Copy of the letter from Herbert Hoefler dated 16.10.79 .
Gurukul Lutheran Theological College and Research Institute.

To: Heads of Churches/Diocese

Dear President,

In my letter of 24th September, I inquired if there would be anyone from your church/diocese whom you might want to send for a four to six week Workshop for Church Administrators. I had suggested that only a top administrators who could be expected to have ten years of future service be considered, excluding those who are attached to hospitals, colleges, and other institutions.

To date I have had two responses. One Bishop is interested to join the course, but he requests that it be conducted in two sessions as it would be difficult for him to spend so many consecutive weeks out of his diocese. Another administrator requests that the course be held in July-August, 1980 (not November -December, as I had indicated).

Therefore, I will lay this altered proposal before you. If we held a four-week course for church administrators in July-August, would you have any persons to send? I would suggest the course be held in two two-week sections, with a three-week break inbetween.

Please inform me by the 31st inst. if you would have anyone to take up this course next year. Only if we get together a group of at least ten, would it be worthwhile to bring in all the international leaders and participants suggested by the LWF. Thank you for your co-operation.

The 12-11-79

Dear Pastor Kriebel,

Thank you very much for your kind letter (dt. 19.10.79). Before this, a letter written by you and sent along with the copies of letters written to Rev. M. Tete, and Mr. B. Topno (Lita Bhai) seemed to be taken out from the envelop cut with a blade, only the copies were inside. I suppose, someone might have taken the letter out. Thank you for the letters.

First of all I would like to tell you something about the big meetings :-

- 1) The General Meeting (Am Sabha) was attended by some 120-130 christians from all Anchals and Ranchi Hd. Qtrs. Cong, from Assam only the Adhyaksh was present. Specially the present crisis of the church was discussed after some detail informations and lectures on church unity. The Meeting was meant specially for informing the people about the actual position of "NW-GELC" and how almost in all Ilakas congregations are coming back after they knew that "NW-GELC" is going to form a new church with Bishop and relationship with America.
- 2) This General Meeting was followed by the Kalisha Sangh - a constitutional meeting in which representatives from all Anchals, Ilakas etc. were present. Reports from KSS officers, Boards Central Institutions and Anchals were received and discussed. Certain recommendations were made to the KSS for actions. But as I have seen many of these recommendations would remain on papers only - as in past times.
- 3) KSS meetings :- As per schedule central Boards had their meetings. As the Madhya Anchal has given negative votes to the elections of the different chairman of the Boards, the Pra. Adhyaksh has to chair all the Boards. In Boards meeting itself started about the representation of NW Anchal - Dr. Tigga and other Rev. Toppo. But after hide and seek situation the Bds meetings were conducted.

Thereafter KSS meeting like two Boards meetings were to be conducted in Bethesada Training College. In the agenda of attendance representation from Madhya Anchal was questioned. Rev. Tete who did not go to Khutitoli when he was elected Anchal Adhyaksh; he is again elected as "Honorary Anchal Adhyaksh". This was said to be unconstitutional and it soon became a subject of hot discussion. It seems that Rev. M. Tete would be elec

ed every two months as Anchal Adhyaksh, because he would not go to Khuti-
toli and automatically after two months election would be invalid,- So, kh
this will be replaced agin and again till the term of Rev. Soreng is fini-
shed and goes back to Khutitoli. In this way no KSS meeting was held and
the recommendations of the Kalisha Sangh and Boards are still pending.
KSS is again Scheduled for 17th Dec,79.

Last week I was told that information has come about the
transfer of the amount for the BEL. But it is not quite clear whether we
can pay Udaipur workers also, The decision taken by the KSS officers "that
all bills for BEL payment have to go through Anchal Adhyakshes- i.e. An-
chal Adhyaksh must countersign on this bills". Seems to me very difficult
and also hindrance for payment to all workers. I am still negotiating for
the payment to all workers. But the conditions by the KSS officers is ra-
ther very difficult.

The Guests, under the leadership of Frau Friederici; were
here and I hope they have enjoyed the visit as we also did. We were facing
some difficulties as the "NW-GELC" friends had informed the local and the
higher police officers warning them of break of peace. But nothing serious
happened.

Your intended visit to Nepal and also to India in March/
April/May 1980 may be better to finish latest by the 2nd week of April.
Lent season amay be good to meet people and to talk with other leaders,
because in lent season we do not have other programmes. It would be good
if you would write to the Pramukh Adhyaksh for such possibilities.

Now regarding DrBage's membership in FTC and UMN. I wou-
ld like to say that as far as my knowledge goes there is no official arran-
gement. That was a mutual arrangement on mutual confidence and understand-
ing with the former Mission director of Gossner Mission and myself - co-
incidentally I happened to be the Mission director as well as the Kurator-
to the Kuratorium gave its silence approval. But due to my past experience
I think it will be better for me as well as for Dr. Bage, that he would

be made member in FTC and UMN. I am finding difficulty in attending the FTC meetings which is held very regularly, because now-a-days I am more out of station. For general information and to follow the policy etc. of UMN it will be good for Dr. Bage to be guest member in UMN, so that he can understand the whole discussion and reports on UMN.

I have chalked out programmes for my work for next months. In Nov/Dece. I have two Refresher Courses for the m/f workers. In Jan I am to tour Orissa, while in Feb./March I shall be in Assam. In April I am to visit m/f of SE Anchal. In May we have various Retreats, Bible classes etc.

In the last Kalisha Sangh I have been requested to take the responsibility of printing useful and urgently needed books for the church. At present I am busy with Panjika 1980 (The church Calendar). My planned activities in Ranchi are also going on in the initial stage, as we could not had our KSS meetings usual course can not be taken out. As the situation is critical in rural area due to drought I may divert my plan that direction for which also I am still in negotiations.

I am herewith sending a copy of the minutes of the last BEL meeting.

Yours Sincerely

The Secretary, Mr. A. Lakra.

Dear Sirs,

I am very sorry to write this letter to you all, but in the interest of the BEL work I am compelled to do so. As you know, the BEL has expressed and requested for a separate Bank a/c for the BEL amount, and all amounts be transferred to this a/c, this was approved by the KSS in its meeting in Feb. 1979. I am very sorry that this has not been done inspite of my written and verbal request. I am afraid that amount of the BEL is being used for other purposes for which KSS has no right to do so. If this is the fact and due to this fact if the BEL work will suffer you will be held responsible for such irregularities and difficulties, of non payment to the workers.

Therefore, it is my humble request to do the needful to avoid such situation in the future.

Thanking you,

All Anchal Adhyakshes

Dear Sirs,

I am enclosing a write-up from Bishop Israelson, Bishop of ELC in M.P. on 'UNITED MISSION WORK BY THE CONSTITUENT CHURCHES OF UELCI' for your information.

This has been received from Dr. Thomas Madward, Executive Secretary, UELCI Madras, who hopes this will be a form of introduction for the constituent churches of UELCI.

Thanking you,

Yours sincerely,

(Rev. P.D. Soreng)

To/

United Mission Work by the constituent Churches of U.E.L.C.I.
(previously F.E.L.C.I.).

The founding fathers of the FELCI (as UELCI was known at that time) animated by the passion for proclamation of the Good News in untrodden ground, started work in an unknown area in the centre of the Country. Many have been filled with a fire to reach the un-evangelical areas - like Mr. J.D. Asirvadam. It took some time to settle down in the beginning, when Mr. Gnanbaranam in April 1916 looked out from his quarter at Katni he surely was thinking about the vast areas of the then known Rewa State. Where would God direct the steps of the pioneers? In February 1929 they were led to start work at Murwahi. In August 1951 pastor Titus Spencer was appointed to carry the gospel along the railway line from Katni to Bilaspur and also on the branch line towards Korea State. Then came Rev. Raymond Martin to Kotma and Dr. Ramabai Gopal (now Dr. Ramabai Rao) Miss E.S. Vedanayakam, Miss Agnes Gopal to Shahdol, Mrs. Krupadnam to Murwahi and so the Rev. C.B. Rao in August 1959 to Shahdol.

The Hospital work began in a humble way on the 25th November 1957. In April 1972 the Rewa Mission Field was transferred to MPELC and on that occasion a new hospital Building was opened by Miss Christa Held CDS/LWF.

The membership in 1973 was 670 and now it is 845 according to statistics.

The work in the area is now growing, the E.L.C. in M.P. has budgeted Rs. 1,77,437:- for that area for 1979 - 80. A Primary School will be started at Shahdol this year.

The work had been carried out under name and style of "Rewa Mission". Truly Rewa Mission was the visible symbol of the unity among the nine Lutheran Churches constituting U.E.L.C.I.. The Churches contributed resources and personnel for the work in that area.

But after 1972 the Lutheran Churches has been wondering "is there to be some more united efforts"? "Are we to continue our resources in a new evangelistic outreach"? And we feel that God had pointed towards Morena and Bhind Districts in the North of Madhya Pradesh. This area has been avoided by the church-denominations (and Missions) as it is a dangerous area infected by dacoities i.e. by robbers.

The people of these places are mostly depending on cultivation and the farming is mostly on a high standard. High class Rajpoots and Brahmins are found in these area and it seems that Hinduism is deep rooted in the minds of the people.

Morena District has (according to 1971 year's census) a population of 9,85,338 persons and Bhind District 7,93,955.

Morena is situated on the Bombay Delhi High way, and on the main railway line Madras - New Delhi. The nearest Airport is Gwalior, 34 k.m. and on the other side is Agra 83 k.m.. A big Sugar Factory is to be developed at Kalaras (37 k.m. from Morena),

Bamoria, 21 k.m. from Morena has a big Cement Factory.

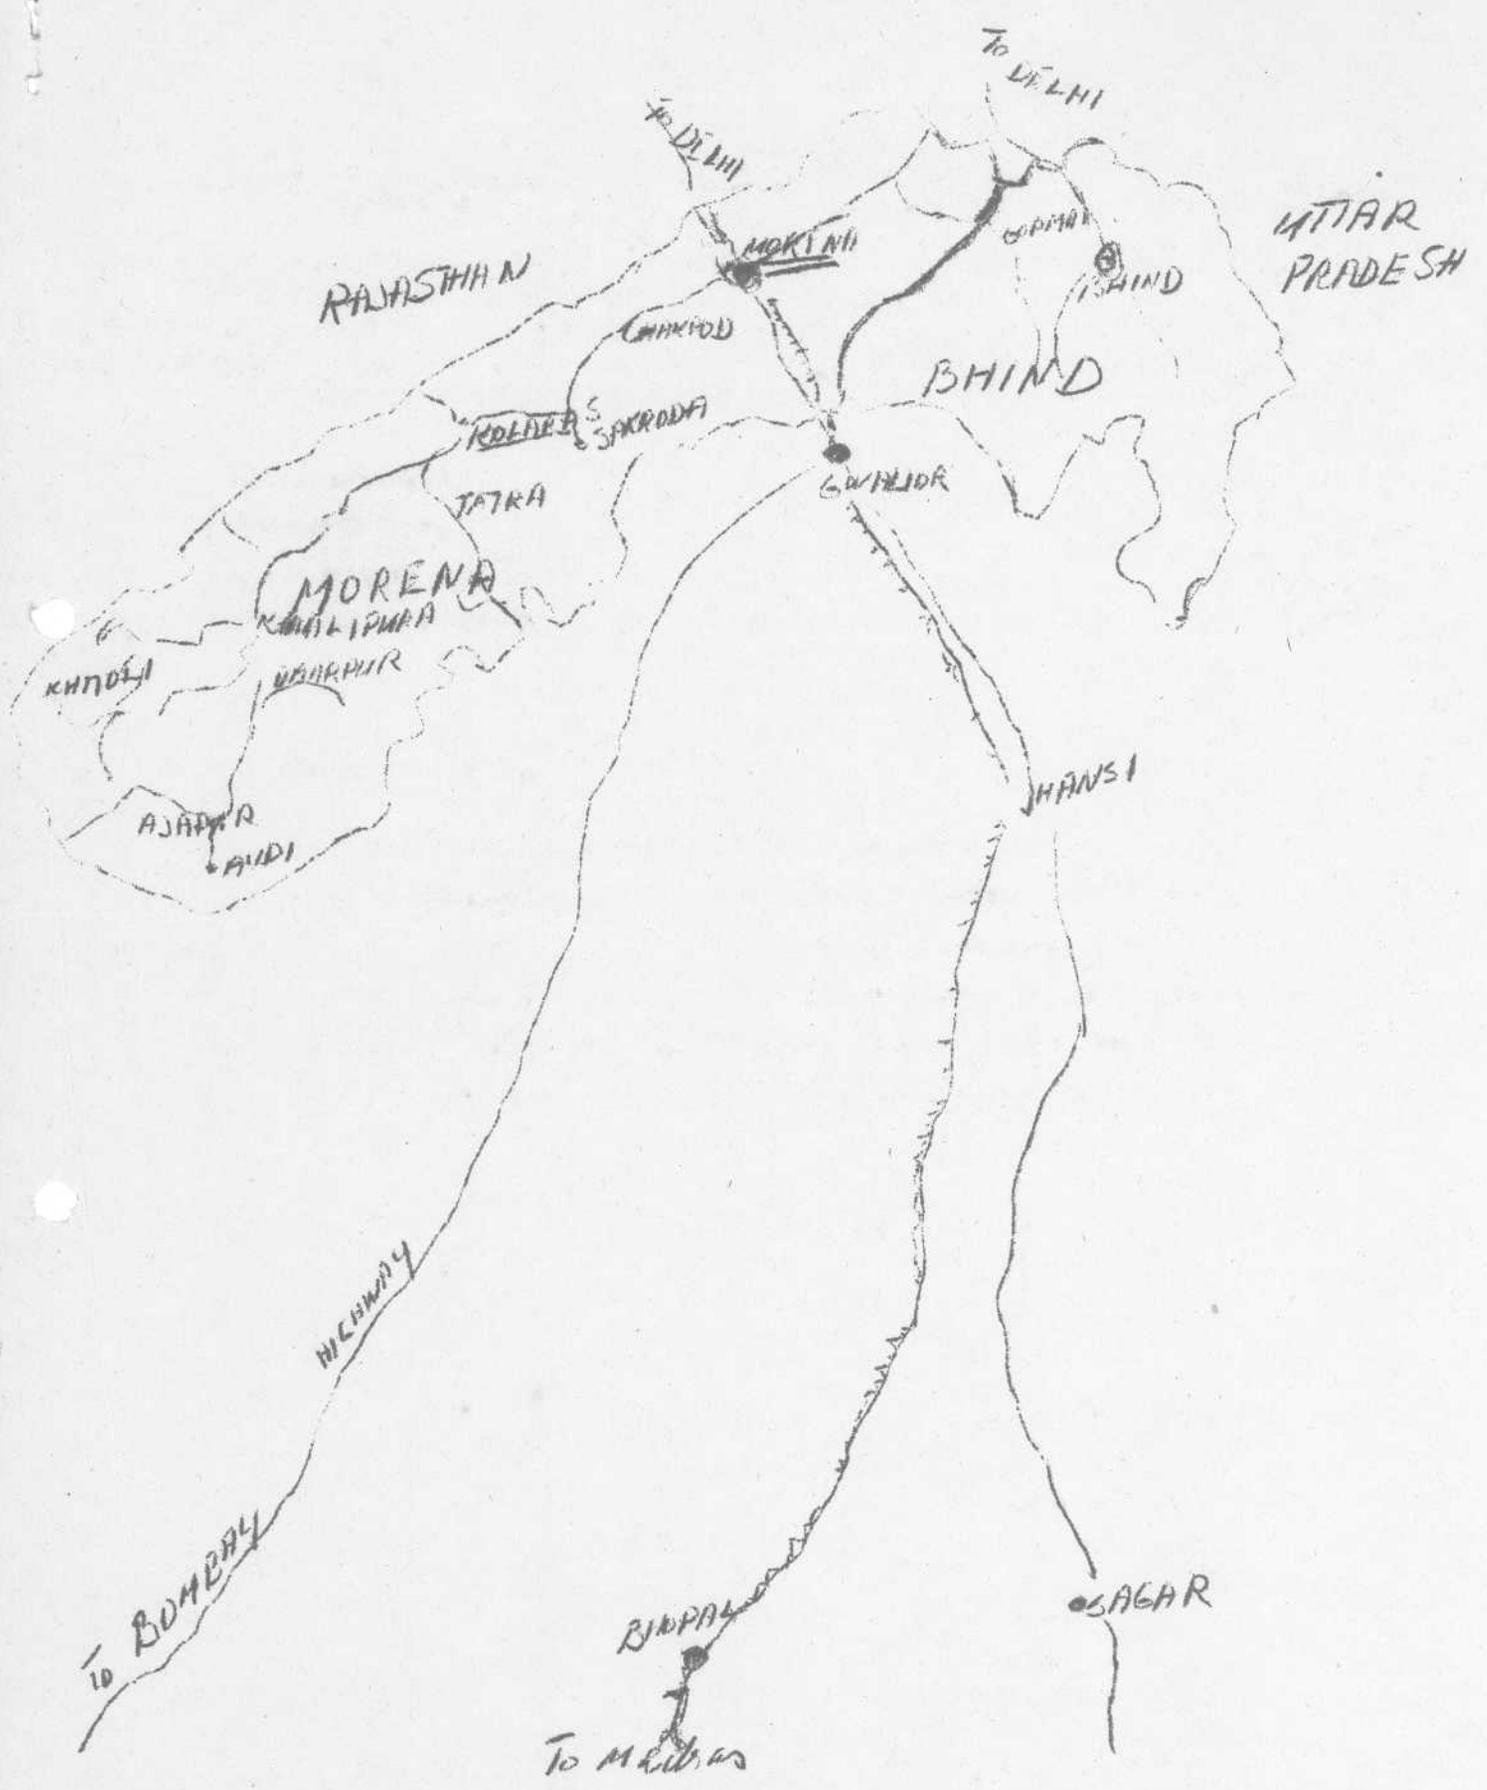

For centuries the doors have been closed for the Gospel of Christ - but now the doors have been opened. Belivers are also found in Schools, Government offices etc..

This area now present a challenge to the constituent churches of UELCI. The Executive Committee of UELCI has expressed their willingness to start this work and call it "Bhind & Morena Mission". One pastor and three evangelists will be sent. But are you ready to support this work with your prayers and financial help?

Chhindwara, M.P.

subject:- Payment of my salary for April 1979.

Sir,

I beg to write to you about my salary for April 1979 which is not paid to me because of your letter to the Treasurer G. E. L. Church No 242/ 79/ K. S. S.- 156.

1. That you did not even give me any information about your intention to stop my salary. I came to know this when I came to take my salary.
2. That I have worked in the Baghima Mission Field during the whole month of April 1979 according to the wish of Panisani Ilaka Panch which has protested against this transfer (see Ilaka Secretary's letter dated 8.3.79 to all K. S. S. members, my letter dated 26/3/79).
3. That Panisani Ilaka is the right authority in the Anchal to represent its matters in the Anchal Sabha. But Panisani Ilaka has been completely left out in Anchal Election. Therefore those who have gone to the K. S. S. from Madhya Anchal are considered by the Panisani Ilaka as illegal. As such according to Panisani Ilaka they have no right to touch the pastors of the Panisani Ilaka.
4. That I have to point out that the K. S. S. has transferred me from Madhya Anchal to N. W. Anchal without consulting Panisani Ilaka and N. W. Anchal.
5. That you have not given any reply either to me or to the Panisani Ilaka, Baghima field and the Secretary as regards his objection raised against my transfer.

6. That I have been working under the Director of L. E. L. and have started many works under his guidance. I am sorry that he has also not consulted in this matter.

Under the circumstances I have to protest against the transfer order given to me and hold that my service in Baghima can not be stopped. Therefore I strongly, plead that my salary be paid to me without any delay. If my salary is not given within a week I shall be compelled to find relief from the Court. Please send it by money order.

Yours faithfully,

DOUBLE PAYMENT OF JANUARY 79 AND FEBRUARY 79,
KARBI ANGLONG BILLS

Dear Sir,

Kindly note that the bills for the months January 79 and February 79 have been paid twice to you.

First, these bills have been paid by cheque direct to Rev. M. Baa by my Challan No. 193 dated 3.3.79 with Construction grant as below :-

Bill January 79	=	Rs 1320.70
" February 79	=	Rs 1473.20
" Construction grant	=	Rs 5000.00
Total =		Rs 7793.90

Then by mistake I have transferred on 5.5.79 the bill amount with March 79 bill by my Challan No. 1203 dt 4.5.79 as follows:-

Bill January 79	=	Rs 1320.70
" February 79	=	Rs 1473.20
" March 79	=	Rs 1174.79
Total =		Rs 3968.69
Direct M.O.	Rs	795.40
Total =		Rs 4764.09

So a sum of

Rs 1320.70	
Rs 1473.20	
<u>Total</u>	Rs 2793.90

has been made double payment.

I have entered this amount as advance against April 79 and May 79 Bills. The Challan will be sent to you when Bills for Apr 79 and May 79 come to me.

I shall deduct P.F. and Pension for Jan 79 and Feb 79 also in time.

Dear Brother,

Greetings in Lord Jesus name.
After a long silence I am writing this letter
to you. At different occasions I recalled
you from here.

During the last ~~two~~ March I got chance
to see my parents at Bedal near Lohardaga.
I could observe that many things are
changed in different aspects viz. Social
economical, political and so to say in spiri-
tual. There ~~was~~ have been tears in my
eyes to observe a few families, some congregations
and a few youths ~~and~~ so on. Let us pray to the
Lord God for revival in His children &
church. 2 Chronicles 7: 14.

I've been very much worried to find
divisions in our G.E.L.C. I am no body to
say or suggest any thing. But my heart ached
to find the sad thing. Since a long time
I've ~~be~~ had been observing the situation,
May the Lord God grant us humble hearts to
think ← study the present position under His guidance.
The Lord's work is suffering much on account
of our irresponsibilities, wickedness and so
say the Church politics. Is there no hope
our survival? Have all the court cases of
the Gossner church finished? When I was at
Sagar this in a ^{small} group of English prayers meeting
I always used to bring this item ^{for} of prayers
about of our G.E.L.C. No doubt this is a
blessed church but we have been failing.
I have personally failed & my testimony
too is not strong as it should be.

A SHORT REPORT

The Board of Evangelism & Literature, G.E.L. Church.

In the constitution of GELC there is a provision of this Board for Mission work and publications. Accordingly there are Printing Press, Publishing House and also Mission workers-all indigenious to carry out the functions of the Board.

The Printing Press is printing not only the books and literature to be used in and by the church, but it also prints on commercial basis. Likewise the publishing and its bookshop distributes and sells other books also which are published in other parts of our country. There is a monthly Magazine of the church, for church news and other religious articles.

There are altogether nearly 200 co-workers in different mission fields in North East India- in the states of Assam, Bihar, Bengal Orissa and Madhya Pradesh, working among different communities speaking different Languages - mainly among the Tribals, but also among the Hindus. The mission fields are in the adjacent areas of different Church districts (Dioces).

The success and difficulties in the Mission work varies from area to area. Except in two states - Orissa and Madhya Pradesh- where 'Freedom of Religion Act' is in force the problems and difficulties are local and special. We have converts baptism between 1300 to 1500 hundred in a year, this also varies from one year to another year. In many rare cases there is mass baptism, in 1978 , 85 persons were baptised in one day.

For the mission fields and the Boards central expenses we have financial help from the friends abroad, and also from local resources - Mission Festival, Mission work, prayer day etc. There are various means and methods for preaching the Gospel: Night Schools, distributing of tracts and leaflets approaching and helping people, specially when they are sick. In certain places flannel graphs, slide shows and film shows are also organised.

For the areas inside the Church districts christian members themselves are responsible for the Mission work. For such work in some areas the youths are very helpful and active.

Although the work of the Board has been very much hampered through church politics, we hope that this will be solved soon.

- (b) Higher amounts had been included by the Assam Anchal specially for the projects, but it was not possible to include all the items. Attempts be made to obtain special gifts from friends for left out items.
- (c) Orissa Anchal had not submitted the budget hence an estimate budget has been recommended on the basis of the budget for 1979.
- (d) Supervisor, Baghima field submitted a budget with a development budget. It is advised that the amount for this item be sought by the Anchal from other source, i.e. CDS, LWS, etc.
- (e) SE Anchal has submitted a normal amount comparing with previous budgets.
- (f) NWA/Surguja submitted a budget prepared by the supervisor. The high amount of constructions have been deducted- lest the field be totally engaged in such works only.
- (g) NWA/Udaipur-budget submitted by the supervisor has a high amount due to a construction of a church. It has been deducted and it was agreed such constructions be arranged through special donations from friends.

But it was agreed that at least some amounts be given for Palamau also. It was agreed that when the new Mission Director shall be here some guide line for budget grant etc. be discussed with him, so that in future budget could be prepared accordingly.

VI. Half Yearly Report:-

The director submitted the written half yearly report (Jan-June) 1978. Some points of the items remarks and recommendations were raised and were explained.

VII. Other Matters:-

(a) Special arrangements for Karibi Anglong:-

It was raised by the member from Assam Anchal that special arrangement of payment for Karibi Anglong be made so that the workers should not suffer. After clarifications it was resolved that:- As per requests (letter and oral) from Assam the payment for workers be made directly through bank.

(b) Publication of Panjika (1979):-

Dear Brother Barla,

I am writing this letter in full consent with brother Lokies and some other brethren of the Kuratorium. To avoid misinterpretation the best method is just to quote some lines of brother Lokies's letter, dated 8.12.77.

He writes: "The time has come for direct connection between the Gossner Church in India and the Churches in Germany. Negotiation should be started to accomplish full partnership with the Churches in Germany. At the end of the negotiation a formal agreement should be signed by the parties concerned."

The partner-Churches of the Gossner Church in Germany should be
The Church of Berlin.
The Church of Westfalen.

It is up to the Gossner Church to start with the initiatives to approach and to request the Churches in Germany, to recognise the partnership of the G.E.L.Church.

In future the Kuratorium of the Gossner Church must be delegated directly by the G.E.L.Church and not be recommended nor selected by the Kuratorium.

The Gossner Church should request as soon as possible the Church of Westfalen to delegate an university teacher(Dozent) to the theological college of Ranchi."

Besides this, he is writing about the moratorium. In order to demonstrate the official conception of the Landeskirchen, how they tackle this overdone problem, he gives some authentic figures. The Tamil Church, who is 100 years older than the Gossner Church received during the last year the following amount:

For the general budget.....	1,000 000 DM.
In addition for certain projects 2 collegas	202 000 "
	315 000 "
Madura:Hostel and Kindergarten	85 000 "
	24 000 "

These figures are speaking for themselves. In order to maintain and expand the activity, there is no diminution of the grant, but just the contrary: an increment. We are of the opinion, that this comprehensive financial assistance could have been granted to the Gossner Church too, provided the representative of the Gossner Church in the Kuratorium would have pleaded for concrete help.

It might be, that you may ask for the reason, why the officers in the Gossner Mission handle the problem of the moratorium in a quite different way, than the Landeskirchen. The answer, the brethren incharge of the office in Berlin are of the opinion that their conception might be more successful in mobilising the financial activity of the Gossner Church. The Landeskirchen have abolished this conception, because there are limits of the financial ability.

Personally I am convinced that even the present difficulties in the Gossner Church might diminish and even dissolve by introducing new relation towards the Landeskirchen.

Nurnberg, 14. 12. 77

Pastor i.R. Helmuth Bortz
Brandstr. 23
8500 Nurnberg - Lautenthal
West Germany.

In case the Gossner Church is prepared to go new ways, brother
Lokies and several Kurators are ready to do the necessary pre-
paratory steps in Germany. It is of course understood, that
your consent and your mandate for us is essential. We respect
the autonomy of the Church. The Gossner Church should make full
use of her status and direct the Homeboard and not be directed
by the Berlin's office.

Our Lord may guide and bless you all. With my best wishes for
Christmas and the New Year, I am, Dear Brother,
the best method is just to quote some lines of Brother Lokies's
letter, dated 8.12.77.

Yours very sincerely,
Gossner Church in India and the Churches in Germany. Negotiation
should be accomplished full partnership with the Churches
in Germany. At the end of the negotiation a formal agreement should
be signed by the parties concerned.

Up-Pramukh Adhyaksh, Rev. Soreng.

The Partner-Churches of the Gossner Church in Germany should be
The Church of Berlin.
The Church of Westfalen.

It is up to the Gossner Church to start with the initiatives to
approach and to request the Churches in Germany, to recognise the
partnership of the G.E.L. Church.

In future the Kuratorium of the Gossner Church must be delegated
directly by the G.E.L. Church and not be recommended nor selected by
the Kuratorium.

The Gossner Church should request as soon as possible the Church of
Westfalen to delegate an university teacher (Doxent) to the theo-
logical college of Ranchi.

Besides this, he is writing about the moratorium. In order to
demonstrate the official conception of the Landeskirchen, how they
tackle this overdue problem, he gives some authentic figures.

The Tamil Church, who is 100 years older than the Gossner Church
received during the last year the following amount:
For the general budget..... 1,000 000 DM.
In addition for certain projects 2 colleges 202 000 "
312 000 "
82 000 "
Madurai: Hostel and Kindergarten 82 000 "
24 000 "

These figures are speaking for themselves. In order to maintain and
expand the activity, there is no diminution of the grant, but just
the contrary: an increment. We are of the opinion, that this com-
prehensive financial assistance could have been granted to the Gossner
Church too, provided the representative of the Gossner Church in the
Kuratorium would have pleaded for concrete help.

It might be, that you may ask for the reason, why the officers in the
Gossner Mission handle the problem of the moratorium in a quite dif-
ferent way, than the Landeskirchen. The answer, the previous incharge
of the office in Berlin are of the opinion that their conception
might be more successful in mobilising the financial activity of the
Gossner Church. The Landeskirchen have abolished this conception,
because there are limits of the financial ability.

Personally I am convinced that even the present difficulties in the
Gossner Church might diminish and even dissolve by introducing new
relations towards the Landeskirchen.

KSS GEL Church

India

Dear Brethren,

grace and greetings to you in the name of our Lord Jesus Christ. We, the Kuratorium of the Gossner Mission by virtue of our long standing association with the Gossner Evangelical Lutheran Church are united with you in the same faith of our Lord. It is the unity in our common Lord which constrains us to share with you the anxiety for the Gossner Church.

First and foremost we should like to express our joy over the latest step which you have taken towards a reconciliation between the different Anchals. We understand that you have invited the President of the United Evangelical Lutheran Church in India to act as mediator. We reaffirm that we would do everything possible to assist the process of mediation.

While looking forward and praying for successful negotiations we ourselves feel that we are undergoing a process of learning with regard to the relationship of the Gossner Church and the Gossner Mission. This means that we have reached a stage in our journey together where we have to re-examine our attitudes and actions and to ask ourselves where we may have failed you:

Are we the Gossner Mission perhaps an obstacle to a fuller autonomy on your part? In which way should we in future practise our ecumenical partnership?

In order to clarify the future relationship between the two bodies we repeat our earlier offer to hold frank and brotherly discussions which may include a consultation to be held jointly somewhere. Please let us know your thought after consulting with each other.

While addressing this letter to you in the KSS who are the leaders of the Church we feel constrained to ask you kindly to pass the letter also on to the dissenting Anchals.

We remain with you in prayer that the Lord of peace may lead us and that he may grant his wisdom for your deliberations so that by your example his name be glorified and the Church be blessed.

Yours in Christ,

Sd/- Illegible.

BOARD OF EVANGELISM & LITERATURE

Yearly Report (1977).

Dear Friends,

For the GELC the year 1977 was full of uncertainties, difficulties and varieties of internal and external problems, so the work of this Board was also affected accordingly. Although the Church stepped into a new stage of situation with the formation of KSS after electing the Pramukh Adhyaksh through which the Director, BEL was relieved from the responsibility of the Acting Pramukh Adhyaksh of the Church, but many constitutional and practical hurdles were made and the Church was forced to another sphere of problems. However we are thankful to God that following reports could be submitted to you all:

I. TOUR PROGRAMMES:

Due to the uncertainties and difficulties in the centre of the Church extensive tour programme in the fields could not be conducted. Even then almost all fields were touched - including visit of some congregations - on different occasions and functions in the fields. Some places in the mission fields were visited during Bible classes, special functions (Jubilee, dedication, laying of foundation, etc.), Refresher-Courses and while accompanying the guests. Director's trip to Nepal, Germany and Hongkong also were made in regard with the work of the Board.

II. REFRESHER COURSE:

For the Refresher Course (1977) the participants were invited to two places. In Govindpur co-workers from the area of SE Anchal, Orissa - Anchal and Madhya Anchal were gathered together. In Lureg co-workers from the areas of NW Anchal were gathered. In total there were 200 participants including some volunteers and honorary workers. For the Refresher course in both places Bible Study on "Book of Jonah" and instruction on Luther's Small Catechism were offered. In addition to these lessons Reports from Pastors and Supervisors and participants of the 'Seminar on Mission' were also received and were discussed for the benefit of the workers in terms of 'Exchange of Experiences' from different parts of the fields.

III. PUBLICATIONS:

This year no direct publications were made by the Board, however arrangements were made to supply to the field workers different type of publications (tracts, portions, testaments, correspondence course, picture book lessons). This year specially the India Bible League has been approached for the supply of literature for correspondence course in Hindi and English.

IV. NEPAL WORK (UMN):

As per discussion and concurrence with the GM, the GELC has agreed to send co-workers from the Church. Although steps have been taken for this, but the programme has not yet been materialised. We are still in search of two nurses, who after their special training in Delhi, work in Nepal with UMN as per agreement with HMG.

V. FINANCE:

We are thankful to all our friends for their helping hands here and abroad through whose generosity all payments for 1977 could be made.

This was not self-understood due to the Church politics in the Church in which field-workers are also involved.

VI. REPORTS FROM THE FIELDS:

All yearly reports (1977) from the fields are not yet received. However those reports received in the central office of the Board given hereunder:-

(1) ORISSA ANCHAL AREA:

Rev. H. Tuti, the Supervisor of the area writes that there are altogether 20 (18 cates. and 2 pastors) workers in the field. In the field there are 1280 baptised, 569 confirmed members. In 1977 there were 60 New Adults baptised. It is expected that area will grow for this more workers are needed.

As difficulty of the area the supervisor narrates the places where there are no place of worship and house for catechists. He also mentions those places where repair works are needed and requests for money required for construction and repairs.

The money given for Revolving Fund is with the Anchal, the field income for 1977 was Rs 4547.73 only.

(2) NWANCHAL:- SURGUJA AREA:

Supervisor Rev. O. Toppo reports complaining of difficulties due to which work in the field suffered much and that in 1977 altogether only 152 persons could be won for Christ. The main difficulty was due to the non-payment to the workers, but by the end of the year this was duly done.

For the future the landed property (23 acres) in Ambikapur is of great hope, in 1977 all workers of the field spent their time fourtimes, sugarcane have been planted.

The construction work was not done much except in Batakela/Sitapur and Khargaon/Katkale. However the construction work will be started in January '78 with the amount received in 1977.

In the field there are two Hostels, which have KNH forster children also. There are also private mission schools in four places, which have produced good results.

For the spiritual growth of the field there are Sunday Schools (23), Mother Union (16), Evening prayer meetings (31), Mission Festivals, Self-support compagn (44). On 29th February 1977 the field celebrated its Silver Jubilee.

In the field there are altogether 6515 baptised members from the communities of Hindu, Gond, Muslim, Uraon, Munda, Malyali and Bengali.

There are 76 (7 pators & 69 cates.) workers full-time and 8 volunteers in the field.

(3) SEANCHAL AREA:

Rev. I. Guria, Supervisor of the field writes that there are 43 (7 pastors 2 Cands. and 34 cate.) fulltime workers and 9 part time workers and some trainees in the field, which is scattered in four districts of Bihar, Bengal and Orissa. The methods and means of work in the fields are almost the same which were followed in 1970s. The various groups led by pastors conduct prayer meetings in different congregations, visit

visit of the families - Christian as well as others, visit of sick and the suffering ones and help to them as far as possible, conducting of Night schools have been some of the features in which workers are involved both as group and as individuals. Besides these in 1977 Bible classes were held in two places in the area for giving opportunities to the new Christians to have fellowship in worshipping, singing, dancing, taking part in common meals, discussing matters of common concern, etc.,

This field has four types of funds on the way for their financial stability: (a) On congregation level "Grain Gola" has been started by the local people to help themselves during the meagre months of the year on nominal interest - (b) Co-operative fund has been established by the workers of the field to which all workers contribute which has come to Rs 1520.00 from which some amount has been borrowed by the workers as loan. (c) Revolving Fund which has been initiated by the Director for all fields has grown to amount Rs 4683.72. This is also used by the workers of the field. (d) Property Reserve Fund has been started in the field very recently. The Anchal has given a green signal to raise funds from the people of the Anchal also.

(Besides these funds SE Anchal has accumulated a 'Reserve Fund' in the Anchal for evangelistic work of the Anchal through which workers are paid during the emergencies.)

In the year houses have been constructed in five places partly for residential and partly for worshipping purposes.

Congregations in the field collected Rs 7536.15 as their field income.

Reports from the Baghima, Mikir Hills, Udaipur and Palamau have not yet been received.

SOME REMARKS AND RECOMMENDATIONS:

(1) Gossner Church seems not to be keen interested in the work of the BEL, the Church is very much involved in the Church politics and accordingly the time, money and energy is being lost in other un-important matters. Even the field workers are taking active part in the Church-politics leaving aside the responsibility in the field.

(2) The co-operation between the field workers and the Anchals are very loose except for few cases. Fields are neglected, not only in terms of finance but also in terms of personnel and administration. It is very rare that an Anchal is helping the field financially, on the contrary some Anchals are even withholding the funds meant for the fields.

It will be encouraging for all fields if the Anchals raise funds for this work in their respective areas. It will be also highly appreciated if the Anchal officers visit the fields at least once in a year.

The plans and projects for the fields be made with mutual consultations by workers in the fields and the Anchal officers, specially when the budgets are prepared.

(3) GELC should also take keen interest in publication of books which are specially used and thus demanded in the Church.

(4) For partnership with other Churches and Gossner Mission steps be taken to coordinate to make available of personnel and Funds. For this a Church level planning is necessary.

Thankfully submitted,

The 23rd January, 1978.

Yours sincerely,

Sd/-

Date.....30th March '77.

To

The Adhyaksh
North West Anchal
Ranchi.

Dear Sir,

In reply to the letter of the so called Pramukh Adhyaksh of the so called North West GEL Church, Ranchi Nos. 58/77/F-48 dated 15.3.77 and 62/77/F-48 dated 21.3.77 I emphatically inform you that I am the legal and constitutional head of the Gossner Evangelical Lutheran Church in Chotanagpur and Assam including the Head Quarters Congregation, Ranchi. I am therefore bound to serve all the people within the jurisdiction of the GEL Church including the North West Anchal, and hence the question of interference in the affairs of the GEL Church does not arise.

Further more in pursuance of and consequent to the declarations and decisions of the North West Anchal or the so called North West GEL Church, Ranchi, declaring herself a separate and independent body or church unilaterally, not recognising the Pramukh Adhyaksh and his KSS, which has been formed in accordance with the Constitution 1960 of the GEL Church, in compliance with the Court's decree in Title Suit No. 232/85 of 1973, all internal and external financial relationship hitherto maintained with the North West Anchal or the so called North West GEL Church is being stopped till this matter is finally clarified and settled.

This is for your information and guidance.

With best of my regards,

Yours sincerely,

S. Barla

Report of the Gossner High
School, Ranchi.

--ooOoo--

1. Establishment:- The Gossner High School was established in 1895. It is the oldest school of the GEL Church. It is a Central institution directly under the KSS of the GEL Church.
2. Staff:- At present the number of the staff is 24.

(i) Teachers	...	<u>17</u>
(a) Christian teachers	...	9
(b) Non-Christian Hindus	...	7
(c) Muslim	...	1
	Total...	<u>17</u>
(ii) Clerks	...	2
(iii) Menials	...	5
3. Strength:- The total Roll in the school is 522

Christian	...	224
Non-Christian	...	298

The number of students may increase as Admission is still going on.

4. Classes:- The school is running from classes VI to XI. As in my previous report the roll of classes VI and VII is still very poor. Because the high school has no feeding schools nearby. The Gossner Primary School, which was the actual feeding school for these classes, is raised upto Middle classes. As such our Middle section is badly affected. Generally students come from such poor sections of communities that most of them cannot purchase the books required for them.
5. Religious Instruction:- The religious instruction is given every day except on Saturday.
6. Accommodation:- The school is running in three separate building. Out of these three buildings one building is used for office work. The rest two buildings are used for teaching work. As such the teaching work badly suffers. The greater part of the period is wasted in going and coming from one building to other at the over of the each period.

Secondly the buildings are very old and are in most dilapidated condition. In rainy season we are compelled to close our teaching work on account of uncommon leakage.

The school earnestly requires a new building and it is the pressing demand of the time for upto-date building, well furnished for teaching purposes.

7. Need for compound wall for the school:- The school has no compound wall. The school campus has thus became thoroughfare. Unless the school is separated by compound wall it will be very difficult to keep the school buildings and other materials in good condition. In the school compound unconcerned outsiders are residing. Very often they damage the school proper properties.

Under the circumstances according to my previous report I would again suggest and put up for consideration and necessary action so that the financial position and administration of the school may be improved.

Suggestion:-

- (i) That the scheme or plan for financial improvement be thought out. That there is a open space in the school campus near the Main road. A shopping centre will greatly help the school in finance.
- (ii) A new upto date school building, the plan of which is already submitted, be kindly sponsored so that teaching work may be run in one impact building, purely surrounded in by a compound wall. This will help and facilitate the school in all respect.

Report of A.T.C. High School Khutitoli, Simdega, Ranchi for
April 1972 to December 1972.

To

The Pramukh Adhyaksh,
G.E.L. Church Ranchi.

Sir,

In compliance to your letter dated 8th Jan.73 I am submitting here-
with a brief report of the High School at Khutitoli which is as follows:

1. Status of the High School:- The High School got its first recognition in 1962 and full fledged recognition was accorded in 1963. The School has been declared as "Minority School based on religion" by the Secretary Board of Secondary Education, Bihar. The School is handed over to the ATC in 1962 by the then Khutitoli Synod. Till now it is in this position.
2. Buildings:- The School has three separate buildings of 8, 4 & 3 rooms respectively. Recently the Assistant Engineer, Indo-German Project Simdega examined the buildings and declared it unsuitable for class rooms purposes due to lack of ventilation provisions and its low roofs. Walls have also been declared by him not durable. Besides this the School has two hostel buildings, one for boys and the other for girls.
3. Staff:- At present there are twelve teachers in the teaching staff. Besides those there is a clerk, a menial and a theological trained graduate who is also incharge of the hostel. The particulars of the teachers are as follows:-

Sl.No.	Name	Qualification
1.	Shri. A. Lakra, Headmaster	B.Sc., Dip-in-Ed.
2.	Shri. P. S. Minz, Asstt. H/M.	B.A., C.T.
3.	Shri. Ch. Lugun	B.A., C.T.
4.	Mrs. L. Tiga	B.A., Dip-in-Ed.
5.	Shri. J. Kiro	B.A., Dip-in-Ed.
6.	Pandit Jagesh Shastri	Shastri K.V.
7.	Mrs. M. Lakra	I.A. Trained
8.	Shri Thomas Guria	M.A., Dip-in-Ed.
9.	Miss. R. Khess	M.Sc.
10.	Shri. Suresh Tewari	B.Sc., S.T.C.
11.	Shri. A. Kerketta	B.A. Dip-in-Ed.
12.	Shri. K.C. Prasad	B.Sc.
13.	Shri. Gustaf Kullu	Matric
14.	Shri. Jaymasih Bilung	Menial.

4. Strength of the School:- There are sections in class VIII, IX & X classes. Now it is not possible to give the exact number of students in the school as admissions are still going on. One thing it is very clear that number will decrease as Khutitoli and its neighbouring Panchayats are facing famine like situation due to failure of paddy crops for last two years.
5. Curriculum:- The school is imparting Science and Agriculture education besides the Arts subjects. Religion is taught within our normal school hours. Due to lack of funds it has become difficult to equip the laboratory. The KSS has allotted 6.24 acres of paddy land for agriculture education. Besides this the school is reclaiming 10.55 acres of waste gairmajurwa land, which ofcourse belong to the church as Khutitoli mission is the ex-landlord. Construction of a big diameter wall has been taken up but it is incomplete. A sum of Rs.4000/- has been received by the Indo-German Project for this purpose. A working capital of Rs.2000/- is required to carry on the work. The school is now facing difficulties to arrange this fund.

P.T.O.

6. Finance:- From June 1962 to 1969 the School got subsidy from Gossner Mission. A Brief Report of Gossner College.

The vision of a degree College in the GELC was in the mind of many leaders for a long time. It became a reality on the 1st of Nov. 71 when Gossner College was established with a dozen of students in the premises of Gossner Theological College. This was preceded by a series of general meetings held to discuss and decide the founding of an Arts, Commerce and eventually a Science College. Finally on the 10th of October 1971 it was unanimously decided to start the Arts and Commerce faculties. A free will donation was taken on that day and Rs. 53.00 (Rupees fifty three) was collected in the name of Gossner College. With this humble beginning the Gossner College has developed to its present stature.

1. Organising stage:-

An adhoc Governing Body was formed with the following members to administer the College:-

1. Rev. C. B. Minz, Chairman.
2. Rev. Dr. N. Minz, Secretary.
3. Rev. M. Tete, Treasurer.
4. Padma Shri Rev. J. Lakra.
5. Mr. M. Oraon.
6. Dr. D. D. Guru.
7. Mr. S. P. Shah Deo.
8. Dr. S. Mahto.
9. Mrs. S. Bage.
10. Dr. Chaurasia.

The Lecturers in Arts and Commerce were appointed after interview.

The number of students in 1971 - 72 was This small number of students was due to our late beginning and it was good that the number was small because we could manage only that many with our limited accommodation facilities at Gossner Theological College, Ranchi. Fees, donations and donation of services helped the College to sustain itself financially.

Before 30th of Nov. we applied for affiliation of Gossner College in Arts and Commerce to Ranchi University. After the inspection fee of Rs. 500.00 (Rupees five hundred) was paid a University team consisting of Dr. Ahmed the Dean of Arts, and Fr. W. A. Proost the Dean of Commerce visited our College in March 1972. The committee showed them the Raja Bungalow Compound up to Khajur Talaw and rest camp as the site for the College. Temporarily the College would hold its classes in the New-Bethesda Girl's Middle School in the morning shift. On the favourable recommendation of the inspection committee, the Gossner College was given conditional affiliation to Ranchi University from July 1972 up to Intermediate stand for two years 1972-74.

At the initial stage the College received adequate support from the GELC authorities. As it was informally started under the guidance of some leading members of the Church and community, the KSS regularised the founding of the Gossner College in Arts and Commerce and encouraged the College authorities and the Governing Body to go ahead. The KSS set apart the Raja Bungalow Compound for the permanent site of the College by resolution in its January 72 meeting.

2. Affiliation to Ranchi University and development:-

The Gossner College entered into a new phase with its affiliation to Ranchi University from July 1972-73 sessions. The College began to hold its classes in the new Bethesda Girls' Middle School building with the kind permission of the M/C of the School and ready cooperation of the Headmistress and other teaching staff there.

A new set of teaching staff was appointed and a regular G.B. was formed as per Ranchi University rule for the minority College.

A) The College started with 27 students in Arts and Commerce faculties. But we are thankful to God and proud to report that the present student strength is:-

A. 1st year	70	Arts
2nd year	33	"
B. 1st year	26	Commerce
2nd year	28	"

10. One Donar
11. University Representative.

The finance committee is constituted of :-

1. Rev.J. Lakra, Chairman
2. Mr. J. Horo, Secretary
3. Rev.Dr.N.Minz, Member
4. Rev.M.Tete, "

The Church has appointed a planning Committee also. The members are:-

1. Rev.Dr.N.Minz, Convener
2. Rev.N.Ekka, Lohardaga
3. Mr.H.Samad, Khunti
4. Mr.I.Minz, Jamshedpur
5. Mr.M.Soy, Ranchi.
6. Mr.J.E.P.Tigga, Ranchi.

This committee has to prepare the complete plan of the College in view of its future developments at the new site. The report of the planning committee is appended below.

(C) Finance of the College:-

The College started with Rs.53.00 (Rupees fifty three) as its foundation fund. To day the recurrent expenses of the College per month is Rs.1800.00 (Rupees eithteen hundred) only. By the grace of God the management has been able to pay this amount up to date. The following are the sources to meet the recurrent expences:-

1. Students Fees.
2. Donations.
3. Service donation.

The College had to deposit Rs.35000.00 (Rupees thirty five thousand) as reserve fund with the University to meet one of the major conditions to be fulfilled for permanent affiliation of the College to Ranchi University. The College has been able to pay Rs.10,000.00 (Rupees ten thousand) and Rs.25,000.00 is yet to be paid up. The Governing Body and the finance committee have been making their full

efforts to pay this amount also before the financial year comes to a close in March 1973.

3. Present challenge and future prospect:-

The College has an unwritten policy to appoint Chotanagpuri teaching and office staff. The major problem facing the College in this respect is to find the teaching staff from among the members of the Gossner Church. There are men and women with required qualification to teach at the College and University, but somehow our members are not coming forward. You will note that among the present teaching staff there are only three Lutherans. Sri. E. Lakra, Mr. D. Burh and Mrs. S. Topno. All the rest Christian teaching staff are from the Roman Catholic Church. We must make efforts to bring our members in the teaching staff of the College at this early stage. If they miss this chance they may not be able to head the depths, and this will be a great loss to us as the Church institution.

It is a matter of gratitude that the M/C of Bethesda Girls' Middle School has kindly permitted us to hold the College Classes in their new building. The number of rooms are adequate for the College also. But the size and the furnitures are not suitable for holding Classes. The general English Classes can hardly be accommodated in the room. We cannot supply furnitures in the rooms even if we want to and able to do so, because that will disturb the accommodation facilities of the School Children. This has raised accommodation problem for the College immediately. Therefore, we have to think and plan for accommodate the College in a suitable building before we finally build the new College building.

It is reliably learnt that the M.E.S. is going to vacate the occupied buildings in our compound. It may be necessary to accommodate the College for a few more years before the new building can be built in its permanent site.

The hostel accommodation for the students of Gossner College has to be arranged for more than we have so far been able to do. I suggest that the present Gossner Hostel in Raja Bungalow compound for boys and Hostel No. 2 for girls are made primarily for the students of their College. And the administration of the Hostel should go under the Governing Body of Gossner College.

There is a prospect for the new orientation to College education in Gossner College in the future. The friends abroad Lutheran Education in U.S.A. and in Germany, and the L.W.F. staff in Deptt. of Studies are keen on helping us to give this College a vocational Orientation to materialise this future programme a consultation conference of educations from at home and abroad is being planned to be held here at Ranchi in October 1973.

The University is insisting on starting Science in our College and this will be to our advantage in the long run. But this programme hinges on our ability to build up a sound financial basis for the College.

I hope that the education Board and the KSS of the GELC would give priority to the College at this initial stage and help build it up for the development of leadership in the Church for society.

Sincerely, yours,
Sd/- Rev. Dr. N. Minz,

GOSSNER EVANGELICAL LUTHERAN CHURCH RANCHI.

No. 1007 /72/KSS-158

Ranchi Dated 25 Nov.72.

To

Rev. B. Minz
GEL Church Ranchi.

Subject:- Stay Order of your appointment as the Director
A.T.C. Khutitoli.

Dear Brother Minz,

Recently in the last meeting of the full KSS dated 3-8 Nov.72, the KSS has appointed you as the Director of the ATC Khutitoli vide item 20 of its resolution.

While making your appointment the KSS had the understanding that Mr. M.S. Kandulna was the Acting Director of the ATC Khutitoli, and as such the KSS did not find any difficulty in appointing you as Director. But according to the letter of Mr. M.S. Kandulna dated 24th Nov.72 he has been actually appointed as Director of ATC Khutitoli by the D.C.S.S. The DCSS in its meeting dated 30.10.1969 appointed Mr. M.S. Kandulna as Director with effect from 1st January 1970 by its resolution read as:- " Resolved that Shri M.S. Kandulna at present Acting Director be appointed as Director ATC Khutitoli from 1.1.1970."

During the time of your appointment as Director the KSS ought to say something regarding Mr. M.S. Kandulna, but due to lack of information it could not do so. It is seen that due to this reason the KSS appointed you as Director, over and above Director Mr. M.S. Kandulna who had already been appointed Director by the DCSS. It is therefore not possible to appoint two Directors in the same institution.

In such an awkward situation the KSS has to reconsider this very important matter. Under this circumstance I find no alternative but to issue an Stay Order of your appointment as Director of ATC Khutitoli. Hence your appointment as Director of ATC Khutitoli is hereby stayed till the next KSS meeting going to be held at Ranchi in the last week of January 1973.

Regarding your payment the KSS has decided to pay you from the Centre, and hence you will draw your pay from the KSS Treasury.
