No.

From

The Head Supervisor,
Lutheran Schools, Ranchi.

To

The Sub-Inspector of Schools,
Manaharpur Circle, Manaharpur.

Dated Ranchi, the 28th December, 1929.

Sir,

I have the honour to submit to you fresh bills of the Lutheran L. P. Schools in the Manaharpur Circle for the 1st and 2nd quarters of 1929-30. The bills are submitted in accordance with the scale of salary adopted in the Singhbhum district. The bill for 1st quarter is submitted only for the three schools at Leangi, Kulda and Kumdi because the stipends of the two schools at Burungkel and Sunding have already been paid for that quarter.

No fee is charged in these schools from the children. The small amount which the children pay to their schools either in cash or kind is only the subscription of their parents to the schools for their petty local contingent expenses.

The pass certificates of the teachers at Kulda and Kumdi also are submitted to you in a separate registered cover. Some time ago the certificate of the Leangi teacher was submitted to you in a registered cover and it is hoped that it was delivered to you.

I have the honour to be,

Sir,

Your most obedient servant,

N. L. Singh
Head Supervisor.

Dear

While returning you herewith the adjusted C & D accounts of the school for the month of December, 1932, I beg to draw your attention to the following :-

1. D Acct. Very little ~~Rs~~ (only Rs ^{6/7} ~~3/8~~) was collected in this month. Why ? although you had to collect all the back dues in this month you allowed to stand a big outstanding. It is entirely irregular. Please be very strict in collecting fees and thus teach the parents of the boys to be regular in paying the school fees of their boys.
2. Amount outstanding. You have shown a big outstanding (Rs ^{20/6} ~~57/11~~). Why ? When do you intend to realise this big amount ? If you don't realise the school will have to suffer a big loss. Why did you allow the boys to sit for the promotion examination before they paid up all their dues ? Thus it appears that you always commit a great irregularity. Kindly try to stop such irregularity. By your strictness the parents of the boys will be taught to observe the school rules strictly. No such irregularity should again happen in future.

Your explanation is wanted for this irregularity.

Yours sincerely,

Head Supervisor.

Rev. A. John,
Chainpur, P.O. Chainpur (Ranchi).

Rev. and Dear Sir,

While returning you herewith the adjusted C & D accounts of the school for the month of December, 1932, I beg to draw your attention to the following :-

1. D.account. No fee was collected in the school from boys in the month of December, although a large amount of fee was outstanding. In the month of December all the fees even the arrears ought to have been collected before the promotion examination and no boy ought to have been permitted to sit for the examination before he paid up all his dues. If leniency is shown in collecting fees from boys the less careful their parents become to pay to their children their school dues. Henceforth the fee collection should be as strict as possible and thus the parents should be taught to pay something for the education of their children.
 2. Amount outstanding. In the end of December a large amount was shown as outstanding-- (Rs 46/15). When can so much outstanding be realised ? This shows slackness of the headmaster. In the end of Dec. the outstanding column ought to have been--nil. Why were the boys allowed to sit for promotion examination before they paid up their school dues ? The school is sure to suffer this loss. No such practice be allowed in any school in future. Now because there is slackness on the part of the headmaster the parents of the boys become still more slackened. By observing school rules strictly the boys' parents can be taught to observe strictness of the school rules.
- I, therefore request you to see that this unsatisfactory practice does not happen in the Chainpur school in future.

Yours sincerely,

H.D. Supp.

Dear Bakhla Babu,

I beg to acknowledge receipt of your letter No. 126 G, dated 4. 2. 33 and in reply write you as follows :-

1. C & D accts. These for January, 1933, have been received for which many thanks.

2. Mansidh Kujur. I already informed him that he has been given leave without pay but not for a short time but permanently because after the lapse of six month we probably not be able to take him back. So when is gone he should go away permanently and I request you to see that no more teacher is appointed in his place.

3. Outstanding fees. When many boys leave the schools then please see that their fees is not shown as outstanding. You may clearly show for explanation ~~that~~ in Form D that so many boys left the school therefore their fees are written off. Please see that fees are collected regularly and if boys don't pay, their names should be struck off and ~~then~~ their names are struck off their fees should not be shown as outstanding.

How many boys are now on the rolls of different classes ?

Yours sincerely,

I beg to send you herewith the C.D. form for Jan, '33 and the copy of the acquittance for the same month and hope you will kindly ask the receipt of them both.

I beg to state that I shall send the Pay bill after receiving the grant for Jan, 33 and in future, I shall follow the same rule.

I am sorry I have not received anything regarding Babu Mansidh Kujur's application.

I beg to state further that many boys or girls have left this school without paying up their dues ie they never appear for their transfer Certis. in this way the last year's outstanding is carried over in this new year, which seems to be burdensome and irregular, kindly write me something about it also.
