Dear Sir,

As per account submitted to us the RCP is shown owing
Rs 4,294.00.

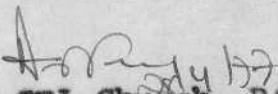

Actually the RCP owes 3,294.00 from your account.

Rent from New Delhi Furnishers (SARDAR TARA SINGH) which
the Head Accountant, KSS has received for 3 years amounts to
Rs 3,636.00 (at the rate of Rs 1,212.00 per annum) which money
actually belongs to RCP.

Hence it is clear from our account that K.S.S. has to
refund to RCP Rs 3,636.00 - Rs 3,294.00 and hence Rs 342.00 if
our account is right.

Hence it is clear that the RCP owes nothing to K.S.S.

Yours faithfully,

for RCP, GEL Church, RANCHI.

Khutitoli, Ranchi.

Dear Mr. Lakra,

Please excuse me for addressing you personally in person.

Please refer to from RCP ref. No. BPR/33/62/RC-76 dt. 10th May '76 in which you have been requested to vacate and handover the rooms occupied by you when you were Education Officer. The time limit was 30th May '76, now another 30th day is nearing but you have kept silence. Actually you should have vacated the rooms long ago i.e. 16th August 1975 when your term of Education Officer ceased and you joined the Headmastership in Khutitoli High School.

Please vacate the rooms and handover the same to the RCP so that time to time repair, cleaning etc. be done to that part also.

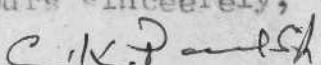

I am planning to make new arrangement for the Education Departt. For the time being the department shall be kept in suspense, however the work shall be continued by the School Supervisors of each Anchal. For the Central Educational institutions I shall make some Ad-hoc arrangements. Therefore you are requested to handover the charge of Education Officer to the undersigned. The Government Departt. and the church authorities shall be informed with this effect. Please therefore handover the charge sooner the better.

At this point may I refer to my earlier letters too in regard with GELC Press matters, I had requested you as Secretary of the M/C to give explanations as to how the vehicles of the press have been sold by you. Similarly I also directed you to give explanations as to how lease of two plots of land have been given as they have already occupied the plots, one was even encroaching the area of the entry gate. But till now you have kept silence. There were other matters too which were to be clarified. But it is a matter of great regret that you are keeping silence throwing the matters and properties of the church to destructions.

You are directed to furnish the above explanations for the wider interest of the church.

Thanking you,

Yours sincerely,

(Rev. Dr. C. K. Paul Singh)

Dear Sir,

1. Two honourable guests are due to arrive Ranchi towards middle of this month. They would like to halt for a night or two in the Jubilee Bungalow.

Therefore, R.C.P. is requested to see that guest room is clean and tidy and furnished in every respect before they arrive so that they do not find any inconvenience to accomodate themselves.

2. Next it is suggested that a notice of vacation of the rooms occupied by Sri Abneger Lakra, the former Education Officer, in the premises of Jubilee Bungalow be given immediatly. Sri Lakra is no more the employee of Central office, nor he stays at Ranchi anylonger. The R.C.P. is the proper authority to give the above notice.

3. Further, the wooden gate in front of motor garage has been totally damaged. Kindly repair that gate when your finance allows; Only, it is very necessary that the gate is repaired before something goes wrong.

Thanking you in advance,

Yours faithfully,

Dear Sir,

Our records show that under your (Ilaka) jurisdiction there is/are cultivable and other landed properties and money fetching buildings(rented quarters) but we find that nothing is recorded about the centralisation of the incomes from the properties payable to KSS. It is high time that this has to be regularised by giving your amounts and accounts to the centre. Your noncentralisation of this income may be some other amounts too-is one cause that the centrally paid institutions and offices have to be closed soon due to lack of finance in the centre.

Therefore you are given this notice for your explanation so as to why actions be not taken against you for non-submission of the Land accounts and management of the properties be arranged otherwise for effective and purposeful use of the same.

Your compliance is expected urgently. Please treat this as most urgent.

Dear Mr. Khess,

I have been informed that a pipe from the Well behind the Pramukh Bungalow is missing, and there is every danger of other things at this well being stolen. May I therefore, request you to kindly check up the matter personally and take an immediate action to protect and preserve the things there. I have learnt from very reliable source that a thorough fare path is now used by many people to take water from the well. This path must be closed as soon as you can and thus keep the privacy of the Pramukh Bungalow and its backyard. I would like you to take this action even from tomorrow because this is urgent.

May I further inform you that there is an apprehension of disturbance in Gossner College from outsiders. Therefore, you are requested on behalf of the College also to keep your Chaprasis or Bahadurs at the Church gate on main Road and the gate on the Church road to prevent entrance of outsider into the compound. It would be better to keep the gate closed after 7 A.M. and only those with identification be allowed to enter the compound. I have requested the D.C. for extra force if necessary for tomorrow and the Police patrolling will begin from 6.30 A.M. within our Compound both from the main road and the Church road entrances.

Thanking you for your co-operation,

Sir,

Kindly refer to KSS letter No. 485/73/KSS-3A dated the 6th. July, 1973 communicating an extract from the minutes of the full KSS meeting dated 26-29 June '73 Item No. 4(8) which reads " The Managers in the Board of Properties should help the RCP in collecting the outstanding rents and the same be deposited in the KSS treasury to fill up the deficit by 30th September 73 Action be taken according to the merit of the case from the defaulters "

In this connection we should like to say that it is no doubt a good suggestion for the Managers Property Board to help RCP in collecting rents. The RCP in the best ways and means with the consultation of the advocate is progressing satisfactorily in collecting rents from tenants.

We request that the Managers Property Board should deal with such cases which shall be forwarded to them for taking necessary action - bad cases only and not every case.

Yours faithfully,

Dear Mr. Tirkey,

With reference to the letter cited above, a copy of which has been communicated to you also by the Secretary RCP Ranchi with a request to allot sufficient fund for renovation of building occupied by the KSS staff and office. In the same building now I am occupying the rooms once occupied by Rev. Dr. M. Bage and later on it was being used as KSS members' waiting rooms. There is a general complain of the whole building that there are many leakages and due to that it becomes difficult to live in during rainy season.

Under this office memo No. 1/73 dt. 24th February 1973, I have pointed out altogether 8 points to be attended to ~~and~~ which off item nos 1 & 2 were done and now the 3rd one is to be done before monsoon begins and that/re-tiling of the roof.

You are respectfully requested to arrange fund for the RCP to get retiling done in time. As the building is very big, cost of retiling only ~~will~~ may be very high, but the need is also very essential and urgent. I shall be very grateful for the work done before monsoon begins.

Thanking you.

Since you have been transferred to the NW Anchal and the NW Anchal has posted you at Kanke you had to shift there. You had already been notified to vacate the quarter but you were not pressed to vacate it, on the understanding that you will vacate the quarter yourself.

Now since the KSS meeting is coming soon the KSS will require the quarter for its members as rest house. It will not be good that for your sake the full KSS meeting should be hampered.

You are therefore requested to vacate the quarter now and either you move to Kanke or shift somewhere in N.W. Anchal area, without any further delay.

Dear Mr. Soy,

Thank you for your letter referred to above on the above noted subject. I do realise the difficulties of the Pramukh Adhyaksh more than any one else for want of accomodation, and as such I am not at all happy to be in the Pramukh's bungalow which I have already expressed to the Pramukh Adhyaksh personally.

Having heard my posting at Khutitoli, I was to stay in bungalow till 31st Dec. 72 on our mutual understanding due to school going children, but due to stay order I had to stay in the bungalow even after 31st of December 1972.

After hearing my posting at Ranchi according to the decision of the last KSS meeting, I wanted to vacate the bungalow immidiately on receipt of order, but I received it only yesterday to shift to the quarters, but it needs proper renovation and that is why I wrote my first letter to you in this connection pointing out 8 points to you.

Having received your letter referred to above, I learnt that you have assured me of the renovation of the quarters, I will shift to the quarters allotted to me next week on any day, as the hearth in the kitchen room cannot be used by a family and so my wife will make hearth next week/ will take few days for use.

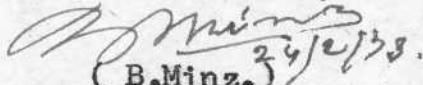

In the mean time, if the RCP is not in a position to attend to all the 8 points, may I request you to do at least 2 out of 8 points, namely:-

- (1) Rooms be white washed. As the rooms are not so big, it could be done in a day or two. If the RCP is not in a position to do this much of work, you are requested to allow me to do it by myself, and the expenditure incurred be adjusted against my house rent.
- (2) Windows and doors be repaired. Some glasses have been broken where glasses are to be fitted. Without it, there is no safety.

I hope, you will realise the difficulty of mine and that of the Pramukh Adhyaksh and will do the needful to redress them.

Your early reply is solicited.

Yours sincerely,

Ref: Your letter No. BPR/33/97/RG-73, Dt. 22-2-73.

Dear Mr. Soy,

Received your letter referred to above on the above noted subject yesterday at about 5.30.PM. after returning from two days' tour. Thank you very much for your letter which I was expecting to receive earlier than this.

Before I shift to the quarters allotted to me, I would like to bring to your kind notice some points which is/dire of/ necessity in the quarters allotted to me.

✓ 1. White washing: The rooms are unoccupied through out the year except during KSS meeting, and therefore it is essential that it is white washed before it is occupied by a family.

✓ 2. Doors & Windows: There are many glasses broken in both doors and windows. It needs immediate repair to live in of a family.

3. Roof: The roof is so bad that there are many leakages due to which all the rooms become fully wet during rainy season, which I have personally seen. It requires proper retilings for a family to live in.

4. Varandah: The quarters has varandah in the north. During rainy season, it is impossible to stay in the varandah even for a few minutes, as the monsoon comes from North-West and the varandah remains always wet. It requires some thing to be done for the use of the varandah.

5. Accomodation: My family consists of 8 members with 2 school going children. It will be very difficult for me to adjust in two rooms~~etc~~ excluding dining room. Therefore I need at least one more room.

You will please allow me to make one suggestion here. That there are four pillars in the north. Two middle pillars be removed and a room be constructed in the verandah which will solve ~~xxxx~~ my need of an additional room and also the difficulty in the rainy season as pointed out in item No.4. above will be solved.

✓ 6. Septic Latrin: There is only one small septic latrin which is used by Mr. N.E. Hore and family of 8 members. My family also consists of 8 members. Thus the small septic latrin will be used by 16 members daily. Unless it is extended, if possible, it will require to be cleaned annually if not monthly or half yearly. So it will be a very troublesome task for me if some thing is not done.

7. Courtyard: Courtyard of a family quarters is very essential. I need it urgently. Some thing must be done.

8. Out house: As there is no out house to keep fuel etc. I will have to use dining room for the purpose. Could it not be made some arrangement in the dining room to keep fuel etc.? It would be very un-clean to keep fuel etc. in the dining room.

Rev. Dr. M. Bage having a small family of 5 members managed to live in any how. I know very definitely that Dr. Bage faced many difficulties but he managed to live in as it was temporary arrangement. My going to that quarters will not be of temporary nature. Therefore the quarters needs to be converted in-to family quarters by attending to the above mentioned points.

Therefore dear Mr. Soy, will you please look into the above mentioned 8 points before I shift to the quarters allotted to me. I am ready to shift to the quarters.

Dear Mr. Gold,
Your early reply is solicited.

Subject:- Education Policy of the Gossner Church.

Dear Brother/Sister,

Since a long time the Gossner Church was trying to adopt certain policy on education in the G.E.L. Church, but without success. But fortunately the recent visit of Dr. Grothaus enabled the Board of Education to adopt a policy on education. The minutes of the Education Board dated 28.10.72, and the report of the Commission set by the KSS regarding education policy matters dt. 5-6 Nov. 72 are enclosed herewith for your information and perusal, as Appendix I & II, both approved by the KSS vide item No. 37 of the KSS minute of its meeting dated 3-8 Nov. 72, which reads:- " Much discussion was made on the priority list of the Education Commission regarding projects and final list was made as follows:-

I (a) Topmost priority for salary to teachers.

For this the KSS decided to create the Central Education Fund for general education. For the Middle and Primary schools the fund of Rs. 100000/-, and for High schools and Training school Rs. 500000/- will be needed.

(b) Salary for two Executive Officers, Office establishment, salary for staff and office equipments etc. One Executive officer will supervise the Middle and Primary schools and the other will supervise High schools. The expenditure on these two officers will be Rs. 7000/- per year.

Thus to get such a huge amount we appeal to you to help us in creating the General Education fund, and in managing the schools in a proper way. Please help & bear the expense on the above projects so that the Church may be able to serve its people through education.

II. The list of Major projects and Minor projects approved by the KSS are also given below. In this connection I have to say that the plans for two to three years be made so that the construction and repair works on buildings may be completed.

Secondly the priority list for projects was made after a good deal of deliberation. The list of the projects are made in such a way that it covers the entire area of the GEL Church. If the work is not done according to the priority list then there will be misunderstanding among the people, as the GEL Church consists of members from different communities. The KSS does not want that such a situation should arise, and it does not want such work where projects be taken up in one particular area. Therefore I request you that while considering the projects to be sanctioned the priority list approved by the KSS be taken into mind, so that peace and unity of the members of different communities in the GEL Church may not be perturbed.

..... contd

(page-2)

Major Projects:- Construction of High School buildings.

- (a) 1. Govindpur Boys and Girls' High schools.
2. Luth High School-Kinkel
3. Khutitolli High School.
- (b) Hostels:-
1. College Hostels for Girls and boys at Ranchi.
2. College hostel for girls at Khunti
3. College hostel for boys at Simdega
- (c) Money fetching building at Rajgangpur.

Minor Projects:-

- 1. Renovation of Gossner High School, Ranchi.
- 2. Renovation Of Loharadaga High School, Lohardaga.
- 3. Compound wall and pumping set for Koronjo H. School
- 4. Scince building at Takarma H. School
- 5. Pumping set and compound wall at Marcha H. School
- 6. Bethesda Girls High School-- completion of school hall and renovation of H. school buildg.
- 7. Gumla--Fence and Science apparatus.
- 8. Bethesda Womens Trg. school--development of land.
- 9. Chainpur- Pumping set and fencing.

Out of the above mentioned priority list the following have already been submitted to CDS/LWF.

- 1. Project request for Gelel Ras Girls High School, Govidpur
CDS-P-40
- 2. Kinkel High School-----CDS-234
- 3. Womens College hostel Khunti---CDS-P-70
- 4. College Boys hostel Ranchi----CDS-P-36

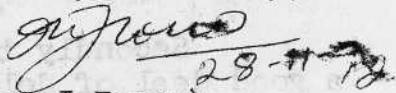

The above priority list are for first phase which the GELC wants to complete in three years with the help from abroad. The Education Commission which produced the list of first phase has also been requested to submit list for the second phase in future.

This is a great step taken by the Gossner Church to maintain its schools and to reform them which it cannot do without the outside help. Your attention towards the Gossner Church undertakings will be a great help. So the step was taken in the right moment with the help of Prof. Dr. Grothaus.

We appeal to the CDS and the Gossner Mission to extend their helping hand, sympathetically so that we may proceed further in the service of the Lord through education.

With kind regards,

Yours very Sincerely,

- c. That centers of learning with possibilities for development be given priority.
- d. That schools which undertake special training in religious subjects with a view to produce Candidates for Pastors for the church be given priority.
- e. That places which have special situation from numerous points of view be given priority.

- b. That hostels for boys and girls separately be constructed.
- c. That each Anchal be given on major project such as constructing a new schoolbuilding or development of resources.
- d. That minor projects such as science apparatus, teaching aids, furniture and equipments be made available to all schools at a time.

4. Powers and Functions of Executive Officers: It was agreed that powers and functions of the executive officers be defined by the board and be approved by the KSS.

5. Relationship between Education-Department and the Board of Education
Agreed that relationship between the Department and the board be defined by the Board and approved by the KSS.

6. The Commission could not give a final shape to priorities for want of time. It is left to the KSS. Some supplementary notes are submitted by Dr. N. Minz and Dr. Grothaus to complete the recommendations.

THE MINUTE OF THE EDUCATION BOARD
HELD AT GUMLA ON 28.10.72.

The Education Board met in the office of the Headmaster, Lutheran High school Gumla beginning with a word of prayer led by the Chairman.

The following members were present:-
1. Mr. H. Samad, Chairman 2. Mr. A. Lakra, member 3. Mr. Th. Ekka, member 4. Mr. P. S. Barjo, member 5. Mr. J. S. Topno, member 6. Rev. N. Ekka Secretary.

The minute of the 2nd Headmasters' conference was put on the table. After going through the contents of the minute the following actions were taken.

(1) Resolved to adopt the findings of the 2nd headmasters conference held at Chainpur and endorse to the KSS for approval and the further needful. The findings read as follows:-

"This conference pronounces that the church educational institutions are by their very existence and nature centre of creative activities and are God's instruments to transform the human society by accepting the challenges of the time. Our society to-day is faced with rapid industrialisation and its allied activities on the one hand and the rapid socio-economic changes on the other. The church has a special role to get itself involved in this situation in order to witness Christ in all activities of the society. We are aware that the country which is being prepared to achieve socialism has also greatly being influenced by radicalism in the socio-economic field. The church as an instrument of God must play its role in consonance with the teachings of the Lord. The church must give emphasis on the positive value of Christian stewardship in its various activities in the society. It must teach social education and to this end we feel that Christian educational institutions must be maintained and fully equipped for their positive role.

" This conference, therefore lays down the following aims and objectives which are to be achieved through the educational programme of the church namely:- (a) Total formation of the human person. (b) Welfare of the society of which he is a member. (c) Building up of a world that is fully and (basically) human and at the same time open to the demands of the extra human. Stress is laid on the formation of the human person in the context of the society he lives in.

How this is to be done is further clarified:- (a) Training of personal freedom and self discipline. (b) Cultivation of positive quality of mind that can take on the challenges of adult living. (c) Personal skills for earning a living and contributing to the welfare of the society.

Society is never static. It changes continually. Education is the most powerful agent in determining social changes. It is therefore the responsibility of Christian education to bring about social transformation so as to bring about a happy welfare society. Christian education therefore endeavours--to promote social justice--to wipe out distinctions of race or class--to proclaim by word and deed equality and brotherhood of all men--to wage war on attitudes which tend to isolate certain privileged groups from their less fortunate fellow countrymen.

Consistent with its objectives the building up of a happy home Christian education seeks to develop in man personal intelligence and skill, making him creative and enabling him to perfect the things around him and harness them to his needs.

(II) Resolved to adopt the recommendations of the conference to the KSS endorse to the KSS for approval and the needful.

The recommendations read as follows:-

That a department for University, Secondary primary education and training be established under the KSS. In its functions it will have two executive officers who will be full time employees of the church. The department will have an independent budget under the KSS for the purpose of administration. This department will be Central administrative body. The present Board of Education will be a link between this department and the KSS. It is understood that the Board of Education and the KSS will not interfere the general administration of the Education Department.

The Department of Education will maintain a central Education Fund for its developmental and emergency work. For its administration the Department will have its own budget. It will be a sort of revolving fund.

It is acknowledged that under the present constitutional set up the Ilakas are directly responsible for the maintenance and up-keep of the educational institutions. Similarly the Headquarters Congregation is responsible for the Schools within its jurisdiction. This is in keeping with the conception of Christian stewardship in which the individual member of the congregation express themselves towards their responsibilities.

The Department will have to prepare projects for generating funds for its programme. Such projects should include among other things the project of constructing shops for rent in places wherever possible.

The Department under the Education Board will have the following responsibilities:-

- (a) It has to determine priorities in its programme.
- (b) It has to locate and identify the real needs of Institutions.
- (c) It has to plan and implement vocational courses.
- (d) It has to arrange regular courses for the training of teachers.
- (e) It has to maintain close contact and proper relationship with Govt. Departt.
- (f) It has to find out the possibility of inter-church aid.
- (g) It has to implement religious curriculum in the school. This will also include revision of the curriculum if and when needed.
- (h) It should have a programme of good Christian hostels.
- (i) The department should correspond with the different agencies through the Pramukh Adhyaksh.

This conference strongly feels the necessity of appointing a Commission consisting of seven persons namely:- Sri. N. E. Horo M.P. 2. Dr. N. Minz, 3. Sri. H. Samad, 4. Sri. C. A. Tirkey, 5. Sri. A. Lakra, 6. Miss H. Bhengra, 7. Miss S. M. Bodra to work out the details of the entire educational programme aforesaid. The KSS is requested to immediately approve this commission in its first meeting.

The conference recommended to create one Central Education Funds for high schools, training school, primary and Middle Schools.

For raising funds for the Central Education Fund the conference decided to implement the decision of the last conference and to use the following means on Ilaka level -- 1. Contributions from bigger Ilakas @ Rs. 50/- and from small Ilakas Rs. 25/- per annum.

2. Special offering on one Sunday once a year.

3. The allotment of landed property to schools.

The fourth means of approaching old students for contributions should be used for raising fund for the schools. It was suggested to make a list of all the ex-students and to approach for contributions.

The following priorities were enumerated for the use of Central Education Fund:-

1. Salaries of Executive officers & Office - expenses.
2. Salary to High Schools and Training School.
3. Development projects including primary and middle schools.
4. Teachers' training (Refresher course)

It was decided to hold the next Headmasters' Conference at Khutitoli during Puja holidays. The proceedings of the Conference were closed with vote of thanks by the Chairman of the Education Board on behalf of the Conference.
