Sub :- Revision U/s, 264 of the I.T. Act 1961.

Name of address of the Appellant	:	Fudi Technical Training Centre, Fudi, Ranchi.
Permanent Account No./G.I.R.No.	:	F - 601
Assessment year in connection with which the Revision is preferred	:	1977-78
Income-Tax Officer passing the order	:	Shri R.K. Singhal, Income-tax Officer, Spl. Ward 'A',Circle - II, Ranchi.
Section and Sub-section of the I.T; Act under which the Income-tax Officer passed the order sought to be revised	:	144 B
Date of service of the order sought to be revised	:	4.2.1980
Whether any appeal has been filed in respect of the order sought to be revised	:	No appeal lies against the order u/s. 144 B of the I.T. Act, 1961.
Relief claimed	:	It be held that the draft assessment order has been wrongly referred to the Inspecting Assistant Commissioner of Income-tax,Ranchi Range, Ranchi, U/s 144 B of ~~th~~ the I.T. Act, 1961.

STATEMENT OF FACT

The assessee is a charitable association registered under the Societies Registration Act, 1860 and carries on an Educational Institution for imperting vocational training mainly to the Adivasies in the Village Fudi, District Ranchi. The assessee is also registered u/s. 12 A (a) for the Income-tax Act by the Commissioner of Income-tax, Bihar - II, Ranchi. The assessee claimed that its income is expempt from income-tax u/s. II alternatively u/s.(22) of the I.T. Act, 1961. The assessee duly filed its return of income. An audited profit & loss account, balance sheet, receipt and payment account etc. were filed. In the said account a loss of Rs. 12,016.75 was disclosed being the excess of expenses over income. The assessee being a charitable Institution established mainly to impert technical and vocational training to the poor Adivasies did not charge any fees from the students and the entire income related go xubsidies received from charitable Institution. The Income-tax Officer, however, held that the income of the assessee is not exempt under the Income-tax Act and computed the net income at Rs. 89,250.00. Since in the opinion of the Income-tax Officer the variation of income was more than Rs. 1,00,000.00 he forwarded a draft assessment order to the assessee calling for

Contd .....

filing objections, if any. The assessee submitted that since the variation of income as computed by the Income-tax Officer was less than Rs. 1,00,000.00 the matter is not referred to the Inspecting Assistant Commissioner u/s. 144 B of the I.T. Act, 1961. It was further submitted that while making additions and computing the income u/s. 143 and for the purpose of arriving at the variation to exceed certain limit so as to enable the Income-tax Officer to apply the provisions of section 144 B it is necessary that the income be correctly computed after allowing stututary, exemptions and deductions available to the the assessee again submitted written objections. It was again claimed that in the facts and circumstances of the case the matter could not be referred to the Inspecting Assistant Commissioner under the ~~sections~~ provisions of section 144 B so as to enlarge the period of limitation as provided u/s. 153 (3)(iv) of the I.T. Act. It was further submitted that under the facts and circumstances of the case the Inspecting Assistant Commissioner could not assume jurisdiction to proceed with the matter. Since basis on which the assessment could be referred to th Inspecting Assistant Commissioner u/s. 144 B did not exist in assessee's case.

Being aggrieved by and dissatisfied with the order of the Income-tax Officer, Spl. Ward 'A' Circle - II, Ranchi forwarding a draft of the proposed order of assessment to the Inspecting Assistant Commissioner, the assessee begs to file this Revision on ~~amongst~~ amongst others the following grounds :

1. For that the Income-tax Officer has wrongly forwarded a draft of the proposed order of assessment to the Inspecting Assis-tant Commissioner. Under the facts and circumtances of the case the provision of section 144 (B) could not be applied in assessee's case.

2. For that the variation of income as assessed by the Income-tax Officer did not exceed Rs. 1,00,000.00 and as such the provision of section 144 B could not be applied.

3. For that while making the assessment u/s. 143 (3) the Income-tax Officerhas failed to make a correct computation of income according to the principles of Accounting and allow ~~statutory~~ statutory deductions. The Income-tax Officerhas wrongly disallowed messing expenses amounting to Rs. 3,139.00 while he has taken as income a sum of Rs. 8,091.41 as receipt from mess account. The expenses in the messing account should have been adjusted with the receipts from the messing account and only the balance amount could be taken as receipt. If this sum of Rs. 3,139.00 is excluded the addition even if any mode by the Income-tax Officer will be less than Rs. 1,00,000.00.

4. For that the Income-tax Officer in order apply the provision of section 144 B and for arriving at the variation of income as specified in section 144 B should make a correct computation of income according to the statutory provisions of the Act. The Income-tax Officer cannot make such additions which are wholly against the principles of Accountancy or against the statutory provisions of the Law so as to bring the variation exceeding the statutory limit of Rs. 1,00,000.00.

Contd ----------

5. For that the Income-tax Officer should have completed the earlier assessment for the asstt. year 1974-75, 1975-76 and 1976-77 so that the benefit of less or unabsorbed depreciation of the earlier years could be available to the assessee and set off against the income of this year.

6. For that other grounds if any shall be urged at the time of hearing.

It is therefore prayed that the records be called for and after hearing the assessee it be held that no reference u/s. 144 B could be made under the facts and circumstances of the case.

And for this your petitioner shall ever pray.

VERIFICATION.

I Rev..Christ.Bijay Aind, Director do hereby declare that what is stated above is true to the best of my information and belief.
