The Secretary, R.C.P.  
G.E.L. Church, Ranchi.

Dear Sir,

The Festival days are gone and we entered in the new year 1973 as to this effect I would like to lay down the following facts regarding Jubilee Bungalow (South-Part) for your consideration and needful action.

(1) The water system of the Bungalow is repeatedly going in disorder inspite of expensive repair works and we have to pay higher ~~electrains~~ charges than ever. Therefore from 1st Jan.'73 I be counted as Non-User of Water from the Tap until another possible Water system with new Machine is provided. If no water system is repairable, I would like that the Latrine system also be changed. I think if water system is provided, pipe also be connected with The Ranchi Town-Water Supply as it was earlier. I do not know, why the pipes connecting the Bungalow with Town-Water System have been removed, but that is another point.

(2) The Jubilee Bungalow (South-Part) inside has not been white-washed since I moved into the Bungalow. In those days it was promised to me that during Christmas (1970) the rooms shall be white-washed, but since then it has not been done. It seems some of the rooms are not white-washed atleast for ten years. The "plasters" of many rooms are worn-out and are falling, they seems dangerous. All these need if not complete atleast partly renovation. Therefore on the interest of the Bungalow and the residents there-in I would like to request you to look into the matter and do the necessary steps.

As the RCP has done roof-repair-work, it may not be ~~maximix~~ in a position to do the above mentioned things in points 1 and 2. I be permittted to do the necessary steps for Water System arrangements and renovation. The amount spent be adjusted towards the rent payable by me with effect from January 1973.

Thanking you and hoping for your favourable action.

# BOARD OF EVANGELISM & LITERATURE

G.E.L. CHURCH.

Yearly Report (1972) of the Director.

Dear Friends,

We thank God that again one year (1972) has come to an end, the year was mixed with joy, anxiety and uncertainty. The Director's activities were very busy in the year, except the month of May in which he fell sick. The activities can be reported as follows :-

I. IN THE CENTRE : Besides dispatching various types of regular informations, Reminders, Corrections, letters etc. Appeal for Surguja Mission Day, Mission Festival Message and monthly Magazine "Gharbandhu" were also sent through our office. Films and slides of Biblical messages were shown in Ranchi. Arrangements were also made for supply and distribution of tracts, gospel portions, booklets etc.

II. TOUR & VISIT PROGRAMMES : In the year extensive tour programmes were made for almost all mission fields except that of Mikir Hills. In February area of the Orissa Anchal (in Sundargarh and Sambalpur districts) were covered; during the visit programme 75 persons were baptised. Some fields were surveyed for new works and it is a matter of great joy that new doors are getting opened in Sundargarh districts. After a long silence, loud calling is come from the area. In the month of April tour was conducted in the area of S.E. Anchal (Singhbhum, Midnapur, Mayurbhanj and Keonjhar districts). During the tour programme 25 new converts were baptised. It was rather surprising and encouraging experience that in many congregations new christians are not only suffering inconveniences and difficulties but also persecution, but they are firm in faith.

In December the director had a tour programme in Udaipur Mission Field of N.W. Anchal. I had a thrilling experience that 105 converts were baptised, 62 persons in one place, the highest number I have ever baptised in one time. The tour in the area was very short but was enough for orientation and further planning.

The tour programmes (in March) for Mikir Hills Field of Assam Anchal could not be realised due to other unavoidable programmes at the centre. It is expected that in February or March 1973 this field can be visited. Similarly Surguja Mission Field also could not be visited. The Director was invited to visit GDR in Oct. '72, but this was also not realised due to some delay in clearing travel documents.

Tour and visit programmes are very essential for the future planning of projects and also for encouraging and admonishing the workers and the new converts. Visit of Church Officers are outward strength for christians in the Mission fields.

III. REFRESHER COURSES & BIBLE CLASSES : Refresher Course for the Pastors of the Gossner Church was arranged in Ranchi. The Director had a chance to give series of lectures on "Missiology" and thus had tried to give new insight for the responsibility and possibility Mission Work in and by the Gossner Church. In the Course of year the Director was invited by many Ilakas and Youth Groups, Mahila Samitis and Interdenominational Organisations etc. to give talks on different subjects very much related to the Mission Work.

In the last week of October and in the first half of December Refresher Classes were arranged in two places for Mission Workers of the fields. Due to financial difficulties Workers of Mikir Hills and Surguja Mission fields were not included. In this year subjects of teaching for the classes were selected and given mainly by the Pastors of fields themselves. The Director held only the Bible lesson on the subject "LIGHT". Much time were spent on reports and discussion there upon. Means and methods for new effective approach in field work for consolidating of the work were also discussed.

IV. BUDGET & EQUIPMENTS : MI

... and book  
... arrange  
... organisations  
... Adhyak

Budget some

the lang  
... such  
... and

been thus regularised in its publications and dispatching. The Director had tried his best through this means also to draw the attentions of the Gossner Christians and specially of the readers towards the responsibility of Mission work. Towards the later quarter of the year the Director resigned from the work of Associate Editorship of the Ghar-bandhu.

As per decision of the BEL some equipments have been acquired for our help in the work; Radiogramme, Projectors-set and a 16 mm film: "Transformed Life" are main of them. We are expecting every now and then for a Generator, without which our work seems still to be limited.

V. THE REPORT FROM THE FIELDS, THE G.E.L.C. PRESS & THE CHOTANAGPUR CHRISTIAN PUBLICATION HOUSE :

These reports shall be/are attached herewith as they are prepared and sent to us.

VI. SOME REMARKS AND RECOMMENDATIONS :-

There certain difficulties and problems in many areas, some of them are local but others are general to all fields. Many field workers are suffering due to weak relations of the Anchals with the field. In some places field is suffering due to Administrative disorders. These can be very well put under orders. Many of these remarks and recommendations have been expressed in the past, therefore they can be mere repetitions.

1. PROPER PLANNING OF PROJECTS (purchasing of Land, Construction etc.) and works is very much needed. For this Director BEL needs help and co-operation from the Anchals, under which the fields are administratively given. Close relations between the fields and the Anchals along with the Director seems to be a must for further effective work. Similarly the Mission Works in the Ilakas also be guided in this way for better result.

2. THE CHURCH AS A WHOLE and THE DIFFERENT ANCHALS be prepared to meet any eventuality in regard with financial matter for the fields. This has been also already expressed by the Director since he has been given this post. A RESERVE FUND for the work is a MUST in the Anchals as well as in the CENTRE.

3. AS THE G.E.L.C. PRESS and THE CHOTANAGPUR CHRISTIAN PUBLISHING HOUSE is under this Board, I still suggest that the Press be put direct under the KSS (may along with other institutions of this type) and only the Publishing House be kept under BEL. The plan of amalgamation of the two shall ruinous for both the sections unless proper arrangements be made. Rules and regulations be made clearly and elaborately.

On behalf of the co-workers and new christians thanks and gratitude are expressed to all Friends and Well-wishers here and abroad their kind support and co-operations in this UNFINISHED TASK OF GOD.

Thankfully submitted.

पुराने जे० एम० बी० क्षेत्र का वार्षिक रिपोर्ट ।

१८७२ ।

मान्यवर,  
जुद्धरेक्टर वो० ई० एल०,  
जो० ई० एल० चर्च रांची ।  
महाशय,

मैं निम्न प्रकार पुराने जे० एम० बी० क्षेत्र के राज्यवृद्धि कार्य का वार्षिक रिपोर्ट प्रेष करता हूँ ।

१, क्षेत्र का विचारण :- क्षेत्र के विचारण में कोई विशेष हेर फेर नहीं हुई है । अब तक विहार के सिंहभूम जिले, बंगाल के मिटनापुर जिले तथा उड़ीसा के केओर और मधुपुर जिले हो के अन्तर्गत राज्यवृद्धि का कार्य हो रहा है । इस वर्ष मिटनापुर क्षेत्र के अन्तर्गत नादा-पाड़ा और कृष्ण नगर दो नयी जगहों में काम आरम्भ की गयी है । उसी प्रकार सिंहभूम जिले के नकटी पेरिश के अन्तर्गत हकगोई और लोंजो में भी काम चालू है । जशीपुर पेरिश के अन्तर्गत सताप लोंगों के बीच जागृति का कोरण विसर्जित हो रहा है । उसी प्रकार जगन्नाथपुर पेरिश के अन्तर्गत पूर्वी और पश्चिमी भागों में हो लोंगों के बीच आश की कलक है ।

२, कर्मचारियों का विचारण :- क्षेत्र में साल के अन्त तक ४२ कर्मचारी कार्यरत हैं जिनमें सुपरमैजोर के साथ ५ जजरी, १ कन्डिक्ट २ शिक्षक, ३ अर्ध वेतन भागी प्रचारक और ३२ पूर्ण वेतन भागी प्रचारक हैं । जाति के आधार पर मुन्डा, हो और सतापी माध्यम के कर्मचारी गण हैं । उपरोक्त कर्मचारियों के अन्तर्गत चम्पुआ में जमीन और घर रत्न के निमित्त रु अर्थात् चौकीदार रत्न गथा है जिसको नये प्रचारक के वहाँ जाने से छुट्टी दी जायेगी ।

३, ख्रिस्तान जनसमुह विचारण :-

१८७१ साल में ख्रिस्तान परिवार संख्या	३६६
व्यक्ति संख्या	१८३२
द० कु० सं०	६२५
नये धर्मस्वीकृतों की व्यतिरिक्त सं०	८५ ।

१८७२ साल का जनगणना का हिसाब आगामी क्वार्टरली रिपोर्ट में अथवा मर्दुमसुमारी रिपोर्ट में दिया जायगा । शिर्फ नये धर्मस्वीकृतों की संख्या उपलब्ध है जिसकी सं० कुल १५८ है । जाति के विचार से क्षेत्र के अन्तर मुन्डा, हो, सताप, गौड़, टमंडिया मुन्डा और उरावि लोग मसीही हुये हैं ।

४, क्षेत्र के विचारण :- सारा क्षेत्र चार क्षेत्रों में बाँटा गया है । अर्थात् [१] बंगाल में दोड़सोल पेरिश जिसका पेरिश चेयरमेन पा० ख्रिस्तावास लोंजो, उनके साथ एक कन्डिक्ट और १२ प्रचारक । [२] उड़ीसा में कुशुपुर पेरिश जिसका पेरिश चेयरमेन पा० मनोहर होरो और उनके साथ ६ प्रचारक । [३] सिंहभूम जिले में जगन्नाथपुर पेरिश पा० हेमन्त हसवा प्रचारक । १८७३ से वहाँ के पेरिश चेयरमेन हैं । १८७२ में कः भलिना पा० मसीजवास टुट्टी वहाँ के इनचार्ज थे, कारण उस उसे अवकाश दिया गया । उसके बाद कन्डिक्ट पियुस तोपनो विस्मर ७२ तक वहाँ इनचार्ज रहे गये । जजरी की सेवकाई का भार सुपरमैजोर के हाथ में था । अब उच्च की ओर से पियुस तोपनो की वकली जनवरी १८७३ से मनोहरपुर कर दी गयी है । [४] फिर सिंहभूम जिले के अन्तर्गत नकटी पेरिश भी है जिसका पेरिश चेयरमेन पा० हलन समव है और उसके साथ १२ प्रचारक १ शिक्षक और पा० हेमन्त हसवा विस्मर के अन्त तक रहे ।

५, घर निमणि विचारण :- १८७२ साल में निम्न जगहों का निमणि हुआ संस्कार भी कर दिया गया है ।

- [१] दोड़सोल पेरिश के मालजुना में एक
- [२] फिर दोड़सोल साल में पा
- [३] रंगमटिया में प्रचारक
- धना रत्न रत्न
- [४] जगन्नाथपुर पेरिश
- [५] कुशुपुर पेरिश
- [६] उरावि लोग

[७] सागजुड़ी में प्रचारक का डेरा बनाया गया है ।

[८] मनोहरपुर में पाद्री क्वार्टर प्रकाश भवन बनाया गया है । भवन का बाहरी प्लास्टर तथा भीतर गच की तैयारी बाकी है । ७३ के जनवरी फरवरी तक तैयार हो जाएगा ।

६, मरामती कार्य विवरण :- शिशुवा में प्रचारक का डेरा, बाहरेड़ा में आराधनालय, बोड़मोल में पाद्री भवन, बोड़पाट में प्रचारक डेरा और जगनाथपुर में गिर्जे घर की छत मरामती ।

७, राज्यदृष्टि कार्य में उधारे :- दुःख की बात है कि इस साल कितने जगहों में हमारे ही कर्मचारियों के द्वारा ठोकर के काम हुए जिससे उन क्षेत्रों में कार्य मंजूर नहीं हो पाया था पर तीनों ठोकरों की स्थिति को जल्द दूर किया जा कर ऐसे स्थानों में सुधार की नयी आशा का संचार दिया गया है और अब परिस्थिति अच्छी हालत में है। इसके अलावे काशी और से भी बाधाएं निकली थी जिनके साथ अज्ञानता में भी झूठमोड़ होना पड़ा। इससे इस ओर से भी समझौता हो कर शांति के मार्ग पर कदम बढ़ाया गया है। इसके होते हुए भी हमारे विस्तृत कर्मचारियों ने बड़े धीरज और गम्भीरता से प्रभु का अगवाई में अपना कार्य सम्पन्न किया है । जिससे अब क्षेत्र में नया जोश पैदा हुआ है।

८, भौतिक और लौकिक उन्नति के उपाय :- हमारे ज़र्रेक्टर साहब की अगवाई और सलाह मोताविक हमारे टोपू० अंचल समिति ने हमें साल में तीन या चार क्षेत्रों में पाद्रीों का मिनिस्ट्रियम बैठक कराने का अवसर दिया है जिसके अनुसार इस साल जो बैठकियां हो चुकी हैं बैठकियों में राज्यदृष्टि कार्य को सफलता और आगे बढ़ाने की योजना बनायी गयी। फ़ैसले मोताविक कार्य करना भी आरम्भ कर दिया गया है विशेष कर मन्डलियों में धर्म सेवा का होना, नये भसीहियों के शिक्षा के लिये मन्डलियों में समय स्थान और मौका ठहराना, सन्डेस्कूल और रात्री पाठशाला का निभापन करना तथा लोगों की समाजिक और लौकिक दसा सुधार के लिये भी शिक्षा देना और हर तरह से इन नवनिर्मित मन्डलियों को आत्मपालन को और बढ़ाना ही परम उद्देश्य रहा ।

योजनाये कार्य-सम्पन्न हो रहे हैं अथवा नहीं इसके लिये पेरिश की कर्मचारी बैठकियों में एक दूसरे से रिपोर्ट लिये जाते हैं। भाइयों की लौकिक उन्नति के लिये सेतीवरी के तरीके भी कितने कर्मचारियों द्वारा सिलिये गये और बहुतों को फ़ायदा प्राप्त हुआ । कलौसिया की ओर से ठहराये हुये हर तरह के दान और देने पर भी नये भसीहियों को शिक्षा दी जा रही है ।

९, लीरे के प्रोग्राम :- इन साल ज़र्रेक्टर के साथ सुपरमैजर का टूर प्रोग्राम क्षेत्र के अधिकांश जगहों में हुआ और क्षेत्र के कर्मचारियों तथा नये भसीहियों को साहस और आनन्द मिला इसके अलावे सुपरमैजर की ओर से हर महीना पेरिशों में पहुँच कर समय समय पर मन्डली के घरों का भुलाहिजा करने का भी यत्न किया गया ।

१०, आवश्यकताये :- [क] कर्मचारियों के लिये प्रचार करने की सामग्री की आवश्यकता है । धीरे धीरे इन सामग्रीओं का जमा होना ही क्षेत्र के कार्य में और भी मदद आ सकती जैसे पुराने और नये नियम के तख्तों, काम जम का ग्रामोफोन, महाजनी तबलों के लिये कुछ रकम की नक़्द, गान भजन के औज़ार ।

[ख] इस महान जमाने में कर्मचारियों की अधिक सहायता के निमित्त घेरा विचार है कि कुछ उनके लैवेन्स में वृद्धि कर दिया जाय जितने कि वे लौकिक ज़िन्दगी में रह सकें ।

ईश्वर पिता की असीम अनुग्रह से जो कुछ कार्य १९८२ में हुआ उसका संक्षिप्त रिपोर्ट कलौआ के अधिकारियों को सन्निहित करता है। उदयपुर मिशन फ़िल्ड मध्य प्रदेश प्रान्त के रायगढ़ जिले में स्थित है। यहाँ ४६ कर्मचारी कार्य कर रहे हैं जिन में तीन पाद्री लुइस, पतलगाँव और तोलमा पेरिश में रह कर अपना कार्य क्षेत्र सम्भालते हैं, प्रचारक ४२ और १ प्रचारिका क्षेत्र में सुसमाचार प्रचार का कार्य कर रहे हैं। क्षेत्र में छोटी बड़ी ४८ मन्डलियाँ हैं जिनमें ३ नयी मन्डली १९८२ में स्थापित हुई हैं।

१९८२ के जनगणना के अनुसार :- [१] घर परिवार संख्या ४५३, [२] व्यक्तिसंख्या सं० २४८८, [३] कुल भू-सं० ८६२, [४] पालक सं० ५१, [५] धन सं० १९८ [६] मि० घर १३ और [७] भू-संख्या १३।

कार्य विचारण संख्या :- [१] नई स्कूल - इस वर्ष रात्री पाठशाला २०-२८ तक साधारणता चलाने लगे। विद्यार्थियों की सं० ५०० के अनुसार ३३८ है। यह स्कूल सास कर कटती समझने और टूट जाता है क्योंकि लोग सैतों को रखवाली आदि में फँस जाते हैं। इस कार्य से स्त्री-पुरुषों को धार्मिक शिक्षा भी दी जाती है। छोटे लोग भी सीखी भी हो जाते हैं। अन्य सेवा के कार्य के साथ साथ प्रचारक ही रात्री पाठशाला का शिक्षक है।

[२] सन्डे स्कूल - इस क्षेत्र में कुल ११ सं० स्कूल और १६८ विद्यार्थी हैं। सभी मन्डलियों में सं० स्कूल चलाना सम्भव नहीं है। क्योंकि कहीं कहीं तो बच्चों का अभाव है। कहीं कहीं जाता पिता बच्चों को प्रति दिन के कार्य से छुट्टी नहीं देते हैं। कहीं कहीं ऐसा है कि कर्मचारी ही इस दिशा में दुर्लभ हैं।

[३] माता समाज - प्रचारिका के इस क्षेत्र में कार्य करने के कारण माता समाज १४ स्थानों में प्रचारकों वा प्रचारिक लोगों के द्वारा चलाये जाते हैं। प्रचारिका मन्डी जौरा के समझ माता समाज का निरीक्षण करती है। महिलाओं के बीच जागृती लाने के लिये मार्च २१-२२ तक महिला शिक्षा क्लास का आयोजन किया गया था जिसमें क्लास संख्या में मताई भाग ली थी। प्रचारिका हर मास अपने जौरे का प्रोग्राम बनाती है और सुपरमैजर से मँजुरी कराती है और जौरा करती है। बाकी समय जेड सेन्टर में रहती है तब रोगियों की सेवा करती है और केन्द्र के सन्डे स्कूल और माता समाज को चलाती है। समय समय पर गाँव में भी घुमती है और सुसमाचार सुनाती है।

[४] वेबल क्लास - १९८२ में शिक्षा क्लास तोलमा पेरिश के तोलमा मंडली में किया गया। शिक्षक बाहर से निर्धारित थे, पर सिर्फ ७५० के अंचल-अध्यक्ष ही उस क्लास में उपस्थित थे। तोलमा बहुत दूर होने के कारण २००-३०० तक क्लास की उपस्थिति थी। क्लास उत्साह पूर्ण थी।

: ५। पादरियों की सेवाकार्य - पाद्री अपने क्षेत्र का कार्य निरक्षण करता है। सुसमाचार प्रचार के लिये समय समय पर प्रचार केन्द्र का आयोजन करता है। इसके अलावा मन्डली में सक्रियमेंट सेवाकार्य के समय घर घर जाता है। मन्डलियों से पादरी का सुसमाचार आने पर पाद्री उनकी सेवा के लिये जाता है। सुपरमैजर अपने क्षेत्र का जौरा कहीं दो बार कहीं तीन बार से अधिक परन्तु कहीं कहीं एक ही बार जा सकता है क्योंकि कलौआ के और काम में भी उसका समय व्यय होता है।

[६] शिक्षा की योजना - इस वर्ष सुसमाचार प्रचार एवं प्रार्थना करने के लिये मंडली के आई बहनो को शिक्षाने की थी। बहुत मन्डलियों में यह काम सफल हुआ पर बहुतों ने अपना लक्ष्य को भूल गया।

[७] ईश्वर की असीम कृपा से इस वर्ष रेगाँव, चारो गुज पिपराही और साईडिंगम में नई मंडली स्थापित हुई है।

घर निर्माण - इस वर्ष जैसा घर निर्माण का योजना था वैसा घर बनाना सम्भव नहीं हुआ। चिकनीपानी एवं हेखरापारा और डम्बरबहर में घर बनाना था। पर चिकनीपानी और हेखरापारा में जमीन न मिलने के कारण नहीं बनाया जा सका। इस वर्ष डम्बरबहर में प्रचारक-घर और मिजधिर बनाया गया और चारखण्ड में प्रचारक-घर बनाया गया। तोलमा पाद्री घर का अधूरा कार्य किया गया। फिर बड़बड़, सिवारपारा के शिक्षा के मिजधिर का मरामत किया गया। घटगाँव के प्रचारक का भी मरामत किया गया।

जमीन खरीद - इस वर्ष जमीन के लिये रुपया न मिलने के कारण जमीन नहीं लिया जा सका। फिर भी चिकनीपानी और हेखरापारा में जमीन बजोदस्त किया गया है, जिसका रजिस्ट्रेशन १९८३ में कराना है क्योंकि कुछ रुपया जमीनवालों को दे दिया गया है। फिर कुकरमुका और डम्बरबहर के जमीन को भी रजिस्ट्रेशन कराना है। फिर सिवारपारा और घटगाँव के जमीन का काम लेना है और रजिस्ट्रेशन कराना है।

प्रचारकों का कार्य मुक्त - १९८२ में अनुशासन होना कार्य ठीक न करने के कारण दो प्रचारकों को अन्तिमिन्स और प्रमुजेंस स्कूलों का निरीक्षण किया गया है। उनके साथ स्थान में विजय मित्र और सुदर्शन मित्र को प्रचारक का कार्य दिया गया है।

आवश्यकताएँ - नयी मंडली होने के कारण कम-कम आवश्यकताएँ हैं, क्योंकि निकट भविष्य में और भी

- उदयपुर मिशन क्षेत्र में नयी मंडली का निर्माण होना चाहिए। अंतः मंडली का निर्माण बिना मंडली बीच आरायगढ़ में होस्टेल का पटर-

जमीन - जैसा रिपोर्ट में किया गया है उस के अनुसार गिरा घर प्रचारक का घर और कपड़े के लिये बहुत स्थानों में जमीन लेने की आवश्यकता है ।

समास्यार्थ :- यहाँ कुछ क्षेत्रों में सार्वजनिक और सभाजिक रोकटोक है । साक्षर घर छोड़ा और राखगढ़ क्षेत्र में कम मसीहि होने के कारण लोग औरों को मसीहि होने से रोकते हैं । हिस्तान होने के बाद भी पूजा चला भागते हैं और न देने पर उन को मारते हैं ।

प्रचार कार्य में प्रचारकों की समस्या भी है बहुत दिन होने से उनके सामने अधिक समस्या हो गयी है । महंगी बढ़ती ही जा रही है, अगर कलेशा इस दिशा में ध्यान नहीं देंगे तो साधारण लोगों के जीवन से भी उनका जीवन गिर जायगी ।

सहित्य - धार्मिक साहित्य या टेपटस न होने से सभी हाथ शिथिलों के प्रचार करना कठिन होता है ।

अफिसरों का दौरा -

फिल्ड का पुरा दौरा १८७२ में नहीं हो सका वी०ई०एल० जेडरेक्टर के कुछ भाग में दौरा किये फिर रिफ्रेसर क्लास भी लुडेग में हुआ । मिशन फिल्ड से भी प्रा० इतमोन गुडिया और प्रा० हरदगन टुटटी के निरीक्षण किये और रिफ्रेसर क्लास में भाग लिये । कलेशा के पुराने प्रमुख अध्यक्षों ने भी केन्द्र का निरीक्षण किया । उ०प्र० अचल अध्यक्ष ने भी लुडेग और तोलमा का निरीक्षण किया और नये अध्यक्ष ने लुडेग का निरीक्षण किया । नये प्रमुख के निरीक्षण से क्षेत्र को बहुत बहुत ही गति और सहस मिली ।

आभार-हर्ष :- इसका रिपोर्ट अभी तैयार नहीं हो सका, वतः वी०ई०एल० मीटिंग में पढ़ा जायगा ।

BOOK LAND (CCPH)  
G.E.L. Church,  
Ranchi.

(Points for inclusion in the Agenda of the impending KSS meeting scheduled to be held at Ranchi from 23rd January, 1973)

Reprinting of Publications.

1. (a) Kharia Along (Manuscript) is lying unattended in the G.E.L. Press since June 1971. We advanced a sum of Rs. 640.00 on 18 Apr. '72 as per request of the Supdt. GELC Press to enable him to finalise the Printing work and we are given assurance through the Secretary CCPH that the publication would be out from the Press for sale in the Book-shop but the same is still awaited from the Press.
- (b) Manuscript of Durang Puthi has been submitted to the GELC Press on 27th Mar. '72 but the same has not been reprinted due to lack of funds. Printing estimate for 5,000 copies as intimated by the GELC Press is near about Rs. 40,000.00.
- (c) In view of the crying need of the people, reprinting of the following Publications will also cannot be over emphasised. Rough estimates are given below :-

Sakshibani	10,000 Copies	Rs. 50,000.00 (To replenish stock)
Kurukh Dandi	10,000 ,,	Rs. 50,000.00
Ywa Sang Bhajawali	5,000 ,,	3,000.00 (approx.)
Total.		Rs. 103,000.00

J E E P F O R C C P H .

2. At present the CCPH has nine Agencies at various places but the book land is not benefitted as initially thought. On the contrary a large sum of money has been blocked up due to which CCPH is not in a position to move ahead advantageously and undertake reprintings of the above publications. Suggested, that a JEEP for the CCPH be purchased for easy distribution of books and the agencies which cannot play their part in full be closed down.

Points & Suggestions for development forming the part of our Audit Report.

1. On going through the Accounts we find that the Press business have wide scope of expansion in this area if proper programme for the same is chalked out by providing proper finance to this press.

Installation of Mono Type Units & Block Making Units to this press will not only increase the business but also provide quick service to its customers. This will also help in training the youths of this region.

2. Working Capital - Every business to do its day to day work requires Working Capital and without which it cannot run smoothly. We could not understand why the authorities have not provided Working Capital to this press inspite of the fact they have allotted Machines costing nearly Rs.5 Lakhs which would have earned of sums if proper provisions for working Capital & Reserve would have been allowed. This would have also completed their programme at the time of allocation of all these

ants - From the records of report this press is a branch of the church. It has been understood that the press is a branch of the region. In fulfilling these commitments the press should be continued.

From W. G. ... with ...  
used for ... the ...  
made to the press for ...  
programme ... also ...  
on this programme ...

4. Outstanding liabilities - We find that most of the outstanding bills are in the name of church and their allied concerns. In spite of lower rates for printing the payments are delayed, so proper action should be taken to collect the bills, otherwise the press is facing hard for finance.
5. Printrite Block - On going through the half yearly report we find that PRINTRITE BLOCK is in the same premises have started printing business which not only effects the church Press business but also hampers the church feeling in the mind of others. So proper action should be taken by the committee before it is too late.
6. List of Assets - A certified list of assets is attached herewith which has been already included in the last Audit Report.

Dear Brother,

Thank you for your long application, I went through the application, I shall put it if necessary in our coming Board meeting in January 1973. I hope some of your requests can be fulfilled as far as possible, but all things cannot be done at a time; and it is the Assam Anchal which should take care of the field.

It may be perhaps a good news for you that I shall try my best to visit the Nikir Hills area in the month of February 1973. I shall be going with the KSS members of Assam Anchal when they shall go back after the meeting in the last week of Jan. 73. With this effect I am writing a letter to the Anchal Adhyaksh.

Thanking you all and wishing God's blessings for your work.

The Secretary, R.C.P.  
G.E.L. Church, Ranchi.

Dear Sir,

The Festival days are gone and we entered in the new year 1973 as to this effect I would like to lay down the following facts regarding Jubilee Bungalow (South-Part) for your consideration and needful action.

(1) The water system of the Bungalow is repeatedly going in disorder inspite of expensive repair works and we have to pay higher ~~electrician~~ charges than ever. Therefore from 1st Jan. '73 I be counted as Non-User of Water from the Tap until another possible Water system with new Machine is provided. If no water system is repairable, I would like that the Latrine system also be changed. I think if water system is provided, pipe also be connected with The Ranchi Town-Water Supply as it was earlier. I do not know, why the pipes connecting the Bungalow with Town-Water System have been removed, but that is another point.

(2) The Jubilee Bungalow (South-Part) inside has not been white-washed since I moved into the Bungalow. In those days it was promised to me that during Christmas (1970) the rooms shall be white-washed, but since then it has not been done. It seems some of the rooms are not white-washed atleast for ten years. The "plasters" of many rooms are worn-out and are falling, they seems dangerous. All these need if not complete atleast partly renovation. Therefore on the interest of the Bungalow and the residents there-in I would like to request you to look into the matter and do the necessary steps.

As the RCP has done roof-repair-work, it may not be ~~possible~~ in a position to do the above mentioned things in points 1 and 2. I be permittted to do the necessary steps for Water System arrangements and renovation. The amount spent be adjusted towards the rent payable by me with effect from January 1973.

Thanking you and hoping for your favourable action.

Dear Brother Pastor Seeberg,

Many thanks for your letters addressed to me and the copies of letters addressed to others. I should have written earlier, but sorry, I could not do so. Meanwhile I have received also the invitation letters (copies) sent from Gossner Mission Office. I received the original invitation letter also as Director Dr. Blanert had left behind at Ranchi for me. I am extremely sorry that I could not meet him at Ranchi. His letter came on January 10, 1973 after I had left Ranchi on January 7th for a 15 days - Tour Programme in Orissa. I came back to Ranchi in January, but then he had already left Ranchi. So I missed him. I am writing a separate letter to him please pass it on to him.

From January 22-23, 1973 we had the KSS meeting. I hope you shall be getting the full minute of the meeting. This was a budget session, it was found that 1972 account has been closed with a deficit of Rs.72,000.00. For 1973 and 1974 we have decreased the amount in the Budget. However a new post has been created for the Ex-Pramukh Adhyaksh. He has been made Project-Director with a salary of Rs.400/- p.m. His appointment in Khuntitoli could not be realised. So after much discussions and deliberations he has been given this post.

The Chairman for Education Board and for Property Board received negative corroborative vote from Assam. Pramukh Adhyaksh and myself have been appointed Commission to go to Assam for negotiation. Dear Sir,

Reached Ranchi safely; Your Bills for Mikir Hills were received. It is regretted that there are some mistakes in the bill. The amount is Rs. 5/- and thus the whole bill is to be corrected. Please correct the same in future.

The clothing bill is given without any vouchers. You know that we had demanded the same in the past also. As I was in Baithabhanga you should have shown the vouchers and talked about it. I am sorry to inform you that the same amount has been withheld. I regret much that you could not show me your accounts regarding Mikir Hills.

It is regretted much that Bill for December 1972 is not received in our office. On arriving I enquired and searched in our files but the same is lacking. Therefore please send the bill to us at your earliest.

In the next bill please include the petrol bill etc. as paid by the Adhyaksh, the same will be submitted to you. The sum which was spent from your side can also be included in that bill.

Dear Sir,

After my busy programme and due to cancellation of some programmes at Ranchi and at this moment avail opportunity to write a you.

From Feb. 2-19, 1973 I was in Assam Anchal and visited almost all Parishes admonishing and encouraging the people for Mission Work, specially for the Mikir Hills. For the last few days I also visited the Mikir area. They have given a memorandum, I shall forward a copy to you so that you may be acquainted with the demand and work ~~of~~ in the area. I had the opportunity to meet many people and the members of the Assam Anchal Samiti and I do hope that the work will go in better way. The congregation in Mikir Hills are going rapidly. A detail report of my tour will be submitted to you later.

On 20th Feb. '73 I went to attend a Bible Class near Hazaribagh, attending one day I left from there on 22nd Feb. '73 via Ranchi for Midnapur district covering about 500 Km. to baptise some 72 new Catechumen. But as I reached it was told that all persons have been baptised by the Catholic Father on Feb. 18 (Sunday). So I had to come back very much disappointed and disgusted. My other programmes are also cancelled. So at this juncture I would like to prepare myself for the trip to GDR as I have got the invitation. But I have not yet received any information from the ~~agent~~ or any AIR LINE whether the AIR PLANE TICKET the ~~agent~~ paid by Pastor Bruno. Please request him on my behalf ~~agent~~ with this respect. I had already sent letter ~~agent~~ requesting them to deposit an amount for ~~agent~~ RANCHI - NEW DELHI - FRANKFURT - ~~agent~~ is done please ask the AIR LINE or the ~~agent~~ at this PTA at your earliest convenience.

Dear Sir,

Thank you very much for your letter of the 14th March along with the enclosures. Herewith I am sending the 'P' Form in duplicate duly filled up. On one side items ii to v and vii to x are filled up, as the points were not quite definite to me. Please authorise to fill up the same as per advice of the PTA and on the possible basis of my choice of itinerary.

As to my choice of itinerary I would prefer the Calcutta-Bangkok-Amsterdam-Berlin route only that I do not have the trouble of extra travel documents etc. and that I get definite connections and get all necessary assistance under your agency. My second preference will be Calcutta-Delhi-Amsterdam-Berlin on 17th April. As the Gossner Mission paying my travel, I shall follow their advice too, i.e. if they pay the Calcutta-Delhi-Amsterdam fare I shall fly that way. If I be able to get 'P' Form approved in an early date I shall be glad to fly as early as on 10th April 1973. Last year I had to go to Germany but due to very late approval of 'P' Form I had to cancel the trip (you may find the last year's approval in my Passport).

I, therefore, request you to kindly book my reservation as per PTA and the possibility of 'P' Form clearance and inform me at your earliest convenience.

Dear Sir,

Thank you very much for your Bills for Mikir Hills (month of March '73). I have again submitted the Bills of Clothings. As I had already informed you that we have to be careful in spending money for the students (Specially so costly clothings). In addition to this you did not produce the accounts regarding their expenses etc. Therefore that Item is being withheld. However all other Items including Uniform and Medical Bills etc. are being recommended for payment. As far as our Budget is allowing we shall be paying the Bills, then you have to check the Bills. If you do not we have to cut all such Bills.

A talk had been raised <sup>and</sup> again a letter has been said whether the amount could be sent through the Upper Assam Ilaka, would you comment to this idea and put the matter in the Samiti Meeting?

Thanking you for your co-operation.

Mikir Hills/Assam.

Dear Rev. Ba-a,

I have received your letters but due to various appointments etc. I could not reply you earlier. I have to state some of the points :-

Regarding the Training for Mr. Rowelson Timung I have not forgotten the matter. As I am going to Germany in April '73, I shall talk the matter with the Mission Director in Berlin. There is hope for arrangement.

Regarding Schools and appointment of Mr. Welson Terang: We shall be unable to decide unless Assam Anchal takes keen interest on its part and shares the responsibility. The Gossner Mission has taken its own attitude for such plans. Therefore at any cost the field has to be planed under the assistance and guidance of Assam Anchal, May be through the Upper Assam Ilaka.

Regarding payment through the Upper Assam Ilaka:- This has to be by the Assam Anchal with the consent of Upper Assam Ilaka. The BEL will not object to this arrangement. Therefore, please take the matter with the Assam Anchal and the Upper Assam Ilaka.

Regarding Medical Bills: May I express my sympathy for the christians in Mikir Hills. It has been the policy of the Board that the Medical Bills are allowed only for the workers. If the workers (Pastor and Catechists) can have Medicine Box at their homes they can supply medicine to the people, but total Bills are not accepted. It may be not good, but that is the situation. You have the amount of about Rs. 300/- for 1000 and the amount has to be spent wisely. As the amount is for the Mission. We cannot exceed, so also in the future be very careful in spending amounts, and if not payable from Mission, the Anchal/Ilaka has to find. Therefore please make plans and projects bearing in mind.

When I am in Germany I shall have time to talk with the Gossner Mission all these points again.

I also a reply to your memorandum given to me

Blessings for His glory.

The Treasurer,  
Mr. Bilchus Kujur  
G.E.L. Church, Ranchi.

Dear Sir,

Thank you for your kind letter Ref.NWA/28/73/213 dt. 2nd April 1973 with the enclosure Annual Statement of Udaipur Mission Field for the years 1967 to 1972. I have to make the following statement and the points are to be clarified either by yourself or Supervisor:

As you have not made any remarks in the statement and not given your counter signature it is as an statement of the Supervisor which still need audit and thus it is not a reply to my letter No. BEL/136/72, dt. 3-1-73.

In general Statement it seems true to the fact, but the need still clarifications e.g. I do not understand and I could not find out how field income has been included in the income side. In some cases money received for a particular project or particular kind of work has not been spent accordingly. This can be found from 1967 to 1972. Arrear of D.A. (1967) has not been paid. In 1969 money for furniture was not used accordingly. I do not understand where does previous Balance of Rs.1,235.38 comes, when in 1967 there was deficit. In 1970 Amounts meant for Land purchase and furniture were not spent accordingly.

In the statement of 1971 amounts meant for Land purchasing and building construction are not spent accordingly. It seems there Pastor's Quarters in Tolma and Lureg could not be finished due to non-availability of money in the same year 1971.

In the (ii) Note (1971) Rs.2,410.00 is not paid, as the workers' pay out of Rs.3,478.00 Rs.1,068 has been paid on 1972. This might have happened due to the unpleasant incident with the then Anchal Adhyaksh Rev. K. S. But KSS in its meeting dt. March 21-23, '72 I was asked to give as loan Rs. 12,314.93, the amount of money so that the workers of the field could get their payment to the workers of Surguja and the mentioned amount was received by the then Anchal Adhyaksh, 2, Chalan No.354. I do not understand why the Udaipur have not received the amount.

Some minor points which I need not point out. I am not able to arrange for audit the A/G of the field very soon to check them. For the healthy growing of the field these points to be clarified very soon, not only for me but also for the workers. Recently the workers have given an application to the Anchal Adhyaksh with a copy to me for the dues of 1971. Therefore I request you very kindly to do the needful with these regards.

Thanking you.

Dear Rev. Ba-a,

In regard with the Theological Training of Mr. Rowison Timung I put the matter in the College Council held on 30th March 1973. It was agreed that the timing be kept for one year in Pracharak Training School at Govindpur, where he can better learn Hindi and introductory lessons of Bible etc. After one year he may be called to the Theological College Ranchi, where he can have a special training. He may join the Training at Govindpur from July 1973. The stipend can be arranged there as for other trainees. Other minimum requirements have to be met from other sources.

Therefore please make a contact with the Headmaster Govindpur. P. B. and Bunyadi Prashikshak Kendar Govindpur for further detail.

Thanking you.

Dear Sir,

This letter may be my last letter before we meet in Berlin. Till today I expected news from Everett Travel Service, Calcutta which is arranging my travel documents. But I did not get any news. I did not get any news, so now I expect to fly on 17th April from Calcutta via Delhi-Amsterdam reaching Berlin on 18th April at 11.05 hrs by KL 211 from Amsterdam.

I hope by that time everything will be cleared up. As I have no news from the Travel Agent. I am unable to say anything exactly. I might have received the SELL and REPORTCARD dealing with Raptim No. RR-2246. A copy of this has been sent to you also asking you for immediate confirmation required for 'P' Form (this is in the bottom of the card). Therefore if you have not yet done the same please reply the Everett Travel Service by return of Telex or cable. The address is in the letter head of Everett Travel Service. Dear Sir,

As a matter of great joy I arrived here at Ranchi on the 8th June very safely. As the Planes were late both in Amsterdam and new Delhi I had to trouble in getting the planes. In Ranchi people were not quite certain when I would return so no one came to the Aerodrom, my family also did not come because the driver is on leave and the Jeep was at the disposal of Schwester Ilse Martin. So I took the Taxi and it was a surprise for my family and specially for my children. They were very happy to see me again.

Herewith I express my hearty thanks to you all, in your family and in the Gossner Mission, for everything you have done for me; The visit was for me a pleasant one and I hope it will bring good fruits for us as well as for the church and for the christians in Germany. I shall report to you at the meeting on 26-30th June about my visit and about our talks.

Ilse Martin was here at Ranchi but I could not see her. Her husband is here in these days. The weather is still very hot, in Delhi it was 35°C in the morning when I arrived from Amsterdam. In Ranchi it was 25°-30°C. On 9th and 10th there was a slight rain. So we had a few days a better weather cool and fresh.

All commodities are going up rapidly, many of them are not available on the market, so the food situation is becoming worse. On 9th June, there were many preparations for the "Jharkhand Party" also had a big preparation, but many people did not come and people were unhappy because they could not show their hunger for food and freedom. The situation in Bihar specially in the South-Bihar is tense and explosive. But almost same in the situation in the church. Many kinds of talks are going on, but no one knows what actually will happen in our next KSS. You know the discussion of Dr. N. Minz, but others are not ready to go in his way.

A SHORT REPORT OF MY VISIT TO GERMANY (GDR)

As invited by the Okumenisch-Missionarisches Amt, Berlin in co-operation with the C.F.K. (Christian Peace Conference) after my travel arrangements I left Ranchi on 12th April, 1973 for Berlin. There were much difficulties and problems to get a seat in the plane from Calcutta. So I had to fly a round about route, from Delhi to Berlin via Amsterdam. I reached Berlin (West) on 18th April, but without luggage - it got lost, and I got it only before my departure. I had to wait in West Berlin for my visa to visit GDR with the assistance of CFK. I had been granted a general visa by the GDR Government. So in my programme visit of many congregations, Youth Groups, Pastors' Conference, Church Councils, Church Leaders and Organizations' Leaders, like Bread for the world, CFK, Towards the end of my programme I had a reception by the State Secretary for Religion Herr Hans Weise.

From visit, talks and consultations I could gather the following experiences, insights and future plans:

- (1) My visit was accepted as a service to the congregations in GDR. The theme of my speeches and our discussions show that they were not only informative but also encouraging and strengthening one another to live as christians in the given situations.
- (2) The Christians in GDR have so far freedom and possibility to practise christian life within the church which presents good and characteristic example for christian faith.
- (3) The Christians in GDR are ready to help people of other countries inspite of their own difficulties and problems. This could be in their hospitalities and collections for others.
- (4) The Christians in GDR, though in minority, are trying various ways and means to live in the country in the given situations. Many church leaders and church workers are facing extraordinary difficulties.
- (5) The congregations and church leaders are ready to have relations with christian churches in other countries. Church of Berlin-Brandenburg had already taken resolutions with this effect to have Partnership with Gossner Church in India. There are other Organizations which would like to have concrete forms of contact with the Gossner church, so that they can live as christians. Federation of, Bread for the world, CFK are ready to work with the Gossner Church in this regard. In our talks and consultations with various leaders it was clear that they all want to deepen our relationship in a number of ways. Some possibilities were discussed and threshed out.

Church members from both sides : Guests as representatives of these churches be invited for special lectures and seminars. By the end of this year 1973 can be invited to GDR. The two in GDR could materialised the same in 1969. They can be helpful to GDR in the 200 anniversary Jubilee of Father Gossner. When these two go to GDR with us we can express our visitors for GDR in the next year.

(ii) One Pastor and Theological Teacher: One Pastor from Gossner Church could be sent to GDR for special Training in the life and work of churches in an industrial and socialistic country like GDR. In the other way a Theological Teacher may be invited for our Gossner Theological College to teach subject like "Socialism and Christian Faith".

(iii) Arrangement have to be made, specially by the Gossner Church for Medical help from christians in GDR through the nation RED CROSS. In this respect the State Secretary for Religion Herr Hans Weise also expressed his willingness to assist in such programme.

(iv) CFK programme can be intensified with co-operation of christians in the Gossner Church. The work has to be chanelised through the Regional Conference.

During my stay in West Berlin as guest of the Gossner Mission I had many opportunities to talk and discuss with the Officers of Gossner Mission on various problems of Gossner Church. In some talks Dr. Minz and Dr. Heros were also participants. As these talks were informative and un-official without any minutes I need not report them, however in course of our discussions they can be orally referred.

Thankfully submitted.

A SHORT REPORT OF MY VISIT TO GERMANY (GDR).

As invited by the Okumenisch-Missionarisches Amt, Berlin in co-operation with the CFK (Christian Peace Conference) after my travel arrangements I left Ranchi on 12th April, '73 for Berlin. There were much difficulties and problems to get a seat in the plane from Calcutta. So I had to fly a round about route, from Delhi to Berlin via Amsterdam. I reached Berlin (West) on 18th April, but without luggage - it got lost, and I got it only before my departure. I had to wait in West Berlin for my visa to visit GDR with the assistance of CFK. I had been granted a general visa by the GDR Government. So in my programme visit of many congregations, Youth Groups, Pastors' Conference, Church Councils, Church Leaders and Organisations' Leaders, like Bread for the World, CFK, Towards the end of my programme I had a reception by the State Secretary for Religion Herr Hans Weise.

From visit, talks and consultations I could gather the following experiences, insights and future plans :-

- (1) My visit was accepted as a service to the congregations in GDR. The theme of my speeches and our discussions show that they were not only informative but also encouraging and strengthening one another to live as christians in the given situations.
- (2) The christians in GDR have their freedom and possibility to practise christian life with a freedom which presents good and characteristic example for christian faith.
- (3) The christians in GDR are ready to help people of other countries inspite of their own difficulties and problems. This could be in their hospitalities and collaboration with others.
- (4) The Christians in GDR, being a minority, are trying various ways and means to live in the given situations. Many church leaders and church workers are facing extraordinary difficulties.
- (5) The christians and churches are ready to have relations with christians in other countries. Church of Berlin-Brandenburg had already made resolutions with this effect to have Partnership with Gossner Church in India. There are other Organisations which would like to have concrete forms of contact with the Gossner church, so as to help one another to live as christians. Federation of Churches, Bread for the World, CFK are ready to work with Gossner Church in this direction. On our talks and consultations with various leaders it was quite clear that they all want to deepen our relationships in a concrete form. Some possibilities are discussed and threshed out as follows :-
  - (i) Visit of church members from both sides : Guests as representatives from these churches be invited for special lectures and tour programmes. By the end of this year 1973 two can be invited. They can be invited to intensify the 200 anniversary Jubilee of Father Gossner. When the talks are with us we can express our would be visitors for GDR in near.
  - (ii) One Theological Teacher :- One Pastor from Gossner Church could be invited to GDR for special Training in the life and work of churches in an industrial and Socialistic country like GDR. In the other way a Theological Teacher may be invited for our Gossner Theological College to teach subject like "Socialism and Christian Faith".
  - (iii) Arrangement have to be made, specially by the Gossner church for Medical help from christians in GDR through the nation RED CROSS. In this respect the State Secretary for Religion Herr Hans Weise also expressed his willingness to assist in such programme.
  - (iv) CFK programme can be intensified with co-operation of christians in the Gossner church. The work has to be chanelised through the Regional Conference.

During my stay in West Berlin as guest of Gossner Mission I had many opportunities to talk and discuss with the Officers of Gossner Mission on various problems of Gossner church. In some talks Dr. Minz and Heroes were also participants. As these talks were informative and un-official without any minutes I need not report the, however in course of our discussions they can be orally referred.

Thankfully submitted.

G.E.L. CHURCH CONGREGATION AT BASIA, RANCHI/INDIA.

The G.E.L. Church at Basia started about twenty years ago with ten members from two families, who were working as Government workers in Basia. There were two new converts : Mr. B.S. Kindo, now Police Inspector and Dr. Paul Singh, now Director, BEL. The congregation was actually started by the zeal of these two converts. Later on with the co-operation of Panisani Ilaka (Madhya Anchal) the area was made as Mission Field. A catechist was appointed by this Ilaka.

As the two families left Basia and the other two converts also went away for their studies and training the congregation of Basia was discontinued. So the fruit of labour was available by the other denominations. After some years as the centre of Block Development was established in Basia, some more christians came. So the congregation was again re-established, but now under the supervision of Govindpur Ilaka. The Church services were conducted by the volunteers. In 1960's the field was declared as Mission Field. An amount was included in the Budget of LWF Grant for Evangelistic work, Meantime a budget for church construction was also included in LWF grant, but it was not granted.

At present a full time catechist has been appointed. There are about 35 members in the congregation from eleven families. Some of them are singly baptised from non-christian families. Most of them are Government employees in Block. There are teachers and students who are in the Roman Catholic High School and Training School at Nawatoli. As the congregation is growing, members are compelled to construct a chapel. Till now they are conducting services in different places, mostly in the House/Verandas of Government Employees. When they are transferred the place of worship is shifted in some other convenient place, agreeable to all members. The plan of constructing a chapel has been thought since long ago as mentioned above but it is not yet materialised. As the most of the members are employees and students the continuation of idea and collections for this purpose had been discontinued. Those who are permanent in the congregation are singly baptised and whole family (only two are such) they are very poor to give contribution for this purpose.

The congregation has already started to construct the chapel foundation laid in 1960 measuring 19ft. X 44ft. but due to financial difficulties not even plan is raised. They had collected Rs 400/- with which they have some cut-pieces of stones. The estimated amount of construction is Rs. 10,000/- which may increase as the prices of all materials are rising. Estimate is limited due to their own strength, but need according to the size of the congregation is greater, so the real estimate may be Rs. 10,000/-.

Dear Sir,

After my arrival I sent a letter addressed to you about the meetings of different Boards and the KSS are over. I am sending the Minute of the BEL Executive, my report on East Germany and a short report about the congregation which you had suggested.

The minute of the meeting will show that the 'deficit Problem and the Accepting group of Orissa Anchal' took different turn. I am not quite sure, but any how did come to a permanent solution of the problems. Our situation may lead to worse results, but we have to wait, the results for different heads/departments shall be separated in October 1973. This is according to my opinion still increasing the deficit using the money of other departments.

May I at this point request you to send the amount for Film, which I had requested you for the same.

Thanking you.

The Extract :- Item No. VI Matter raised from Half Yearly Report :-

(b) PRINTING OF BOOKS URGENTLY NEEDED IN THE CHURCH :-

As per report of the Director <sup>and</sup> also that of the members of the Executive Committee <sup>it</sup> is a known fact that the Books most urgently needed through out the whole Gossner Church i.e. Sakshi-Bani, Durang-Puthi, Kurukh-Dandi, and Khari-Along etc are not being printed due to which the demand for these books are very badly felt. It is the feeling of the Committee that these books be printed very urgently so that the members of the church get it soon. Therefore it was decided that

"THE AD-HOC COMMITTEE OF G. E. L. CHURCH CPH BE REQUESTED FOR SERIOUS ATTENTION AND FOR TAKING APPROPRIATE STEPS SO AS TO PRINT ATLEAST THE ABOVE MENTIONED BOOKS VERY SOON. ACTION OF THE AD-HOC-COMMITTEE BE REPORTED TO THE BEL".

Dear Sir,

In finalising the Budget for 1974 Evangelistic Grant our calculation for Salary of workers during the BEL Executive Meeting is found incorrect, myself led to this mistake. After verifying with the existing and pay-scale of the Udaipur field 1973 the amount comes to Rs. 39,924.00 for 1974 instead of Rs. 55,000.00 in the place of Rs. 74,544.00 as given by the Treasurer NWA.

I consulted the matter with the Pramukh Adhyaksh Chairman of the BEL and we agree to include the exact amount in the BUDGET.

Dear Sir,

After a long silence I am sending this letter to you. This is ~~rather~~ rather an important letter, enclosed here you will find an estimate requested Budget for 1974, Gossner Mission Grant. The minute of the BEL Executive Committee meeting. A copy of half yearly report of the BEL which includes the direction, the ~~estimated~~ institutions and fields' reports.

The budget amount has become high. This is due to the usual increment in the salaries. For example in the amount of Central Office budget on the increment amount has been increased.

In the case of South East Anchal the amount has been increased also due to increment in salaries and also due to the new stations with salaries. So also is in the case of Bamra/Orissa Anchal and Udaipur North West Anchal. In the case of Mikir Hills Heavy amount is due to construction work which we a committee felt that slowly work in this line also be started in order to make the field more successful.

For Surguja new workers' appointment has been left out by Hostel grant of Rs. 10,000.00 and Project Budget amounting to Rs. 49,350.00 have been included.

For ~~the~~ allowed for three workers, there as and who ~~the~~ pressing who we shall see how to proceed.

On ~~the~~ to say that salary amounts are 'MUST'. As we handover some of the Mission Congre- aka ; so also is for the amounts of new consider the construction work otherwise. not yet used the construction amounts of ther balance for the fields accumulated. budget requested seems to be too high and fail the same you may please do on construction

Dear Rajaratnam,

Thank you for your kind letter dt. 10th Dec. '73. Thank you also for your kind suggestions and assurances of help from your part fully and on behalf of the FCLCI. I am very sorry that I did not inform you the situation within our Church.

I had contact with Dr. Hellberg, Geneva and Director Pastor Mission. The Director Gossner Mission has also suggested that we should meet the members of the Church in the first week of February.

1. I do not do to Anch theses guesses if possible. I have also. I have He has given a verbal agreement. I have come towards the second half of January, 1974. I am very much handicapped. I have Adhyakshas (Superintendents) of five Dr. N. Minz. There is a meeting of 1974 at Ranchi. There are other to have a talk with Fr. R. Meyers I would very kindly request your to Dr. Hellberg to come to Ranchi.

The immediate and serious problem is that of finance. As we are unable to draw money from the banks due to various objection and finally by the injunction; more than thousand families affected. We have monthly payment of about 1000/- per month. Therefore we need money in cash. I have written letters to Gossner Mission and also to Dr. Hellberg to this effect. May be some amount is coming from Germany through Hamburg via Madras. But that will take much time. T.M.B. direct to us is needed.

The injunction case will take some time before the injunction is vacated or anything is decided. The date was on 19th but time petition has been given by other party (the staff), thus there will be no date before 7th January, 1974. Thus the Church is in a great danger of struggle and split. There is not only the injunction case but these certain groups and individuals in the church, who are standing for constitutionality and legality of different actions; but all these are only for some vested interests. I have no interest whatsoever, save that the Church be guided for which she stands. I just want to help the church to be the Church.

If you are able to come between Christmas and New Year I will be thankful and request you to stay till the 6th of January, 1974 for the above said meeting.

Thanking you and wishing a Merry Christmas.

Dear Sir,

Thank you for your letter addressed to all Adhyakshas and the Rev. C.B. Aind. I had our meeting on 10th Dec. '73. Assam Anchal Adhyaksh did not come, he sent a telegram: "Due to injunction unable to attend". Assam Anchal Samiti advises you to convene full KSS. You are the convenor! when he does not come for Adhyakshas in he convenor for full KSS, then also stands the injunction convenor meeting when injunction is on me.

I had requested their support to me as Acting Pra. I will again meet on 5th Jan. 1974 and also Mahasabha. In the meeting Assam Anchal must have written a letter to this effect.

The case for our case but nothing happened. The other side has not given a written rejoinder. The next date is 5th Jan. '74. Nothing will happen. There will be again time petition against us. Thus the injunction case may linger till March 1974 or more. We are therefore thinking of an appeal to the High Court but that will cost much money.

We are still in the need of money. We are suffering much. The amount mentioned by you had not yet reached, it may take some weeks. A telegram money order or cash arrangement may be more helpful.

The visit of Dr. Von Stieglitz was much helpful. We had our 14th Dec. 1973 celebration with many programmes but not without hitch. Now we are looking forward for the visit of two east Germany guests. I have a long and busy programme for them from 2nd - 15th Jan. 1974. I hope they will be here at Ranchi by that time. They had expressed that a Pastors' Refresher Course be arranged for their audience. But financially it is not possible. If finance is arranged either by you or the guests I can convene all Ilaka Chairmen (32) for 13-14th Jan. '74. Please inform me by telegram.

On 5th Jan. '74 we shall discuss also about Mahasabha, its use, function power (legality etc.) are being discussed in the lobbies. Therefore you and Dr. Hellberg are requested to make a point to visit us in the first week of Feb. '74 to stay with us longer. If you can send an observer earlier it will be a great help for us. Please do think this line also.

Thanking you, and wishing merry Christmas to you all.

He has given a verbal suggestion to come towards the second half of January, 1974.

The immediate and major problem is that of finance. As we are unable to draw money from the banks due to various objection and finally by the injunction; more than thousand people with their families affected. We have monthly payment of about 1000/- per month. Therefore we need money in cash. I have written letters to Gossner Mission and also to Dr. Hellberg to this effect. May be some amount is coming from Germany through Hamburg via Madras. But that will take much time. T.M.D. direct to us is needed.

The injunction case will take some time before the injunction is vacated or anything is decided. The date was on 19th but time petition has been given by other party (Dr. Hellberg), thus there will be no date before 7th January, 1974. Thus CK is in a great danger of struggle and split. There is not only the injunction case but these certain groups and individuals in the church, who are standing for constitutionality and legality of different actions, but all these are only for some vested interests. I have no interest whatsoever, save that the Church be guided for which she stands. I just want to help the church to be the Church.

If you are able to come between Christmas and New Year I will be thankful and request you to stay till the 6th of January, 1974 for the above said meeting.

Thanking you and wishing a Merry Christmas.

Yours sincerely,

Dear Sir,

Thank you for your letter dated to all Adhyakshas and the Rev. C.B. Aind. and our meeting on 10th Dec. '73. As Anchal Adhyaksh did not come, he sent a telegram: Due to injunction unable to attend. Assam Anchal Samiti advises you to convene full KSS. You are the convenor! when he does not come for Adhyakshas he comes for full KSS, then also stands the injunction, convening meeting when injunction is on me.

In the meeting they gave their support to me as Acting Pra. I will again meet on 5th Jan. 1974 and also Mahasabha. In the meeting Assam Anchal must have written a letter to this effect.

The case for our case but nothing happened. The other side for a written rejoinder. The next date is 8th Jan. '74, nothing will happen. There will be again time petition to the court. Thus the injunction case may linger till March 1974 or more. We are therefore thinking of an appeal to the High Court but that will cost much money.

We are still in the need of money. We are suffering much. The amount mentioned by you had not yet reached, it may take some weeks. A telegram money order or cash arrangement may be more helpful.

The visit of Dr. Von Stieglitz was much helpful. We had our 14th Dec. 1973 celebration with many programmes but not without hitch. Now we are looking forward for the visit of two east Germany guests. I have a long and busy programme for them from 2nd - 15th Jan. 1974. I hope they will be here at Ranchi by that time. They had expressed that a Pastors' Refresher Course be arranged for their audience. But financially it is not possible. If finance is arranged either by you or the guests I can convene all Ilaka Chairmen (32) for 13-14th Jan. '74. Please inform me by telegram.

On 5th Jan. '74 we shall discuss also about Mahasabha, its use, function power (legality etc.) are being discussed in the lobbies. Therefore you and Dr. Hellberg are requested to make a point to visit us in the first week of Feb. '74 to stay with us longer. If you can send an observer earlier it will be a great help for us. Please do think this line also.

Thanking you, and wishing merry Christmas to you all.

Sir,

Your telegram was received. I am very sorry to receive your telegram instead of your presence at Ranchi on 10th December 1973. I hope you must have received the letter sent by four of the members about their meeting and its result. I hope your presence for the 5th Jan. '74 very earnestly and request on my behalf to be very kindly come to Ranchi and attend the meeting to save the Church from becoming splitted into pieces. If you do not attend the meeting on 5th Jan. '74 the church may go to a state where you may put your opinion of full KSS in the Adhyakshas Meeting on 5th Jan. '74. Your suggestion do not help much with-  
the Adhyakshas Meeting.

Unable to attend the meeting due to injunction now convene in Ranchi where you could come inspite of the injunction. The church you have to come to Ranchi to make the decision in the Adhyakshas Sabha, which there is no other way to proceed on in the present crisis.

Thank you for your kind letter dt. 28th Dec.73 and also for the letter dt. 29th Dec.73. I am very sorry that we could not arrange to meet Dr. Myers, as the letter arrived here very late. The money sent by the FELCI Treasurer was received earlier but we could not make out in purpose.

The letter concerning your valuable suggestion in the present crisis within our church was received earlier. I also read out your letter in the meeting of the Adhyakshas. As the Adhyaksh of Assam did not come, the business of a General Assembly of our church on 5th Feb.74 could not be held. However we have taken some decisions, the copy of the minutes for your information and necessary action.

The Treasurer will send the money in my name Dr. C.K. Paul Singh SB A/C. 1714 BANK, RANCHI BRANCH with a certificate that I personally can use the money for G.E.M. Church work. Such certificate has been also issued by the Gossner Mission.

Dear Dr. Hellberg,

As announced we had the meeting of the Adhyakshas on 5th Jan. '74, but again the Adhyaksh of Assam did not come thus we could not make any decision for the General Assembly of our church as proposed by Pastor M. Seeberg of the Mission. However we have again fixed a date for such meeting inviting the Adhyaksh of Assam to attend the same sharing his good co-operation. A copy of the decision is enclosed herewith. Therefore you are requested to make a plan to come to India to visit our church some times in February 1974. We hope we shall agree to call a General Assembly in our meeting next Jan. '74. The information will be immediately sent to you.

The Court Case of Injunction is still lingering. The next date is on 15th January, 1974. The other Party is trying their best to linger the case in order to harass us. The Bank is still closed for us. We request you to release the subsidy for 1974 and send the same through the FELCI.

As the situation is within our church is local in nature we are also trying our best to solve from our own. But as the Constitution adopted in 1960 has made big means to obstruct anything which is not acceptable to one Anchal. We are trying to have a meeting of all Adhyakshas for unanimous decision but as one Adhyaksh viz. Assan is not attending the meeting we are unable to proceed in any way. Now any way out can be found by unanimous decision in such meeting, we can now make only some temporary agreements a copy of the decision of last meeting is enclosed herewith. We shall meet again on 31st Jan.'74 when we shall make a decision for the General Assembly of representatives of the whole church. You shall be immediately informed when the date of Assembly is fixed. However if you are passing by this way, you are requested to visit the church and give us your valuable advices.

We are very sorry that you are unable to visit our church as you are not issued India Visa. With this respect an inquiry is going bially. I have met the highest officer of that branch. He informed me that your visit will be possible in February 1974. I do not know what obligation you have in January 1974 in GDR and outside. However I shall request you to ask Pastor Orphal to visit us in February 1974.

This time I had to cancell some of the appointments in congregations with you. In some places I myself went to represent you both. In many places brethren were assembled in big gathering to meet you and to hear your message. The celebration of 200th years Birth-day of Father Gossner will go through out the year 1974 till 14th Dec. Therefore you are again requested to make a plan to come in February 1974.

Wishing you my best regards .

Dear Brother Borutta,

Thank you for your kind letter dt. 12-12-73. I am very glad that you have accepted to be my substitute member of the Kuratorium for Gossner Mission. As I shall be not able to attend the meeting of Kuratorium, it is good that you have been nominated substitute.

The present task to be done for Gossner Church is to settle the present crisis in the church. I have already been about the present crisis in the church. The KSS has been dissolved after all officers have resigned and have been appointed Acting Pramukh. But some people of our church has filed an injunction suit in the court so that practically I cannot do anything as acting Pramukh Adhyaksh. The decision of the meeting making a new constitution has been also stopped.

Now we want to find a way out in the meeting of Adhyakshas but we are unable to do the same because Assam Adhyaksh is not co-operating by his absence in the meeting.

In spite of all this you are cordially invited to visit the Gossner church in the month of February 1974 with a point to attend the dedication function of the Church in Charkradharpur.

A copy of the decision is enclosed herewith.

Thanking you.

Dear Brother Pastor Seeberg,

Your letter addressed to all Adhyakshas was received. I also received your letter dt. 18th Dec. '73 and two certificates. Thank you very much for them all.

We could celebrate the 200th Anniversary of Father Gossner at Ranchi with Dr. Von Stieglitz. Christmas was also celebrated joyously, although we had many reasons for disturbances. We are very sorry that two guests from East Germany could not come. It seems that Indian Government has not issued Visa for them, an inquiry has been directed by the central Government to enquire about the exact day of celebration of Father Gossner. I have given the authorities the understanding that celebration will go through out the year 1974 till 14th Dec. '74. Therefore our two guests may be granted visa for February 1974 the travel has to be planned accordingly.

The situation in the church is still uncertain. Bank is still closed for us. We even could not avail the money sent through TTC. Money if sent be directed to the A/C of TTC state Bank of India, Khunti Branch. The date for case against us was on 8th Jan. '74 but nothing happened, next date falls on 15th Jan. '74. It seems that this particular case may go till the end of this month. We had our meeting on 5th Jan. '74 but the Assam Adhyaksh did not come for the meeting. A copy of decision is enclosed herewith for your information and action. Assam Adhyaksh is still pressing me for full KSS, but I cannot, unless all Adhyakshas decide the matter unanimously. The subject about Mahasabha is pending for next meeting on 31st Jan. '74.

There is another matter about the visit of Pastor H. Borutta in this connection with the dedication Function of Church at Chakradharpur. As he is my substitute in the Kuratorium it will be good if he can visit our church at present. We also have to talk on various points about the situation. Therefore if it is possible to be given finance and leave facilities. Please be kind enough to explore the possibilities with this regard.

For your probable visit in Feb. '74, we have to wait for a definite date. But if you have time and wish you are welcomed earlier to visit the church for further advice and assistance. With best of my regards.

Pastor M. Seeberg

Dear Brother Pastor Seeberg,

I have already written a letter dt. 9.1.74, but I am again writing this letter to you. Last week I went to Takarma with Pastor Wolf from Bethlehem Church Berlin. It was an exciting experience for Pastor Wolf. We had a lunch with Schwester Ilse Martin. At that time she referred to your possible visit in February 1974 by 4th. That's why I am writing this letter, so that before you come, please think over the plan. In my letter enclosing the minute of the Adhyakshas meeting I have requested to wait a while. The next meeting with Adhyakshas is scheduled on 31st January '74 at Ranchi. I am not sure that they will agree for a Mahasabha. Assam is pressing for a full KSS. Informed sources said that circulation is in full swing that the Adhyakshas must sit together to elect the Pramukh and the Up-Pramukh from among the Adhyakshas as it was in the first time and the new elected Pramukh shall call the full KSS. I actually do not know what to do ! But I am still ready to do even unexpected in order to save the church going into pieces !

The case is still going on, the next date is on 22nd January, '74. But even after winning the case we may not be allowed to operate Bank accounts.

With best of my regards.

Dear Sir,

Your letter Ref. No. 332/73 dt. 30.11.73 was received. As you  
you had mentioned to refer the matter to your legal advisor I was  
waiting for the adv. I will get from him. As your letter shows  
that you have been informed about my resignation and also suit No.  
332/73 (not title suit), which are contradictory by itself. If I  
would have resigned there would have been no injunction suit (332/73).  
Therefore the information you got is incomplete and incorrect.  
It seems that you are not interested for our Bank-Operation from  
the very beginning and listening some third person's voice.  
You have been allowed by the persons who are duly autho-  
rised for the Bank.

Therefore, it is requested to you to kindly allow  
the Bank-Operation in the Church has deposited its money

Dear Sir,

Your letter No. 331/74 dated 18.7.74 with the Arrear Bills for the 1973 and for the months of Jan. - Dec. 1974 has arrived to our office. While checking the Bills many irregularities are found. Thus the arrear bills of the previous year and of the current year are not correct and exact:

- (1) Bills are not up to the correct amount in pay scale, increment etc. of 1973.
- (2) Bills are beyond the budgetary items of 1973.
- (3) Bills are beyond the budgetary items and amount of 1974.

You are requested to check up the above mentioned points. Most of the bills are not correct in comparing all these amounts. The bills are also incorrect. You may please check the pay scale. This may effect the budget of 1974. We are puzzled to find out such variations in our years. It will be helpful for us if you can give a final pay fixation of all workers with their qualifications etc.

Thank you for your co-operation.

II. Attendance :- The following members were present ;  
1. Rev. Dr. N. Minz Chairman, 2. Rev. N. Bhunya,  
3. Rev. M. Jojo and 4. Rev. S. Dungdung.

III. The Meeting was specially held to finalise the budget (1975) for Evangelistic Work of the church. The budget was taken item by item as follows :-

A. MIKIR HILLS (Assam Anchal) :- The total budget submitted for 1975 was Rs. 45676.20 in comparison to the current budget (1974) of Rs. 36500.00. From this a sum of Rs. 2000.00 for training of Cate. & Pracharika was delited. This may be provided in the Budget of the institution. A sum of Rs. 176.00 be given in the budget. The item of teacher, School construction and agricultural project be left to the descretionary of Gossner Mission, because the field has been treated as special work. Thus a total sum of Rs. 43500.00 is recommended.

D. BAGHMA (Madhya Anchal) :- A sum of Rs. 45704.80 was submitted as against the current budget of Rs. 4589.40. As the Anchal has not yet completed the budget quota of appointing workers. The budget of Pastor be postponed (i.e. less of Rs. 2371.20) for 1976. Medical grant be kept only 5000/- Thus an amount of Rs. 38513.60 (including increased F.A.) be recommended to Gossner Mission.

Further it was advised that an Oraon (speaking) catechist be appointed for the area. For the construction work it was advised that a Cate-chist Quarters be constructed. Further amount be used to complete the boundary wall.

C. SOUTH EAST AREA (South East Anchal) :- The total budget for 1975 was Rs. 111588.62 as against a sum of Rs. 898000/- for 1974. It was decided that the sum of Rs. 10000.00 be deducted from construction and repair. Thus an amount of Rs. 101588.62 was recommended for 1975. Further it was decided that the repair cost of Supervisors Quarters at Chaibasa be given as a share of the total repair done by the Parish/Property Authority concerned.

D. BAMNAGUR (Orissa Anchal) :- The budget of Rs. 42502.64 was submitted as against the sum of Rs. 41000.00 for 1974. To this a sum of Rs. 1502.64/- was added as miscellaneous (unforeseen) expenses and a total of Rs. 44442.64 (including increased FA) was recommended to Gossner Mission.

UDALGA (North West Anchal) :- Submitted budget (1975) was Rs. 10176 as against the sum Rs. 59479.04 of 1974. It was decided to delit Church construction in centres of Rs. 30000/- a sum of Rs. 2000/- was also delited for Machine Type Writer but the same was kept for two new appointments. Thus the total sum of Rs. 81712.04 was recommended to the Gossner Mission.

F. CENTRAL :- A sum of Rs. 32189.80 has been submitted for 1975 as against Rs. 27490.00 of 1974. The increase is due to usual increment in salary and in Jeep Maintenance i.e. high price of Petrol etc. A sum of Rs. 3000/- has also been added for Refresher Course for increased workers of Surguja. The submitted amount was recommended to the Gossner Mission.

G. SURGUJA (North West Anchal) :- A sum of Rs. 135641.08 was submitted as against the sum of Rs. 112916.68 (1974). It was decided to delit Jeep Maintenance. Driver's pay etc of Rs. 5924.00. Thus Rs. 134217.08 (including increased FA) was recommended. It was noted that L.C.A. would not provide assistance for recurring expenses from next (1975) year. The Gossner Mission will contribute Rs. 12000/- (N.W.A. Rs. 10000/- and other from Surguja day collection). Thus a sum of Rs. 122217.08 was recommended to the Gossner Mission.

Following is the total amount accepted and recommended

1. (i) Central	...	Rs. 32,189.80	
(ii) S.E. Area (South East Anchal)		101,588.62	
(iii) Udaipur (North West Anchal)		81,712.76	
(iv) Bamra area (Orissa Anchal)		44,442.64	
			Rs. 259,933.82
2. (v) Miler Hills (Assam Anchal)		43,500.00	43,500.00
3. (vi) Baghima (Madhya Anchal)		38,513.60	38,513.60
4. (vii) Surguja (North West Anchal)		134,217.08	134,217.08
Total.		Rs. 476,164.50	476,164.50

(Rupees Four Hundred Seventy-Six Thousand One Hundred and Sixty-four and Paise Fifty) only.

In the budget the field income has been already deducted. G.E.L. Church is prepared to share a sum of Rs. 12,000 only for Surguja. There is an amount of Increased Field Allowance added to all field budget.

#### H. Special budget of Surguja :-

As the promise of LCA during the year 1974-75, the special project budget has been submitted by the Surguja Supervisor totaling the amount of Rs. 4,925,700.00 for a five years plan. In view of the fact that the LCA has promised to take over the special projects, the BEL Executive Committee recommends the budget and requests the Director, BEL to be authorised to recommend the same for the year 1975. This be prepared by the field Supervisor.

I. Special HO Hostel plan and estimate :- As per correspondence between Pastor H. Borah and the congregation of Chhatrahar, a No Hostel plan and estimate of Rs. 65,000.00 have been submitted. It was resolved that the same be approved by the Director, BEL with information to the Gossner Mission.

J. Special budget of Palamau Area :- As the area has been declared Mission field in the last BEL Executive meeting, the total budget of Rs. 27,742.00 has been submitted. It was stated as the North West Anchal is very much involved in Surguja, a token share of finance is to be provided by the North West Anchal along with Ranchi and Lohardaga Ilak. Thus, the salary of Pastor Palamau to Rs. 5,528.40 shall be contributed for the field. Field income of Rs. 4,074.40 has been already shown. Thus a sum of Rs. 2,139.20 is recommended to the Gossner Mission as a special budget for the year 1975 by the BEL and approved by KSS.

K. Special help for Bringajhar :- As there is no definite sum requested and as the application is not proper, it was resolved that the Director BEL shall survey and investigate the field and report the same and the provision shall be made accordingly.

IV. THE HALF YEARLY REPORT (Jan. - June 1974) by the Director, BEL. The report was accepted to be read by the members themselves.

The meeting was closed with the closing prayer led by the chairman.

Dear Sir,

Herewith I am sending Project-Budget of Surguja Mission Field for 1975. During the take over of the field we were given the understanding that you would arrange finance to cover the project work in the Mission Field. As this budget is recommended for sympathetic and consideration.

For recurring expenses we have requested you to grant any amount, because as per your work you would give grant only up to 1974. Though the Budget for 1975 is very high we could not allot any amount for grant from you. We will be happy if you could at least grant the project-side.

We hope that the grant towards our budget for 1974, i.e. Rs. 15,000/- will be sent or transferred to our account by next month.

Herewith I am enclosing an half yearly report and also a copy of the minutes of the meeting of Board of Evangelism and Literature in which we have finalised the Budget for 1975.

Pastor H. Boruutta

Dear Brother Pastor Boruutta

Thank you for your kind closure of a copy of your circular letter for your members in Germany,

Last week I had sent to Pastor Seeberg the Budget for 1975 for our Evangelistic grant, I also intended that I will be sending a copy to you also. I would have sent the same sometimes in this week, but as I received your letter, I am writing this letter to you. The budget 1975 has come to a higher amount than last year. Although some items can be left out for coming year I would lead for your generous consideration. In addition to this budget there are some special budget. Under which also the construction work of Chakradharpur and other places can be mentioned. So the amount as given in your circular letter is for special construction for Ho work. There are yearly construction budget in other fields also. I have sent the detail budget to Pastor Seeberg. If you wish, you may request him to have a look.

As in the most extraordinary situation is prevailing. I am functioning as Acting Pramukh(President) of the church. There are other responsibilities in the church in coming months. Therefore I shall not be able to attend the Kuratorium meeting in Sept. 1974. Therefore I shall attend to meeting on my behalf.

The celebration in Assam is to be celebrated by the Assam Ancha most probably for the establishing of first christian congregation in the area. I shall be writing to Assam Adhyaksh, Tezpur to contact you to give necessary information.

Herewith I am enclosing also a copy of the Minute of our Executive Meeting of Board of Evangelism and Literature(B.E.L.) along with a budget. In the minute you will find a kind of detail of the budget, but for detail of Anchal please request the Pastor Seeberg. I hope he will be able to spend the money.

The situation in the region is very bad, -we- one side some areas are getting heavy rain, but on the other side there is draught. The price of food and high price of available commodities is the worst. The members of our church are suffering. From our part we have granted an amount as much as possible. It has no value for the situation, but we also cannot do anything more.

I am doing well.

With best regards to you and Mrs Borutta also.

Dear Sir,

In continuation to my letter BEL/179/74 dt.10.8.74 I have to mention that you did not comply with my request for clarification of certain irregularities in your Bills and for financial statements of Mikir Hills expenses since 1967. This I had requested you to send along with bills of August 1974. I had also mentioned what would be the probable consequence for the Mikir Works, but it seems you did not care for my letter.

Further I have to state that as per letter dt.7.6.74 of the Missionary Rev. M. Baa addressed to me shows the workers had not got their salaries since Jan.74 even by 7.8.74. Thus it seems even after drawing the amount from our KSS Treasury you had not paid the workers, due to which the workers had to suffer unaccountable financial injuries. To me this is a serious matter and I cannot but take it seriously to bring the matter to the knowledge of the BEL, KSS and the Gossner Mission to carry out the works in the Mikir Hills smoothly. I, therefore, request you to clarify the matter, before it is too late. The matter has injured the total work of Mikir Hills immensely; if you do not bring the matter in your samiti and find out a suitable way and means to continue the Mikir Hills work expecting much help from Gossner Mission, I do not and cannot visualise the remedy.

I have a letter written to you in which it clearly shows that though your weakness the field is suffering much, but you do not want to disclose or not disclosed all these weaknesses. I thought you would remove all these weaknesses after preparing the financial statement A/C of Mikir Hills Work, at least after my inspection of year in 1973.

But as you have no desire for the same.

Therefore, take immediate and necessary steps to clarify the matters in order.

Thanking you.

आदरणीय प्राची साहब,

अब इस साल का करीब एक चौथाई भाग ही रह गया है, वर्ष के इस अन्तिम भाग में अनेक विशेष दिन हैं इन में से एक मिशन पर्व भी है । इसको हम पंजिका में गोस्सनर कलीसिया का स्थापन-दिवस भी कहते हैं । गत वर्षों की तरह, इस वर्ष भी मैं आप सब ही लोगों का अपह्वन करता हूँ कि आप इस दिन का स्मरण करें । हमारे मिशन काम की जबाबदेही के लिये आवश्यक अनेक कार्य करने के लिये उपाय करें और इस निमित्त आत्म समर्पण करें । यदि किसी कारणवश आप नहीं आ सकते हैं तो आपसी समझौते से कोई और व्यक्ति को भेज दें, पर यह पर्व अवश्य ही मनावें । इस दिन की विशेषता एवं आनन्द का अनुभव करने के लिये हमें जर्मनी से तीस जर्मन मेहमान हमारे यहाँ आ रहे हैं । वे रांची के मिशन में भाग लेंगे तथा कुछ अन्य मण्डलियों में भी जायेंगे । आप भी मिशन पर्व को मनावने के लिये अधिक से अधिक कार्यक्रम बनावें ।

मिशन पर्व भार न समझा जाय, मसीही जीवन का एक पहलु समझा जाय । मसीही न केवल नयी सृष्टि है, वह परमेश्वर से मेल किया हुआ जन है, साथ ही वह दूसरों के लिये काम करने वाला राजदूत है कि दूसरे भी परमेश्वर से मिलान कर लें । अतः मसीही भाई-बहन राजदूत बनाये जाकर भेजे जायेंगे लोग हैं, कि परमेश्वर की ओर से बिन्ती करें कि और लोग भी मेल मिलान कर लें । आप ने जब तक इसके लिये क्या किया ? आप की मण्डली क्या कर रही है ? जर्मन देश के मसीही राजदूत हो कर हमारे यहाँ आ कर हमारे पुरस्कारों से बिन्ती करते थे कि परमेश्वर से मेल मिलान कर लें, पुरस्कार ने बहुत हिचकिचाहट होने पर भी उनकी सुन ली और वे नयी सृष्टि बन गये और इसी गोस्सनर कलीसिया की स्थापना हुई इसी से आज हम भी मसीही हैं - नयी सृष्टि है, कुछ हम लोग ही राजदूत बनाये गये हैं । प्रत्येक मसीही भाई बहन को इस सृष्टि को चलाना प्रत्येक प्राची, प्रचारक एवं पंच का काम है । अब तक हमारी कलीसिया की ओर से अनेक भाई बहन भेजे गये हैं [मिशनरी हैं] जो निकटवर्ती क्षेत्रों में काम करते हैं उनका हाथ आप मजबूत करें कभी कभी वहाँ जा कर, या उनको बुला कर, यथा सम्भव उपाय व साधन दें कि वे मानों आप ही के साथ काम करें । अतः इस बार के मिशन पर्व में आप धन्यवाद एवं प्रार्थना की भेंट चढ़ावें ताकी हमारी कलीसियाई जीवन का यह पहलु सफलबन्त हो ।

इस बार भी इसके लिये कलीसिया में मिशन पर्व एक अवसर बनाया गया है, अतः इसको ध्यान से हो जाने न दें । इसका जो लाभ और आनन्द है उसको ग्रहण करें । बिन्ती-प्रार्थना का जो अर्थ है उसे अर्थपूर्ण करें और प्रगट करें कि आप नयी सृष्टि हैं यही नहीं आप परमेश्वर का राजदूत भी हैं । उस दिन को जान को आप सुसमाचार प्रचार कार्य के लिये ही लगा दें, हमारे विभागीय खजाने में भी भेज दें तो अच्छा ही होगा, यदि आप का रकम मिशन कार्य के विशेष काम में लगाने कहते हैं तो वह भी लिये ।

मिशन पर्व आशीषमय हो ।

Dear Friends,

In the last Refresher Course it has been told that you have to submit the yearly Report latest by 15th Jan. 1975 along with the financial Statements - money received from here, other sources, Field incomes expenditures. You know the result if you do not submit the report by that time.

have to state that some of you have neglected to send prepared by us. When we do not get your chalan it is something wrong in Field Income centralisation. sending your chalan, it may mean that your field to be registered as in the case of half yearly reports.

I request you to work sincerely and hard with this
