Re: RDF 20 - Irrigation Tank, GEL Mission Compound

Dear Rev. Khalkho,

We should herewith like to acknowledge with thanks receipt of your letter of June 8 informing us that the balance of Rs. 4,655.65 which was actually held by the Central Relief and Development Committee in Ranchi still had not been credited to your account. If this has not happened in the meantime, we should once more, by carbon copy of this letter, ask Mr. Minz to kindly take the necessary steps that this outstanding balance which is due to the above project will be remitted before long. Thank you very much for your kind co-operation in this matter.

In accordance with your request for the release of a further instalment, we have today arranged that

US\$ 1,500.-

be credited to your account No. 270 with the United Commercial Bank, Gumla Branch as you have instructed us with your letter of May 18. Kindly acknowledge receipt on the attached forms.

We are looking forward to hearing from you in regard to the progress and development of the work under this scheme and thank you for keeping us informed.

With best regards,

Sincerely yours,

Marlise Egli

RE: CDA P 55 - Irrigation Tank, Honjor
P 57 - Irrigation Tank, GEL Mission Compound Gumla

Dear Mr Khess,

This is to acknowledge with thanks receipt of your letter dated August 17, 1974 as well as of the above mentioned two applications. We also received your cable reading as follows:

"FOUR TYPE PROJECTS DESPATCHED EXCUSE DELAY"

Unfortunately, the material did arrive after our dateline and since Mr Jernaes, our agricultural Secretary, is now on an extended field trip, we will have to wait for his return. Although you provided quite a lot of technical details, some of the basic information we need for a CDS request is not included, and it will therefore not be possible to present your request at our next CDS Governing Committee meeting in December.

However, Mr Jernaes will contact you again in the near future and we might be in a position to deal with these requests at the following meeting in Mid-1975.

With kind regards,

Sincerely yours,

G.E.L.Church, Ranchi

Dear Mr Khess,

I hope you might have received letter from Miss Christa Held a copy of which reached me on the 14th of this month. The contents therein have alarmed me and therefore I have made copies of the same and distributed it to the members of our committee. I hope you are equally concerned about the matter.

Yesterday Mr Paul Lakhan Lall dropped in my office here. He would like to have a list of projects to be forwarded to Church World Service through CASA. These projects should be directly related to development works and they should be in order of Priority.

The above two situations compel me to write to you and sending the copy of the same to all our members. I hope you will take this move of mine in a good spirit.

As I have to leave for Nairobi latest by to-morrow the 18th of October I should like to meet the members of the Central Relief and Development Committee either by this evening or before to-morrow noon at a convenient time. The members and the whole committee should realise the urgency of the situation and must take definite official actions to send projects both to the Lutheran World Federation directly and to the Church World Service through CASA as soon as possible.

May I therefore request you to kindly arrange the meeting of available members of the Committee and inform me about the time and place of this meeting.

Sincerely Yours,

Minz
