi, of the National Missionary Society, Jharsugura; Rev. Luther Jojewar, Jharsugura; Rev. Lucas Topono, Takarna, P.O. Basia, Ranchi District.

Upon motion by Mr. Cannaday, Dr. Gass was elected as Chairman of the Joint-Committee; and Mr. Werner as English Secretary. Mr. Luther Jojewar kindly consented to record the proceedings in Hindi.

Mr. Goetsch offered the opening prayer.

Statements by Mr. Cannaday and Mr. Goetsch made it clear that in determining the common boundaries of the E.S.N.A. and the G.E.L.C. the Joint-Committee would have to consider chiefly the three Feudatory States of Raigarh, Udaipur, and Surguja. The E. S. N. A. is now actually working in Raigarh and Udaipur; and its hopes of future occupation are directed toward the large and populous state of Surguja. On the Lutheran side, the National Missionary Society is in charge of the Jharsugura

station and district of the G. E. L. C. In connection with its long-conceived object of evangelizing the state Rewah, the National Missionary Society wishes to possess an approach from Jharsagura to Rewah over a continuous stretch of territory recognized as a part of its field.

In the course of preliminary discussions, the Joint-Committee received the information that an agreement between the E. S. N. A. and the G. E. L. C. would, because of already existing conventions, be respected by other missions of the Central Provinces, excepting, perhaps, two bodies, with whom separate agreements should be sought. It was stated, also, that the Gessner Church is not at present engaging to any great extent in active evangelistic work; but that there is good reason to expect that in the not distant future, especially in the case of the return of a number of German missionaries, the Church will devote more workers and more means to this purpose. The Joint-Committee agreed, too, that the question of continuous N. M. S. territory from Jharsagura to Rewah shall be decided between the G. E. L. C. and the N. M. S.; and that the delimitation of the fields of the E. S. N. A. and the G. E. L. C. in the region concerned shall, in view of the close associations which have always existed between these two bodies, be determined not on racial or linguistic lines but according to geographical boundaries.

After further discussions it was Voted that Raigarh and Udaipur shall with respect to missionary work be the exclusive territory of the Evangelical Synod of North America; and that, similarly, Surguja shall be left to the Gossner Evangelical Lutheran Church of Chotanagpur and Assam, on the understanding that, if this state is not effectively occupied by the Gossner Church

within five years from the date of the due ratification of this present agreement, the question of the entry of the Evangelical Synod into Surguja shall be open for reconsideration.

The meeting was adjourned with a closing prayer by Rev. John Tepene.

The National Missionary Society in Jharsuguda.

(1) From the last summer the Council has repeatedly considered what the future of Jharsuguda will be. The Council has some correspondence with the National Missionary Society on this matter (vide C. C. minutes of March 1925, No. 1(10)) According to that arrangement Jharsuguda was left in the hands of the National Missionary Society for another three years. This time in the presence of the Deputation it was again taken up. General Secretary Rai Bahadur A. C. Mukerji and Rev. Gananabarnam from the National Missionary Society were present. The President cordially welcomed them into the meetings of the Church Council and after briefly opening the discussion on the future of Jharsuguda called on the N.M.S. representatives to make their statement. The N.M.S. General Secretary made a brief survey of the whole work of the N.M.S. which might be summarised in this one sentence that the N.M.S. ~~which~~ at its beginning had one missionary and one station but now it has eighty two missionaries and thirty stations and Jharsuguda is one of these stations. Several questions and answers also were made between the N.M.S. representatives and the Church Council. The General Secy. made this important pronouncement to us that the N.M.S. is a missionary Society but without a congregation or ~~the~~ denomination of its own, that is, it does not establish a new denomination but on the other hand it always works in connexion with other societies- for Baptists in the Baptist neighbourhood; for Anglicans in the Anglican neighbourhood; for Lutherans in the Lutheran neighbourhood, etc., and the moment a mission or Church in conjunction with which the N.M.S. is running a missionary work, is able to take up that work the N.M.S. makes over that work to that nearest mission or church in the best brotherly mood and in all eagerness of a missionary spirit moves on to open other new mission works, e.g., Jharsuguda is certainly an integral part of the Gossner Church and the N.M.S. is running it and will do so for the Gossner Church and when the latter becomes able again to take up Jharsuguda into its own hands then the N.M.S. will at once make it over to the Gossner Church and will proceed to open up new mission fields for itself. On this basis the N.M.S. is working in Jharsuguda. The ~~Emunia~~ General Secy. remarked that no limit of time has been recorded with reference to making over Jharsuguda to the N.M.S. Rev. I. Cannaday pointed out that the Advisory Board did rectify this mistake and agreed that the field be temporarily given to N.M.S. for a period of three years. Mr. Mukerji further continued that the N.M.S. has hitherto employed only two missionaries but that it desires in future to work there more vigorously, to send there more missionaries and

to spend more money there in order that the work be more fruitful because a great opportunity is awaiting us there. Therefore, if Jharsuguda be given for a few years, the N.M.S. cannot launch out into a vigorous work. So, if it be possible, the field of Jharsuguda be given to us for an indefinite period, knowing that as soon as this Church will be able to take it back again we will give it back with the new property that we may have brought in, and the mission extension that we may have done then. If, as we desire, the N.M.S. be able to carry mission work from Jharsuguda to Rowa all that work shall be part and extension of the Gossner Church.

After a very long discussion bearing in mind the fact that for several years to come the Gossner Church will be unable to take the Jharsuguda field into its hands, the G.B.L. Church Council resolved:-

- (1) That in so far as Church organisation, discipline, worship, syllabus of religious teaching, and all other kindred matters are concerned, the Jharsuguda field shall be considered an integral part of the Grossner Evangelical Church, the field being considered as a separate Ilaqa within the constitution of the Grossner Evangelical Lutheran Church.
- (2) That in regard to missionary organisation, including the management of institutions such as hospitals, dispensaries, schools, etc., the field be under the administration and control of the Lutheran N. M. S.
- (By Jharsuguda field mentioned above the following territories are meant - subject to the agreement entered into between the English Baptist Mission and this Church all the territory in the British district of Sambalpur and the western part of Gangpur, Southern part of Jashpur, and Rairakhol Feudatory States.)
- (3) That there shall be an "Ilaqa Panch" and a Field Committee in Jharsuguda. Also there shall be "Padripan Panches" and "Pracharakpan Panches". That President John Topno will go there and will see that these "Panches" are formed according to the constitution. That the Ilaqa Panch and the Field Committee mutually will define their powers and spheres of work.
- (4) That the Field Committee shall be composed of five members: three from the N.M.S. and two from the Eg Church Council.
- (5) That copies of the minutes, reports, and census figures of the Jharsuguda Field will be sent to the Church Council.
- (6) That if no one from the Jharsuguda Field has been elected on the Church Council then an official visitor from there will be taken in the Church Council.
- (7) That the Church Council offers most hearty thanks to the N.M.S. for its excellent work in Jharsuguda and wishes to inform it that the Council is extremely pleased with its work.

REPORT OF THE SPECIAL COMMITTEE ON CHURCH AUDITOR.
(Prepared by the Convener)

1. Greetings to the Mahasabha and thanks for the honour conferred on the Committee!
2. Your Committee held several meetings in April last and two or three meetings later in the year, all of the members being present only two or three times.
3. At the last meeting in April it was decided that the salary and allowances of the Church Auditor should be as follows:-
 - (1) An initial salary of Rs. 75/- per month, from April 15th.
 - (2) House rent not to exceed Rs. 40/- per month. Later this was defined by the Committee to mean "actual rent only".
 - (3) A fixed TA of Rs. 30/- per month, from April 15th.
 - (4) A sum of Rs. 150/- to be given outright.
 - (5) One year's TA to be given in advance and refunded by instalments.
 - (6) Contingent expenses.
 - (7) Actual travelling expenses by Inter-class by rail or motor bus where expedient.
 - (8) A bonus of Rs. 60/- as voted by the Mahasabha.
- At that meeting it was also decided that the Auditor should have his headquarters at Ranchi and rules for the regulation of his work were agreed on. All tours were subject to sanction by the CC.
4. The proceedings of the Special Committee in its April meetings were duly communicated to the Church Council and the Council was asked to give them effect.
5. Meanwhile the AB Secretary, as he was leaving on his vacation and in anticipation of some action by the Church Council and the Advisory Board at their meetings in June, temporarily and unofficially advanced to the CC Treasurer the sum of Rs. 539-8 to cover what he considered would be the cost of the Auditor for about three months.
6. The above amount was paid by the CC Treasurer to the Auditor in the months of April, May, June and July.
7. At the June meeting of the Advisory Board, so it was reported, the Church Council having failed to secure the money needed for the Auditor from the Ilakas or elsewhere asked the Board to grant the full amount needed but the Board because of the big debt that it was then facing expressed its regret at not being able to give anything for this purpose in addition to what its Secy in anticipation of sanction had already paid out.
8. The Council then decided, so it was reported, to send a notice to the Auditor that his services could no longer be paid for, this notice to be effective from July 23rd, 1925.
9. The Special Committee, seeing the situation in which the matter had gotten, held a meeting ~~on August 11th~~ on August 11th and began to revise the salary and allowances of the Auditor with a view towards inducing the CC to pay these smaller amounts. However, the Committee never met again to finish this work.
10. At the meeting of the AB on Nov. 19th, so it was reported, the CC again asked the Board to grant the necessary money for the Auditor, but the Board, in view of heavy obligations, decided to give the Council only Rs. 805/- for this purpose which amount was to be paid ~~in~~ in six monthly instalments, ending with March 1926.
11. The Special Committee then met on Dec. 7th and decided to allot one-third of the above amount, namely Rs. 268-5-4 plus Rs. 30/- extra for Dec. house rent ~~as~~ as the first payment to the Auditor, the understanding being that the Auditor's house rent should be paid in full till Dec. 31st. The Committee then asked the Council to instruct its Treasurer to pay this amount to the Auditor on the conditions agreed upon in the Committee's meeting. The understanding is that the money has already been paid.
12. The Special Committee having discarded its duties now requests the Mahasabha to dissolve it.
