Dear Mr. Hirsch.
According to a letter dated due 28 from your
brother he didn't receive the money I send to you
why I ask you, in which way you send this
money to him. Furthermore your brother
states, that he didn't get a letter from you
since July 13th, neither any food packages from
Portugal, which you promised to send to him.
I expect your answer about the money

Best regards
Ernst Strauss
