Re: **DMD 1850 Women's Centre cum Adivasi Girls' Hostel**

Dear Mr. Bodra,

Thank you for your letter dated September 17th and the enclosed 4 audited reports on the foreign contributions 01/04/95 through to 31/03/99 and your letter dated October 28th 1999. As a follow-up of Ms Stasius' letter dated August 18th and your letter dated August 3rd I am now instructing our finance department to transfer US\$ 4,900 to your account.

Please confirm receipt of the transfer by completing the enclosed receipt form and by enclosing copy of the bank advice slip.

Total foreign contribution receipts are Rp. 7.69,160 from 2 LWF transfers and Rp. 10,000 in the 1/4/98 to 31/3/99 period. What is the source of this last amount?

You have informed us about the local fundraising efforts to be completed March 2000. Is the fundraising going according to expectations?

What about the results of approaching your bilateral contacts? We would be very happy to receive assurance from you that the first floor can be completed.

When the local fundraising is contributing to the completion of the project, these funds will probably not be registered in the audited accounts since these focus on the foreign contributions only. How will you report on the (total: foreign and local) income and the expenditures for the project? Would it be possible for A.S.Gupta to include such overview as an appendix to his report?

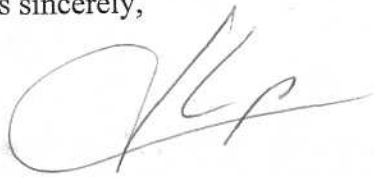

As per 31/03/99 a balance was available of Rp. 48,685.49. The expected proceeds from this transfer will be approx. Rp. 2,12,500. Will the sum of this enable you to completely finish the ground floor? When would you expect the first floor to be completed and at what stage would you like us to transfer our last installment amounting to US\$ 7,100?

Yours sincerely,
