Dear Sir,

It may not be your interest to go through my letters but I am slightly advised by the people to intimate you what happens here.

According to the decision of the Board of Evang. & Fil. dated 14.4.65 I was giving the charge of Rouzeela to Rev. C. B. M. S. but he refused to take over it on 19.4.65.

After his refusal the Board appointed a two men Commission to take over charge of Rouzeela from me but the Commission also did not take over the charge. The reasons why it did not take over charge is July 65 are given in the orders of the Board. Resolution are herewith enclosed.

Respected sir,

This is to inform you that the Commission of two men appointed by the Board of Evangl Lites, G. E. L. Secondly kindly return me also the Marriage license in original. These two things must be ~~return~~ given to me by July 31, 65 without fail.

Because of your misadministration I do ^{not} have right residence at Rourkela but the postal address is the same as it was given to you.

It is a known fact to you that the J.M.B. has been abolished since 1st April '65 consequently, as per new arrangement of the K.S.S., the districts of Medinipur, Mayurbhanj, Keonjhar and Singhbhum have been amalgamated with the S.E. Anchal from the said date.

The following resolution of the Anchal Samiti held at Chaibasa on April 29-30 '65 is quoted for information, guidance and needful :-

taking over charge of Rourkela from Rev. P.C. Minz herewith
I submit the following:-

That on 19.4.65, at the fixed time, I had been

I declined to take over charge, as handing over charge of
account was missing. In the end I prepared a statement, rega-
rding this which was signed by Rev. P.C. Minz also. This state-
ment is attached herewith for your information.

Further, may I request you to direct him to
hand over full charge of Rourkela to the persons authorised

The Secretary,

Board of Evangelism & Literature

Dear Sir,

The reason on which the Adhyaksh Orissa Anchal refused to take over charges from me and dictated me to sign on it to fix a suitable date to produce accounts I express my difficulties to do so on the following grounds

(Continued)

1) It is just time taking rather impossible to do so. I already showed the Rancher income deposited in P. Book No 13112 with a balance of Rs. 758.99 P. only up to March 64. which I committed also to Rev. H. Kloss the then Treasurer and the Secretary, S.M.B. on 2.6.64 at his residence at Ranchi. And then when he asked me to hand over to the Treasurer, Orissa Ranchal,

2) I being a duly appointed Pastor did Pastoral work and kept myself aloof from keeping accounts on several reasons. There was a well organized Parish Committee with its Treasurer keeping the accounts. This Committee was dissolved when Rev. C.B. And took over charge himself of Burnapara (Sector 18) in 1962 since then the Parish Committee did not meet at all till today. And such the account with the Treasurer whom I can not dictate. My Parish Secretary should call its meeting and do what is desired by him if it is possible.

3) As regards the Income of Ranchi Rev. H. Kloss the then Treasurer had written to me Extract from his letter "At 31758 Charbansa." The money which you collect in your services will be registered in the monthly reports every third week you will send the Income of the last three to the Treasurer of the S.M.B. It is thought to be a contribution to E.L. Church to the S.M.B.

must correct myself as you have a
own mandu Prench you must not send
any money to Chabassa but are
responsible regarding this to Rev. C. B.

Self Rev. H. Kloss

By giving the above points I humbly
pray you to kindly advise me further
what to do to get rid of Roukela.
I dare to say that Rev. C. B. Aind
was greatly responsible for the with-
drawal of the S. M. B. work from Rou-
kela. As a result of this I was trans-
ferred to Chabassa and his Aindal
greatly failed to ~~make necessary~~
arrangements to relieve me which is
nicely done ^{only} after thirteen months
of my transfer on 14.4.65. Kindly
when I rejoined in March which he
agreed with the Director S. M. B. made
objections vide his letter dated 27.3.65

I am having a true copy from

Dear Mr. Minz,

In reply to your Post Card dated Chaibassa, the 7th. April, 1965 I have to say that as far as I know the officers of the JMB, namely Rev. DR. M. Bage who is Chairman of both the JMB and the Board of Evangelism beside being the Pramukh Adhyaksh and Rev. Kloss the Secretary have confirmed my order that you join the work given to you in due consideration of the letter of apology. The letter from Rev. Aind does not amount to an order. If there is any ~~change~~ change re. your service you will hear from the Pramukh Adhyaksh who is the proper authority. Hence I would ask you to go on with your programme in the areas given to you. It is not right for you to cancel your programmes or not to go to the congregations which have been placed under you according to the letter I gave to you.

I was told that you were allowed half month's salary for March. I think the authorities acted properly in this respect.

Please do come and see the Pramukh Adhyaksh at your earliest convenience. We had guessed that you were coming here in the first week of April and I had left instructions at home to tell you that Dr. Bage wanted to see you. If you have not yet seen him please do so. I am going to Gaya coming Sunday and I shall return only on Thursday of the Holy Week.

6 April, I have been doing some office work these few days. On
Sunday evening I shall leave for Gaya to conduct Holy week de-

Ranchi and to conduct service the same day at Kokar and on easte
Day at Kokar. I shall get time after Easter to finish the work
at Champna and Jagannathpur. Both together will take me about 8
days. I am sure work will not be done properly unless I am present

Dear Sir,

Received your copy of the letter No. nil dated 24th March, 65, addressed to Rev. P. O. Minz, where in anticipation that Rev. Minz has already taken up new work at Champua, you have asked him to be in-charge of Koonjhar and Nagurbhanj also. As a member of the JNB, which I understand, is in existence till 31st March, 1965, I object to your order for the following reasons:

1. As something was decided in respect of Rev. P. O. Minz in our last JNB. meeting which was held in the garden of Rev. Kloss, the matter of his apology and his willingness of rejoining his duty ought to be brought before the JNB. for further needful.

2. Before rejoining his duty you should have asked Rev. Minz to hand over all the furnitures, Library Books and pastoral Registers to Rev. Inens Tote, who has been duly appointed as Raurkela Pastor by the Orissa Anchal. Dear friends,

I am sorry I overlooked to send you a copy of the letter of regret and readiness to work as ordered by the Joint Mission Board sent to me by Rev. P.C. Mins. Here is the true copy of the same!

Dear Sir,

I do hereby beg to state that I heartily repent for not having obeyed the orders of the J.M.B. to go to Keonjhar field with headquarters at Chaibassa. I earnestly request you the Board to kindly forgive me for the same. I am going to join the work assigned to me by the J.M.B.

Yours Sincerely,

Rev. Mins has assured me that he will have no connections with the congregations at Nourkela which he left several months back. His wife has been working at Biraitrapur and now she is to be at Raure with her mother and relatives for delivery. Rev. Mins is now on the duty of the J.M.B. and he has decided to occupy the quarters allotted to him at Chaibassa and reside there as his headquarters and as soon as his wife will recover she will also be with him at Chaibassa.

I came to learn from Rev. Th. Dhangdung who had come for the B.T.E. meeting on 3.3.65 about Rev. Mins's being at Biraitrapur and about his being sorry for not having obeyed. In consultation with the Pramukh Adhyaksh and the Up-Pramukh Adhyaksh I advised Rev. Mins through Rev. Dhangdung to submit a written apology and to join his work.

25-3-65-

Dear Brother Kloss, Thanks. The other day I did not
start as the rain and hailstones were threatening
and they did actually come after I refused the jeep.
I had told the driver to come the following evening
but, obviously he did not tell you. I want to
leave tomorrow afternoon for Jagannathpur,
Champua and Rungamata. If I can't leave
tomorrow for any reason, I must leave, even by bus,
day after tomorrow early in the morning.
As far as I am concerned I think that

I have nothing to hand over as I continue to be
in my work with the difference that I shall be
Director for the whole Church, and that through
the ~~Archdeacon~~ authorities. As regards handed property
and construction of houses, done by the Board
of Joint Mission so far, in my opinion, should
now be in the hands of the Property Board
— e.g., purchase of land and construction of
chapels, etc. Hence at least that part of the money
now with you assigned for construction of houses
and purchase of land should be handed over to the
Property Board, and the part for payment of the
salaries, T. A. etc should be made over to the ~~Archdeacon~~
Board of Evangelism. But I think I should come +
talk with you — perhaps tomorrow morning — Please let
me know the time which will suit you. Yrs Sincerely
J. S. Smeeth

23.3.65

Dear Brother, Kloss,

Thanks. Halau reported this morning that his son is suffering from heat night and he has had no time to attend to his treatment. So, I am sending him back to do that and to return to me by noon with petrol etc full so that I may start at once as he comes.

Important: Please keep Rangamahi construction money (balance out of the estimated cost which has been passed by the Board) safe with you now.

and I shall take it for Ranga-
mahia towards the end of the
month (March).

I have just received a
letter from Rev. J. Soy. He is glad
to hear about the U.S.S. decision,
which I had written to him
after hearing from the U.S.S. members.
I have not yet got the decision
in writing but I learn that they
are almost on the same lines
as Rev. Soy had pointed out to
you + to Drs Berg and Page, by
the way, we have to plan for a
sumey.

With best wishes,

Dear Mr. Mins,

Received your letter of the 12th. inst. expressing your regret for not having obeyed the orders of the J.M.B. to go to Chaibassa as your headquarters and to be in charge of the Keonjhar mission field. It is also a matter of satisfaction that you have expressed that you are ready to go and join the work. I believe you have already gone to Chaibassa and that you have already taken up your new work at Champva.

I have to inform you that Rev. C. Helen Sana d has been sick at Chaibassa hospital for a long time. I fear that it will take him much time to recover. I have asked Rev. N. Topono to take care of the Nayurbhanj field also. But, it is too much for him to be in charge of Midnapur and Nayurbhanj. I therefore ask you xto be in charge of Keonjhar and Nayurbhanj mission fields as long as some other arrangement is not made. Very important work has been waiting for you and for some reason or other the Board of the Joint Mission did not put any one else in your place until now. As the post you have been given is still for you, you take it and give your whole time, interest and energy. May God grant you His grace and strength so that you may be fruitful in bringing many to the Saviour Jesus Christ.

Lieber Bruder Kloss !

Haben Sie herzlichen Dank für die von Ihnen übersandte Abrechnung über Ein- und Ausgaben im J.M.B. im Jahr 1964.

Bemerkenswert und beunruhigend für mich ist die Tatsache, daß die Einnahmen durch Beiträge von Gemeindegliedern im JMB sehr niedrig gewesen sind:

Sie betragen für 1962, 1963 und 1964 insgesamt Rs. 2.644,27, also pro Kopf und Jahr etwa 0,35 Rs.

Im Vergleich dazu sind die Opfergaben in den Synoden der GELC sehr viel höher: Synode Gumla und Chaibassa pro Kopf und Jahr etwa 3 Rs; die finanzschwache Synode Khuntitoli etwa 1,5 Rs; im Surguja-Missionsgebiet ebenfalls 1,5 Rs.

Wie ist das geringere Aufkommen im J.M.Gebiet zu erklären ?

In der Schlußabrechnung vom 31.12.1964 ist eine ersparte Summe von 17.770,34 Rs. nachgewiesen. Dieser Betrag ist nach Rücksprache mit Dr. Bage dem Head Accountant der G^ELC zu übergeben, der ab 1.1.1965 die für die Missionsarbeit der GELC von uns zur Verfügung gestellten Mittel empfangen wird.

Mit herzlichen Grüßen
Ihr

The 1st. January, 1952 I have to point out as follows:
with reference to the letter dated
the 1st. January, 1952.

I. Income (Congregation Income) for 1952
1952 and 1951

Rs. 2, 500 . 00	Please refer to this recent deposit
251 . 00	and also the following which
251 . 00	are on the way to you as per report from
80 . 00	Rev. J. F. JICA of Ranchi, Bihar.
100 . 00	We should also expect for 1952
	a. Rs. 100 . 00
	b. Rs. 100 . 00

Total Rs. 3, 457 . 00

II. Total no. of Christians..... 2500
from this we have to deduct the following because for some reason
the Church income from these places are not being deposited with
the J. F. JICA. This is a serious matter and I don't know
why it was decided by my predecessors and it is a fact:

Rs. 100 . 00
100 . 00
100 . 00
100 . 00

Total Rs. 400 . 00

Rs. 3, 457 . 00 (Total) given by JICA

I have read the report to JICA
and the reference to JICA without delay.

Dear Dr. Bage,

On 2.8.64 when the officers of the JMB met it was reported that there will be a meeting of the Board of Evangelism + consultants concerning the question of integration of JMB with the whole organisation of Evangelism of the Jassar Church. The pastors of the JMB are seeking to have a say on this matter. Would you be able to give them also an opportunity + when?

The Secretary,

J. M. B. Ranchi,

Sir,

respectfully we have to inform you that we have since long felt that a guest-room (Serakhana) is necessary for the Travellers who often come to this compound for night halt on the way to different places.

We therefore request you to kindly allow us to assign the rooms which has been fallen vacant due to the transfer of J. M. B. dwellers from Charbasa to Ranchi.

We shall be thankful to you for this kind act.

Lieber Bruder Kloss !

Haben Sie herzlichen Dank für die von Ihnen übersandte Abrechnung über Ein- und Ausgaben im J.M.B. im Jahr 1964.

Bemerkenswert und beunruhigend für mich ist die Tatsache, daß die Einnahmen durch Beiträge von Gemeindegliedern im JMB sehr niedrig gewesen sind:

Sie betragen für 1962, 1963 und 1964 insgesamt Rs. 2.644,27, also pro Kopf und Jahr etwa 0,35 Rs.

Im Vergleich dazu sind die Opfergaben in den Synoden der GELC sehr viel höher: Synode Gumla und Chaibassa pro Kopf und Jahr etwa 3 Rs; die finanzschwache Synode Khuntitoli etwa 1,5 Rs; im Surguja-Missionsgebiet ebenfalls 1,5 Rs.

Wie ist das geringere Aufkommen im J.M.Gebiet zu erklären ?

In der Schlußabrechnung vom 31.12.1964 ist eine ersparte Summe von 17.770,34 Rs. nachgewiesen. Dieser Betrag ist nach Rücksprache mit Dr. Bage dem Head Accountant der G^LLC zu übergeben, der ab 1.1.1965 die für die Missionsarbeit der GELC von uns zur Verfügung gestellten Mittel empfangen wird.

Mit herzlichen Grüßen
Ihr

Martin Schlegel

मैं ज्ञाप्य की ज्ञाप्युसर तेंदा: नहीं गया क्योंकि मेरे
नकदी छोड़ने के पहले हम लोग तेंदा: के भाईयो के साथ
१-१०-६४ को नकदी में छोटी मिटिंग किये थे। उस मिटिंग में
वोंगा जंग के प्रचारक जे. सांगा और टोकट भंडारी के साथ
एक भाई तका तेंदा: के सब रिश्तान भाई थे।
तेंदा: के भाई मुझे रखने से डगमगे

अपना भी नहीं इरते तो मैं १-१०-६४ को ही तेंदा चला
जाता। छात्रावास में प्रचारिन की जुलूम से नकदी से भागा
थी तेंदा: भी नहीं गया।

तेंदा: नहीं जाने से मुझे तलब मिलना बंद
हो गया। फिर मेरे बड़े भाई, मेरी सहायता न किई। जिसके
कारण मुझे २०/ आसी रु. उधार लेना पड़ा और इसी पैसा
से अपना बेरा प्रेमसिंह को जो चक्रधरपुर स्कूल में है
देना पड़ा।

इसी परिवार में पड़ने से मेरी हालत खराब
हो गई। बच्चे नंगे बदन ला हो गये। ऐसी बुरी दशा की
देख कर मेरे बड़े भाई से मन में गुस्सा आ गया और मन में
निश्चिन्त की विधा हुई कि १८ ६५ ई. में जमीन का बदला
लेऊंगा।

इसी हालत के कारण आप से मेरी दीन प्रार्थना है कि आप

मेरी नम्र प्रार्थना है कि मुझे कोई से दृष्टी देने की कृपा

Pyare Padri Samad,

Ap ki chithi mili jiske ap ne Chaibassa se likha. Main ne ap ke sath uske piche wahan mulakat karke hospital men rakh diya aur uske bad ap kaise hain wah malum nahin hai. Aj main ap hi ke pas jane ke liye nikal raha hun aur jaise main ne programme diya hai main asha rakhta hun ki ap se Jashipur men bhent hogi. Kintu, is bichar se ki saed ap bimar rahne ke karan Rangamatia men hi honge main yah chithi bhej raha hun.

Ap jante hain ki ap hi ke ujur karne ke karan karan Rangamatia men Padri ka ghar 1964 men nahin ban saka. Ap bolte aye ki Rangamatia men nahin par dusre jagah jaise Jashipur men Padri ka ghar hane. Isi liye ghar nahin bana nahin to 1964 men jarur hi ghar ban jata. Iske alawe main ne ap ke yah bhi salah diya ki jab tak Padri ka ghar nahin banta hai tab tak ap kahin bhi bhare men ghar bandebasht karke rah sakte hain. Aur main ne Baripada men ek ghar bhare men bandebasht bhi kar diya. Par Padriyain beli ki Rangamatia men jahan hain wahin rahenge. Hamare taraf se ap ke rahne ke ghar ke liye intizam karne men kisi प्रकार ki ghati nahin kiye. Ap yah bahana nahin kar sakte hain ke ghar nahin hone ke karan ap Kulpal men rahenge aur ap akela Mayurbhanj chhetr men rakhe kam karenge. Yah nahin banega. Ap ke kahin badli bhi nahin kar sakte hain. Ap apna pariwar Mayurbhanj jila ke bhitar hi rakhiye. Jab tak Padri ka ghar nahin banta hai ap Baripada men rahiye. Main ne ghar ek bhar bandebasht kiya tha. Fir main is bar bhi ap ki madad kar unga ki ek ghar mile. Main turant hi Rangamatia men ghar banana arambh karunga. Is bar ap ki ujur se ujur nahin suna jayga.

Subj:- Evangelism by the Gossner Church.

Dear Sir,

I thank you very much for a copy of the minutes of the KSS date the 20th to 22nd Oct. 1964. May I make the following observations with regard to item 6, FOREIGN MATTERS: a) Evangelism by Gossner Church (JMB).

I understand that the whole matter has been postponed until the arrival of Dr. Berg in February or March 1965 and I am also told that the main question is the finance.

If this be the case may I point out that, the matter could have been considered even apart from the Gossner Mission. I may be altogether ignorant about the evangelistic programme of the Board of Evangelism of our church because we do not find much in the minutes of the KSS. But it appears to me that the church (KSS & the B.E.) have not taken the matter in any seriousness. Without making a careful survey of the church's own resources of men and money to come to an abrupt decision to cast the entire burden on the Gossner Mission does not look right. I feel that the KSS did not place before itself the overall picture of the total aspect of the church's responsibility, its God given promise "And lo I am with you always."

In my opinion the Board of Evangelism is receiving a step motherly treatment. The KSS is perhaps the foster-mother of the Board of Evangelism whereas the other Boards are getting treatment of children. The Board of Property, The Board of Education and the Board of Theological Education are the most fortunate ones, it seems, to be better taken care of by both the Gossner Mission and the Gossner Church. Property Board .. let us think of the Five Year Plan, millions of German marks being set apart annually for the building programme, several projects here and there, the Agriculture Training and Development centre, Technical Training centre, all costing huge sum of money, a full time Secretary-Manager. In the case of this manager the church does not have anything to say about the distance to cover impossibility to get to Assam. Here the distance and money difficulty does not arise. The Agriculture Training centre can even have a social and Religious centre.

Board of Education.. Educational institutions, high schools and others are gaining ground although there are other sources of getting help in order to educate the children and the youth of the church. There is also an ambitious programme to have a secular college governed and run by the church. Here the plans and schemes are making headway. What can we say about all these.

Board of Education..Educational institutions,high schools and others are gaining ground although there are other sources of getting help in order to educate the children and the youth of the church,There is also an ambitious programme to have a secular college governed and run by the church,Here the plans and schemes are making headway,What can we say about all these.

Board of Theological Education..They say that there is money for the Theological college,Fracharaks' Training school and the Tabits school. Yes, these institutions must grow in leaps and bounds.The members of the KSS and the GMS can see easily the needs of these institutions. Why ?

The Board of Evangelism...The crown and epitome of the life of the church has hardly any place in the heart of the KSS and the GMS at present.I say "at present" because I am talking about the affairs as revealed in the minutes of the last meeting of the KSS.It may be argued that the matter has been postponed,but according to me the very fact of postponing the matter in order to wait for a direction to be given by the Gosner Mission proves that the KSS does not know where it stands in the matter of evangelism,At least for some reason or other the KSS fell short of a Clear desire,a fervent desire to go forward from strength to strength and victory to our victory over the kingdom of darkness,There is always this plea or the other to do away with the office of the Director of evangelism,let us say with the office of a full time man for this all important task of the church,There is, it seems, the belief that evangelism is such a simple and unimportant thing that it can go along without a man to steer it,but for the matter of property,education and Theological ~~and~~ institutions there are full time men and women,although not necessary one at the top.In all these other departments although there may not be one at the top there are many experts who give the lead and shoulder the responsibility in some form or other but for the Board of Evangelism there are none,Not in the Anchal level,not in the KSS level.

The KSS in its last meeting had no constructive proposals,What they had from the committee was only destructive.They took the method offirst destroy and then construct,if you will.The first duty of the KSS was,I am sure that was what Dr, Berg meant,to organise the evangelistic work of the church in its completeness and then to bring into the total machinery of the whole church's evangelistic activity all the several programmes now carried on, eg the Joint Mission Board,The Joint Mission Board

is only a small fragment of the entire activity of the GEL Church's evangelistic work under the Board of Evangelism of which the Pramukh Adhyaksh is the ex officio chairman. The whole purpose of the Pramukh Adhyaksh the ex officio chairman of this Board is to place the first thing first, namely to put the head of the church at the top of this all-important work of the church. It is learnt that he was not a member of the small committee which was appointed to consider the suggestion of Dr. Berg. If it is so, it must be very strange for the KSS to be guided in a matter like this without him, which is his main department and his own Board. It is also unlikely that the Board of evangelism was not given any opportunity to go into the matter before the KSS had it on its hand. Not even now the matter has been referred to the Evangelistic Board for its opinion and recommendations. Usually matter like this are first handled by the people who are in the helm of affairs of the kind and when the top authorities take the final decisions. Because this was not done the KSS put the cart before the horse.

I am not talking on the Joint Mission Board, I am talking on a much bigger issue, namely THE MISSION OF THE CHURCH. If the church's highest authorities do not give a balanced view of this whole matter the church will be committing a suicide. If the border lines of the church (that is the new fields for evangelism, the new converts, the enquirers) are neglected or left for an easy way of going, the church will be exploited, plundered and massacred.

It is impossible to think that without duly appointed full time men the church can carry out its evangelistic work as it ought to do. One whole time man at the top and four at the Anchal levels are the minimum ~~MINI~~ MINI of the church besides many many colonial centres of the God's kingdom with local forces in all the frontiers to extend the kingdom of God with vision and insight to conquer and still to conquer.

If we keep this in mind, we shall humbly submit that the other three Boards and in fact all other activities and arms of the church are subservient to this one great object, namely to preach the Gospel to those who have not yet heard the same, and again I say that going out into the dark world to bring the star of Jacob shine upon them is the greatest of our responsibilities.

If we keep this in mind, we shall humbly submit that the other three Boards and in fact all other activities and arms of the church are subservient to this one great object, namely to preach the Gospel to those who have not yet heard the same, and again I say that going out into the dark world to bring the star of Jacob shine upon them is the greatest of our responsibilities.

My feeble voice may be just a humble cry in the wilderness. When Brother Borutta was about to go to Germany for good I earnestly requested him to find the means to have a full time officer for the Board of evangelism, when Rev. Santosh Surin was discontinued for reasons better known to the then authorities, I again made a strong plea and a protest, now I on duty bound raise this protest. I plead that there be one full time Director the Board of evangelism and one Superintendent in each of the Anchals I have no particular persons in mind. I address my own church in this respect, I would humbly speak also to those friends who know us and our church, namely the Gessner Mission and the Lutheran World Federation.

In the end, may I remind ourselves what the department of World Mission of the Lutheran World Federation laid down in 1957 as one of its objectives.

"To continue to support churches in need. International disturbances and special emergencies have deprived some Lutheran missions and churches in Africa and Asia of needed economic support some strategic opportunities for evangelism and church extension will be missed if dependent upon insufficient local resources alone. CWM must, as its resources permit, to continue to meet such needs."

May I also remind ourselves that, in case all our own resources have fallen short we are also led by God to open the door for others to come and to proclaim the Gospel. In our Constitution we have said "Foreign missionaries belonging to any Lutheran Missionary Society may be called by the church for a special task in the church for a definitely fixed period" (Art. XXIV (3)).

In my earnestness I may have said certain things rather in a blunt way without minding to be polite, I may kindly be excused because I have not meant to be in any way offensive.

In the humble service of the Lord,

Ap ke mera sapriwar Yishusahay. Ap ki chithi ta: 27.11.64 ki aj hi mili. Main Gevindpur gaya tha. Kal hi laut aya hun. Ap ke mata pita achhe hain. Bite Etwar wahan Katni Parb aur Pracharak Pracharika logen ka padsthapan tha. Main ne wahan Katni Parb ka updesh diya aur padsthapan ka karj kiya. Gevindpur men bite etwar bara dhumdham tha.

Main bahut anandit hun ki Gengtaboni chhetr men naye dharmkhejak Baptisma ke liye taiyar huwe hain. 15.12.64 mujh ke nahin banta hai. Yadi ap log Baptisma ka din 20.12.64 aur Pracharak Abhey Charan Singh ke bete ki shadi kadin 20.12.64 rakhte hain to bich men 9 roj ka antar hai. Mere liye yah kathin hai ki ek hi chhetr men lagatar 12 roj thahrun. Lejin ap log thahra chuke aur donen kam bishesh hain kyonki shadi ke समय barabar ham log Dharm Prachara/ ka kam karte hain. Is shadi ke awsar ke bhi main chahta hun ki Berdhol men Dharm 0 mela ka suawsar samjha jawe. Isliye main 10.12.64 ke nisichay Berdhol pahunchunga. Shadi main khud dunga aur 21.12.64 tak Midnapur chhetr men ki sab Mandliyen tatha Prachar kendren men ghumunga. Isliye kripa karke 10.12.64 ke shadi hove aur 20.12.64 ke arthat 4tha Advent Etwar ke Dharmkhejaken ka Baptisma ka din hove.

Ap ki sifarish ke anusar 1.1.65 se Gengtaboni men ek pura betanbhegi Pracharak arthat Shree Rameshwar Sinha rahega. Na te darkhasht men aur na ap ki sifarish men uske " qualification " ka kuchh charcha hai. Isliye main abhi uska talab nahin thahra sakta hun. Dear Brother Kloss,
 The boy reports that Bach Johannes
 has expressed his determination to leave
 Bailura with his family + to live at his
 home in Sisibaha & to work after the
 manner of Sisibaha. This
 is impossible. I had asked Johannes
 to wait until the 1st of Jan 1965 but
 obviously he is not willing to wait
 any longer. I know he has chronic
 stomach pain and I want to place
 him at a centre which will be
 convenient for medical help. But,
 if he leaves his centre just now,
 or if he has left already, the matter
 in Bailura, as in Nalati, will be at
 once disheartened; I am therefore
 to go immediately today to Bailura
 to solve this situation. Please
 send the pep. I want to leave at
 about 11 am after taking meal.

Dear friends, just in brief now to be given in details later:

① Jergannathpur; Sri Subhagantopano has now given to me in writing setting apart to the Church the portion of the land on which we have the chapel & the Pracharati's house. We can now go ahead with repairs etc. I have brought all the details of requirements, and the area of the portion given to the Church.

② Sambalpur - Katanbela village - (a few miles from Kulpal) On 11.11.64 15 persons were baptised (new converts). In 1964 until now 41 new converts have been baptised - It is indeed a very encouraging move in Sambalpur (Bourna) area.

In Kulpal where Church attendance had fallen badly has improved. In October there is a definite increase. It began last September - On the last

Sunday of September the attendance was 96 about 4 times the previous number.

③ Tenda: (Nabti Mandli) - We are expecting 4 new families. I visited recently this place. Prach. John Gurni's leaving his station for fear of Paulu, Gagrai who has kept two wives, has discouraged the enquirers. I want to send Prach. Israel to go in the beginning of December to be in Nabti.

④ Proshol - He should have a Procharak for Proshol because the pastor cannot any longer be fully in charge of Proshol - This area is increasing & he has to go around. I recommend that a full time Procharak be appointed from 1.1.1965.

Ap ke sapariwar mera Yeshusshay.

Ap ke malum hove ki ap ki chithi jo ap ne Pracharak Adhyashi saheb ke pas likha uske unhen ne mera pas bhej diya hai jiske ap ne 15.10.64 ke likh kar bheja. Ap ne mere pas 6.10.64 ke Post Card bhej kar apne bhag jane ki bat likhi. Main ne pahle ap ki 2.10.64 ki chithi pakar ap ke apne pariwar ko ghar pahunchane ke liye chhutti di aur main sochta tha ki ap ke fir chithi likhne se ap chithi bahin paenge aur ap ke ghar ka address malum na tha isliye main thabra raha aur ashra tha ki ap ghar se Nakte laut kar awenge par jab ap Banabira se Post Card bhej kar bataye ki ap bhag gaye aur fir nahin lautenge to main ap ki chithi aise ke awaar par All Asia Conference ke liye chala gaya tha. Uske bad hi ap ki chithi mili aur Padre Soy se bhi 21.10.64 ke batchit huvi aur main ne 22.10.64 ke ap ke pas jabab bhej diya. Main ne ap ko likha hai ki ap January 1965 ki 1 li tarikh se Mangamatia men kam kijiye aur abhi Tenda'a men rakkar Nakti Mandli ke bhai bahinen ki char- wehi kijiye. Ap ke Tenda'a jate hi se talab miloga. October ka talab ap ke pas bhej diya gaya hoga. Par jab tak ap Tenda'a nahin jaenge ap ke age talab nahin miloga. Ap ka apne kam se bhag jana bilkul asantoshjanak hai. Apne pariwar ke ghar le jane ki bat to farak bat hai par apne khud hi bhag jana thik nahin hai. Iske alawa ap ke Tenda'a men rehne banta hai. Wahan naye Christian leg hain. Unke kaun dekhega. We ghabra rahe hain. Ap ke ucht hai ki turant ap Tenda'a jaiye aur Rev. Soy ke aur majhe khabar dijiye. Yadi ap abhi Tenda'a nahin jaenge to samjha jayga ki ap ne Joint Mission Board ka kam chher diya aur sende ap ke Joint Mission Board men kahin kam nahin diya jayga.

Meri purn asha hai ki ap meri salah ke samenge .

Dear Brother Bage,

Thanks for sending Fr. J. Surin's letter to me. I am asking him again to go to Tenda'a where there is accommodation for him within about three or four miles from Nakti where we have a growing number of new converts. From January 1st Fr. Israel Topenc will be in Nakti and Fr. J. Surin should go to Mangamatia. Please see copy of my letter to him dated 22.10.64 of which you have a copy & please also see copy of my letter to P. Gladsen Surin and others of the same date.

Yours sincerely,

Dear Sirs,

This is now time to take up some constructions and repairs. I therefore recommend that steps be taken to undertake the following, if not all at a time, one by one.

1. To complete the structure at Champua ... The Board is requested to do the needful.
2. To repair the chapel -cum -pracharak's residence at Jagannathpur.
3. To repair the pracharak's residence-cum-chapel at Paradih, Jaraikela,
4. To construct a pastor's residence and a chapel at Rengarbera,
5. To construct a pastor's residence and a chapel at Rangamatia.

Re: Jagannathpur I think that in view of the fact that we (Church) is in occupation of the land and has already a house we can get along with the work of repairs and in the meantime we can get the land documented in the name of the Church by Sree Sutugan Topone. There is no fear of any trouble from him.

With regard to nos. 4 and 5 I may remind ourselves that we have no pastors' houses in the two areas of Bamra and Mayurbhanj. We have for the other two areas, namely for Singhbhum at Chaibassa and for Midnapur at Bershel, and of course, we have our plans for Keonjhar area at Champua. I think we should take care that all these five areas, namely, Sambalpur (Bamra) Keonjhar, Mayurbhanj, Singhbhum and Midnapur are stabilised by having our pastors well settled.

Thanking you,

Yours Sincerely,

J. J. P. TIGA

Ap ke mera Yishusahay.

Ap ki chithi ta: 2.10.64 ka main ne jabab bhej diya hai par saed ap uske nahin paye henge kyonki mujhe malum huwa ki ap chithi likhne ke turant bad hi Nakti ehher diye. Ap ke main me ap ki chithi ke amasar 20.10.64 tak ke lie arthat 15 dinen ke liye ehutti di kintu Padri Soy se aj malum huwa ki ap apne pariwar ke ghar pahunchane hi nahin par bilkul Nakti ke ehher hi ke chale gaye. Abhi wahan ki Mandli bin charwahe ki he gayi hai. Achambhe ki bat hai ki ap bina khabar diye hi Paulus Cagrai ke bhay se bhag gaye. Ap ke uchit tha ki Rev. J. Soy ke jake ke batate sur chale

jate.

Main arji karte hun ki jadi ap Paulus se itna adhik darte hain to TendaBa men jake rahiye Wahan Sadrak ne ek ghar banaya hai jo khali hai. Wahan ke bhaiyon ke sath ap Etwar Etwar girja ke liye Nakti ana jana kijiye. Ek admi se ap kyon itna darte hain? Main ap ke January men Ranganmatia bhejna chahta hun. Isliye abhi ap apne pariwar ke ehher kar Nakti men December ke ant tak rahiye jisten Naye Christian leg bina harwahe ke na he jaen. Abhi main wahan kiske bhejunga? Main Jaunary se ap ke Ranganmatia men rakhne ka prastaw adhikariyon ke pas bhejunga kyonki Fracharak Sundar Muni Singh training ke liye Govendpur jayga. Yadi ap Nakti men November aur December men kam nahin karenge to ap ke talab nahin milega kyonki kisi dusre ke wahan tathal ke liye rakhna hi hega aur uske talab dona hega.

Ap ki chithi ke amasar main sechta hun ki ap ne apna pariwar Kulbura pahuncha diye aur ap bhi wahin rah gaye jiska ddress mujhe malum nahin hai isliye Padri Soy ke 'care of' men bhej raha hun, saed we ap ka bartman address jante henge.

Dear Brother Kloss,
I was waiting for the driver's return. He has just come to me. I have to arrive in Calcutta tomorrow morning and to leave the same by evening tomorrow itself. I wish to catch the train at Chaibassa and to come back to the same place. On the way today and on the return journey I want to visit Tenda of Nalhi and Sivi Kaha where there are some troubles. If you agree I shall go by jeep from here to Chaibassa. I'll have time today and the whole of Monday to do my work. So I want to start from here at noon and return on Monday by about 8 pm.

Ref: No.LCR/RP/044

Dated 29th August 1964

From :- S.J.HORO,
Qtr.No.C-144, Sector-14,
P.O.- Rourkela-3(Orissa).

To : Rev. H. Kloss,
Chairman, Joint Mission Board,
G.E.L.Church Compound, RANCHI.

Subject :- Rev. P.C.Minz - Transfer thereof.

Respected Sir,

We have been given to understand by the Orissa Anchal that Rev.P.C.Minz has been transferred from Rourkela to Chaibasa with effect from 16th March, 1964 and accordingly Anchal has posted Rev.Lukas Tete in his place as a substitute. Rev. L.Tete has resumed his duty on 16.6.64 at Rourkela.

But we extremely regret to inform you that Rev.P.C.Minz is still at Rourkela. Hence it appears from this that Rev. P.C.Minz is fully determined to stay for ever at Rourkela. We very much regret to note also that such few pastors of G.E.L.Church do realize the responsibility of their services, but claim to be independent ruler of a dominion which causes great thrust in the true religious faith and love among the mass. Such nature of opportunist ruins the church for their personal interest.

Rev.P.C.Minz has already lost his weight of reputation and public confidence for the following reasons :-

- (a) Rev.P.C.Minz since very beginning is a strong blind sporter of North Zone. He was working under Joint Mission Board only because of his better remuneration. Confidently we presume ~~(a)~~ that he will now very soon declare himself as a Pastor of North Zone. He is the person responsible to cause groupism at Rourkela.
- (b) He is a man of boasting ~~nature~~ and cruel nature and his behaviour towards the lay leaders has generally been rude and rough.
- (c) He has always been partial in his dealings. Rev. P.C.Minz was very particular to recover Rs.7.00(Rupees seven) from a Munda brother but ever neglected and suppressed Rs.248.00 and Rs.300.00 misappropriated by two Oraon brotheren viz. Mr. Sohan Tigga and Mr. Patras Lakra respectively. We formed the six-man Commission including Rev.P.C.Minz to approach Mr. Sohan Tigga on 6.10.62 for recovery of misappropriated amount & on easy instalments, but regret to say that Rev.Minz instead of helping the recovery of the said misappropriated amount, insulted and behaved the Committee Members with his abusive languages which were quite intolerable from the human point of view.
- (d) In order to safeguard Mr. Sohan Tigga, Rev.P.C.Minz suspended and desolved the constitutionally formed Committee and appointed his ditto committee.
- (e) Rev.P.C.Minz made every possible unhealthy propaganda against Rev. C.B. Aind and few of the leading lay volunteers, the reaction of which made Rev.Minz of no where at Rourkela.
- (f) Rev. Minz without having the consent of Parish Committee took over all the cash together with the cash records from the ~~Treasurers~~ Treasurers which we believe has since been misappropriated by him.

We have reported all the facts and figures relating to this to the Adhyaksha, Orissa Anchal and hope the same would have been intimated to you in due time. The matter in question was also reported to Rev. J.J.P. Tigga, Director on 8.2.1963, but no proper action was taken probably because of the fact that Rev. P.C.Minz ~~is~~ is the nephew of Rev. J.J.P. Tigga.

We learnt that Rev. P.C.Minz recently has sent to you four of his representatives, i.e. M/S P.P.Kerketta, K.M.Kujur, Z.Ekka and P.M. Minz to speak in his favour regarding his stay at Rourkela. I met the above named representatives of Rev. Minz and discussed the matter and came to the conclusion that they are still unaware of the fact that they are being cunningly misguided for the North Zone. Further it is understood that they have requested you for deputing a commission for the settlement ~~of~~ of our dispute. In this connexion, I beg to point out that so far three Commissions deputed by K.S.S. on 13.5.1962, 7.6.1963 and from 20 th Oct '63 to 24th Oct. '63 came to finalise the dispute of Rourkela in particular and of Orissa Anchal in general, but no fruitful purpose could be served except creating only hot exchange of words. As such we feel no necessity of any other commission for the purpose, but to allow the fire of differences and groupism to extinguish ~~itself~~ by its own efforts.

We hope, under the circumstances cited above, a time will come when we all ourselves unit together under one banner of Gossner Church. We presume that sooner Rev. P.C.Minz is leaving Rourkela for Chaibasa, better it is for the Church.

In conclusion we would like to pray your goodself to kindly take early necessary action in the matter and see that Rev. Minz is called for without further delay.

Hoping to be excused for the mistakes, if any.

Yours faithfully,

(S.J. HORO)

Dear Bro: Bloss,

I am sorry I was not given a receipt for Rs 100/- but the same will be given to me when I go next because the following day being Independence Day all people in the court were very busy. I am not quite fit today physically. Hence I am not going out. I shall try to see within the next two days and I shall give you Rs 100/- because I know you

will insist on submission of a voucher which
I am at present unable to do for reasons
given above.

We have been doing our work among the people of the village regularly in the form of make contacts and creating friendship and mutual confidence. Prachrak Luras Hansda has started to teach two children who are coming to him. In spite of long disturbance the people are still friendly and ready to listen. As soon as the rains are over I propose to begin direct preaching.

During this long span of time some of the materials are damaged but most of them are in good condition.

We have cultivated portion of the paddy land ourselves and a portion of it we have given on share-basis to a neighbour who is a third party (not any of those who have sold ~~the property~~ the property to us).

It is really worth seeing and I do invite the members of the Board to make time and visit the place. In the eye of all law courts the property is now rightly and properly the possession of the G.E.L. Church and all concerned are invited to see and consider how to make the best use of the property.

As far as the evangelistic work is concerned the two pracharaks are not to be left all by themselves. It is most urgent that a ~~pastor~~ pastor should be appointed to replace Rev. P.C. Minz as soon as possible in order that the desired end may be accomplished.

Note : The registered deed is still in the court. I have applied for return of the same.

Dear brother Minj,

Recently I have come back from Germany and have been charged with the old work in the board again. I received one or two letters before I went one year ago from you. One thing is clear, we have to speak orally. At present please accept only this information, that I have no doubt in the faithfulness of your work and I have never said a word in this direction. Please don't believe rumours of others out of your congregation and think about me only that what I am saying myself. Unfortunately I had to be absent for one year so that I could not deal with the difficulties you had at Rourkela. So I would like very much to have a talk with you. This can be at Khuntitoli on 23rd. Please come there on this very day. I am going to stay there for one or two days. You will get the travel expenses refunded by me. There will be also a J.M.B. meeting. But the main thing is this that we have our private talk. So please don't fail to come in time on 23rd

Dear Brother Bloss,
Yesterday I was waiting for
the driver to come back and tell
me about the situation re: the jeep.
He came very late & so I did not
go to you. I am hoping to leave
for Champua today at about 11 am
after my lunch because there is
no certainty on the way to get food.
If you please, send me Rs 100/- as the
amount mentioned in the letter from
Champua. I may not have time to
see you before I go. I shall certainly
come & meet you on my return.

I understand that the driver
will be responsible for all
necessary expenses in jeep on the
journey. Yours truly

Dear Rev. Teppe,

I am indeed very thankful to you for your kind letter welcoming me for evangelistic work in Kekar, its surroundings and in other parts of your area. According to the policy & practice of the Joint Mission Board I am very happy to arrange for evangelistic programmes in your area in consultation with the local authorities under you. I have already had one day programme here at Khorhaty, Kekar in which one of your Pathalkhudwa pastors, some panches and a few ladies from Pathalkhudwa Parish took part.

After we met last time I met Rev. Obed Teppe and Pracharak Basant Lakra and had a talk with them in this connection. I had also a talk with Cand. Suresh Teppe. They are all very keen on the matter and I hope we shall have, by God's grace, effective programmes. As you have stated in your letter, they also expressed that members of the congregation, men and women, will co-operate with us. This I already saw when I organised the first evangelistic programme here.

As you know I have a very big area to cover in other parts of our Church jurisdiction, namely, in Bihar, Orissa and West Bengal, I shall be able to undertake such programmes in your area only occasionally. I shall try my best to fix dates & places in consultation with your pastors and always well in advance of time so that willing people may be able to join us. At times, and that mostly, only few people will form teams because that method is now more suitable.

I remember with gratitude to God most successful work you are doing along with your people in various parts of your area. May God bless us in all that we undertake in His name and for His glory.

With Yishusday and best wishes,

Since Halau Topanos ^{presence} is required at Natchi today by Bacharal Johan Surin. Hence he is going there now. He will come back tomorrow. There is a case of immoral behaviour of one of our members. Halau was looking after the congregation for some time during the period of S. Borra's suspension. Therefore Halau's presence in the act of making the man properly explained will be needed. I am asking him to go.

Rev. H. Kloss.

आप को मेरा प्रीशुसहाय।

महाशय, मेरे आपको खत देने की अभिप्राय यह है, कि, जगनाथपुर का गिर्जा घर ओ प्रचारक डेरा, जो एक ही में बनाया गया है, गिर रहा है। विशेष कर के लकड़ी सब टूट फूट हो जाने के कारण खपरा सब गिर रहा है। खूटा नहीं दिया हुआ है, दिवाल ही में पाइर सब रखा हुआ है। सो अब दिवाल बरसात के कारण टाल रहा है। सारा घर गिरने पर है। यहां बहुत कम संख्या में खूस्तान हैं, असल में ३ घर हैं। सो अपने से मरम्मत नहीं कर सकते हैं। क्योंकि यहां लकड़ी भी नहीं मिलती है, दूसरे जगह से लाना पड़ता है। खर्च के बिना कठिन है। जोइन्ट मिशन बोर्ड के डाइरेक्टर साहेब को कई बार मैंने जनाया। अब मैं आप के ऊपर आरोप रख कर आप को जनाया हूँ ओ अर्ज करता हूँ। कारण कि आप जोइन्ट बोर्ड के खजांची और मेम्बर भी हैं। सो आप जरूर इस घर को मरम्मत करने के लिये चिन्ता करें (सुप्रबन्ध करें) और घर और न मरम्मत कि प्रा जाय। जिस्ते गिर न जाय। कारण कि, यहां मिशन काम के लिए बहुत सुविधा जगह है। भास पास में चारों ओर बिशेष करके आदिवासी हैं। जिन के यहां काम करना है। अगर घर गिर जाय तो मैं था दूसरे प्रचारक कैसे रहेंगे। सो आप इस के लिये उचित विचार करके घर मरम्मत करने की फौरन उपाय दिखाइये। अर्थात् रुपैया दीजिये। आज कल लकड़ी और सब का धाम बढ़ गया, आप को भी मालूम है सो लगभग ३०० रु. तीन सौ रुपैया तक खर्च लगेगा सो आप को मालूम होवे। मैं आज कल भय के साथ इस घर में रहता हूँ कारण कि, लकड़ी सब सड़ गया है, गिर जाने का डर है। सो आप को मालूम होवे। आप का विश्वास-

Dear Rev. Wlass,

Before you here came I already
sent a letter to you re. my decision
not to take the jeep for this trip. You
are suspecting me too much. Hence
this wrong idea of my planning to
take the jeep to Nagpur.

2) I cannot give the aims + purposes
of my tours always. I am in charge
of the J.M.B. field and I cannot
specify the aims + purposes of each
tour. Besides, the K.S.S. + the J.M.B.
are aware of my work because it
is laid down in the duties assigned
to me by the Church through the J.M.B.
Please ask, if you like, Mr. H. Labra
to do all matters relating to property
constructions + do not make me with
another - The two types of works are
quite different. Mr. H. Labra can

C. E. I. CHURCH

do his work independent of me and
I can do my work independent
of him. My work is pastoral super-
vision + evangelistic - why should
I meddle with the work of the
Proseby Board?

3) Thanks for your sincere
making Mr. H. Labrie
misunderstand
clear. of course
you can send him to
Champna by jeep
without me because
his work is different from
mine. The documents are
all in the court at Champna.
He can find them there. I shall

29.6.64

Dear brother Minj,

I was very sad to receive your letter dated 27.6.64. The language you assume is so impossible and so much like your letter about your Adhyaksh addressed to Rev. J. J. P. Tiga some time ago, that at this moment it is useless to go into details, specially as I have told you everything orally when you had been with me.

1) I have only to repeat that it is not and has never been the possibility and the task of the J.M.B. to work in a place where there is a divided congregation, whatever the merits of the legal congregation (having been working under the JMB) may be. This is the wish of the Church and also of the Gossner Mission. You will remember that on his last visit Dr. Berg decided not to visit Rourkela on account of the situation although in other respect he would have liked to do it so much. Our heart throbs when we hear about the congregation at Rourkela but when such a situation arises (-which was not in the township when we took charge of the work on the request of the Church-) it is the turn of the autonomous Church to deal with the matter.

2) I am very much concerned about your attitude specially with regard to you yourself. In the end of your letter you mention something about your possible joining a seceding group. I remind you of the pledge of the Gossner Church () and also of that, if you dispose of money and property (furniture) that is not at your or anyone's disposal but belongs to the Church, you become involved into something the name of which I do not like to express. -Brother Minj, don't commit yourself to something which will throw you into great trouble. He who goes against the Church goes against himself! To obey the orders of the Church means to obey your Lord, because he wants his body to be one and his father is not a God of disorder but of peace!

I have nothing to say any more at this moment
and remember you in my prayers

27.6.64.

The secretary,
J. M. B.

Dear Sir,

I thank you very much for your letter of the 13th. instant. I expected it earlier since we visited you on 2.6.64. I wonder about this as you told us you might have begun to write this the following day on 3.6.64 and it took few days time to complete this short letter.

1. To some extent the statement about the withdrawal of the J. M. B. from Rowkeela is quite ~~correct~~. I agree to you. I have already given a long statement about the inner creases of disturbances in my letter addressed to the Director J. M. B. dt. 15.4.64 which you have completely set aside. Now it is up to you to pay attention to or to turn deaf ear to, whom to place our grievances to be redressed ~~but~~ you the authorities? you may not like to hear it neither it is fair on our parts to speak against the authorities but we write what we see their work here.
2. I know well that several well attempts were made and a big amount of money was also spent by the well wishers of the Church from home and abroad to restore peace in Rowkeela but all in vain. In all ~~attempts~~ attempts you being the missionary kept yourself aloof in last six years. Now it is your turn to make all possible attempts to bring an end of the inner disturbances and establish a parish centre at Rowkeela. It has been very discouraging on our parts

neither you ever come to the spot to study the situation well nor you heard us patiently whenever we approached you personally with much expenses. At all times you showed yourself to be prejudiced minded.

3. I am very frank to say that we do not have any selfish motive by praying the S.M. B. work at Rourkela. At present the Orissa Anchal is not at all prepared to take up the great task of Rourkela as it stands now. Its inner disturbances are still now in full swing whereas the other Anchals have come to normal. It has already refused God's grace. And now it is beyond hope to restore peace within the Anchal by itself.

4. a) The posting of Rev. Lucas Tete at RKL. is not from the whole hearted Orissa Anchal. It is just a show to all. Rev. C.C. Mirza has already been posted at Rourkela by Rourkela State probably in March or April last.

b) You showed us on 2.6.64 the minutes of the recent meeting of the S.M.B. meeting held at Khulibily on 24.5.64. Resolved that Rev. Lucas Tete had been posted by Orissa Anchal in my place. When he was already a Reverend what was the necessity to reordain him on 14.6.64 at Ranchi?

c) I am very sorry to learn about the installation service of Rev. Lucas Tete which was conducted by the Adhyaksh Orissa Anchal on 21.6.64 in a private quarters No C/123, sector 17. By God's grace we Lutherans have got landed property where churches are standing ^{in some houses} and regular Sunday services are conducted. I fail to understand why Rev. Pind being an Adhyaksh have been conducting such God given places and conducting services in private quarters?

4) None of the legally organized congregations in Rourkela were duly informed by him to attend that services. I am enclosing a copy of the Correspondence submitted to Pastor Seeborg who visited us on 12.12.62 for your ready reference of the legally organized congregations and the Parish Centre of R.K.L.

5. a) I am glad to report you along with a copy of the Deed of Trust that the land where I was formally residing in Reinhard Colony Rourkela-1 has been donated to our church by the land owner. This land is situated almost in the heart of the notified area. I have already talked at length with honorable Dr. E. Puri to establish a Parish centre and build other necessary quarters there. Now this land has to be registered in the local Registration office and get necessary permission of the authorities concerned to construct buildings there. Correspondences are in progress now.

b) just on 25.6.64 I have applied to for allotment of a Cemetery Ground for Christian Community in Rourkela-1. We have already occupied it. It is an area of over 2 acres. By God's grace I am sure to gain to all.

In spite of our requests if you do not listen to us the incomplete works and the place will compell me to join the seceding group of the Group Church submitting resignation from the J.M.B. which I did not like at all up till now. Thus the question of handing over changes of furniture and money do not arise. I will stay at Rourkela and things will be required by me. Let the Archdeacon provide with furniture to the new pastor and show its potentiality. Do you think the

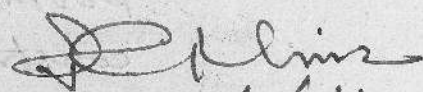

the furnitures and money are ^{much} more valuable than the souls.

Although I have written you a long letter blaming you also I have much honour and gratefulness in my heart to you for giving us good services and help to us since you have come to amidst us.

I ~~am~~ ^{may} ~~also~~ ^{also} write ^{separately} to Pastor Seeberg with a request to give his valuable advice to you because he has visited Rourkela and preferred the site for its Parish centre at Rly. Colony Rourkela - on 12.12.62 that the J.M.B. must not persist only.
with best regards to you.

Yours truly,

पात्री लुकश तोपनो, चाईबासा—यह सौभाग्य की बात है कि ईश्वर का राज्य फैलाने के लिए चम्पुवा में गिरजे और मिशन की स्थापना हो रही है। किन्तु हमें इसके लिए तन-मन-धन से काम करना है। हमारा स्वभाव ऐसा है कि थोड़ा काम करके अधिक फल की आशा रखते हैं। अधिक फल तो तभी मिलेगा जब काम अधिक करेंगे। अतएव पूरे दिल से आरम्भ किए हुए काम को आगे बढ़ाएँ। हमारे काम में ईश्वर का मो हाथ है। लेकिन काम तो हमें ही करना है। तभी उसमें उसकी ओर से बरकत मिलेगी।

आपने निश्चय अथवा दूर से आए हुए भाई-बहनों के लिए धन्यवाद ज्ञापन किया। इतनी वक्तृताओं के बाद राँची दल ने फिर अपना गाना, 'देखो आज जो जन्म दिन आया...' गाकर सभी को हर्षित किया। समाप्ति-अन्व में पात्री जे० जे० पी० तीगा की अगुवाई में आखिरी प्रार्थना हुई। उसके बाद जमायत दो बजे अपराह्न में विसर्जित हुई।

यह जोड़ देना हम आवश्यक समझते हैं कि इस पुनीत अवसर को सफल बनाने में चाईबासा का महत्वपूर्ण हाथ रहा। पात्री लुकश तोपनो, श्री याकूब सोय, शिक्षक, श्री मनसिद्ध मूँड, शिक्षक आदि के अथक परिश्रम से शमियाना, दरी, कुर्सी वगैरह का प्रबन्ध हुआ था। लुथेरान बालक छात्रावास के छात्रों ने दिल खोल कर स्वयंसेवक का कार्य किया। इन्हीं लोगोंने वहाँ फाटक बनाया, स्थान को फूलों से सजाया, शमियाना खड़ा किया और अन्य कार्यों को किया। अतएव वे धन्यवाद के पात्र हैं।

ईश्वर चम्पुवा के काम को आप ही संभालें।

GREETINGS

TO

Pastor & Mrs. Martin Seeberg,

On the occasion of their visit to Rourkela on 12.12.1962.
Our most beloved guests,

On the gracious occasion of your generous visit to our humble place, we the members of the G. E. L. Church at Rourkela and in Rourkela Parish most respectfully offer you our hearty welcome amidst us.

We have had the fellowship with the members and representatives of the Mother church in Germany on several previous occasions which has kept us alive in our mutual relationship and Christian love, here at Rourkela. To day your gracious presence, remains us of the ardent love and care which the Christian brethren in Germany have for us.

Please permit us to let you have a small picture of the G. E. L. Church in Rourkela. At present Rourkela is under the management of the Joint Mission Board, an organisation of the G. E. L. church in which the Gossner Mission Society in Germany plays a vital part in the church activities for spreading the Gospel of our Saviour Jesus Christ among the heathens and to preserve the Christian spirit in the industrial centres in this country. Our present Pastor Rev. P. C. Minz sent by the Joint Mission Board started his Pastoral work at Rourkela on the 17th May 1958, and since then, it may not be out of place to say that, he has met many arduous events still then he has exerted himself to his best ability to organise the scattered Christian souls pouring from different parts of the country into worshipping groups.

As it stands now, Rourkela Parish consists of altogether nine congregations, Viz, Railway colony Rourkela, Mahulpali, Panposh, Tanger-

18 pali, Jalda, Jhirpani, Railway colony Bondamunda, Ressettlement colony at Bondamunda, and Purnapani (New Township). Three of these congregations, Railway colony Rourkela has been considered at present to be the Parish centre of Rourkela. C. Seeth

The Parish covers an area of 56 sq. miles. It has nearly 700 Baptised and 400 Confirmed members who are taken care of by one Pastor and 18 volunteer lay preachers amongst whom one is a lady. Communially and linguistically speaking it includes Mundas, Oraons, Kharias, Hos, Oriyas and Telugus.

This Parish is mainly entrusted with diaspora work. Most of the congregations include members of other churches also, e, g, Anglicans, Baptists, Methodists and Andhra Evangelical Lutherans who have been regularly attending church services. Pastoral care is given to these members also.

Concerning our church activities, we have to state that our church services are held mostly in open places, under trees and private quarters; and this way Evangelistic witness is given indirectly. So far nearly 15 non-Christians have accepted Christianity, of whom some are Mundas, some are Oraons and others are Telugus. Besides this, Sunday school for children, weekly meetings of Bible study for adults are conducted in various places. There is a small circulating Library for the benefit of those who want Christian literature. Frequently Christian tracts and bulletins are distributed for private study and devotions.

We have nine centres for the nine congregations but there is no proper church building anywhere. Two are under construction by the free gift of the Lutheran Word Federation. We are thankful to the Lutheran World Federation and the Gossner Mission Society for all the help given to us in many different ways. We take this opportunity to convey our hearty thanks to Rev. Dr. & Mrs. Peusch for giving us untiring help and guidance in our works, particularly in the construction of the chapels at Jalda and Jhirpani. It is not

out of place to say that a sum of Rs. 22,000/- was also sanctioned by the Lutheran World Federation for construction of a chapel in new township. But we regret to say that due to some unfavourable circumstances we have not yet been able to take advantage of it.

Further more, before the construction of this new township, there was for about a century an old Lutheran church at Purnapani (New township) which was bulldozed in 1958. But thanks to God that He made it possible in 1959 to erect a chapel (Hut) at that same place and church services are conducted regularly.

The parish committee is seriously taking steps to establish the scattered groups into a peaceful body always cherishing to have a Church compound with a chapel, Pastor's quarters and a cemetery ground and we are always praying to the Almighty to this end. In a place like Rourkela there is plenty of scope for developing a Christian Reading Room, a Social Centre, a well organised Evangelistic Team of laymen and women. Necessity of modern methods of Audio-visual Aids for Sunday schools and Evangelistic programmes are becoming greater and greater.

While concluding, we humbly convey to our friends in Germany through you, and give you hearty thanks for your Christian love and sympathy and pray that the Almighty may grant you His grace to serve Him and in Him here at Rourkela and everywhere you go now and always. We are unable to express in words our happiness in receiving Mrs. Seeberg amidst us and wish her also the richest blessings of the Heavenly Father. We wish you success at every step in your mission for the Glory of Our Saviour Jesus Christ.

Rourkela
The 12th December 1962.

Y I S H U S A H A Y;
Yours in the Lord,
Rourkela Parish.

सुसंवाद

राउरकेला पेरिस के लूथेरान मसीही भाई-बहनों को यीशु सहाय ।

यहोवा परमेश्वर की ओर से मेरे पास आया यह सुसंवाद मैं आप सभी को पेश करता हूँ ।

“तू जाकर उत्तर दिशा में ये बातें प्रचार कर यहोवा की यह बाणी है, हे भटकने वाली इस्त्राएल लौट आ, मैं तुझ पर क्रोध को दृष्टि न करूंगा, क्योंकि यहोवा की यह बाणी है, मैं करुणामय हूँ, मैं सर्वदा क्रोध न रखे रहूंगा । केवल अपना यह अधर्म मान ले कि तू अपने परमेश्वर यहोवा से फिर गयी और सब हरे पेड़ों के तले इधर उधर दूसरों के पास गयी, और मेरी बातों को नहीं माना, यहोवा की यह बाणी है ।”

“हे भटकने वाले लडको लौट आओ क्योंकि मैं तुम्हारा स्वामी हूँ । यहोवा की यह बाणी है । तुम्हारे प्रत्येक नगर पीछे एक, और प्रत्येक कुल पीछे दो को लेकर मैं सियोन में पहुँचा दूंगा । और मैं तुम्हें अपने मन के अनुकूल चरवाहे दूंगा, जो ज्ञान और बुद्धि से चराएंगे । उन दिनों में जब तुम इस देश में बढ़ो और फूलो फलो तब लोग फिर ऐसा न कहेंगे, ‘यहोवा की बाचा का सन्दुक’; यहोवा की यह भी बाणी है । उसका विचार भी उनके मन में न आएगा, न लोग उसके न रहने से चिन्ता करेंगे; और न उसकी मरम्मत होगी । उस समय यीरुवालीम यहोवा का सिंहासन कहलाएगा, और सब जातियाँ उसी यीरुवालीम में मेरे नाम के निमित्त इकट्ठी हुआ करेगी । और वे फिर अपने बुरे मन के हठ पर न चलेगी । उन दिनों में यहूदा का घराना इस्त्राएल के घराने के साथ चलेगा और वे दोनों मिल कर उत्तर के देश से इस देश में आएंगे जिसे मैं ने उनके पूर्वजों को निज भाग करके दिया था । मैं ने सोचा था, मैं कैसे तुम्हें लडकों में गिन कर यह मनभावना देश दूँ जो सब जातियों के देशों का धिरोमणी है । और मैं ने सोचा कि तू मुझे पिता कहेगी, और मुझ से फिर न भटकेगी । इस में तो सन्देह नहीं कि जैसे बिस्वासघाती स्त्री अपने प्रिय से मन फेर लेती है, वैसे ही हे इस्त्राएल के घराने, तू मुझ से फिर गया है यहोवा की यही बाणी है ।” ॥ विर्ममाह ३: १२-२०

धन्यवाद हो यहोवा परमेश्वर का जिसने मुझे यह सुसंवाद दिया और धन्य है आप जो यह सुसंवाद पाते और मानते हैं ।

Extract from the Resolutions of the Joint Mission Board
Meeting at Khuntitoli, May 24th 1964

Statement about the withdrawal from Rourkela (see last
Minutes No.1 c)....

- 9) a) To assist the Church in an industrial congregation and in industrial evangelism a pastor had been posted at the township of Rourkela since 1958 by the board in order to prepare the establishment of a new parish centre for the new township of R. by the Church. Rev. P.C. Minz devoted his service not only to the Gossner christians but also to other denominations attending his services.
- b) It is however regretted to state that due to the inner disturbances of the Church this congregation is among those that were mostly affected. Although high amounts of money not only from the Board's side but also from the side of the LWF were being kept ready for several years this money could not be utilised for the building of a proper centre for such an important, outstanding place due to the reasons mentioned. Therefore the board has decided in its last meeting to withdraw the pastor from Rourkela praying that by the help of God the Anchal authorities may be able to restore peace and bring new activities to this highly important place.
-
- 10) c) With regard to the furniture supplied by the JMB for the future Rourkela Parish Centre it is decided to hand it over to the successor of Rev. Minz, appointed by the Anchal. For this purpose Rev. P.C. Minz is requested to prepare a proper list and to obtain the signature of the successor.
- d) With regard to the income of the Rourkela Congregation Rev. P.C. Minz is ordered to hand the amount over to the treasurer of the Anchal who is asked to keep it in custody. The money will be used for the Rourkela Congregation only.

Dear Brother Bloss,
Recd your note. Thanks.
I am going out now. If you
have decided not to pay
my salary until you see
my accounts, I have no
word to say. I must go
out without it. I am
more anxious to go now
on my tour. The few days
I was here this time I had
to take care of my wife
and to do some office work
and also to recover a little

from tiresomeness. Hence
I could not come to you
in the midst of all these.
I am glad you have given
the driver's salary to Rev. Jay.
If I am favoured with
a copy of the decisions of
the last meeting, I shall be
grateful and I shall be saved
from making mistakes.

With regards,

on account of the
intended North India
Luth. Conference I have had
to change the date for Simlipahar
so that I shall return either on
the 7th or 8th inst. Then I have to
go out again on the 10th. I may
not find time to make my afs
up to date for your purpose. So
you think it as worthwhile full
meeting you on the 9th the only day
when I stay to be here & I don't want to cancel
any of my tours planned already, a copy of which
has been sent to you.

You are allowed fifteen days from the date of the receipt of this letter to take full charge of the Kanjhar district Evangelistic work with Chaibassa as your headquarters. Please note that this is grace that is being given to you and within these fifteen days you must obey the orders of the J.M.B. without any excuses or conditions. If you don't obey the order the authorities make it clear to you that you have to bear your consequences.

Dear brother Tija,

This morning a letter from you, dated 14th (?!) was received by my cook. From this I learn that you did not go yesterday. The letter to Dr. Jungheer cannot suffer delay. So kindly hand it over to Simon who is going to forward it immediately.

Moreover if you want to go to Dr. Jungheer on account of the Crampna-money I think this is not necessary. He is going to hand over everything regarding finance to me as he was the acting treasurer. The

He wrote to me a letter which I received today although it was written on 1.5.64. Had I received it earlier I would have had different plans. I hope by this time you are settled down well. Dear Brother Bage,

New that Rev. Minz has refused to go to Chaibassa to be in charge of the work in Keenjhar district we have to consider as to who should be sent there. It cannot be left vacant. Some one must go to take the place. Work has to be done with the greatest amount of vigour to spread the Gospel in that area. The land matter is soon expected to be settled and our construction will be completed as soon as that matter is settled. When I went last time I found that the matter was almost ready for mutation of the land in favour of the GELC. Our occupation and possession of the land and also a hut is without dispute. We have to send some one as soon as possible. Rev. P.C. Minz has written in his letter that he wanted to be in charge of both Rourkela and Keenjhar district. In other words he did not, literally speaking, say that he did not want to work in Keenjhar. According to the order, however, he had to go to Chaibassa and to be in charge of Keenjhar. This he has failed to comply with in the way the J.M.B. wanted. Hence he has been informed that his payment from 1st. May is stopped. Now it is for the J.M.B. to wait for any further correspondence from him or not. If the J.M.B. wants to give any time I would like to be informed and also other matters connected with the same. I would be quite willing to wait for 15 days from the time he gets my letter of today. He must obey the order unconditionally or he must see his own way. An immediate reply will be appreciated. Are you prepared to give him a fortnight's time? If, not would you be so kind as to decide about the person who should be sent there.

Dear Brother Bage,

Thanks for your letter dated the 14th. May received just now through Daud mali.

As I wrote to you yesterday I am going to Khuntily today as I have to discuss some urgent matter with Dr. Junghans in connection with our financial arrangements and also to draw my bills. I was expecting him here yesterday or today but now I learn your letters received yesterday and today that Dr. Junghans is not coming this week. In the letter which he sent me, written on 1.5.64 and received yesterday, he wrote to me that the J.M.B. would meet after the 16th. Hence there is no hope of his coming now. I have also to talk with him about the "owner book" for the jeep. He had intended to go with me to Rourkela in the last week of the last month for this purpose. That could not be done. I want to fix a date with him for this matter also. This is also most urgent. Fortunately I have been able to pay the road tax and I am going about on this strength but I must have the owner book. Without the owner book, as I have been told, no more tax will be received from me for this jeep. Tax has been paid for till the end of June 64, and without the owner book the jeep will become useless. Dr. Junghans hopes that if we go to Rourkela, we may be able to obtain the owner book or its duplicate.

This was based on the information you sent to me through brother Schwerk. However, according to the talk I had with brother Tompforde I doubt whether you would be able to come. You have mentioned in your letter to brother Tiga that the J.M.B. would meet sometimes after 17th as he mentions.

Will you please make it possible that you are also present for the meeting on that day. ~~?~~

Dear friends,

Since the last communal disturbance in the country our work has been affected badly in many areas. My main purpose at these Bible classes will be to re-establish the Pastors and Pracharaks in preaching the Gospel even in the present situation and with greater emphasis and to the point. Uncertainty and fear still lurks in the minds of many. Your prayers are solicited. I have chosen Chapter 10 of the First Epistle of St. Paul to the Corinthians as the main text for our study. If you can join us at any or all of these places you are welcome.

To the
Chairman of the J.M.B.
Rev. Dr. Bage
Pramukh Adhyaksh

Ranchi / Bihar

Subject: Clearing up of finances in the J.M.B.

Dear Brother Bage,

I am sorry that I have to take up a matter again which has been going on for some months and which I have to get clarified now. On 26 September 1963 Pastor Seeberg had to write to brother Thiel as the acting treasurer of the JMB:

"Von den nicht erledigten Bauvorhaben in Champua hat Direktor Tiga noch einen unverbrauchten Betrag in den Händen, über den er bisher nicht abgerechnet hat. Ich bitte herzlich, die Höhe dieses Betrages feststellen zu wollen und dann Direktor Tiga diesen Betrag von seinen nächsten Gehaltszahlungen abzuziehen."

Brother Junghans as secretary of the J.M.B. is now forced to inform us that this amount has neither been proved as being spent for our purposes nor has it been reimbursed. The sum amounts to 1250,64 Rs. For the sake of the responsibility for the mission money, we have now to insist on obtaining the necessary prove that the money is spent or a reimbursement. If need be, the amount has to be deducted in rates from director Tiga's money (salary) until the end of this year. This might be done in connection with the earnings of his daughter who is employed at the school in Khuntitoli. I have to authorize the acting brothers, Dr. Junghans and Rev. Kloss, to do this after their personal efforts to obtain a clarification from director Tiga in this matter have obviously been of no success, too.

It has to be expected from such a highly placed person in the Gossner Church such as Rev. Tiga that he is doing everything to clear up this financial matter. Only on these premises can we agree to his coming to Germany. We as well as Rev. Tiga could not enjoy the brotherly fellowship and the service for the congregations which give offerings to the mission work for the Gossner Church, if this matter is not cleared up.

I am sorry to have to write this letter. You will, however, understand that there was no other choice for us if we are not to capitulate to the devil of corruption.

There is another small matter:

The pay scale for the director of the J.M.B. has to be fixed because Rev. Tiga expects an additional payment for 1963. After having studied the matter closely, I have given my consent that the J.M.B. should take over the pay scale which will be suggested by the KSS. As you will remember, I have taken the same view in the case of the payment of the director of the Central Meeting Place.

With brotherly greetings,
Yours,

Dear Sirs,

1. May I request you to kindly let me have the decisions of the last meeting of the Joint Mission Board held on the 14th. Feb. 1964. Some cases of salaries and allowances are pending payment for 1963. These cases have been decided at the last meeting and hence they are to take retrospective effect from Jan. 63. According to the advice of Dr. Berg we have to get these matters cleared up as soon as possible. These payments for 1963 are to be from special funds to be granted by the Kuratorium. On the strength of the decisions of the last Board meeting I shall submit bills which are outstanding for 1963. *the following*

2. I have taken action on urgent matters which you are requested to kindly approve :

a. Bill for January and February, 1964 I have instructed Rev. Soy to prepare bills according to the salaries and allowances fixed for the employees on 14.2.64 as I remembered. When he submitted the bills for the same I passed them for payment. Rev. Soy told me that he got the payment from Dr. Junghans accordingly. I thank Dr. Junghans for the same.

b. Transfer of Revd. P.C. Minz and Rev. J. Soy (residence) I have ordered Rev. Minz to go to Chaibassa and occupy the eastern half of the Chaibassa bungalow and Rev. J. Soy to take the western half of the same. I have told Rev. Minz to be in charge of evangelistic work in Keonjhar district with Chaibassa as his outpost and to take care of Jagnathpur and Hathgambharia which fall on his way. Formerly these two centres were in charge of the J.M.B. Pastor who used to be in Gua.

3. Further I have to state that Within March, April & May we have to get the houses constructed as provided in the budget. I shall be grateful to the Board if the grants for the construction/houses are given to me immediately, at least half of the same so that work may be started and continued in all the places simultaneously.
