NORTH INDIA CHRISTIAN TRACT AND BOOK SOCIETY,

Allahabad, 7th July, 1924.

DEAR SIR,

May we request you to favour us with the usual annual offertory for our work? This year the "Tract Sunday" will be observed on the 10th August. A programme has been prepared for the occasion which will be forwarded to all Churches which may like to use it. If you prefer to take a collection for our work on some other Sunday you may certainly do so. A copy of the last Annual Report is being forwarded separately for your information.

We should like all stations in our area where there is a Church to have a place in the list of contributors. It will show to the Churches in the West what interest is taken by the local Churches in the work of Christian literature. If you decide to use the programme on the 10th August, or on any other Sunday, kindly state how many copies you will require in Roman-Urdu or Hindi or both. As our year ends on the 31st August we shall feel obliged if you will kindly see that your contribution reaches us before that date in order that it may be duly acknowledged in the current year's report.

Looking forward to your co-operation and awaiting your reply,

I remain,

Yours sincerely,

W. M. ...
Secretary.

*Probably through ...
to us for we have not heard of it*
